"We seek a new spirit..."

April 9, 1973

FRIENDS OF KOINONIA.....

Clarence Jordan believed in the need for a tangible demonstration of the substance of our faith... hence, Koinonia was born. Now, with this letter, we want to introduce you to another demonstration plot for the seeds of our faith and the growth of the Kingdom of God :

Suruban Partners is a group of close friends of ours who are living and working in a Christian community similar to that of Koinonia. In the last three years many of them have lived and worked at Koinonia ... our friendship goes back all the way to the first discipleship schools led by Clarence. Two years ago, this group got together in Durham, North Carolina. They live in a transitional neighborhood and are dedicated to the ideas of peace, brotherhood, and sharing.

Our friendship with the Suruban fellowship continues to grow ... and, because of their work and commitment to the ideas we share in common, we want to introduce them to you. We commend them to you without reservation as working partners for the Kingdom of God.

We ask that you read the enclosed material thoughtfully ... the letter comes from them to you ... we think you will enjoy it and find it exciting.

May the Spirit of Christ continue to rule in your lives and bring you peace and joy !

In His Fellowship,

ALBERT A. ZOOK
