INTRODUCTION

The Scope and Meaning of the Survey

In 1925, we made the first survey of the missionary and benevolent contributions of the churches in the Southern Baptist Convention ever undertaken. In spite of our very best efforts this former survey was incomplete on two vital points. In the first place, we did not attempt to list the churches giving 10% or less of their total budgets, to missions and benevolences. As we found out afterwards, this was a serious shortcoming. Then, in the second place, we failed to secure the records of many of the churches—particularly those churches giving small amounts—and therefore were forced to present an incomplete report, so far as the smaller churches were concerned.

In the present survey, made on the basis of the gifts of the churches in 1929, we have secured full and complete reports from over 95% of our churches and we have made as accurate analysis of the facts as is humanly possible, in dealing with so large a number of churches and with such diverse reports as these churches print in the minutes of their district associations. Not only so; but we have checked the records set down in the association minutes with the records given in the several state annuals and published in the various state papers. In addition, we have divided the churches into six groups, instead of five as formerly, and we have compared the records of the churches for 1929 with those which we formerly made of the churches in 1925, in order to show the gains and losses on each point. And, while we can not hope that we have escaped all mistakes, we do believe that the facts about the missionary and benevolent gifts of Southern Baptist churches, presented herewith, are as nearly accurate and trustworthy as we are capable of presenting. We have chosen the following order for the presentation of the facts of this survey:

I. The Record of All the Churches.

II. The Record of the Associations.

III. The Record of the State Conventions.

IV. The Record of the Southern Baptist Convention.

V. The Drift of Southern Baptist Contributions.

VI. Our Financial Problems—The Way Up and Out.

VII. The Stewardship Situation in America—And Among Southern Baptists.

In Chapters V and VI, if we may be allowed to say a word about this in advance, we have pointed out the five outstanding and unmistakable weaknesses of Southern Baptist finances, so far as the gifts of the churches are concerned. With these things in mind, therefore, let us look at the facts of this survey of the missionary and benevolent gifts of Southern Baptist churches for 1929:

CHAPTER I

THE RECORD OF ALL THE CHURCHES, 1929

Before taking up the record of the churches in detail, it will perhaps help us materially to get a bird's-eye view of the record of the whole group of 24,010 churches in the Southern Baptist Convention in 1929. Here, then, is a summary view of the record of Southern Baptist churches in their support of the missions, education and benevolences in the year 1929:

Bird's-Eye View of All the Churches, 1929

Total number of churches in Convention	100.00%	24,010
Churches giving to Co-operative Program only	11.82%	2,837
Churches giving to designated objects only	21.17%	5,083
Churches giving both ways	37.86%	8,367
Churches giving but unclassified	1.37%	331
Total churches supporting the Co-operative Program	46.66%	11,204
Total churches giving to missions and benevolences	69.21%	16,618
Total churches giving nothing or not reporting	30.79%	7,392

Churches Giving to Missions, etc., Classified

A. Churches giving 50% and over of their total budgets to missions and benevolences	1.17%	282
B. Churches giving 34% to 50% of their total budgets to missions and benevolences	4.41%	1,060
C. Churches giving 26% to 33⅓% of their total budgets to missions and benevolences	5.68%	1,340
D. Churches giving 11% to 25% of their total budgets to missions and benevolences	27.84%	6,685
E. Churches giving 10% or less of their total budgets to missions and benevolences	28.55%	6,855
Churches giving but having incomplete reports	1.66%	396
Total churches giving to missions and benevolences	69.21%	16,618

Classification of Southern Baptist Churches

The only way to understand the actual records of the 24,010 churches among Southern Baptists, in their support of our great missionary, educational, and benevolent causes and institutions, is by way of classification and comparison. In attempting to follow this method, in the pages immediately following, we have arbitrarily set up six classes of churches, as follows:

A. Churches Giving 50% or More of Their Total Budgets (or Gifts for All Purposes), for Missions and Benevolences.

B. Churches Giving 34% and up to 50% of Their Total Budgets to Missions and Benevolences.

C. Churches Giving 26% to 33⅓% of Their Total Budgets to Missions and Benevolences.

D. Churches Giving 11% to 25% of Their Total Budgets to Missions and Benevolences.

E. Churches Giving 10% or Less of Their Total Budgets to Missions and Benevolences.

F. Churches Which Gave Nothing or Reported Nothing for Missions and Benevolences.

Now what is the record of the 24,010 churches among Southern Baptists according to this standard of judgment and classification? We have done our best to discover and set down the facts below, using all the sources of information known to us and all the care and diligence of which we are capable. Since we are, after all, decidedly human, there are possibly some slight errors in the classification following; but, taken as a whole, we feel sure that it presents a faithful and trustworthy picture of the record of our churches.

CLASS A CHURCHES AMONG SOUTHERN BAPTISTS—1929

(Those churches in each state which gave 50% or more of their total gifts for missions, etc., are counted in Class A. The states are listed here according to the percentages.)

Record of 1929 and 1925 Compared

States	Number and Per Cent of Churches in Class A in 1929	Number and Per Cent of Churches in Class A in 1925
1. South Carolina	24—2.03%	67—5.7%
2. Virginia	22—1.91%	72—6.2%
3. Texas	54—1.74%	44—1.7%
4. North Carolina	41—1.74%	87—3.8%
5. Louisiana	13—1.65%	11—1.5%
6. Arkansas	14—1.64%	14—1.9%
7. Florida	11—1.43%	6—0.9%
8. New Mexico	2—1.36%	3—1.9%
9. Mississippi	20—1.30%	45—3.4%
10. Missouri	22—1.25%	9—0.5%
11. Illinois	6—1.04%	4—0.7%
12. Maryland	1—1.04%	2—2.1%
13. Alabama	16—0.74%	21—1.0%
14. Oklahoma	8—0.74%	9—1.6%
15. Kentucky	11—0.54%	40—2.1%
16. Georgia	11—0.43%	35—1.5%
17. Tennessee	6—0.32%	31—1.8%
18. District of Columbia	None	None
19. Arizona	None	.....
Totals	282—1.17%	501—2.06%

It will be noted that only five of the states have made any gains in Class A churches in the last four years. Arkansas held her own in the number of churches, but lost slight ground in percentage; whereas, Texas, Louisiana, Florida, Missouri and Illinois made substantial gains.

On the other hand, all the other states, except Oklahoma and New Mexico, show serious losses in Class A churches. The loss in the Southern Baptist Convention as a whole is quite serious. On the other hand, Southern Methodists did not have a single church in 1929 which measured up to this high standard, and perhaps no other denomination in the South has 283 or even 200 churches which give 50-50 as between the local church work and the great denominational causes.

CLASS B CHURCHES AMONG SOUTHERN BAPTISTS—1929

(Those churches in each state which gave 34% and up to 50% of their total gifts for missions, etc., are counted in Class B. The states are ranked according to the percentage of the churches in this class.)

Record of 1929 and 1925 Compared

States	Number and Per Cent of Churches in Class B in 1929	Number and Per Cent of Churches in Class B in 1925
1. Arizona	2—18.18%	None
2. District of Columbia	3—11.11%	6—22.2%
3. Virginia	126—10.92%	187—16.0%
4. North Carolina	192— 8.15%	257—11.2%
5. Louisiana	41— 5.22%	44— 6.8%
6. Mississippi	80— 5.19%	85— 6.4%
7. Illinois	26— 4.53%	27— 4.8%
8. South Carolina	52— 4.39%	155—13.1%
9. Maryland	4— 4.17%	3— 3.1%
10. Georgia	105— 4.14%	119— 4.8%
11. New Mexico	6— 4.08%	21—13.1%
12. Missouri	69— 3.93%	70— 3.8%
13. Kentucky	76— 3.76%	116— 6.2%
14. Alabama	77— 3.57%	81— 3.8%
15. Texas	108— 3.49%	224— 9.8%
16. Tennessee	48— 2.56%	68— 4.0%
17. Arkansas	21— 2.45%	46— 6.4%
18. Florida	15— 1.97%	27— 4.4%
19. Oklahoma	9— 0.83%	29— 4.8%
Totals	1,060— 4.41%	1,565— 6.43%

Here again four things have taken place among our churches in Class B, within the last four years:

1. Two of our smaller states have made distinct gains in Class B churches, viz.: Arizona, Maryland.

2. Three states have almost held their own, viz.: Mississippi, Illinois and Missouri.

3. The other fourteen states have shown more or less serious losses.

4. And the Southern Baptist Convention has lost 505 churches out of Class B—which is the backbone of Southern Baptist financial support.

CLASS C CHURCHES AMONG SOUTHERN BAPTISTS—1929

(Those churches in each state which gave 26% to 33⅓% of their total budgets to missions, education and benevolences are counted in Class C. The states are ranked according to the percentage of Class C churches found in the 1929 records.)

Record of 1929 and 1925 Compared

States	Number and Per Cent of Churches in Class C in 1929	Number and Per Cent of Churches in Class C in 1925
1. Dist. of Columbia	5—18.52%	7—26.0%
2. Virginia	154—13.36%	139—11.7%
3. New Mexico	12— 8.16%	19—11.9%
4. Texas	214— 6.91%	256—10.0%
5. Mississippi	105— 6.82%	87— 6.5%
6. North Carolina	156— 6.62%	224— 9.8%
7. Florida	49— 6.43%	66—10.8%
8. Maryland	6— 6.25%	7— 7.8%
9. Illinois	31— 5.40%	28— 5.0%

10. Louisiana	42— 5.36%	36— 5.1%
11. Georgia	135— 5.32%	142— 5.7%
12. Kentucky	107— 5.29%	148— 8.0%
13. Arkansas	42— 6.03%	66— 9.1%
14. Alabama	102— 4.73%	102— 4.8%
15. Missouri	75— 4.27%	97— 5.8%
16. South Carolina	42— 3.55%	125—10.6%
17. Oklahoma	36— 3.32%	84— 5.6%
18. Tennessee	26— 1.39%	82— 4.9%
19. Arizona	None	None
Totals	1,340— 5.58%	1,665— 6.84%

Again we note some radical changes in Class C churches among Southern Baptists:

1. Five states have shown good gains, since 1925, in the number of Class C churches, viz.: Virginia went from 139 to 154; Mississippi went from 87 to 105; Illinois went from 28 to 31; Louisiana went from 36 to 42, and Oklahoma went from 34 to 36 Class C churches.

2. Maryland and Alabama just about held their own in Class C churches.

3. Whereas, eleven of the states showed serious losses in Class C churches.

4. The Southern Baptist Convention as a whole, likewise, showed the loss of over 300 churches in this class—or about 75 churches a year.

CLASS D CHURCHES AMONG SOUTHERN BAPTISTS—1929

(Those churches in each state which gave from 11% to 25% of their total budgets to missions, education and benevolences are counted in Class D. The states are ranked according to the percentage of churches in Class D.)

Record of Year 1929

States	Number and Per Cent of the Churches Giving 11% to 25% of Their Total Budgets to Missions, Education and Benevolences
1. District of Columbia	15 churches—55.55%
2. Maryland	53 churches—55.21%
3. South Carolina	470 churches—39.69%
4. Virginia	447 churches—38.77%
5. Missouri	585 churches—33.35%
6. North Carolina	764 churches—32.43%
7. Florida	216 churches—28.35%
8. Mississippi	427 churches—27.73%
9. Illinois	155 churches—27.0 %
10. Louisiana	205 churches—26.11%
11. Kentucky	517 churches—25.59%
12. Texas	779 churches—25.16%
13. Tennesseee	468 churches—24.93%
14. Oklahoma	268 churches—24.75%
15. Georgia	595 churches—23.47%
16. Alabama	499 churches—23.14%
17. Arkansas	188 churches—22.01%
18. New Mexico	32 churches—21.77%
19. Arizona	2 churches—18.18%
Totals	6,685 churches—27.84%

Note: Here are 6,685 (27.84%) churches which are giving regularly to our denominational causes; but giving on too low a standard. For while these churches give all the way from 11% to 25% of their total budgets to denominational causes, the average per cent for these 6,685 churches does not go much beyond 16⅔ cents out of the dollar. And of course Southern Baptist work can not be maintained on this basis. If this whole group of churches could be moved up to Class C, it would save the whole Southern Baptist situation in two years.

CLASS E CHURCHES AMONG SOUTHERN BAPTISTS—1929

(The churches in each state which gave 10% or less of their total budgets to missions, education and benevolences are counted as Class E churches. The states are ranked according to the percentage of churches found in this class. As a matter of fact the higher the percentages of class E churches found in a state, the lower in its rank in denominational contributions.)

Record of the Year 1929

States	Churches in Class E	Percentages
1. Illinois	213 churches	37.11%
2. Arizona	4 churches	36.36%
3. Alabama	752 churches	34.87%
4. Missouri	556 churches	31.70%
5. Louisiana	248 churches	31.59%
6. Georgia	770 churches	30.37%
7. Kentucky	600 churches	29.70%
8. Florida	224 churches	29.40%
9. Oklahoma	317 churches	29.27%
10. Tennesee	547 churches	29.14%
11. North Carolina	625 churches	26.53%
12. Texas	816 churches	26.36%
13. Arkansas	222 churches	25.99%
14. South Carolina	307 churches	25.93%
15. Maryland	24 churches	25.0 %
16 Mississippi	371 churches	24.09%
17. Virginia	238 churches	20.64%
18. District of Columbia	4 churches	14.81%
19. New Mexico	17 churches	11.56%
Totals	6,855 churches	28.55%

If Class D churches (giving an average of 16⅔ cents out of every dollar of their budgets) present a distinct problem and a commanding opportunity to Southern Baptists, the 6,855 Class E churches constitute a part, at least, of the real peril of the Southern Baptist situation. We simply cannot hope to get on with the great work of Southern Baptists until this group of churches is dealt with and brought up to a higher standard.

CHURCHES GIVING LESS THAN 25% OF THE BUDGETS TO MISSIONS

Records of 1929 and 1925 Compared

In 1925 we made a survey of the churches giving less than 25% of their total budgets to missions and benevolences. Have we made any distinct gain with this great group of churches in the last four years? Below we give the striking figures which tell the whole story:

States	Number and Per Cent of Churches Giving 25% or Less in 1929	Number and Per Cent of Churches Giving 25% or Less in 1925
1. Maryland	77 churches—80.21%	71 churches—74.0%
2. Dist. of Col.	19 churches—70.36%	14 churches—51.8%
3. South Carolina	777 churches—65.62%	517 churches—43.6%
4. Missouri	1,141 churches—65.05%	1,247 churches—68.3%
5. Illinois	368 churches—64.11%	363 churches—64.7%
6. Virginia	685 churches—59.41%	543 churches—46.0%

7. North Carolina ...	1,389 churches—58.96%	1,307 churches—57.1%
8. Alabama	1,251 churches—58.01%	1,148 churches—54.3%
9. Florida	440 churches—57.75%	328 churches—53.7%
10. Louisiana	453 churches—57.70%	425 churches—60.8%
11. Kentucky	1,117 churches—56.29%	962 churches—51.6%
12. Arizona	6 churches—54.54%	New state
13. Tennessee	1,015 churches—54.07%	883 churches—52.4%
14. Oklahoma	585 churches—54.02%	402 churches—66.2%
15. Georgia	1,365 churches—53.84%	1,263 churches—51.0%
16. Mississippi	798 churches—51.82%	682 churches—51.6%
17. Texas	1,595 churches—51.51%	1,638 churches—64.2%
18. Arkansas	410 churches—46.0 %	437 churches—60.5%
19. New Mexico	49 churches—33.33%	89 churches—55.6%
Totals	13,540 churches—56.39%	12,319 churches—50.61%

This table makes clear three outstanding facts about the partially developed churches among Southern Baptists, viz.:

1. Their number is large and growing larger—they have increased from 12,319 (55.6%) in 1925, to 13,540 (56.39%) in 1929, a net gain of 1,221 in four years. That is to say, practically 305 churches a year are joining those churches whose mission gifts constitute perhaps not more than 12½ cents out of the dollar, upon the average, for all missions and benevolent causes.

2. Only two states have made any gain in dealing with this group of churches —Missouri and Texas have fewer churches of this class than they had four years ago.

3. Several of the states about held their own, notably Illinois, Louisiana, Arkansas and Oklahoma; whereas most of the states showed decided losses in grappling with this part of the problem.

CHURCHES GIVING NOTHING OR NOT REPORTING—1929

Along with the churches which report no gifts to missions, education and benevolences in 1929, we are including the churches which did not report to their associations or to their State Convention Boards during the year. We have been at great pains to run down all the churches known to exist and yet which either gave nothing or made no report to the denomination any way. According to the states, the list is as follows:

States	Do Nothing Churches, 1929	Do Nothing Churches, 1925
1. New Mexico	70—47.62%	43
2. Arkansas	357—41.6 %	390
3. Tennessee	749—39.9 %	828
4. Texas	1,125—36.34%	1,053
5. Georgia	874—34.48%	1,047
6. Oklahoma	372—34.85%	496
7. Alabama	695—32.23%	767
8. Mississippi	490—31.82%	749
9. Florida	240—31.6 %	245
10. Kentucky	626—30.99%	763
11. Louisiana	229—29.18%	294
12. Missouri	447—25.49%	442
13. South Carolina	289—24.41%	338
14. North Carolina	558—23.68%	416
15. Illinois	110—19.16%	168
16. Arizona	2—18.18%	None
17. Virginia	154—13.36%	238
18. Maryland	5— 5.21%	13
19. Dist. of Columbia.	None	None
Totals	7,392—30.79%	8,291—34.06%

Here is something new and encouraging: 13 of the states show fewer do-nothing or O'Missionary churches than we had in 1925; New Mexico, Texas, Missouri and North Carolina show a slight increase in this class of churches; while the Southern Baptist Convention as a whole shows a net gain of 899 fewer do-nothing churches. The percentage of such churches, moreover, declined 3.27% in the four years.

But let no one imagine that we do not face a perilous situation, even in 1929; for after 85 years, almost 31% of Southern Baptist churches are wholly unenlisted and giving not one cent to any mission or benevolent cause; whereas 6,855 other churches among us are giving 10% or less of their total budget to missions!

CHAPTER II

RECORD OF THE DISTRICT ASSOCIATIONS

For the first time in history, we have made a survey of the record of our 912 district associations in the South, as to their support of our mission and benevolent causes. It is an amazing discovery. Look at the outstanding items:

I. Associations Enlisted and Unenlisted

How far are Southern Baptists really enlisted and mobilized for service? Here is the story as told by the record of the associations—first in bird's-eye view and then in detail, covering the whole Southern Baptist Convention. We have never come upon anything in Southern Baptist life so full of surprises as this record.

1. Associations Giving Less than 10 Cents Per Capita or Per Member to Missions and Benevolences—As a matter of fact we found thirteen whole associations which gave or reported nothing at all for any mission or benevolent cause. But putting together the whole list of associations which gave less than 10 cents per capita or per member, we found the following unbelievable record: **58 associations, with 119,106 church members, gave $5,330.11 to missions and benevolences—an average of 4½ cents per member in 1929!**

2. Associations Giving 10 Cents to 25 Cents Per Capita, or Per Member, to Missions and Benevolences: 65 associations, with 137,362 church members, gave $23,635.09 to missions, etc., in 1929—an average of 17 cents per member.

3. Associations Giving 26 Cents to 50 Cents Per Capita, or Per Member, to Missions and Benevolences: 89 associations, with 258,094 church members, gave $96,186.45 to missions and benevolences—an average of 37 cents per member.

4. Associations Giving 51 Cents to $1.00 Per Capita, or Per Member, to Missions and Benevolences: 187 associations, with 598,044 church members, gave $477,852.46 to missions and benevolences—an average of 78 cents per member.

5. Associations Giving $1.01 to $2.00 Per Capita, or Per Member, to Missions and Benevolences: 256 associations, with a total of 1,066,988 church members, gave $1,567,206.96 to missions and benevolences—an average of $1.46 per capita or per member.

6. Associations Giving $2.01 to $3.00 Per Capita, or Per Member, to Missions and Benevolences: 135 associations, with 641,794 church members, gave $1,596,849.57 to missions and benevolences—an average of $2.48 per capita or per member.

7. Associations Giving $3.01 to $4.00 Per Capita, or Per Member, to Missions and Benevolences: 58 associations, with 441,166 church members, gave $1,458,715.53 to missions and benevolences—an average of $3.31 per capita or per member.

8. Associations Giving $4.01 to $4.99 Per Capita, or Per Member, to Missions and Benevolences: 30 associations, with 191,603 church members, gave $826,498.36 to missions and benevolences—an average of $4.31 per capita or per member.

9. Associations Giving $5.00 and Up to Missions and Benevolences: 33 associations, with 246,643 church members, gave the splendid sum of $1,595,055.87 to missions and benevolences—an average of $6.46 per capita or per member.

Five facts stand out in this summary and analysis of the records of our 912 district associations:

Fact No. 1—212 associations (comprising the first three classes), with 514,582 church members, fall wholly below the 50 cents per capita line—in fact gave an average of 24 cents per capita to all missions and benevolences.

Fact No. 2—399 associations, with 1,112,806 church members, gave $603,004.11, or an average of 54 cents per capita to all missions and benevolences.

Fact No. 3—655 associations (out of 912 total), with 2,179,594 church members (out of a total of 3,770,645), fall below the low average per capita of the Southern Baptist Convention—that is, $2.03 per capita.

Fact No. 4—Whereas, 256 associations (comprising groups 6, 7, 8, and 9), with 1,521,206 church members, gave $5,477,119.33 to missions and benevolences—that is, $3.60 per capita.

Fact No. 5—Southern Baptists must, therefore, recognize that there are 655 associations and 2,179,594 church members weak and unenlisted, as compared with 256 associations and 1,521,206 church members strong and enlisted.

Let us now look at this record in detail:

II. Associations Applying 90%, and More, of Their Total Gifts to Support of Local Work

It has been generally assumed that only those associations where the churches were building great houses of worship were "hogging" the mission causes by applying most all their gifts to local church work. Is that assumption based upon fact? It is not. On the contrary, as the following tabulation will abundantly illustrate and demonstrate, **the tendency to "hog" the mission causes by applying most of the gifts to local church work comes from two sources: the first and main source is those associations or groups of churches which are mostly undeveloped and unenlisted; and second, those associations or groups of churches which have been awakened and given a great vision and have temporarily overloaded themselves in building enterprises, in an honest and forward-looking endeavor to measure up to the new day before them.**

And of the two groups of offenders at this point, the undeveloped churches and associations constitute four-fifths of the problem. Look, for example, at this list of associations giving 90% and more of their total gifts to local church work. Do these associations comprise the churches which are building, or have recently built, great new houses of worship? For the most part, they are not; but they are the associations which have only partially been enlisted and developed in giving to missions. Here is the formidable list of associations which, for the most part, are leaving our great mission causes in the lurch:

34. Tampa, Fla.	12,341	21,444.85	[illegible]	[illegible]

This table includes all the large cities in the South, and also the capital cities and habitats of the various state Baptist headquarters. We call attention to several important facts set out in this table:

1. The Baptist associations in these various cities are ranked not according to numbers, but according to per capita gifts to missions and benevolences, beginning with Baltimore at the top and falling to Tampa at the bottom.

2. Along with the per capita rank of these groups of city Baptists, we should note the per cent of their total gifts which went to missions and benevolences. On this point the Baptists of Shreveport, La., rank first in the South; while Tulsa, Okla., and Tampa, Fla., take the lowest place.

3. It will astonish most of our people to see what wide differences exist between the standards of giving in these thirty-four cities; also to note the differences in cities in the same state. Compare the per capita and per cent of the gifts of Dallas and El Paso, Texas, with those of San Antonio, Houston and Ft. Worth.

4. Almost half of these cities are giving a smaller percentage of their total gifts to missions and benevolences than the general average of our churches throughout the South. Ought the Baptists of any city in the South to allow less than 25% of their total gifts go to the great mission and benevolent causes? Yet twenty-five out of thirty-four cities, here catalogued, fall below 25% in their gifts to missions.

5. What is the real explanation of the wide differences in the per capita and percentages set forth in this table? Can't we bring up our city churches and associations to higher standards? Look at Albuquerque, New Mexico, for example, and see how the plucky 2,336 Baptists of that association not only gave $5.06 per capita in 1929, but set aside 30.65% of all their gifts for the great denominational causes which we foster—**and they did this out of poverty unknown to any other group of Baptists listed in these thirty-four cities.** Why can't all the others do at least as well as the Baptists in Albuquerque?

CHAPTER III

RECORD OF THE STATE CONVENTIONS IN 1929

In presenting the records of the several state conventions in their contributions to missions, education and benevolences in 1929, for lack of space, we are giving (1) a bird's-eye view of the whole state, and (2) a list of those churches, with their pastors, in each state which, in spite of all their local needs and their enlarged programs, gave 50% and over of their total budgets to missions and benevolences; also a list of those churches in each state which gave from 34% to 49% of their total budgets to missions and benevolences.

Both of these lists have fallen off since 1925, when we made our first survey of the mission gifts of the churches. Nevertheless, it may be doubted if there is another group of churches in any main denomination in America whose support of denominational causes surpasses these two groups of churches among Southern Baptists. They are indeed our honor roll of heroic missionary churches!

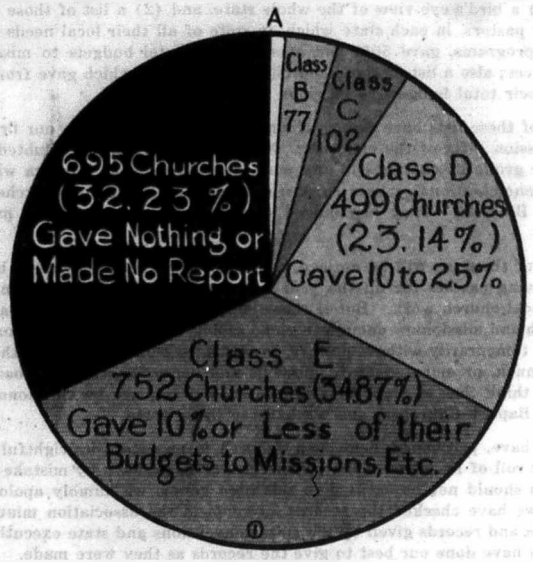

Some of them, as will be noticed, came into each of these classes by reason of not having pastors for all the year and a consequent falling down of their gifts to local church work. But if these churches were loyal enough and faithful enough and missionary enough to go on giving to denominational causes when they were temporarily without pastors, so that, at the end of the year the records show as much, or more, given to missions and benevolences as to local church work, we think that of right they are entitled to a place on the honor roll of Southern Baptist Churches; and we have so listed them.

If we have, perchance, denied any church in any state its rightful place in this honor roll of heroic missionary churches, or if we have by mistake included any which should not be entitled to this high honor, we humbly apologize and say that we have checked the records as given in the association minutes with the reports and records given by the state conventions and state executive secretaries, and have done our best to give the records as they were made.

CHAPTER IV

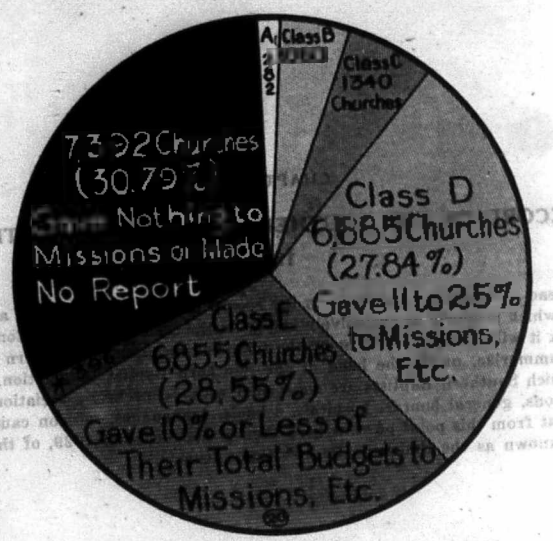

RECORD OF THE SOUTHERN BAPTIST CONVENTION

1929

Instead of confining ourselves to the record of the various boards and institutions which properly or exclusively belong to the Southern Baptist Convention, we think it will throw more light on the financial situation of Southern Baptists if we summarize, under the head of the Southern Baptist Convention, all the work which Southern Baptists are concerned with—churches, associations, state conventions, general boards, hospitals, schools, orphanages, mission causes, etc. Looked at from this point of view here then is the record in 1929, of this great agency known as the Southern Baptist Convention.

Detailed consideration has been given to all the points set out in the foregoing comparative table. Suffice it here to call attention to the serious facts presented in this table relative to our slackening support of the Co-operative Program: First, let us note the distressing fact that over 400 churches a year are giving up the support of the Co-operative Program! Southern Baptists must quickly and firmly remedy this tendency, or else see every great cause we have go into bankruptcy.

Along with this, we should note the ominous gain of 750 churches in the four years (185 each year) to the list of those which give to "designated objects only." This means, as we must frankly admit, a spirit of anarchy and a sure foretoken of destruction for all co-operative work among Southern Baptists; and the churches and pastors should be called upon to face at once this unwelcome and terrible fact.

In the total number of churches giving to missions and benevolences, there has been a healthy gain within the last four years—a gain of 568 churches for the period, or a gain of 142 churches a year. All the more, therefore, have we reason to see trouble ahead in the rapidly failing support given to the Co-operative Program.

Further attention will be directed to this matter, and other vital matters, in Chapter VI, which will deal with the summary and conclusion of this survey.

II. The 912 District Associations

As was noted in Chapter II, the 912 district associations really separated themselves into ten classes, according to their records in supporting our great mission and benevolent causes, in 1929, which records are as follows:

1. Associations Giving Nothing or Reporting Nothing for Missions, etc.: 13 associations with 14,509 church members gave nothing or reported nothing to missions and benevolences in 1929.

2. Associations Giving Less than 10 Cents Per Capita or Per Member to Missions and Benevolences: 45 associations, with 104,597 church members, gave only $5,330.11 to all missions and benevolences in 1929—an average of 5 cents per member.

3. Associations Giving 10 Cents to 25 Cents Per Capita, or Per Member, to Missions and Benevolences: 65 associations, with 137,362 church members, gave $23,635.09 to missions, etc., in 1929—an average of 17 cents per member.

4. Associations Giving 26 Cents to 50 Cents Per Capita, or Per Member, to Missions and Benevolences: 89 associations, with 255,094 church members, gave $86,186.45 to missions and benevolences—an average of 37 cents per member.

5. Associations Giving 51 Cents to $1.00 Per Capita, or Per Member, to Missions and Benevolences: 187 associations, with 598,044 church members, gave $477,852.46 to missions and benevolences—an average of 78 cents per member.

6. Associations Giving $1.01 to $2.00 Per Capita, or Per Member, to Missions and Benevolences: 256 associations, with a total of 1,066,288 church members, gave $1,567,206.96 to missions and benevolences—an average of $1.46 per capita or per member.

7. Associations Giving $2.01 to $3.00 Per Capita, or Per Member, to Missions and Benevolences: 135 associations, with 641,794 church members, gave

$1,596,849.57 to missions and benevolences—an average of $2.46 per capita or per member.

8. Associations Giving $3.01 to $4.00 Per Capita, or Per Member, to Missions and Benevolences: 58 associations, with 441,168 church members, gave $1,456,715.53 to missions and benevolences—an average of $3.31 per capita or per member.

9. Associations Giving $4.01 to $4.99 Per Capita, or Per Member, to Missions and Benevolences: 30 associations, with 191,603 church members, gave $826,495.36 to missions and benevolences—an average of $4.31 per capita or per member.

10. Associations Giving $5.00 and Up to Missions and Benevolences: 33 associations, with 246,643 church members, gave the splendid sum of $1,598,055.87 to missions and benevolences—an average of $6.46 per capita or per member.

V. State and Southwide Causes

In order to make this part of the summary complete, we necessarily repeat some items given above. The main great causes fostered and the sums given to each cause by Southern Baptists, as reported January 1, 1930, or April 30, 1930, were as follows:

1. Foreign Mission receipts: $1,222,287.30—a fall off of $206,379.61 as compared to the year preceding.
2. Home Mission receipts: $439,754.76—a fall off of $414,429.25 as compared to the year preceding, on account of Honor Day and other special offerings in 1929.
3. Sunday School Board's cash receipts: $1,954,109.74—a net gain in cash receipts of $3,907.46 over the year preceding (all the receipts are from business and nothing from gifts).
4. Relief and Annuity Board had a total income of $915,980.91 (thanks to another $600,000.00 from Mr. Rockefeller); but the receipts from the churches were only $113,576.17—a net loss from the preceding year in the amount of $37,305.78.
5. Schools and colleges of Southern Baptists, 97 schools of all classes—a loss of 2 during the year; a total of 34,894 students (regular and summer terms)—a net loss of 5,054 for the year; 2,078 ministerial students—a loss of 8; and property and endowment valued at $63,367,551.47—a net gain over preceding year of $3,244,099.75.
6. Southern Baptist Hospitals in 1930 numbered 24—a loss of 2 from the preceding year; the value of hospital property also showed a decline from $15,122,740.28 to $14,985,565.99; the total number of patients showed a net gain from 81,921 in 1929 to 85,431 in 1930.
7. The 18 Orphanages showed properties valued at $5,932,770.46—a net gain of $191,799.00 for the year; the indebtedness on the 18 institutions, however, remained almost the same—$328,339.44; the number of children cared for was 4,445—a falling off of 143 from the year before.
8. State Missions in the 18 states and the District of Columbia showed 903 workers employed and $1,105,946.42 expended. Let us now recall that in 1921, these same states employed 2,620 state mission workers and ex-

pended $1,710,447.08; and, in 1927, that they employed 1,490 state mission workers and expended $1,114,843.82 on this cause. This comparative statement will indicate that the cause of state missions among Southern Baptists has gone down to its lowest level in recent years.

9. Church buildings showed a loss of 71 in 1929 as compared to 1928—the only time that a loss has been reported in ten years—but the value of church property, notwithstanding the loss of 71 church houses, rose to $218,-$27,088.00—a net gain of $7,621,139.00 in the year.

10. City and Associational Missions do not have regular places in our denominational program, though the total amount raised for City Missions in 1929 was probably $150,000.00; while the amount raised and expended for Associational Missions was approximately $450,000.00. In some states the amounts expended on these two causes are accounted as a part of the regular State Mission work; whereas in other states—and in most of the states which do this kind of work—it is extra work which is carried on by the City Mission boards or the Associational Mission boards, and is in addition to the regular state mission work.

The Per Capita Record of the Convention

In this connection we should also note the per capita record of the Southern Baptist Convention in its gifts to missions, education and benevolences. In order that we may get a proper perspective, we herewith give the record of the Convention for the past thirty years. **And while this record shows practically 400% gain in the thirty years, it is also noticeable that it shows a mighty drop from the year 1920 onward—a drop which no one can excuse or explain without shame.** Surely we can improve upon this lamentable record which we have made these last five years.

In another table following, we are giving the percentages of their total gifts which the various states are setting aside for missions and benevolences, and comparing these, year by year, with the percentages given to local church work. This second table contains a number of genuine surprises. The two tables follow:

*The withdrawal of 117,861 Baptists affiliated with the American Baptist Missionary Association accounts for this apparent loss.

Still Too Much for "Ourselves"

Since 1924, from 78.8 cents to 81.46 cents out of every dollar given by Southern Baptist churches has been applied to local church work, and only about 20 cents out of every dollar, upon the average, has been allowed to go to the great causes of missions, education, hospitals, relief work and orphanage work, at home and abroad. In fact, not since 1924 have Southern Baptists been willing to allow one-fourth of their total gifts to go for missions, education and benevolences—not even one-fourth part of them! Three dollars spent on local church work to one spent for all missions, education and benevolences? No, this will never do! We must have—at least so we have acted for the past five years—four dollars for local church work for every one dollar we are willing to give for all our denominational causes! Here is one of the main sources of all the financial troubles among Southern Baptists—multiplied thousands of our churches are giving five dollars to local church work to every one they give to missions; and other thousands, as we shall presently see, insist on giving ten dollars to local church work to every one given to missions! How long will God continue to bless a people thus self-centered or dead to the needs of the great, suffering, dying world? We present herewith our shameful record for thirty years.

Following the next table, we give one of the most surprising and illuminating tables to be found in this book. It is entitled: "States Giving Largest Percentage to Missions." See what states are spending the largest percentages on the mission causes, and what states are spending the largest percentages on local church work. You will have plenty of surprises. Here are the two tables:

CHAPTER V

THE DRIFT OF SOUTHERN BAPTIST CONTRIBUTIONS 1925-1929

At the request of President W. J. McGlothlin of the Southern Baptist Convention, we are presenting herewith the outstanding facts about the drift of Southern Baptist contributions in recent years. This drift, as the facts will presently disclose, has been threefold, as follows: **(1) A slight increase of the contributions made for local church purposes; (2) a correspondingly slight decrease of the contributions made for all missions, education and benevolences; and (3) an alarming decrease of the contributions made for Southern Baptist Convention objects, as compared to an unprecedented increase of the contributions made for state convention objects.**

The facts here presented are so unusual, so surprising and so far-reaching in their significance that we venture to call attention to some important details in our work of assembling the statistics which disclose these facts. In the first place, we have used the statistics for the years the contributions were made, rather than the years they were reported. Furthermore, we have used our own carefully compiled statistics covering the total gifts of our people for all purposes, and for all missions, education and benevolences. Having, in this way, the total contributions of our people for all missions, education and benevolences, we have dug out of the Southern Baptist Convention annuals the total given for the several Southern Baptist Convention objects, year by year, and then subtracted the totals given for Southern Baptist Convention objects from the grand totals for all missions, education and benevolences, and thus arrived at what our people have given from year to year to state convention objects. We have checked and rechecked our figures carefully and feel sure that, for all practical purposes, they are not only substantially correct, but that they are as trustworthy as may be assembled from the records. It will be noted, however, especially in the second table showing the distribution of the gifts for Southern Convention objects, that we have not used the "total receipts" reported for these various objects, but have tried in each case to set down all regular and all special gifts of our people for each object and, wherever possible, have omitted gifts coming from outside Southern Baptist territory and earnings of endowment or other invested funds. In other words, we have tried to get not the "total receipts" for these various objects, but only the actual contributions of our people, regular and special. With these explanations in mind, let us try to understand the drift of Southern Baptist Contributions during the past five years (1925-1929):

I. Total Contributions Remain Practically Stationary

It should be noted, in the outset, however, that the total contributions of Southern Baptists, during the past five years, have remained practically stationary—there being a net gain of only (.79%) $310,139.62 for this period. A glance at the accompanying table ("Five Years' Drift of Southern Baptist Contributions") reveals the following situation:

FIVE YEARS' DRIFT OF SOUTHERN BAPTIST CONTRIBUTIONS
1925-1929

(Note: The figures cover the year the gifts were made, rather than the year they were reported.)

Summary of the Total Contributions

Total gifts, all purposes, in 1925	$39,027,009.36
Total gifts, all purposes, in 1926	40,106,852.31
Total gifts, all purposes, in 1927	40,038,259.86
Total gifts, all purposes, in 1928	39,927,910.28
Total gifts, all purposes, in 1929	39,337,148.98
Net gain for five years (1925-1929) (.79%)	310,139.62

The present acute and perilous financial situation of Southern Baptists is not explained by the total contributions of our people; for these have remained practically stationary during the past five years. We must look further for cause of our present embarrassing situation.

II. Gifts for Local Church Work Show Slight Increase, but Less Increase Than Formerly

If we now turn again to the accompanying table, we will find that the total gifts of Southern Baptists for all local church work (including pastoral support, new building, repairs, etc.) has shown only a slight gain in the last five years. Here is the record:

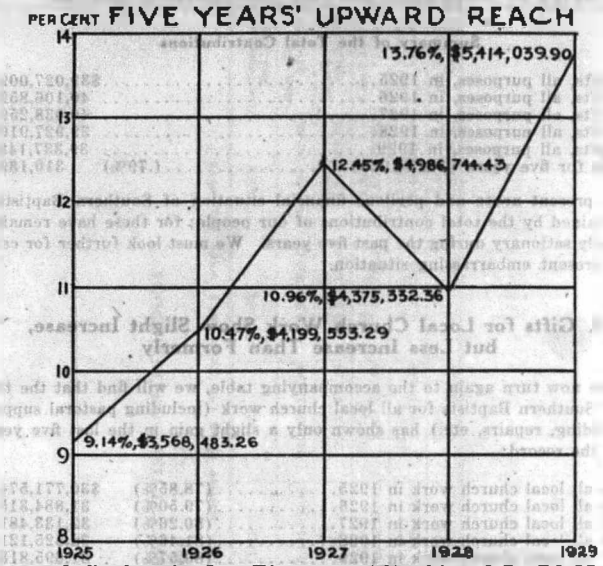

Gifts to all local church work in 1925 (78.85%)	$30,771,574.28
Gifts to all local church work in 1926 (79.50%)	31,884,315.49
Gifts to all local church work in 1927 (80.26%)	32,133,481.28
Gifts to all local church work in 1928 (81.46%)	32,525,121.80
Gifts to all local church work in 1929 (80.57%)	31,695,818.86
Net gain for period (1925-1929) (3.00%)	924,244.58

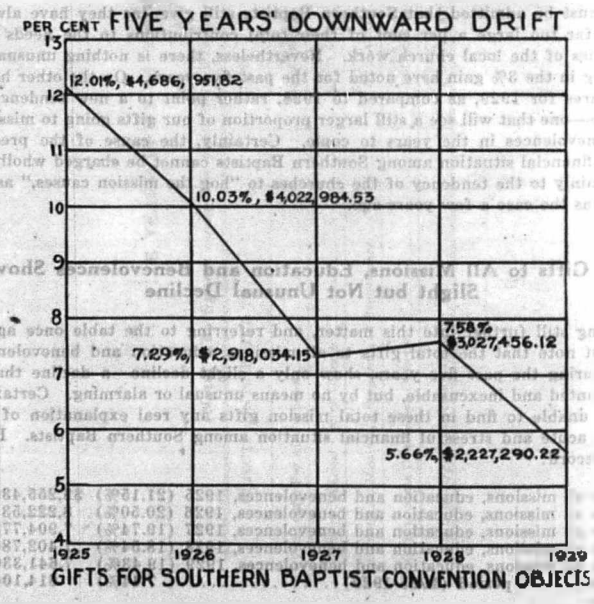

It must be admitted that Southern Baptists still give (as they have always given) far too large a per cent of their total contributions to the needs and exigencies of the local church work. Nevertheless, there is nothing unusual or alarming in the 3% gain here noted for the past five years. On the other hand, the figures for 1929, as compared to 1928, rather point to a new tendency in this line—one that will see a still larger proportion of our gifts going to missions and benevolences in the years to come. Certainly, the cause of the present serious financial situation among Southern Baptists cannot be charged wholly or even mainly to the tendency of the churches to "hog the mission causes," as we know was the case a few years ago.

III. Gifts to All Missions, Education and Benevolences Show Slight but Not Unusual Decline

Going still further into this matter, and referring to the table once again, we must note that the total gifts to all missions, education and benevolences, made during the past five years, show only a slight decline—a decline that is unwarranted and inexcusable, but by no means unusual or alarming. Certainly, we are unable to find in these total mission gifts any real explanation of the present acute and stressful financial situation among Southern Baptists. Here is the record:

Gifts to all missions, education and benevolences, 1925 (21.15%)	$8,255,435.08
Gifts to all missions, education and benevolences, 1926 (20.50%)	8,222,537.82
Gifts to all missions, education and benevolences, 1927 (19.74%)	7,904,778.58
Gifts to all missions, education and benevolences, 1928 (18.54%)	7,402,788.48
Gifts to all missions, education and benevolences, 1929 (19.43%)	7,641,330.12
Net loss for the period (1925-1929) (7.44%)	614,104.96

IV. Gifts to State Convention Objects Show Large and Disproportionate Gains

Directly opposite to the drift along other lines, a glance at that section of our table which deals with gifts to state convention objects, reveals the fact that the past five years has witnessed unusual and disproportionate gains for state convention objects—gains which twice over outstrip even the increased contributions to local church work! It is true in most all our state conventions, that the sums still received for the state work are pitifully small and wholly inadequate; nevertheless, the records show that the upward reach of the contributions for state convention objects, during the past five years, presents a net gain of (51.72%) $1,846,556.64—and this too while the gifts for Southwide causes has tumbled downward to the dust. Here is the record, which we feel sure is substantially correct:

Gifts to state convention objects in 1925	(9.14%)	$3,568,483.26
Gifts to state convention objects in 1926	(10.47%)	4,199,553.29
Gifts to state convention objects in 1927	(12.45%)	4,986,744.43
Gifts to state convention objects in 1928	(10.96%)	4,375,332.36
Gifts to state convention objects in 1929	(13.76%)	5,414,039.90
Net gain for five year period (1925-1929)	(51.72%)	1,846,556.64

This extraordinary and disproportionate increase in the gifts of our people for state convention objects, however, can not be adequately grasped or properly appraised apart from a comparison with the contributions of our people for Southern Convention objects. Let us pause, therefore, and consider the downward plunge of the gifts of our people for southwide and worldwide objects:

V. Gifts to Southern Baptist Convention Objects Have Fallen Headlong Downward

We have now come upon the actual location of the stressful and dangerous financial trouble of Southern Baptists. Our total contributions for all purposes have remained almost stationary—a gain of (.79%) $310,139.62 in the five years. Our gifts to all local church needs and expenses have shown a healthy but modest increase—(3.66%) $924,244.58 for the five years. Our gifts to all missions, education and benevolences, on the other hand, have shown a regrettable but not an unusual or disastrous slump—(7.44%) $614,104.96 for the five years. But while our gifts to state convention objects have increased (51.72%) $1,846,556.64, our gifts to Southern Baptist Convention objects have plunged downward to a loss of (52.48%) $2,459,661.60—which loss is $225,000.00 more than the total gifts for southwide and worldwide causes in 1929! Here is the record, year by year, as nearly correct as I am able to compile it from the Southern Baptist Convention annuals:

Gifts to Southern Convention objects in 1925	(12.01%)	$4,686,951.82
Gifts to Southern Convention objects in 1926	(10.03%)	4,022,984.53
Gifts to Southern Convention objects in 1927	(7.29%)	2,918,034.15
Gifts to Southern Convention objects in 1928	(7.58%)	3,027,456.12
Gifts to Southern Convention objects in 1929	(5.66%)	2,227,290.22
Net loss for the period (1925-1929)	(52.48%)	2,459,661.60

Let us note some further facts set out in the table, covering this point:

In 1926, state convention objects and Southern Convention objects received almost a fifty-fifty division—state convention objects getting 10.47% of the total gifts of Southern Baptists, as compared to 10.03% of the total gifts which went to Southern Convention objects.

By 1929, however, state convention objects received (18.76%) $5,414,039.90; whereas, Southern Convention objects received only (5.66%) $2,227,290.22!

VI. Some Southern Convention Objects and Agencies Have Suffered Greater Losses Than Others

At a great cost of effort and time, we are able to present herewith a second table, showing how each of the main agencies and causes of the Southern Baptist Convention have fared in the great slump of the gifts of our people for southwide and worldwide causes, during the past five years. In particular, this second table shows (1) the total gifts of Southern Baptists to Southern Convention objects, year by year, then (2), how much and what per cent of this total went to the various causes, and (3) what part of the tremendous losses which came upon all convention causes was sustained by each object. This last item is particularly interesting in this connection, setting out the following record:

Some Outstanding and Serious Losses

This second table makes clear some outstanding and serious losses, as follows:

Five years' loss of gifts to Southern Convention causes	(52.48%)	$2,459,661.60
Five years' loss to Foreign Missions	(46.86%)	1,055,936.66
Five years' loss to Home Missions	(31.01%)	197,644.04
Five years' loss to Old Ministers' Relief	(39.24%)	73,338.40
Five years' loss to Four Seminaries	(74.27%)	1,042,472.27

Explanations of the Greater Losses

Apparently, there are three explanations of the great losses indicated here, as follows:

(1) Special Campaigns—The Love Offerings for the Foreign Mission Board boosted the regular offerings for this cause $811,344.11 in 1925 and 1926—which accounts for two-thirds of the loss of Foreign Missions, set out above. The Honor Day Offerings and other special offerings for Home Missions likewise boosted the regular offerings for Home Missions, both in 1925 and in 1928, by some $200,000 to $300,000, which accounts for practically all the loss on Home Missions. The special campaign for new buildings and endowment conducted by the Southern Baptist Theological Seminary in 1925 and 1926 boosted the regular gifts to all four seminaries by $500,000 to $600,000 a year for these two years, which accounts for one-half of the loss to the four seminaries. But these special campaigns do not explain all the losses suffered by Southern Baptist Convention objects.

(2) General Slump of Missions and Benevolent Gifts—We must recognize also that we have been passing through a period of general denominational letdown, felt by all denominations, our own not as severely as most of the others. We noted above, for example, that the total gifts to missions, education and benevolences, in this period, showed a loss of (7.44%) $614,104.96. Now, while this loss is less than that of any other main denomination in America, save the (Northern) Presbyterians, there can be no doubt that Southern Baptist Convention objects have been made to bear the whole of this loss—and even to carry much of the load formerly carried by state convention objects—and these facts explain another large part of this loss to Southern Convention objects.

(3) State Convention Objects Increased at Expense of Southwide and Worldwide Causes—But neither one, nor both, of these explanations account for all the tragic losses that have befallen Southern Convention objects and causes in the last five years. In short, there is no escaping the fact that, while the total amount given to all missions, education and benevolence has fallen off $614,104.96 in the past five years, the gifts to state convention objects have increased almost three times this sum (or $1,845,556.64). **Not only so, but the Southern Convention objects have had to bear all the losses which have come by reason of the slump in total mission offerings (that is, $614,104.96) and also every dollar of the gain which has come to state convention objects in this period (that is, $1,845,556.64).**

Finding and Applying the Remedy

It must be agreed, on all sides, moreover, that Southern Baptists can not go on another five years, as we have drifted the last five years. We must find and apply an adequate remedy and we must do this in the next two years, on pain of the loss of all Southern Baptist Convention causes and agencies.

Two things, in particular, moreover, are required in this case: (1) We must arrange a fairer division of the total mission and benevolent gifts of our people, between state convention objects and Southern Convention objects; and (2) since neither the state convention causes nor the Southern Convention causes and agencies can prosper or even continue to exist upon the present basis of support (once the total funds are equitably divided), we must raise far more money for missions, education and benevolences, or see all our causes and agencies go into bankruptcy.

Will we regard this as another distasteful obligation placed upon us, and refuse to grapple with it, or will we recognize it as a new and splendid opportunity to serve our great denomination, and seize it and solve it, to the glory of Christ?

CHAPTER VI

OUR FINANCIAL PROBLEMS—THE WAY UP AND OUT

To those who have studied the records of the churches, associations, state conventions, and the Southern Baptist Convention, as presented in the foregoing chapters, the difficulties and problems of Southern Baptist finances are as plain as the day. Four things tell the whole story—and these four things point the way up and out:

I. An Adequate Program of Information

Underneath, and all around, and all through the financial difficulties and problems of Southern Baptists is this problem of informing our people. The only possible explanation of the record which we have presented in the preceding pages is that practically 70% of our people do not know even the fundamental facts about the needs of our denominational work or their ability to supply those needs.

"The ox knoweth his owner,
And the ass his master's crib:
But Israel doth not know,
My people doth not consider."—Isa. I: 3

Two things, in particular, must be made plain and pressed home upon the hearts and minds and consciences of the great masses of Southern Baptists—if we are to ever get out of the wilderness of doubt and debt, of disaster and defeat:

1. Southern Baptists Are Able to Give Five Times What They Are Now Giving.

Let us note some comparisons:

New Mexico Baptists are the poorest group of Baptists, economically speaking, to be found in the Southern Baptist Convention, and yet they gave $3.49 per capita to missions and benevolences in 1929; but if the 3,770,645 Baptists in the South had given on this plane there would have been $13,159,551.09 for missions and benevolences—instead of the $7,841,330.12 which was given. In other words, if all Southern Baptists should give for just one year as New Mexico Baptists gave in 1929 we would increase our gifts to missions and benevolences $5,500,000.00—a sum sufficient to pay all the debts on Southern Baptist boards and institutions. And even New Mexico Baptists were outstripped in 1929 by Maryland, Arizona and the District of Columbia.

Northern Presbyterians have set their budget for 1930 at $12,000,000.00 for missions and benevolences—which is $6.00 per member. But if Southern Baptists should give on this basis in 1930—and several hundreds of our churches will go far beyond even this mark—we would raise over $22,500,000.00 for missions and benevolences, or about three times what we gave last year.

The Seventh-Day Adventists reported that their tithe in North America in 1929 amounted to $37.90 per member, whereas the total of the tithes and offerings of their people in America in 1929 amounted to $75.04 per member. Com-

pare this with Southern Baptists who gave, for all purposes, in 1929, only $12.43 per member.

Look at the records of some of our Southern Baptist churches as further examples of the ability of our people to give far more than they are now giving to missions and benevolences (1929 figures):

Southside Church, Birmingham, Ala., gave	$17.13	per member
First (Southern) Church, Phoenix, Ariz., gave	10.38	per member
First Church, Eldorado, Ark., gave	15.11	per member
Calvary Church, Washington, D. C., gave	12.15	per member
Main Street Church, Jacksonville, Fla., gave	6.40	per member
First Church, Macon, Ga., gave	14.89	per member
First Church, Harrisburg, Ill., gave	8.84	per member
Walnut Street Church, Louisville, Ky., gave	12.29	per member
First Church, Shreveport, La., gave	22.93	per member
Eutaw Place Church, Baltimore, Md., gave	28.25	per member
First Church, Meridian, Miss., gave	8.27	per member
Calvary Church, Kansas City, Mo., gave	51.32	per member
First Church, Roswell, N. M., gave	8.10	per member
First Church, Greensboro, N. C., gave	13.47	per member
First Church, Shawnee, Okla., gave	7.25	per member
First Church, Greenville, S. C., gave	31.67	per member
First Church, Knoxville, Tenn., gave	55.21	per member
First Church, Dallas, Texas, gave	13.57	per member
First Church, Richmond, Va., gave	16.49	per member

But there is no longer need to compare ourselves with other denominations, or even with our own leading churches in order to realize that our people are able to give five times what they are now giving to missions and benevolences. The National Industrial Conference Board and the National Bureau of Economic Research have made available certain statistics covering the growing wealth of the American people, by states, also the per capita income of the people of America by states, which take this whole question out of the realm of dispute. In the chapter which follows we give the findings of these learned societies in detail. Suffice it here to call attention to some outstanding facts:

First, the total tangible wealth of Southern Baptists in 1928 was $6,903,570,359.00 ($1,830.87 per member)—and this wealth has grown at the rate of 3.4% a year, or at the rate of $234,731,393.20 per year, for the past 10 years or more.

Second, the total annual income of Southern Baptists in 1929 reached the gigantic sum of $2,202,056,650.00—or an average of $584 per member for our 3,770,845 members. This represents an increase of $151 per member, on the average, since 1921. (See next chapter for table.)

Now, if Southern Baptist wealth is increasing at the rate of $234,731,393.20 per year on the average, a tenth of this increase should go to our great missionary and benevolent causes—which would mean $23,473,139.32 a year from this source alone.

But suppose we forget this large item of growing wealth and agree to give the tenth of our average annual income—this would mean $58.40 from each of the 3,770,845 Southern Baptists, or $220,205,668.00 for all purposes among Southern Baptists, instead of the $39,337,148.98 which we gave for all purposes in 1929. That is to say, if Southern Baptists would give the tenth of their annual income, they could leave off giving any part of their increasing wealth and still give nearly six times what they are now giving.

The time has surely come for the pastors and other leaders of the great hosts of Southern Baptists to understand and verify these facts here presented, and to, once for all, lay this ghost of "poverty" in the dust and put an end to so much croaking about "hard times," and to "sweep away this refuge of lies" about the inability of our people to do their part for the work of the local churches and to give great gifts to missions and benevolences to the ends of the earth.

2. Southern Baptists Will Never Increase Their Gifts Until They Are Made to See and Feel the Heartbreaking Needs of Work.

Southern Baptist leaders ought to know and must know, however, that even if our people were able to give ten times what they are now giving, no substantial increase in the gifts of our people to missions and benevolences will ever be seen except and until the great masses are made to see and to feel the heartbreaking needs and the untold possibilities of the work which the Southern Baptist Convention is doing.

Why is it, for example, that Southern Baptists had 13 whole associations, with 14,509 church members in them, in 1929, which gave nothing to missions and benevolences?

And why were there 46 other associations, with 104,597 church members in them, which gave only 5 cents per member to missions and benevolences?

And why were there 899 associations with 1,112,606 Baptists in them which gave only $603,004.11 to all missions and benevolences in 1929—which is an average of 54 cents per member?

The answer is that less than 1,000,00 of our 3,600,000 Baptists ever see a denominational paper! Less than 200,000 of the 615,000 Baptist homes in the South subscribe for their state Baptist papers! Over 615,000 Baptist homes, having in them 2,800,000 church members, are without any source of information or inspiration or encouragement in the great work of Southern Baptists!

And it would seem that our leaders are determined to go on playing with this great task of informing our people. As one has said about Presbyterians:*

"When they know, they care!
When they care, they pray!
When they pray, they pay!"

Even more so with Baptists! We claim no moral right to ask our people to cooperate with us until we have pressed home upon their souls all the puissant facts, all the poignant needs, all the passing opportunities of the great national and world service which has been committed to Baptists! "Henceforth," says the divine Master, "I call you not servants; for a servant knoweth not what his lord doeth; but I have called you friends; for all things that I have heard of my Father I have made known to you." And God in heaven will hold us accountable—I think he is even now bringing us into judgment—for the crime of allowing 2,800,000 of his dear children to go on year in and year out without knowing anything of the tragic needs of this great suffering, sinning, dying world! How are we going to justify ourselves in his sight for allowing 2,800,000 of our fellow Baptists to know next to nothing about the needs and opportunities of the great missionary and benevolent work committed to Southern Baptists? How can we excuse ourselves in face of the fact that ten to thirteen thousand of our Baptist churches in the South go year in and year out without even one appeal

*The Christian Observer, October 16, 1929, p. 3.

being made to them—by any one who knows the facts—to come up to the help of the Lord and his great mission causes? And what sort of scheme will we devise to save from wreck and ruin all our great agencies and all our great causes, if we allow this tragic situation to continue? It is time, high time, to put an end to this policy of playing with the great task of informing our people!

An adequate program of information, education and inspiration—if Southern Baptist leaders do not come together and provide for this basic necessity, whatever it may cost, no other measure of relief will be worth the paper it is written on!

II. A Larger Per Cent of the Membership in Our Best Churches Must Be Enlisted, and a Larger Per Cent of the Total Budgets of Our Churches Must Go to Missions and Benevolences

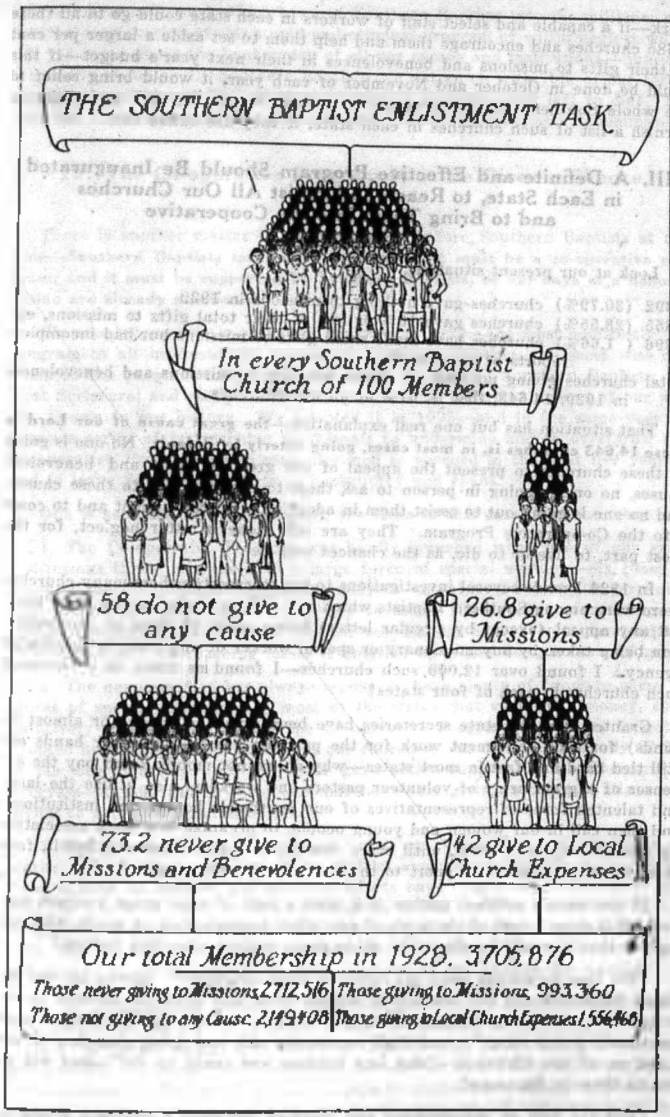

Granted that we have an adequate program of information to reach out to the great masses of our people, our best churches (and no denomination in America has more of them than Southern Baptists) can bring almost immediate relief and very great relief at that—to our sorely pressed mission and benevolent causes: (1) by enlisting a much larger per cent of the membership in all our best churches in the active and regular support of the Co-operative Program, and (2) by setting aside a much larger and more just percentage of the total gifts in each church to our great mission and benevolent causes.

Let me illustrate my meaning: Southern Baptists had 2,682 (11.16%) churches which gave from 26% to 58% of all their gifts to missions and benevolences, at home and abroad, in 1929—an astonishing record that is hardly surpassed in America. But what per cent of the membership of these wonderful churches had a part in the gifts of the churches? We do not know all the facts. One of these churches (the First Church of Jackson, Tenn.), enlisted over 98% of its members. Two other churches enlisted approximately 90%; whereas, several of these churches did not enlist over 40% to 45% of the members. Taking the group as a whole, we dare to say that not over 50% to 60% of the members of these best churches gave anything whatever to the objects fostered by the Co-operative Program.

And where our best churches are failing to enlist from 40% to 50% of their members in support of the Co-operative Program, there are between 14,000 and 15,000 of our churches which give to missions and benevolences, more or less regularly, in which from 60% to 90% of the members give nothing to missions and benevolences. In fact, taking our whole Southern Baptist group together, the best figures I have been able to compile indicate that upon the average, only 42% of our members give to the support of the local church work and only 26.8% give to the support of missions and benevolences.

But if Southern Baptist leaders would go to these 2,682 churches which give from 26% to 58% of their total budgets to missions and assist these churches in enlisting another 10% to 25% of their members in support of the Co-operative Program, both the churches and the whole denomination would receive immediate and very great help.

Then, if in addition to this enlistment work in our best churches, a select staff of men could be found in each state who would go to those 6,685 (27.84%) churches which are giving from 11% to 25% of their total gifts to missions and benevolences, while giving from 75% to 88% of all their funds to local church

work—if a capable and select staff of workers in each state could go to all these 6,685 churches and encourage them and help them to set aside a larger per cent of their gifts to missions and benevolences in their next year's budget—if this could be done in October and November of each year, it would bring relief to the whole Southern Baptist program in a short time. We will undertake to furnish a list of such churches in each state, if they are called for.

III. A Definite and Effective Program Should Be Inaugurated in Each State, to Reach and Enlist All Our Churches and to Bring Them into the Cooperative Program

Look at our present situation:

7,892 (30.79%) churches gave nothing to missions in 1929
6,855 (28.55%) churches gave 10% or less of their total gifts to missions, etc.
$96 (1.66%) churches have made small gifts to missions but had incomplete reports of their work.
Total churches giving nothing, or almost nothing, to missions and benevolences in 1929, 14,643, that is, 61% of all our churches.

That situation has but one real explanation—**the great cause of our Lord in these 14,643 churches is, in most cases, going utterly by default.** No one is going to these churches to present the appeal of our great mission and benevolent causes, no one is going in person to ask them to give a dollar to these causes, and no one is going out to assist them in adopting a worthy budget and to come into the Co-operative Program. They are left alone in utter neglect, for the most part, to live or to die, as the chances may be.

In 1926 I made several investigations to try to ascertain how many churches there were among Southern Baptists which had gone a whole year or more without any appeal (except by circular letter) being made to them or any collection being taken by any missionary or special worker of any state or Southwide agency. I found over 12,000 such churches—I found as many as a thousand such churches in each of four states!

Granted that the state secretaries have been given no funds (or almost no funds) for such enlistment work for the past ten years—that their hands are still tied hard and fast in most states—why do we not mobilize and pay the expenses of a great army of volunteer pastors and workers; also utilize the large and talented force of representatives of our Southwide boards and institutions; and then call in our women and young people, to organize this work association by association, and push it, until every church, with any missionary spirit, falls in line and gives active support to the Co-operative Program?

If this were a political matter, if it were a part of some great business concern, if it were a part of the work of any other denomination on earth, who can believe that it would be allowed to go by sheer neglect after this fashion?

"We fear to intrude upon the rights of these churches!" Maybe so; but the Good Samaritan did not hesitate to intrude upon and offer his services to the stript and broken and dying man by the wayside—even when the broken man accounted him a "dog." And shall we see the sick and dying churches of our Lord on all the highways—"sick and helpless and ready to die"—and not go out to them in his name?

"But the cost of inaugurating and carrying out such a program would be prohibitive." Not so, not so, my brother; it is these ten years of neglected state

mission enlistment work which has cost Southern Baptists into the millions; and it is the continuation of this stupid and criminal program of wilful neglect which will yet bring about the bankruptcy of all our causes and institutions—unless it is speedily abandoned! Southern Baptists can not go on with 70% of our forces unenlisted and almost 50% of them absolutely neglected and left to die! The time has come to remedy this situation or go out of business as a denomination!

IV. The Co-operative Program Must Be Given a Chance to Function

There is another matter of life and death before Southern Baptists at this time—**Southern Baptists must have a program; it must be a co-operative program; and it must be supported by Southern Baptists, or our days as a denomination are already numbered.**

We adopted such a Co-operative Program in 1925—the most manifestly fair program to all interests and causes of Southern Baptists, the most wise and business-like program in its operations ever devised by Southern Baptists, the most Scriptural and easily understood program by the great masses of our people, known to our history. We adopted it in 1925—and in the same year we began a series of far-reaching movements to undermine and to overthrow this Co-operative Program which seem destined to succeed in the next five years—and to leave Southern Baptists in bankruptcy and chaos.

One is ashamed to even set down the facts in this case; but here they are:

1. The Co-operative Program was hardly launched when one of our great institutions threw into the field a large force of special workers—six times as many as the Co-operative Program employed—to raise $2,000,000.00 for buildings and endowment. We do not stop to argue the necessity for this great special campaign; but we think few of our leaders have ever understood the tremendous and far-reaching losses it entailed upon the Co-operative Program.

2. The denomination has always seemed to have plenty of funds to carry on scores of special campaigns in most of the states; but very little money, comparatively speaking, to present the Co-operative Program to and try to get it adopted by the great rank and file of our churches. So much so that only 12,831 of our best churches (52.71%) ever gave active support to the Co-operative Program—11,500 (47.29%) of our churches either giving nothing at all, or else giving to a few designated objects.

3. Beyond sending out letters and tracts on the subject and discussing its merits at the annual meetings of the district associations and the state conventions, almost no definite and effective efforts have ever been put forth to present the merits of the Co-operative Program to the churches as such and get it adopted by the rank and file of our churches. We appear to be hopeful, however, that the other 11,500 of our churches which have never supported it will yet "catch" the Co-operative Program, perhaps as one catches the measles.

4. In the meantime, certain of our states have erected an almost insurmountable barrier to the further support of the Co-operative Program by setting up certain "preferred items" which must be taken care of before any of the money given to the Co-operative Program can be applied to the objects comprised in the Co-operative Program. We do not stop to argue the necessity of the policy of setting up these "preferred items"; we only pause to call attention to the fact that once all our state conventions adopt this policy and its real meaning be-

comes clear to the rank and file of our people, the day of the Co-operative Program, and all the causes supported by it, has come to an end.

5. Already, in the last four years, 1,627 churches—over 400 churches a year—have dropped all support of the Co-operative Program. In 1925, for example, 12,831 of our churches supported the Co-operative Program; whereas, in 1929, only 11,204 supported it—a loss of 1,627 for the four years.

The wonder of all wonders among Southern Baptists, however, is that the Co-operative Program has not only lived in spite of all the opposition and lack of support which it has encountered in these five years; but that it has demonstrated its wisdom and possibilities in a thousand ways and today is more firmly fixed in the hearts of Southern Baptist leaders than any program we have ever known. Indeed, one wonders what this program could have done and would have done, if all the special campaigns had been done away with (except those for building and endowment) and even half the money used in these special campaigns had been given to highly trained workers who would give their lives and efforts to bring all our churches into the support of the Co-operative Program.

For one thing, I believe that in such a case, Southern Baptists would now be giving $15,000,000.00 a year to missions and benevolences, and there would not be a dime of indebtedness against any agency or institution connected with our convention. Nor is it too late to save the Co-operative Program and make it the means of saving all our great causes—if we will but see our mistakes and for once go out to enlist all our churches in support of it. But another five years of dallying with this matter, dividing our forces, confusing our people, interfering and bringing to naught our own well-laid plans, can bring and will bring such disaster upon Southern Baptist work as no one of us has yet witnessed. May God help us to see the situation and, for the next five years, really give the Co-operative Program a chance!

He who saves the Co-operative Program saves all things,
And all things saved will bless him;
But he who destroys the Co-operative Program destroys all things
And all things destroyed will curse him!

CHAPTER VII

THE STEWARDSHIP SITUATION IN AMERICA—AND AMONG SOUTHERN BAPTISTS, 1929

I. Staggering Growth of American Wealth

Here are the estimates of American wealth made by the highest authority in this nation:*

In 1912	$186,300,000,000
In 1913	190,713,000,000
In 1914	189,823,000,000
In 1915	197,771,000,000
In 1916	251,761,000,000
In 1917	355,674,000,000
In 1918	395,021,000,000
In 1919	424,898,000,000
In 1920	471,030,000,000
In 1921	312,292,000,000
In 1922	320,804,000,000
In 1923	335,626,000,000
In 1924	331,437,000,000
In 1925	355,177,000,000
In 1926	342,471,000,000
In 1927	336,175,000,000
In 1928	360,100,000,000

This represents a net increase of American wealth, amounting to $10,862,500,000 a year for the past 16 years! And 46.5% of this $10,862,500,000 staggering annual increase, or $5,050,063,500 a year, has gone into coffers of the nominal Christians of America! As Baptists comprise one-thirteenth of the population of America, it is perhaps not far from correct to say that one-thirteenth of this $360,100,000,000 wealth of the nation is Baptist wealth—that is $27,700,000,000! And that the wealth of the Baptists of America has grown at the rate of $835,575,000 a year for the last 16 years!

II. Prodigious and Growing Income of Our People

But to go further, the highest authorities in the nation tell us that our national income in 1929 was perhaps greater than in 1928—and it was $94,000,000,000 in 1928! If we assume that our national income was $95,000,000,000 in 1929, then one-thirteenth of this staggering sum, most likely, came into the hands of Baptists—that is $7,300,000,000 in 1929! And a total of $44,175,000,000 (46.5%) came into the hands of the nominal Christians of America in 1929! And how much of this total income of $95,000,000,000 was given for religious and charitable purposes in 1929?

The total of all gifts for all charitable purposes was $2,450,720,000. **That is to say, as a nation, America had $10,862,500,000 of increased wealth, and $95,000,000,000 in income, and of the two staggering sums, she gave away a total of less than $2,500,000,000—receiving 105 billions a year and giving away 2½ billions! No wonder we have panics and droughts!**

*The National Industrial Conference Board.

"This record reaching total of gifts to altruistic purposes was distributed among schools, colleges, universities, orphanages, homes for the aged and infirm, to hospitals, and for the combined purposes of social, educational and religious progress according to the interests and sometimes the whims of the donors. In many instances the zeal, foresight and ability of the beneficiary institutions have had much to do with the proportions of the funds which they have received.

"A partial distribution of the amount contributed during 1929 was for the following purposes: Religious, $996,306,000; education, $467,500,000; gifts for personal charity, $279,760,000; organized charities, $278,710,000; health, $221,510,000; foreign relief, $276,710,000; the fine arts, $40,000,000; play and recreation, $20,900,000; miscellaneous reform organizations, $14,040,000. It is encouraging to note that the largest proportion of the gifts went to religious purposes. The next largest sum total was for education. And yet one may well wonder whether these gifts were always made wisely.

"The gifts reported ranged in amounts from a few thousand dollars up to the magnificent apportionments of two particular foundations of $10,000,000 each. There is no question of the fact that if all of the contributions of smaller amounts, which were not reported in the figures given above, were known, other millions would be added to the grand total of giving for the year 1929. It has been a good year for this business of giving. Unfortunately, however, there have been all too many instances of philanthropic foolishness. Many millions of money are now 'tied up' and unavailable for any good purpose for the reason that the donors have designated their gifts for causes or for institutions which no longer exist. In other instances the proposed gifts have been hedged about with conditions which could not, and in some instances should not be met."*

PER CAPITA AND TOTAL INCOME OF SOUTHERN BAPTISTS

(Figures for income taken from findings of National Industrial Conference Board and publications of National Bureau of Economic Research. Since we have no per capita income figures by states since 1921, we are using these for the states; but give the average for the South in 1929 in totals.)

8 years' gains		$151	$ 425,782,264

Note: The average income of Southern Baptists in 1921 was $433 per capita; but this had increased to $584 per capita by 1929.

These tables mean that Southern Baptists are increasing in wealth at the rate of $234,721,392.20 a year, besides having an annual income of $2,202,056,680! That is to say, if we would give the tenth of our annual income, and leave untouched our increased wealth, we could put on God's altar for the needy world $220,205,668.00 a year upon the average! And if we should give to missions and benevolences only 20% of this sum, it would mean $44,041,417.00 for the Kingdom of our Lord. But we gave less than $40,000,000.00 to all causes, at home and abroad in 1929—40 millions out of 220 millions—or $1 out of $5 of what we should give and what we could give!

IV. Waste and Crime Absorb Our Money

The real explanation of why we do not give five times as much as we are now giving to religious and charitable causes is to be found in the orgy of waste and crime that is sweeping America. Here are some of the items of waste, gathered from the most authentic sources at my command:

Our Bill of Waste

For tobacco and cigarettes	$ 2,031,000,000
For chewing gum	100,000,000
For candy, etc.	1,000,000,000
For theatres and movies	2,000,000,000
For "beauty bills" of women	1,825,000,000
For soft drinks and ice cream	1,000,000,000
For furs, etc.	350,000,000
For Easter hats, etc.	400,000,000
For jewelry, etc.	450,000,000
For sports (baseball, etc.)	2,750,000,000
For horse racing	2,250,000,000
For automobiles, etc.	14,000,000,000
For crime and its punishment	13,000,000,000

Compare this list with the following:

For public schools	2,171,844,589
For maintenance of life insurance	3,000,000,000
For all hospitals (1923)	259,000,000
For all colleges, etc.	187,200,000
For charity and relief	256,700,000
For doctors' services	550,000,000
For foreign relief	215,000,000
For all church work—at home and abroad	814,371,529
For all religious work	996,300,000

Our Growing Criminality

"Prohibition is blamed for most criminal conditions: the thoughtless who are prone to pick up any catchy phrase and the prejudiced are responsible for widespread circulation of the responsibility of the 'drys' for over-crowded prisons all across the continent. Here are, however, some facts that shed an entirely different light on the United States' situation:

"'Prison overcrowding is producing a human problem of tragic proportions in many parts of the United States. A reading of the official figures in the Congressional Record for June 6, pages 10626-10630, shows why men go to jail. Of the 116,670 prisoners in state prisons on January 1, 1930, it is shown that only 4,037, or 3½ per cent, were violators of prohibition laws. And of the 11,270 prisoners in federal penitentiaries, only 7,158, or 5½ per cent, were there on dry charges. The rapid increase in the number of federal prisoners has not been caused by prohibition cases, as the unemotional statistics show, but by the growth in the number of convictions for theft, burglary, larceny, forgery, assault and hold-ups. There are actually seven states without a single prohibition violator in their prisons. Among them are New York, Nevada, Montana and Arizona. New Jersey was holding only one bootlegger on January 1, while Wisconsin had only two and Utah three. Nine states—California, Illinois, Indiana, Michigan, Missouri, Ohio, Pennsylvania, Texas and Virginia—reported bad prison conditions due to overcrowding, having something more than 10,000 prisoners in excess of the number for which their penitentiaries were planned. But in these nine states the total number of prohibition offenders was only 1,619.'

"The opponents of prohibition say that prohibition is responsible for crime. They say there is no crime in England. On June 6, the British Government issued an official document explaining the enormous increase in crime in the British Isles. It has increased five times in the rural districts of England and has more than doubled in the cities. In 1929 England's drink bill was $1,440,000,000, an excess of $3,000,000 over the previous year.

"And crime costs! In dollars and cents it is the most expensive thing on the continent. Here is a sample:

"'Crime steals 6.5 per cent of the entire income of every American. The total income of the American people is ninety billion dollars, and a very conservative estimate of the annual cost of crime is six billion dollars,' writes Vincent Cullen, vice-president of the National Surety Company, New York. 'Half of this $6,000,000,000, annual crime waste,' says Mr. Cullen, 'is lost through theft, burglary, larceny, stock frauds, credit frauds, mercantile frauds, insurance frauds, and a thousand and one other swindles and confidence games. The other half is paid in taxes for the prevention, prosecution and punishment of crime, including police, prisons, courts, district attorneys, sheriffs. This anti-crime taxation in New York City alone is $60,000,000 a year.'

"'The enormity of these losses can be better understood in contrast with other costs. The churches of America contribute to all purposes less than one billion dollars annually. Public school education costs more than two billions a year. The budget of the Federal Government is about four billion dollars. Crime costs as much as the public school system and the federal budget combined, and more than six times the total sum given by all churches.'"—Canadian Baptist.

CHAPTER I

GAINS AND LOSSES OF SOUTHERN BAPTISTS, 1929

FULLEST REPORTS IN TEN YEARS

In presenting the summary of Southern Baptist gains and losses for the year 1929, we take special pleasure in recording the fact that we received the completest reports from the churches and associations that have come into our hands during the past ten years. For example, in spite of six strenuous efforts and many long delays, we received no minutes from 73 of our associations in 1928; whereas in making up of our present report only 38 of the 912 minutes are unaccounted for. Nine of our states sent in all the 1929 minutes, and most of the other states made the best record along this line which we have known. The non-reporting churches, we are sorry to say, remain about the same from year to year—that is, about 1,350—half of which are found in three states, viz: Texas, Oklahoma, and Arkansas. By means of a veritable carload of letters addressed to the churches, however, we were able to complete literally thousands of incomplete reports made by the churches in the minutes of the district associations. So that we have the most nearly complete report on Southern Baptist forces which we have ever been able to compile.

SOURCES OF GREAT LOSSES DISCOVERED

We also congratulate ourselves upon discovering, this year, two sources of great losses which Southern Baptists have suffered for a number of years. For it has been known and lamented among our leaders for some years now, that great losses were taking place among Southern Baptists which were not accounted for or understood. As far back as 1912, for example, Dr. Victor I. Masters called attention to the fact that the net gains of Southern Baptists from year to year, were nothing like what they should be when compared with our large number of baptisms. As is well known also, these losses, during the past five years in particular, have grown to be alarming. For example, here is our record since 1925, when these losses began to be so serious:

In 1925, we had 224,191 baptisms, with only 74,789 net gains.
In 1926, we had 198,544 baptisms, with only 58,923 net gains.
In 1927, we had 202,420 baptisms, with only 56,748 net gains.
In 1928, we had 183,020 baptisms, with only 32,164 net gains.
In 1929, we had 175,431 baptisms, with only 64,769 net gains.
In five years we have had 983,806 baptisms, with only 287,403 net gains.

Now this five-year record is very explicit on two points: (1) Taking the period as a whole we have been losing 70.8% and saving only 29.2% of the gains which should have come to us through our large number of baptisms; whereas, at most, we should have lost not over 30% and had a net gain of 70% of our large number of baptisms. But we ask you to note (2) that our record for 1929 is far and away better, along this line, than the four years previous. This improved showing is due to the fact that, early in the summer of 1929, we determined to discover, if possible, the sources of these great and alarming losses. It occurred to us that a part of the trouble, most likely, would be found in the statistics sent us from the district associations. Accordingly we set on foot the most thorough-going examination of the statistical reports incorporated in the minutes of our district associations ever undertaken in this or perhaps any other similar office. On the average, it cost us twice the effort and time and money to run down and "justify" all the figures furnished us which we have experienced heretofore. We are happy to report, however, that we very soon came upon two classes of errors which thousands of our clerks —both of the churches and the associations—are making and which account for almost half of our serious and mysterious losses. The result, as noted in our record for 1929, is that, although we had 7,389 fewer baptisms in 1929 than in 1928, we are able to report more than twice the net gain in membership which we reported in 1928.

THE LOSS OF 264 CHURCHES

In spite of our fuller reports and our discovery of the sources of some of our serious losses, our 1929 statistical report carries with it many surprising things—some very hopeful and some very painful things.

The first one of the painful surprises is the loss of 264 churches. Last year, for example, we carried a list of 24,274 co-operating churches; whereas this year we number only 24,010 such churches. These losses, however, are not as serious as we might suppose. In the first place, we have carefully taken out of our report several Landmark churches in Louisiana and Mississippi which we have carried heretofore. Then, we wrote letters to practically all the churches which were "non-reporting" and found that scores of them were dead or disbanded, and other scores had consolidated or merged with neighboring churches. We also found that some of our churches in Louisiana, Arkansas, Mississippi, Alabama, and Missouri had been temporarily overwhelmed by the great floods of last year, their houses of worship having been washed away, etc., and the congregations forced to temporarily abandon the old places of worship and go to other churches near by.

LARGE GAINS IN ORDAINED MINISTERS

In contrast with the churches, we report a gain of 731 ordained preachers among Southern Baptists. Of course, this gain does not represent newly ordained Baptist ministers altogether. Some of them are names of mature ministers which we have never before listed, while others are those who come to the Southern Baptist Convention from other sections of the United States, year by year. Then, unfortunately, we have no good way of learning of the deaths of our ministers (the names of less than half of the deceased Baptist preachers ever get into the denominational papers) and our lists undoubtedly contain hundreds of names of ordained ministers who have been "with the Lord" for three to five years.

The brethren in the particular localities know about the deaths of our preachers—why shouldn't we and all other Southern Baptists know about them, even though never a word gets into the state Baptist papers about them! So they reason, and so they act! Not only so; but there are good active pastors who are leaders in every state, and who could, by the use of a post card and five minutes' time, greatly help us to avoid carrying the names of the dead and those moved out of the state and those whose names are perhaps duplicated in our lists; but it would surprise the brotherhood to know that almost no such help is ever rendered or even offered to us! So, we must content ourselves with checking and correcting these lists with all the information we can secure, knowing, however, that many changes and deletions, and perhaps large additions should be made—which can never be made until our brethren learn the beautiful art of co-operative service.

BAPTISMS HAVING STEADY DECLINE

We have already called attention to the fact that we are reporting 7,387 fewer baptisms in 1929 than we reported in 1928. Let us also face the fact that since 1921, Southern Baptists have been steadily declining in the number of baptisms reported. The record for the past ten years will illustrate my meaning. It is as follows:

In 1919, we reported 123,069 baptisms.
In 1920, we reported 173,595 baptisms.
In 1921, we reported 241,462 baptisms.
In 1922, we reported 224,844 baptisms.
In 1923, we reported 195,864 baptisms.
In 1924, we reported 209,676 baptisms.
In 1925, we reported 224,191 baptisms.
In 1926, we reported 198,544 baptisms.
In 1927, we reported 202,420 baptisms.
In 1928, we reported 183,020 baptisms.
In 1929, we reported 175,631 baptisms.

Some vitally significant facts are set out in this record. In the year 1929, for example, in spite of considerable decline, we reported 52,562 more baptisms than we did the year (1919) we launched the 75 Million Campaign. It would seem, therefore, that we have made some permanent gains in soul-winning, even though it is small, considering the fact that we have larger numbers now than in 1919.

It will be noted also that in the past ten years (from 1920 to 1929 inclusive) we have baptized upon a profession of faith 2,029,247 souls—more than any other two great denominations in America, almost as many as any other three denominations!

Perhaps the most striking fact disclosed in this record, however, is that those years in which we gave most to missions, education and benevolences (1921, 1922 and 1925) were precisely those years when God gave us the largest numbers of baptisms in the history of Southern Baptist work. Does this mean anything to us?

These facts, however welcome, must not, on the contrary, close our eyes to the serious fact that, since 1925 in particular, the number of baptisms has declined from 224,191 to 175,631. We think this situation should present a distinct challenge to Southern Baptists.

BAPTISTS OF THE SOUTH AND NATION

This leads us to take some further note of the net gains in church membership of Southern Baptists. Perhaps we can best bring out the facts by giving the statistics covering church membership among all Baptist groups in the United States. They are as follows:

National Baptist Convention (colored),	3,450,000	—net gain of 20,000.
Northern Baptist Convention, ...	1,404,685	—net loss of 15,198.
Southern Baptist Convention	3,770,645	—net gain of 64,769.
Miscel. Baptist Groups (15 bodies), ..	430,190	—net gain of 235.
Foreign Speaking Baptist Groups (12),	80,500	—no gain.

Total Baptists in United States in 1929, 9,136,020—net gain of 69,806.

In this connection some statistics covering the gains and losses of other main denominations may be interesting to our people:

Southern Methodists report 2,601,999 members in the United States, with a net gain of 13,131.

Northern Methodists report 4,272,340 members in the United States, with a loss of 56,401.

Northern Presbyterians report 2,004,467 members in the United States, with a net gain of 41,629.

The Disciples report 1,573,245 members in the United States and Canada, with a net gain of 34,558.

SUNDAY SCHOOL AND B.Y.P.U. WORK

We have the most peculiar and painful situation in Sunday School and B.Y.P.U. work to report which we have experienced in fifteen years. For while we are reporting a loss of 264 churches for 1929, we are forced to report a loss of 427 Sunday schools; and, while we are reporting a net gain of 64,769 members to our churches, we are forced to report a net loss of 20,464 in Sunday school enrollment—a situation which Southern Baptists have not known in fifteen years or longer.

In the B.Y.P.U. work, the situation is not so distressing; but it is certainly peculiar and challenging to our B.Y.P.U. leaders. For while we are reporting 24,273 B.Y.P.U.'s (a net gain of 1,428 for the year), we are sorry to add that we can only find 601,405 enrolled in our B.Y.P.U.'s (which represents a net gain of only 841 to the enrollment of our B.Y.P.U.'s).

This situation certainly calls for some explanation. Is it a real situation? Or is it a case of failing to get complete reports? We are sorry to say that the Sunday school losses which we are reporting are genuine losses. For we have not only received more of the minutes of our district associations than ever before in the history of Southern Baptist work, but we have sent out letters to every church and Sunday school we had listed which did not report to their associations this year. In fact we have written and kept on writing until we have literally combed the South for the information we are here presenting.

Four things seem to account for the Sunday school losses which we are reporting. The first is our large loss of churches. In our loss of 264 churches last year, we lost at least 180 Sunday schools. Another loss has come from a failure to follow up the rural Sunday school work which has been done in many states. Special workers have gone out to the rural sections and organized and set going large numbers of new Sunday schools which have been neglected and allowed to disband temporarily. The floods over five of our states also took away both church houses and school houses, and put many rural Sunday schools out of business. All in all, moreover, our country churches and Sunday schools (and these losses have all occurred in the rural sections among our weaker churches) have passed through the hardest year and a half now which has come to them since 1921.

On the other hand, there is no sort of doubt that the enrollment in our larger and better Sunday schools in most of the states of the South has been declining for the last two years; otherwise the loss of several hundred little country Sunday schools would not be seriously felt. **In fact, the only reason why the Sunday school enrollment for 1928 and for 1929 has shown such smaller gains (or actual losses) than our church membership is because our people, even in our best churches, have ceased to push this phase of our work.** Certain states, like Florida, Georgia, South Carolina, etc., of course, have been hard hit by adverse economic conditions, from which they will soon recover. But in association after association and church after church in other states, where the economic conditions have been quite favorable, there have been serious fall-downs in Sunday school enrollment. Alabama, Arkansas, Florida, Kentucky, Maryland, Mississippi, Oklahoma, South Carolina, and Virginia all show losses in Sunday school enrollment—none of them very serious, but taken together they are sufficient to wipe out all the gains of other states.

A part of this same trouble applies to the B.Y.P.U. work of the South—we are growing in B.Y.P.U. organizations; but we have allowed the enrollment in thousands of our best B.Y.P.U.'s to go down and still further down, during the last three years. In some states the average enrollment of all classes of B.Y.P.U.'s has gone down from 28 per union to 20 per union, in the last six years. We believe our people ought to face these facts and go about the task of applying the proper remedy.

GAINS OF W.M.U. WORK

We have never been able to secure (from the associational minutes from which this report is compiled) complete or full reports covering the W.M.U. organizations and contributions. In the reports presented herewith, however, we show a total of 27,690 W.M.U. organizations, or a gain of 324 organizations for the year. The amount of the W.M.U. contributions, on the other hand, shows a decrease from $4,642,967.24 in 1928 to $4,413,726.26 in 1929. For corrected figures see report of the W.M.U. in the Annual of the Southern Baptist Convention.

CHURCH HOUSES AND PASTORS' HOMES

For the first time in ten years, moreover, we are reporting a slight decrease in the number of our church houses, though a healthy gain in the number of pastors' homes. This has come about, of course, by the destruction of the floods, by the merging of small congregations and, in some instances, by the death of the churches. In 1928, for example, we reported 21,491 church houses and 3,526 pastors' homes; whereas in 1929 we had only 21,420 church houses, (a loss of seventy-one houses of worship) and 3,574 pastors' homes (a gain of 48 pastors' homes during the year).

We likewise show the smallest gain in the value of church property which we have experienced in ten years. In 1928, for example, we reported $205,705,949.00 as the total value of Southern Baptist church property; whereas for 1929 we are reporting $213,327,088.00—a net gain of only $7,621,139 in the value of church property. Three things, in particular, account for this small gain in the value of church property: (1) The destruction of many church houses by the great flood which over-ran sections of five of our Southern states, and (2) the merging of two or more small congregations and the consequent abandonment or sale of the houses no longer needed. (3) Then we found country church after country church over the South last year—mostly those without pastors and without Sunday schools—who came together and voted to dissolve the congregations and abandon the houses of worship.

GOOD GAINS IN MISSION CONTRIBUTIONS

Perhaps the greatest and most pleasant surprise which came to us out of the reports of the churches and associations in 1929, was the wholly new turn of affairs in the contributions of our churches. We are very sorry to disturb the program of gloom and melancholy which some of the brethren seem intent in spreading over the South; but, as Dr. Gambrell used to say, "things are getting better." It is true that we are reporting a smaller grand total of contributions than last year—the figures for 1928 stood at $39,927,910.28; whereas for 1929, the grand total of all our contributions stood at $39,337,148.98—a net loss of $590,761.30. But all this loss is found in the gifts for local church expenses. In fact, in 1929, our people gave $829,302.94 less to local church expenses than in 1928; but they gave $238,541.64 more to missions and benevolences than they gave in 1928—a thing which has not happened in five years! That is to say, since 1925 now, Southern Baptists have been giving more and more each year to local church expenses and at the same time giving less and less each year to our great mission and benevolent causes. In fact, beginning with the Houston Convention in 1926, Southern Baptists have been reporting great losses in their gifts to missions and benevolences—losses which averaged over $400,000.00 a year—and some of us wondered if it would be kept up until the sheriff got us all! But now, instead of another loss in mission contributions amounting to $400,000 in 1929, we have the great joy of reporting that our churches gave $238,541.64 more to missions and benevolences than they gave in 1928.

COMPARING OURSELVES WITH SOUTHERN METHODISTS

It will perhaps help us to grasp the significance of the foregoing summary of Southern Baptist gains and losses for 1929, if we compare it with Southern Methodists gains and losses last year. Here is the interesting and illuminating summary of our aggressive neighbors. I should explain that the Woman's Missionary Societies do not include the young women and children's organizations as in the case with Southern Baptists.

SOUTHERN METHODIST GAINS AND LOSSES

This table of statistics was compiled from the 1929 and 1930 General Minutes and Year Book of the M. E. Church, South, except the last three items which were secured from Dr. J. E. Crawford, Stewardship Secretary for Southern Methodists.

NO OCCASION FOR PANIC OR GLOOM

If any one can find in the summary of the gains and losses of Southern Baptists for 1929, as compared with Southern Methodist gains and losses, any occasion or cause for gloom or discouragement, he deserves the profound sympathy of the brotherhood. For ten years now I have sat in my office at Nashville and studied most intimately everything which pertained to the progress and development of Southern Baptists. I have dug through and poured over the statistics of all our churches, large and small. I have watched with keenest interest all the larger changes which have come to us in these titanic years. And I can say, in the light of it all, and I think can prove to any reasonable mind, that there is every reason to take new heart and hope, and to look for and to work for a better day and a larger day for Southern Baptists.

CHAPTER III

SUNDAY SCHOOL GAINS AND LOSSES, 1929

In spite of the losses which we suffered in 1929 there is no parallel to Southern Baptist progress in Sunday school work in the whole world today. According to the figures of the Bureau of the Census, Washington, D.C., for the decade of 1916 to 1926, here are the Sunday school gains of the main great denominational groups in America.

Comparative Growth of Sunday School Enrollment of Main Denominations

Another important phase of religious life and development in the United States is found in the Sunday school work carried on by the main denominations. In the accompanying table ("Ten Years' Sunday School Gains of Main Denominations") we present the true test of Sunday school growth and development—the comparative gains in the enrollment of the Sunday schools of the eleven great denominational groups in America.

Standing in the Number Enrolled in 1926

Judged by the numbers enrolled in 1926, the Sunday schools of the United States stood as follows:

1. Methodists had enrolled 7,267,489
2. Baptists had enrolled 5,161,596
3. Presbyterians had enrolled 2,206,600
4. Lutherans had enrolled 1,401,269
5. Campbellites had enrolled 1,387,207
6. Roman Catholics had enrolled 1,250,628
7. Congregationalists had enrolled 670,958
8. Episcopalians had enrolled 637,804
9. Reformed Churches had enrolled 508,873
10. United Brethren had enrolled 442,822
11. Mormons had enrolled 266,647

Rank in Net Gains in Sunday School Enrollment

Judged by the total net gains in Sunday school enrollment during the decade (1916-1926), however, the record of the denominational groups here listed stood as follows:

1. Baptists gained 810,142
2. Lutherans gained 297,719
3. Campbellites gained 176,710
4. Methodists gained 135,684
5. Episcopalians gained 105,602
6. Presbyterians gained 58,166
7. Mormons gained 29,657
8. Reformed Churches gained 13,478
9. United Brethren lost 29,092
10. Congregationalists lost 70,363
11. Roman Catholics lost 681,378

Percentages of Gains in Sunday School Enrollment

Perhaps a truer test of actual gains in Sunday school enrollment of the main denominations during the decade under review (1916-1926), however, is found in the percentages of gain (and losses) of the respective denominational groups. Listed according to this standard, the denominational groups stood as follows in 1926:

1. Lutherans had a gain of 26.97%
2. Episcopalians had a gain of 24.43%
3. Baptists had a gain of 18.17%
4. Mormons had a gain of 17.34%
5. Campbellites had a gain of 14.59%
6. Reformed Churches had a gain of 2.72%
7. Presbyterians had a gain of 2.70%
8. Methodists had a gain of 1.90%
9. United Brethren had a loss of 6.16%
10. Congregationalists had a loss of 9.49%
11. Roman Catholics had a loss of 35.26%

The record as a whole is presented in the accompanying table:

BIG SUNDAY SCHOOLS WITH 900 AND OVER ENROLLED, 1929

(Note: For the first time in some years, the large Sunday schools showed a decline in 1929 as compared with 1928—there being only 263 in 1929 as compared with 289 in 1928.)

CHAPTER IV

THE CHALLENGE OF OUR UNFINISHED B.Y.P.U. TASK

Note: The following is the text of an address delivered before the first Southwide B.Y.P.U. Conference held in Memphis, Tennessee, in January, 1930.

My friends: If we are to catch the meaning of this conference we must realize that we are the representatives of a great army of young people, now numbering more than a half million, who have set their heads and hearts and hands to one of the sublimest tasks of the ages; a task, however, which is yet incomplete and unfinished. That is to say, the B.Y.P.U. task of the South has had a beginning—and a marvelous beginning it has had; likewise, it has made definite progress—and marvelous progress it has made in these last ten years; but the larger, more serious, more challenging part of this task is yet to be accomplished. It will help us, however, in appraising the challenge of the unfinished task of the B.Y.P.U. movement of the South, if we first consider the challenge of its prophetic and providential beginning and then pause long enough to consider the challenge of its solid achievements.

I. The Challenge of a Marvelous Beginning, 1888-1918

Two classic periods, and two pivotal dates, stand out boldly in the history of the B.Y.P.U. movement of the South—1888 when the first B.Y.P.U.'s in the South began to be organized and the movement entered upon its thirty-year period of preparation; and 1918 when the B.Y.P.U. movement passed out of the experimental stage, left behind the period of adjustments and readjustments, and entered upon its glorious eleven-year period of solid achievement. For God somehow willed that the B.Y.P.U. movement of the South, like the divine Master himself, should pass through a thirty-year period of preparation—that it should experience all the marvelous changes of childhood and adolescence, before coming into the glory of young manhood and young womanhood—and he chose to crowd into every day of these thirty years of preparation the most vital and far-reaching issues and events.

Some Precursors of the Movement, 1861-1888

The wonderful response of the young people of other denominations to the moving of God's Spirit among them in the early eighties of the last century, mightily stirred the hearts of Southern Baptist young people. First there came the organization of the Young People's Society of Christian Endeavor, launched by Dr. Francis E. Clarke, of Portland, Maine, in 1881. Then came the organization of the Epworth League of the Methodist Episcopal Church (North), in 1889. Next came the Baptist Young People's Union of America, launched by Northern Baptists at Chicago, in 1890. Finally, Southern Methodists took up the challenge and, in 1894, organized the Epworth League of the South.

Movement Becomes Vocal Among Southern Baptists, 1888-1893

It was inevitable that the news of the organization and work of all these various groups of young people of other denominations should greatly influence Southern Baptist young people. In fact, the literature of these other organiza-

tions, and particularly that of the B.Y.P.U. of America, fell like lighted torches upon the smoldering fires already enkindled among Southern Baptist young people. So that, as early as 1893, the great, spontaneous, uprising, outreaching movement of Southern Baptist young people, which had been getting under way in some sections of the South since 1888, burst forth and gave expression to its fervid desires in a historic resolution passed by the Southern Baptist Convention.

It is highly significant, and altogether providential, that the Southern Baptist Convention should have been meeting that year in Nashville, Tennessee; that Dr. Henry McDonald, of Atlanta, Ga., who offered this first splendid resolution on B.Y.P.U. work, should have been in close touch and conference with Dr. J. M. Frost; and that the historic resolution should not only have urged the organization of B.Y.P.U.'s in all the churches, but definitely and clearly outlined all the basic principles of B.Y.P.U. work in the South, for all time to come.

Relating the Movement to Southern Baptist Convention, 1893-1896

Strange enough, no sooner had the Southern Baptist Convention set its approval upon B.Y.P.U. work in the South and urged all the churches to encourage its organization, when a battle royal was precipitated over the question of the relation of the B.Y.P.U. movement to the Southern Baptist Convention. It was a three-cornered battle among the giants of those days, which lasted for three years—one group insisting that the B.Y.P.U.'s should have no relation outside of the churches, and hold neither associational, state, nor southern convention; the second group insisting that the B.Y.P.U.'s of the South go into the B.Y.P.U. of America and constitute the Southern division of this organization; while the third group insisted upon encouraging the organization of associational, state and even Southwide B.Y.P.U. conventions, provided that they should be strictly Southern Baptist organizations. As is well known, a sort of compromise settlement was finally effected, though the third group of leaders won all their major contentions—the B.Y.P.U. of the South, auxiliary to the Southern Baptist Convention, being organized in Atlanta in 1896 and the whole movement declared free from all interdenominational alignments.

State and Southwide Organizations Launched, 1896-1906

Following the somewhat compromised settlement of the relation of the B.Y.P.U. movement to the Southern Baptist Convention, there came a ten-year period of intensive local and general organization of the B.Y.P.U. movement all over the South. Most of the older states, following the lead of Texas (which launched the first state B.Y.P.U. convention, in 1891) organized their state B.Y.P.U. work and held state B.Y.P.U. conventions before 1896; whereas, shortly thereafter all the other states quickly fell in line. So that by the year 1900, the organized B.Y.P.U. movement of the South had spread to every section of Southern Baptist Convention territory. City B.Y.P.U.'s had also sprung up here and there, and some plans had gotten under way toward the organization of associational B.Y.P.U. conventions. In fact, so intense and so widespread was the interest in this feature of Southern Baptist work during this period that the enrollment in the local B.Y.P.U.'s in the churches increased from about 20,000 in 1896 (when the Southern B.Y.P.U. was organized), to 70,010 by the year 1906.

Sunday School Board Becomes Promotional Agency, 1906-1916

With its relation to the Southern Baptist Convention now more clearly defined; with local, state and southwide organizations everywhere in evidence, and with great and growing numbers, and unflagging zeal manifest on all sides, the B.Y.P.U. movement of the South nevertheless came to the year of 1906 with three distinct and outstanding needs: **(1) it needed a more clearly defined and challenging program; (2) it needed an outstanding and commanding Southwide leadership; and (3) it needed a great promotional agency behind it and back of it to push the work with all possible vigor.** In a way that we all now know was truly providential, God gave the B.Y.P.U. movement of the South an agency which has gloriously met all three of these great needs—the Sunday School Board of the Southern Baptist Convention.

Leadership? Was any department of Southern Baptist work ever given such leadership as was vouchsafed to the B.Y.P.U. work through the Sunday School Board? Let us call the roll of that galaxy of early day B.Y.P.U. leaders. We doubt if the whole world can match them: Dr. I. J. Van Ness, the wise leader, able counsellor and editor *par excellence* of the B.Y.P.U. literature from 1894 onward, when he began to edit the **Young People's Leader**! L. P. Leavell, that prince with God and man, that prophet of a new day among Southern Baptist people, that peerless leader and prodigious worker who in 1907 became the first B.Y.P.U. secretary of the South, and who carried on for the young people of the South for 21 years, until Christ called him home! E. E. Lee, the incomparable B.Y.P.U. Field Secretary since September, 1908! Is there another like him on earth? No, when God made E. E. Lee and gave him to be the leader and big brother of Southern Baptist young people, he threw away the model, lest all the other denominations should want one just like him! And Arthur Flake, Field Secretary of B.Y.P.U. work east of the river, from 1909 onward! That is one case where the Sunday School Board missed its guess a mile! For who could ever keep Arthur Flake east or west of any kind of a river? Not Arthur Flake! He's another the model of whom the Lord has thrown away! The story is told of two Texas preachers who were discussing Arthur Flake some years ago, when one of them said: "Who is this man Arthur Flake, anyway?" "I don't know," said the other in reply, "but if you ever come across a sure enough steam engine in breeches just go around on the other side of him and you'll find the name plainly written: ARTHUR FLAKE!"

These are the big four—Van Ness, Leavell, Lee and Flake—the best that Southern Baptists have ever known—whom the Sunday School Board gave to the leadership of the B.Y.P.U. forces of the South, in that great day of opportunity!

The second of these outstanding needs, as is now well known, was met in the first; for it was the princely L. P. Leavell, our first B.Y.P.U. Secretary and leader, more than all others concerned, who worked out our present-day, clear-cut, definite and challenging program for the weekly meetings of the B.Y.P.U.'s of the South; and who transformed the B.Y.P.U. from a young people's mass meeting (which it then was) into the great weekly training service of the church in which every young church member now takes part! And it was L. P. Leavell's splendid and well-trained mind which wrought out the **B.Y.P.U. Manual**, and the Standard of excellence in 1907, by which and through which he has given direction, unity, purpose and constructive power to the whole B.Y.P.U. movement in the South, for these twenty-one years.

In recognition for the Sunday School Board's far-reaching service, in securing and supporting the great B.Y.P.U. leaders just mentioned, in defining the work and outlining the program of the B.Y.P.U. movement, and in furnishing the splendid B.Y.P.U. literature, which has gone along with the movement from the beginning, the Southern Baptist Convention in session at Hot Springs, Ark., in 1918, gave the finishing touch to the providential preparation of the B.Y.P.U. movement of the South by making the Sunday School Board the custodian and sponsor, the promoter and builder of the B.Y.P.U. work in the South for all the years to come.

Thus has God dealt with us in the providential beginning of B.Y.P.U. work in the South; thus the thirty-year period of preparation of this movement was brought to a close; thus the great movement itself was called out of its childhood and adolescence into the glory of young manhood and womanhood; and thus it grew from a humble beginning in 1888, with not more than a dozen unions and 500 young people enrolled, up to the year 1918, when there were 5,850 B.Y.P.U.'s and 204,750 young people enrolled! Surely God has placed before us the challenge of a marvelous beginning!

II. The Challenge of an Unparalleled Achievement, 1918-1929

But another and still greater challenge confronts the Baptist young people of the South today; **it is the challenge of an unparalleled achievement in young people's work during the past ten or eleven years.** We know of nothing in Baptist history comparable to the achievements of the B.Y.P.U. work of the South in recent years. And we can find no parallel to it among the other denominations. For it is unmatched even by the phenomenal and unprecedented work and growth of the Epworth Leagues of Northern Methodists in the early period of their history. Here, for example, are some of the unbelievable records of B.Y.P.U. growth in the South, going back to the beginning:

*In 1888	12 Unions with	500	enrolled
*In 1896	500 Unions with	20,000	enrolled
In 1906	1,693 Unions with	70,010	enrolled
In 1916	4,711 Unions with	175,840	enrolled
In 1918	5,850 Unions with	204,750	enrolled
In 1920	8,974 Unions with	267,673	enrolled
In 1922	12,241 Unions with	378,815	enrolled
In 1924	16,019 Unions with	495,149	enrolled
In 1926	19,775 Unions with	498,426	enrolled
In 1928	22,850 Unions with	500,564	enrolled

Thus it will be seen that, at the end of the first thirty years of B.Y.P.U. work in the South, there were only 5,850 Unions with 204,750 enrolled; whereas, ten years later (1928) there were 22,850 Unions with 500,564 enrolled. That is to say, within the last ten years (1918-1928), there has been a net increase of 17,000 B.Y.P.U.'s in the South, and 300,000 additional young people enlisted and enrolled in B.Y.P.U. work. This means a net gain of four and two-thirds new Unions every day; 32.7 new Unions every week; 141.6 new Unions every month; or 1,700 new Unions with almost 22 members per union, every year for the last ten years! We know of nothing like it!

A Comparison with the Epworth Leagues

As a further evidence of the unbelievable record of the B.Y.P.U. growth, especially during the last ten years, let us now put side by side the figures for

*Estimates; no statistics available.

the Epworth Leagues of the South and the B.Y.P.U.'s of the South, from the early years:

Year	Epworth Leagues	B.Y.P.U.'s	Enrolled in Leagues	Enrolled in B.Y.P.U.'s
1896	2,162	500	116,621	20,000
1906	5,874	1,693	124,691	70,010
1916	5,641	4,711	137,885	175,840
1918	5,488	5,850	116,878	204,750
1920	4,169	8,974	146,113	267,673
1922	6,518	12,241	247,162	378,815
1924	7,968	16,019	260,345	495,149
1926	6,693	19,775	365,037	498,426
1928	8,185	22,850	343,886	500,564

Thus it will be seen that, while the Methodist Leagues got away to the best start and, even as late as 1906, had practically twice the young people's forces which the B.Y.P.U.'s had, we pulled up alongside of them in 1915 and passed them in 1916; and, by 1920, had doubled their numbers and enrollment, and have more than kept our rapid rate of gain up to 1930.

Reaching the Churches with B.Y.P.U. Work

Moreover, the aggressive state leaders are fast reaching all our churches with B.Y.P.U. work. For in spite of our large rural constituency and the thousands of our churches that are served by absentee pastors, out of a total of 24,275 churches, we now have organized B.Y.P.U. work in 11,601 of them, or almost 48% of all our churches! South Carolina leads all the larger states with 71.9% of her churches having B.Y.P.U.'s in them. Texas comes second, with B.Y.P.U.'s in 69.4% of her churches; and Lovely Louisiana is third with B.Y.P.U.'s in 64% of her churches. It is a remarkable achievement, as the following table will show, especially when we reflect upon the fact that B.Y.P.U. work in the South is but little more than 41 years old.

Study Course Awards Break All Records

Again, the study course awards issued by the 22,850 B.Y.P.U.'s in the South during 1929 have apparently broken all records—22,511 B.Y.P.U.'s carried on campaigns of training schools in which 167,432 young people successfully stood the examinations and received awards—an average of 7.43 awards for each of the 22,511 Unions holding training schools. Southern Illinois young people led the whole South, giving 20.37 awards for each Union; Missouri came second, with 11.07 awards for each Union on the average; while Arkansas and Florida were close thirds, and Alabama was right on their heels! The whole record makes wonderful reading and prophesies the coming of a new day indeed in Southern Baptist young people's work.

But how can we tell all this wondrous story! Is there another such record of young people's work, covering the past ten years in the whole world today? We have been unable to find it! Has our gracious God and Father placed so great blessings upon the efforts of any other group of young people, in this or any other land, during recent years? We think not! On the contrary, to the challenge of a marvelous providential beginning, he has added the challenge of ten years of unparalleled achievement in B.Y.P.U. work, to the intent that he may now call upon us to face the greater challenge of the unfinished task of B.Y.P.U. work in the South.

III. The Challenge of the Unfinished Task

What, then, is the unfinished task of the B.Y.P.U. work in the South? And what is the mighty challenge which comes to us today to go on to completion with this great task?

The answer is, that out of our 24,275 co-operating churches, 12,675, or 52.21%, of them are without any sort of young people's work of any character! That is to say, in spite of all our wonderful achievements in these past 41 years, the B.Y.P.U. movement has not yet reached quite half of our churches!

Not only so, but the most reliable statistics indicate that almost 42% of the 3,705,876 members in our Southern Baptist churches are young people, between the ages of 9 and 29. That means that there are 1,550,864 young people in our churches between the ages of 9 and 29. What per cent of this great army of one and a half millions has been reached and enlisted in the training service of our churches? The answer (set out in the accompanying table) is that only one-third of this great host of young people of the B.Y.P.U. age have been reached and enlisted in B.Y.P.U. work; that, while we have made an unparalleled record and enlisted and enrolled 500,564 members in the great program and work of our B.Y.P.U.'s, there are yet at least 1,050,300 (67.72%) who are unreached, unenrolled, untaught and untrained in the great work of our churches.

And while we have made a remarkable record in bringing our B.Y.P.U.'s up to the A-1 Standard, only 3,331, or less than 15% of them, have as yet attained this high mark; whereas, more than 19,000 Unions still fall short, some of them very far short.

It is remarkable indeed that 3,570 of our churches should have general B.Y.P.U. organizations, since this feature of the work is but five or six years old; but let us remind ourselves that we have yet 8,031 churches which have one or more B.Y.P.U.'s which are nevertheless without general organizations.

Most remarkable of all is the fact that out of a total of 912 district associations in the South, 602 (66.01%) of them should have associational B.Y.P.U. conventions; but we must remind ourselves on this point also that we not only have 12,674 churches without any sort of B.Y.P.U. work and 1,050,300 young people in our churches wholly unreached by the work of the B.Y.P.U.; but we still have a large and worthy task before us in the 310 district associations which are destitute of B.Y.P.U. conventions.

All of this, however, is but another way of saying that God has given us the challenge of a marvelous beginning in the young people's work of the Southern Baptist Convention; that he has also given us a real foretaste of unparalleled achievements in these last ten years; but that all we have accomplished, all we have experienced, all we have planned for, prayed for and hoped for, is but a foretaste and a sure token of the greater things, the more glorious things, the more challenging things that confront us now, as we face the years to come. If a little handful of us could launch out into this work forty-one years ago, and come to this hour as a great army of half a million, united and militant and confident souls, what may not God do for us, in us and through us by the good year of 1950?

"Mine eyes have seen the glory of the coming of the Lord;
He is trampling out the vintage where the grapes of wrath are stored;
He hath loosed the fateful lightning of his terrible swift sword;
His truth is marching on!

He has sounded forth the trumpet that shall never call retreat;
He is sifting out the hearts of men before his judgment seat;
O be swift my soul to answer him; be jubilant my feet!
Our God is marching on!

CHAPTER V

THE W.M.U. WORK OF SOUTHERN BAPTISTS

REPORT OF W.M.U. CORRESPONDING SECRETARY, KATHLEEN MALLORY

Silence—A Canadian writer calls attention to the fact that the chief wonder of snow is its silence. "How silently, how silently the wondrous gift" of earthly comradeship and counsel "is given" and then transferred to other realms. Thus in 1929 there passed many faithful W.M.U. friends, among them being a former president of Woman's Missionary Union, Mrs. Charles A. Stakely of Alabama, a long time member of the Union's Executive Committee, Miss Clara M. Woolford, and a devoted young foreign missionary, Mrs. J. R. Mashburn of Pingtu, China. As we thank God and them for their helpfulness, we are enrapt in the thought that they have thus not only "entered into the treasures of the snow" but that silently—prayerfully(?)—they hover over the work for which they gave their lives.

Glistening—No other word seems to describe the exquisite white of that Christmas Sunday—"so white that no fuller on earth can whiten it." Just as gleaming in the radiance of unnumbered courtesies and kindnesses would my thanks reflect to the hostesses, homes, societies, churches, state and southwide co-laborers. Even as in gazing upon the glistening snow, I am forced to close my eyes as I thank God for you, each and every one, remembering especially your gentle kindness to Miss Mather, your hearty welcome to Miss Bourne, the wise counsel and valued editorial help of Mrs. Cox, the dependable assistance of Miss Winfield and the office force, the friendliness of the local members of the W.M.U. Executive Committee. Especially bright also is the memory of the days at House Beautiful, at the state meetings in Alabama, Mississippi, Louisiana, Kentucky, Maryland, Illinois, Oklahoma, Texas and Florida, at the summer assemblies in Kentucky, South Carolina, Ridgecrest, Florida and Virginia. One of the nicest things about a big snow is that it covers up dust and dirt: even so hearty co-operation in the way of cordial hospitality and well-planned programs makes one forget the grime and the grind of much travel. Certainly this is the uppermost thought as I try to express to the entire W.M.U. constituency and to the Latin American Baptists my gratitude for the approaching summer's leave of absence, with all that the trip should mean to Mrs. Rose and me in our longing that the people of those and every land may cry with David: "Wash me and I shall be whiter than snow!"

One by One—That's the way the snowflakes fall. To quote: "What an illustration of the power of little things! The wind makes a great deal more noise than the snow—but it can't stop a railway train. It may roar as it pleases but the 'iron man' rushes on his way. But the snow can bring the train to a standstill." Just so can and do missionary organizations put a stop to much self-indulgence, covetousness, racial prejudice and prayerlessness. Like the snowbanks, they accumulate one by one, so steadily and yet so quietly that it requires some such comparison as the following to show the progress. It will be recalled that the 1926 records were the ones which were given at Louisville when the Ruby Anniversary was launched. In the meanwhile its flaming torch lighted the way into many unenlisted hearts and churches. In its unending glow we

find the following among its many radiant results: at the close of 1926 there were only 23,908 W.M.U. organizations, whereas at the close of 1929 there were 29,777. Finer still is the fact that the greater growth has been in W.M.U. young people's organizations—really almost fifteen-fold that among the women. At the close of 1926 there were 10,739 Women's Missionary Societies, which by this present year had increased to 11,107, a total almost equal to the unprecedented one of the Ruby Celebration. Four-fold stronger was the stand held by the young people's organizations as they emerged from the Ruby Anniversary, for their total this year is only 117 less than for that year and, since the close of 1926, they have increased from 13,169 to 16,670. Silent as snow let every one therefore be who, without the foregoing facts, might have been tempted to say that there is a "depression" after the "excitement" of the Ruby Anniversary. Anyway, snow melts—and we acknowledge regret that every organization was not faithfully fostered and that new ones were not in 1929 organized as frequently as in 1928 but into our W.M.U. family we heartily welcome the 701 new Women's Missionary Societies and the 2,245 new young people's organizations—2,946 opportunities to foster. Just in proportion as this is done and as the older organizations grow in strength will the union become like a mighty glacier, which "melts" only in supplying life-giving streams.

Together—Side by side the snowflakes assemble themselves, just as does membership in missionary organizations. The past year in this respect excelled even that of the enlisting Ruby Anniversary, there being gratifying gains by both the women and young people. The 1926 records did not include the membership in three states but even if their figures for 1929 are added to those of 1926, the result shows a total gain of over 77,000, the increase being among the women as well as the young people—the membership records for 1929 showing 314,237 women and 217,157 young people, with a challenging total of 531,394.

"Like Wool"—Snow and sheep were both well known to the Judean shepherd; therefore, his poetic nature and religious heart gave birth to the inspired thought that God "giveth snow like wool"—soft and sheltering. When you study the personal service statistics you will rejoice for all that such work meant as "a cloak between some poor needy soul and the bitter wintry cold of the world's neglect." You will give added thanks that in 21 out of 29 items there is marked advance over a similar record for the Ruby Year. One of the abiding lessons of the December snow was gained by studying the footprints and wondering "on what mission bent." Woman's Missionary Union would increasingly urge its members and organizations to practice and to teach the lesson of "going about doing good" especially through the enlistment of women and young people and in persuading the unsaved to know that "though your sins be as scarlet they shall be as white as snow." While not included in personal service, White Cross work is also "soft as wool" in its beneficence to Southern Baptist Convention hospitals or foreign fields by supplying them with considerable cash and many bandages, gauzes, towels and other articles. It is gratifying to note four more states thus helped in 1929 than in the Ruby Anniversary and that the report is correspondingly larger in all but four items, one increase being in the number of young people's organizations thus serving. On that "White Christmas" Sunday no building and grounds were lovelier in Birmingham than were those of its charity hospital. May the Great Physician grant that all the White Cross work done in his name will make "all glorious within" the ministering mercies of Southern Baptist Convention foreign hospitals.

Prismatic—Snow-crystals are prisms of such perfection that in each of them "the colors of the rainbow are so perfectly blended that an unblemished whiteness appears." Such a prism would ROYAL SERVICE be, though its Board of Editors quickly and humbly admits that it now falls far short of any such perfect powers to refract missionary methods and activities. However, the year's report is quite encouraging, the subscription list having been kept above 76,000. In this fine total of 76,584 there were three victorious states: Arizona, Georgia and South Carolina. Sincerest thanks are accorded them and each of the other states, for it was a truly united effort, even as must be put forth in this present calendar year to reach its goal of 80,000. Those loyally seeking renewals and new subscriptions may have among their many "talking points" the fact that there is a new department—Program in Brief—for new or inexperienced Women's Missionary Societies. During the December snow I hastened to write to friends far and near so that while it was still exquisitely white I might share its beauty with them: even so, while this record of ROYAL SERVICE is clearly before you tell it to others that they may renew or subscribe to this magazine which, since the close of 1926, has grown from 71,659 to 76,584.

Steady—How does a snow-bank ever pile up? Simply by the steadiness of the falling snow! Flake follows flake. How do W.M.U. members come to know more and more about the compelling motive for missions near and far? Simply by studying Bible lessons and books which open up the Scripture's teachings along such lines! How do W.M.U. women and young people learn of the need for missionaries at home and abroad? Simply by studying programs and books which set forth such needs! From the stories to Sunbeams on up to the advanced course the graded system is steadily sustained, the 1929 record showing 22,635 mission study classes, 15,236 being among the women and 7,399 with the young people. Referring to the 1926 record it will be seen that its total was 21,014; the gain in 1929 was due wholly to extra steadiness by the young people's organizations, there being nearly 300 fewer W.M.S. classes in 1929 than in 1926. But as to small seals there is a big gain shown by both the women and young people, there having been awarded to the women 84,960 small seals and to the young people 46,651, the grand total being 131,611, which is a gain over 1926 of 19,028. Success also attended those who were completing the various certificates, the combined awards being 2,157. In addition, there were twenty-two women who completed the Advanced Mission Study Course, which requires at least one year's concentrated study. Among the twenty-two there were seven from Kentucky, four from Texas and three from North Carolina, the others being from Alabama, Georgia, Louisiana, Missouri, Oklahoma and Tennessee. What is one of the disagreeable aftermaths of snow? "Slush!" Can you think of anything which will so effectively prevent "slush" in missionary programs and plans as will careful mission study? "Therefore, be ye steadfast, unmovable, always abounding in the work of"—mission study—which, in all reverence, we believe to be essential to "the work of the Lord."

Perfect—A photographer of snowflakes says that among thousands thus photographed he has never found an imperfect one, another writer declaring that the combination of prismatic colors in the snowflake is the most perfect known to science. Do you not rejoice that Woman's Missionary Union also strives toward perfection by holding before each of its organizations the Standard of Excellence? Nearly every other one of them proved that they "pressed toward the mark" in 1929, thus almost doubling the high percentage of 1926. In that year there were 8,789 on the standard, while in 1929 there were 11,480. Of these there were 3,939 which attained the "perfection" of A-1, which was

a gain of nearly 1,000 over the similar grade in 1928. On the snowy Sunday I was about to pass a Negro girl when she remarked: "We don' know where's to walk in all 'dis snow!" Fortunately we both had on galoshes, so I could reply: "But you and I can walk anywhere with our galoshes." Even so, can the Standard of Excellence be used by each grade of W.M.U. organizations to clear the path, to plough through, to prevent cold feet—in fact, the standards are not only galoshes, they are veritable "seven league boots" hastening toward perfection!

Distinguished—Another discovery made by the photographer of snowflakes is that each "differeth from another." Distinguished among the 24,010 Southern Baptist churches are 161 which during 1929 maintained an A-1 full graded W.M.U. These churches are in turn distinguished among themselves, for of the 161 there were thirty-nine which were also A-1 in 1928, there were thirty-one which had been so for three years, twenty for four years and twelve for five. Fourteen states are thus distinguished, the most outstanding ones being Virginia with fifty-two, Georgia with twenty-three, and South Carolina with eighteen. This feature of the 1929 report is all the more distinguished in that it more than doubles the record of 1928, the only "blur in the picture" being that 161 is eighteen less than the Ruby Anniversary A-1 churches. However, this "distinction" may easily become one "without a difference" if during this present year a sufficient number of the 1,814 full graded unions are brought up to the A-1 standard. It is more than stimulating to know that the 1,814 full graded unions exceed by 244 their Ruby Anniversary report. But—there yet remaineth about 11,000 Southern Baptist churches which report not even one W.M.U. organization. Will you not—individually or through your circle or society—"organize" in one such bereft church this year? If you then faithfully foster this missionary child of yours, you will deserve a wreath as distinguished as is the laurel with its cap of glistening snow.

Life-Giving—One writer has said: "Every shingle on the roof, every sheltering clapboard, every lumber yard, every home, every church and school and college is vitally linked with the purposeful ministry of the snow." Don't you rejoice to feel that the same is markedly true concerning mission money? The W.M.U. treasurer's report accurately shows what the union thus contributed in 1929. In its total is included over $600 which thirteen of the states gave as an impetus to W.M.U. work in China, as that item had been almost completely crowded out of the China mission's budget. Among other "over-and-above" gifts during 1929 were the offerings of the three seasons of prayer—life-giving indeed! As I give thanks for the love and sacrifice of this outpouring, I recall another experience of the December snow. Into my room came the tiny grandson of the household, clasping in his hand his Christmas gift for the orphans. When I began to express regret that he could not take it to Sunday school he quickly made it clear that he was going! The loving arms of a devoted aunt made his "going" a reality as they did also strengthen my confidence in the leaders of our young people and in the unusually generous hearted members of Women's Missionary Societies as they, season after season, pray and persuade the others to "give good measure, pressed down, running over." All will rejoice to know that by the middle of April the 1930 March Week of Prayer Thank Offering for Home Missions had exceeded its $50,000 goal and that by April 18 the treasurer of the Foreign Mission Board had received from the 1929 Lottie Moon Christmas Offering for Foreign Missions $189,225. As you continue to encourage all such offerings as well as the steady contributions to all the other efforts of the denomination, you will help missions to reap a rich reward through

the practice and precept of tithing. Excellent is the 1929 W.M.U. record as to tithers: 54,771 among the women or one to about every six members; 14,701 among the young people or a gain of 1,127 over their Ruby Anniversary record, the W.M.S. gain being 8,607. Thinking of the foundational constructive power of tithing I recall the snow as it rested on the great girders of a building not yet completed in December—how clearly the white snowlines brought those big black beams into view: stronger still is the law of the tithe when linked with love for God and a lost, drifting world.

Power—Jeremiah asks: "Shall the snow of Lebanon fail from the rock of the field?" Surer still is the unfailing willingness of God to hear and answer the believer's prayer. During each of the three seasons of prayer in 1929 the women and young people gathered in more than 5,000 groups, many a W.M.S. making the occasions real "weeks" of prayer. Two lessons in prayer I learned from the snow storm. One was that automobiles can carry a great deal of snow on their covers and running-boards, just so their engines work. The other lesson was that an automobile looks very helpless all stalled in the snow. No wonder that James describes prayer as fervent, which means glowing, burning, ardent. Hear his and our "Elder Brother" compassionately pleading for missions when he says, "Pray ye!"

Young People's Report

By the Associate Young People's Secretary, Pearle Bourne

At West End in this city of New Orleans there stands the Prismatic Fountain in all its beauty and glory. All that modern science and invention could do in the building of an illuminated fountain has been done at West End. From an underset grotto beneath the fountain you may catch a glimpse of it through the falling water or you may even be permitted to cross the bridge. An electrical expert works a thousand levers and buttons and makes a thousand combinations of shapes and colors in the glittering mass of water above him. So wonderful are the changes that every one of them seems more beautiful than the last. This fountain stands alone among all the fountains ever owned and enjoyed by the people of New Orleans for in one evening it takes on all the forms and is woven through with all the colors ever imagined by a dreamer of fountains. In the summer it is turned on only two or three nights a week to make this display. The operator puts on fine or coarse sprays of water to what he wants to present.

Standing on the bridge of time passing from one convention year to another may we catch a glimpse of the increased interest in the missionary enterprise through the 3,863 Y.W.A.'s, 5,403 G.A.'s, 2,981 R.A.'s, and 6,423 Sunbeam Bands, making a total of 18,670 levers and buttons to be worked.

An electrical expert is employed to work the levers and buttons at the fountain and surely in no place are experts more needed than in leading and training young people. This year brings an increased number of W.M.U. young people's directors, more efficient counselors, and associational and district young people's leaders.

As modern science and invention have combined and done their best to build this illuminated fountain may our efforts be blended in enlisting, preparing and presenting a trained leadership.

Wonderful indeed are the changes which take place at West End. Sometimes the formation looks like a field of waving wheat, again it is like wheat shocked and tied, again like distant fields with their hay stacks and at other times a beautiful rainbow arching a created forest is seen. Every formation seems more beautiful than the one before. So there are 452 Y.W.A.'s, 686 G.A.'s, 381 R.A.'s and 699 Sunbeam Bands, or a total of 2,218 A-1 young people's organizations which seem especially beautiful in their record for the past year. As beautiful as these sprays and formations were in 1929 let us add to their beauty another year by increasing their number and thus add to the organizations in the 161 honor churches where all W.M.U. organizations were A-1. The 1,814 churches with full-graded unions deserve our heartiest congratulations.

Especially beautiful were the following states' record when The Window curtain was drawn covering four months: Alabama, Arizona, Florida, Georgia, Illinois, Kentucky, Louisiana, Maryland, Missouri, North Carolina, Oklahoma, Tennessee, Texas and Virginia. Alabama and Kentucky starred in World Comrades. World Comrades has come to be an indispensable part of the R.A., G.A. and Sunbeam Band and The Window of Y.W.A. is coming to take its place in the life and work of the Y.W.A.

The fountain is of interest in that it takes on all forms and shapes. Just so the missionary activities of the W.M.U. young people take on many forms. In 1929 there were 77 state, district and associational camps with 3,421 young people enrolled; 118 mission study classes were taught in these camps and 2,654 awards given. During the year young people have been enrolled in 7,399 mission study classes and 46,651 awards have been given in the states with 155 Y.W.A. official seals. Other forms of activity are summer assemblies, house parties and conferences. There were 15 state and district house parties reported with 1,116 in attendance. Citywide Y.W.A. meetings, associational councils, state, district and associational banquets have added to the interest of the work. Of especial interest were the council organizations in Texas and Florida who join in this form of work for the first year.

Increased interest has been taken in the Tithing Story Contest; 217 young people's organizations had members who participated. The best Y.W.A. story was submitted by an auxiliary member of Missouri. Can we not attribute the increase in tithers from 12,577 to 14,701 to the study of stewardship and tithing which has been promoted through the Tithing Story Contest?

The Ranking System for the Royal Ambassadors and the Forward Steps for the Girls' Auxiliary members present still another form of activity which is interesting an increasing number of boys and girls. Many states can now present Queens as well as full Ambassadors.

It is not surprising to learn that during the summer time the fountain in West End is only turned on two or three nights a week. Our student Y.W.A organizations function for only nine months a year but they function so well that 41 college Y.W.A.'s reached the Standard this year. The nurses have been busy in their Grace McBride work. Grace McBride Y.W.A.'s at the Baptist Memorial Hospital, Memphis, Tenn., at the Miami Baptist Hospital, Miami, Okla., and at the Oklahoma Baptist Hospital at Muskogee deserve special mention in that their records are those of A-1 organizations. Such organizations make a real contribution to the life of the girls and to the denomination. It has been a privilege to meet with College and Grace McBride Y.W.A.'s in North Carolina, Mississippi, Virginia, Kentucky, Arkansas, Alabama and South Carolina.

We have learned that the operator at the fountain puts on fine or coarse sprays of water according to what he wants to present. Thinking of our leadership in this light, it is gratifying to find 447 counselors enrolled in the correspondence course for leaders and to know that many district and associational leaders' conferences are being held.

From the operative base comes deep appreciation for the help which has been so generously given your associate young people's secretary since coming to you in September. The wise counsel of Mrs. Cox, the ever ready help of Misses Mallory and Winfield, the young people's committee, state young people's secretaries, and the many friends in the various states have been most keenly appreciated. The fine suggestions and week of coaching given by Miss Mather have been invaluable. These past days of service and the kindness of the patient friends all serve to make one more eager to work more diligently in this glorious task.

Message of W.M.U. President

Mrs. W. J. Cox

1930 A Forecast of the Next Decade 1940

The Woman's Missionary Union again stands at the portals of a new decade. Experience gleaned from successes and failures of the past together with initiative, the eager engineer of all accomplishments, stand ready to lead toward a more glorious future as we advance under the banner of the Christ.

When Coronado and his men were seeking the fabulous cities of Cibola in the golden west, their towering outlines appeared before the adventurers in fleeting colors of blue and gold and the luster of opals. They pressed on and on to find the vision was a mirage—a prank of vision. Yet the years have proved that these fabulous cities were prophecies of the numerous beautiful cities today silhouetted against the golden western horizon. The shimmering outlines that lured the seekers on were prophetic of things to be. So our plans for future expansion, silhouetted against the horizon, may seem fabulous and unattainable. As we strive and pray for their attainment within the next decade, many of them will become realities. All movements, efforts and trends have their beginnings, their periods of growth and their consummation. Your hand and mind shape the future. As we mold life today and tomorrow and the day after, we shape destinies that are deathless. Our future therefore resolves itself into a process of choosing and striving. So our Union advancement will be determined by our objectives, the things that we put first in our thinking and living. This new decade calls our Union first to an outward and a forward look. Nor can we wholly refrain from a backward look along the road which we have traveled. We also need the upward look for God's blessing and his vision and the inward look for soul searching and our soul training. With such perspectives our Union should advance materially and spiritually by enormous strides the next decade. There is no vision but by faith.

The Scriptures speak of the "women that were wise-hearted"; and "the women whose hearts stirred them up to wisdom." A woman's heart can and does stir to wisdom. Missions is a heart appeal. Let our hearts stir us to progressive, far-sighted missionary endeavor. Our future is made all the more challenging because of God's manifest leadership in the past. Attention is here called to the report of the W.M.U. to the Southern Baptist Convention, to the report of the corresponding secretary and to the reports of the Margaret Fund, Training School, young people's work and other reports for a full and challenging record of our achievements of the past year. Surely Jehovah's message to us today as we pause for a backward look is his words to Israel after forty years of preparation for the inheritance of a promised land: "And thou shalt remember all the way which the Lord thy God led thee these forty years in the wilderness, to humble thee, to know what was in thine heart, whether thou wouldst keep his commandments or no. . . . For the Lord thy God bringeth thee unto a good land, a land of brooks of water, of fountains, of depths that spring out of valleys and hills; a land of wheat and barley and vines and fig trees and pomegranates, a land of oil olive and honey. . . . When thou hast eaten and art full, then thou shalt bless the Lord thy God for the good land which he hath given thee."

"Therefore shall ye lay up my words in your soul and bind them for a sign upon your hand that they may be as frontlets between your eyes. And ye shall teach them your children, speaking of them when thou sittest in thine house, and

when thou walkest by the way, and when thou risest up. And thou shalt write them upon the door posts of thine house and upon thy gates." God's word in our hearts and missions is synonymous. The missionary message is an expanding message. The Christ's words to Mary, "Go tell my disciples," were meant first for a limited circle of his followers. Next the circle widened, and at last the ascending Christ said, "Go ye into all the world and preach the gospel to every creature." Individual conception of missions develops in these same circles. First, in the small and intimate circle of home and friends, then it includes a yet larger conception of missions until it reaches out to all the world. Jehovah tells his people to bind his words upon their hands. These commonplace hands of ours may become vital units, pulsating with power, sympathy, tenderness, kindly deeds, loving service. While we may call such efforts personal service, in the last analysis, it is simply binding the commands of Jehovah upon our hands. The Living Word advancing in mission fields is mission study. Let us bind it as frontlets between our eyes. It gives clear vision, near vision, far vision. Mission study is one of the dominating factors of our future progress. The next command of Jehovah was, "And ye shall teach them your children, write them upon the door posts of thine house." Then the circle of influence widens yet more to include others, the community, the city—"And thou shalt write them upon thy gates." The outward and forward look call to heroic living. When radio-telephonic communication with Chili, Argentina and other South American countries was recently opened, millions of people listened to the thrilling ceremonies and the conversations between the two continents. After the greeting from each nation, Mr. Gifford, the president of the American Telephone Company, would impressively say: "I declare the circuit is now open." In a very real and sacred sense, God has declared in unmistakable ways that the great spiritual circuits between the nations of the earth are now open. He is waiting for the people who are called by his name to declare his glory to the nations of the earth. Such occasions keenly bring to mind the truth that the influence of this great land of ours is felt in every land to bless or to blight. Such contact and wide influence demands that a real missionary spirit permeate our land. The missionary spirit of our people, expressing itself at this moment in evangelizing, educational and benevolent fervor is America's greatest bulwark, her strongest self-defense. Before America can measure up to its unbounded opportunities it must realize as Dr. Daniel Poling recently declared that, "The front line of the Christian ministry no longer is in the so-called heathen lands. It runs through the heart of the twentieth century civilization. It is on Fifth Avenue and on Broadway, and not in darkest Africa that the Christian church will live her abounding life or sink to mediocrity. . . . It is the Christ of Peter's stupendous affirmation who can and will save men and men's society. Only he is the world's sufficient Saviour." America at the microphone of world influence is a challenge to every believer to help her represent and reflect the righteousness and the truth of Jehovah our God.

In the face of such world-wide opportunities for witnessing we need a positive influence for missions. The positive message of missions should be delivered by a positive leadership today. The message of missions is the message of love. And love is the only communion cup from which all nations will drink. Each one of us has a place of influence, a circle for witnessing. Let us be true to it. As we recognize our unprecedented opportunities for witnessing we need the inward look for analysis, for soul-searching that we may strip our activities and emphasis to the essentials. For a number of years professional advertisers have greatly embellished their art. Indeed it is often difficult to tell that it is an advertisement or what the article advertises until it is read through. Often

these advertisements take the form of fancy illustrations or catch lines that have nothing whatever to do with the product advertised. Recently the advertisers have begun to suspect that this tempting form of advertising has caused a relapse in results. The tendency is now back to plain and simple statements concerning the product advertised. This discovery on the part of expert students of advertising may hold some message for Southern Baptists. Let us as individual workers carefully weigh the motives that impel us, the duties that actuate us, and emphasize solely in our lives in a simple straightforward way the great truths and forces that make us strong and influential allies in the missionary enterprise.

As we face the future decade we need to be reassured that woman has an individual, a definite, a distinctive contribution to make in the missionary enterprise. Christ himself recognized this. In his conversations and his parables he constantly turned from illustrations appealing to men to introduce those arresting to women. The great parable of the sower developed into that of a woman who hid the leaven in the meal. He turned from the fierce denunciation of hypocrites to answer the heart cries of the Syrophoenician woman for her daughter; and from the parable of the lost sheep to that of the woman searching for the lost coin. The new cloth on the old garment was a woman's mending task. The living story of the alabaster of precious ointment broken at his feet indicates his perpetual understanding of the loving heart of woman. His retreat in Bethany reveals his need of the tender ministry of a home and woman's hand. Jesus asked his disciples, "Whom do men say that I am? Whom say ye that I am?" His approach to man was through the mind, but looking into a woman's heart he recognized the supremacy of the spiritual and the Son of God simply said to her—"I that speak unto thee am he!" Just as the living Saviour in those days used woman to exemplify and typify the fundamental verities of giving, of faith and of love, so today she can express these noble attributes in kingdom enterprises. Women have much in common with men, but woman also has mental and soul attributes peculiar to her alone. Because of these, her contributions are individual and distinctive. Woman is often credited with the ability to jump at correct conclusions because of her sixth sense. Certainly, many intelligent, consecrated women quickly and instinctively decide what a number of men with great executive ability and large experience will spend hours around a conference table reasoning out. This sixth sense of woman's is not something to be treated lightly, or laughed at, for it is God-given and intended to cleave to the heart of spiritual truths and life situations. Woman can make a definite contribution to the missionary cause.

Ten Inviting Years

It is entirely possible to become so satisfied with successes achieved and commendable progress made that we fail to see our obligation to ever press onward. The life of the Christian as well as kingdom life has ever been that of the pilgrim. One has said the moment we strike root into the soil; the moment we become more than sojourners, that moment our progress heavenward ceases.

The following forecasts are ideas. Ideas are like sparks that flash upward and outward. Sometimes they are whirled away and die. Sometimes they strike responsive thoughts in other minds and when carefully tended burst into flame. The added fuel of thoughts, plans and prayers of many people become fires and eventually beacon lights.

The reports of some states show a falling off in organizations reported last year. Others have increased or practically held their own. Some decrease in

organizations originally reported was inevitable in so great an undertaking as the Ruby Anniversary. But we must safeguard our present organizations and the new organizations formed by practical institutes rather than the regular type of associational meetings. If real method could be studied instead of practically the entire program being devoted to inspirational talks and messages, it will help the new member, the worker, the new organization to grasp the work. Thus it is suggested that during the remainder of 1930 in our associational meetings the major emphasis be on methods for the leaders, for young people's leaders and potential leaders. Some states have proved these meetings successful in holding the organizations formed. Visit the W.M.U. Exhibit. There you will find associational maps, clocks, charts of various kinds illustrating helpful methods in associational meetings. "The soul like the body lives on what it feeds on." Blend the basic methods with the necessary ingredients of inspiration and information to save the new organization and help the untrained workers and leaders.

The Co-operative Program is the approved agency of our denominational missionary, educational and benevolent efforts. Undoubtedly the budget has advantages. It is wholly unnecessary, however, to call your attention to the fact that Southern Baptists are not now giving enough to maintain our present greatly reduced forces on the home and foreign fields. We are face to face with the problem of revitalizing this Co-operative Budget in some way that it may call to heroic giving. This falling off of receipts is not peculiar to Southern Baptists alone but is felt by practically all denominations. The April Missionary Review of the World presents a symposium representing a survey of eleven denominations, and the results show that the Evangelical Lutheran church is practically the only denomination reporting an increase in gifts to missions. It is interesting to note that this denomination mentioned its Woman's Missionary Society as one of the three sources from which it derived its increased gifts. Leaders in many denominations have come to realize that the merging of a number of causes in the same appeal does not inspire to sacrificial giving. It has taken away the personal appeal of an individual for a definite cause and therefore removed the burden of responsibility from the individual conscience. It is easier to forget or ignore a printed or verbal statement of debt, retrenchment and disaster than to wipe out the remembrance of earnest faces, pleading voices, failing hopes and the broken lives of men and women that we formerly saw on platform and pulpit. The cessation of this individual appeal has also in a very real way removed personal responsibility and personal knowledge of the work for many people do not read mission literature.

What can we as Union members do to help revitalize the Co-operative Budget that there may be an increase in our gifts? A cause has greater appeal than a budget. Let our Union, especially in associational and state meetings, re-emphasize and revitalize the Co-operative Program with the missionary appeal by presenting workers or recipients in these causes. An appealing, individual presentation of the great causes that make up the program by earnest representatives or workers in these branches will do much to vitalize the program. It is possible to thus present the various phases of the Co-operative Program on state annual meeting programs and on associational programs. We must change the challenge from that of meeting quotas or budgets to that of "making our Lord known and helping people to relate themselves to him and to accomplish great tasks in his name." Each cause of the program in the last analysis is missions. Let us not overlook it. We cannot get away from personality. God set his divine seal on human personality when he chose to manifest his love for a dying world through his Son, the Christ. Personality is the supreme expression. Through a personality we can see our money transmuted into bricks and stone and mortar; into songs and into worshipers and into endless service. Through the orphanage worker or the child we feel the call and see the result of pure religion and undefiled before God and the Father. The student preparing for Christian work is a living query of "How shall they hear without a preacher?" Care of the minister grown old in service is fulfilling the promise that the righteous shall never be forsaken, and that at eventide it shall be light. The bending harvest fields of the South and the world presented by those giving their own lives to the cause ask in momentous living words: "And how can they preach unless they be sent?" Let us vitalize our budgets with missions.

The Woman's Missionary Union has sustained for a number of years a high level of giving in its Lottie Moon Offering for Foreign Missions. We are comparatively safe in the assurance of continued and unabated giving through this offering. Since 1927 the Union has consistently returned missionaries to the foreign fields through this annual Christmas Offering. During this same period it has been necessary for young women preparing for service in our W.M.U. Training School to abandon the immediate hope of appointment or accept such appointment under other boards. In view of the original purpose of our W.M.U. Training School in preparing young women for home and foreign service, it seems the part of wisdom for the Woman's Missionary Union to request the Foreign Mission Board in the appointments made through the Lottie Moon Christmas Offering to give consideration and priority of claim to the young women graduating from the W.M.U. Training School meeting all requirements of the Board for foreign mission appointees. In this way we can offer some real hope to the exceptionally prepared young women in our Training School who fully measure up to the standards required by the Board, and at the same time safeguard the school from the fear that in the future it will not be able to command the same strong appeal to serious-minded Christian young women who feel a definite missionary call. The Home Mission Board may or may not desire to have the W.M.U. through a part of its Thank Offering care for the salary or salaries of young women from the W.M.U. Training School who feel called of God to work in the homeland, and who meet all required standards of the Board for appointees. Naturally, however, great care and serious consideration will be given such students by the school itself before such request is made in any instance.

Since this message also contains suggestions pertaining to our young people's work, such recommendations were first referred for consideration to Miss Juliette Mather, young people's secretary. Her reply contained two additional and valuable suggestions which are herein presented for your consideration, the second pertains to the Y.W.A. A forecast of events brought to her mind the striking fact that this decade marks the centennial of the sailing of Henrietta Hall Shuck, the first female missionary to China. A century ago—September 22, 1835—Henrietta Hall Shuck electrified Baptists by sailing as our first Southern Baptist woman missionary and the first woman missionary from America to China. This is a centennial celebration portentoual for it is an epochal event. Surely, this missionary organization will desire to commemorate this reckoning event in some worthy way.

Within the next decade our hope is set upon our state workers giving enthusiastic attention to plans for helping Negro women and young people in the study of missions, in oranizational efforts and in social service activities. Women of the missionary organizations of other denominations have pioneered in this field and made valuable contributions. Present local efforts by W.M.U. organizations

should develop into concerted and widespread efforts to aid and train the leaders and people of this race.

The appointment of a Southwide Mission Study Chairman completes the force of Southwide chairmen in specific phases of Union work. This chairman and the sub-committees, together with the state mission study chairmen, will no doubt soon present far-reaching plans and policies for W.M.U. mission study.

Our secretary, Miss Mallory, has also called attention to the fact that 1938 marks the Golden Jubilee of the Woman's Missionary Union. Due and proper consideration will be given this important occasion in subsequent years.

Where the Heart Is

Where our heart is there will our special emphasis be. Our Woman's Missionary Union has reached a period of development when our growing young people's work should receive the important place it deserves in Union thinking, Union planning through the interest of the individual missionary society. Many leaders, pastors and workers outside the W.M.U. regard our organization as largely an adult organization. Here and there is found a W.M.U. worker enthusiastic about work in and for the missionary society but feeling that the missionary training of young people may be gained in other organizations. Neglect of its young people's organizations severs our main artery of future missionary growth. Only in a very limited way have the annual meeting programs of the W.M.U. been able to magnify the young people, their work and their leaders. That our W.M.U. young people of the South may come to realize their strength as well as their weaknesses, it is suggested that in the next decade our leaders shall consider a Southwide W.M.U. Youth Convention. The thought of such a meeting holds the thrill of new life. Such a meeting will lift the horizon of W.M.U. work for the young people and reveal to them the mightiness of the task to which they are linked. This meeting might resolve itself into a clinic as well as an inspirational missionary gathering. The details as to representation, age limits, etc., can be satisfactorily worked out by committees and state and Southwide W.M.U. young people's leaders. Such a meeting not only offers to our young people the opportunity of extended conferences, but to the officers and workers in the organizations the advantage of co-operative discussion and the inspiration of worldwide contact through foreign students in our country and our missionaries.

That our young people's work may grow and develop proportionately and continuously throughout our territory the coming decade, the Union might well consider inaugurating a department superintendent for each grade of our missionary education system working co-operatively with the young people's secretary.

Surely, the time is near at hand when our Royal Ambassadors should be given a man as superintendent, planning this work to appeal to the masculine mind. If not within this decade, the achievements of the Royal Ambassadors will one day merit a magazine all their own. In the meantime, each state through its proper leaders should plan to have state G.A. and R.A. conferences, associational and district Y.W.A. house parties.

It is incumbent upon parents and leaders everywhere to place in the hands of our young people WORLD COMRADES and THE WINDOW. Let us swing back to re-emphasis of the value of our W.M.U. missionary magazines and present them so attractively and powerfully that mothers and guardians will realize the importance of subscribing to them for their young people.

The W.M.U. Tithing Story Contest for our young people has not measured up to its full possibilities because of the lack of proper and enthusiastic support. The hands of the state young people's leaders are so full they have not been able to give the contest the needed emphasis and impetus. Here is a stimulating task for the local, associational, state and Southwide stewardship chairmen. Surely, the contest can be put on in such a way as to bring justifiable results. It is the best plan we have at present to enlist the interest of our young people in the vital subject of the tithe and until we have something more appealing to offer, this particular contest should receive our best attention. It has been suggested that proper leaflets be printed containing careful directions and including suggestions as to how the pastors may be won over to giving publicity to a real rivalry in competitive efforts in our individual churches.

The year 1932 marks the twenty-fifth anniversary of the Y.W.A. Miss Mather offers a delightful plan for the observance of this event by a series of simultaneous banquets with perhaps a broadcast message to these young people over a Southwide hook-up; or some unusual recognition of this twenty-fifth anniversary developed by proper committees.

Such anniversary celebrations mentioned in the foregoing message falling in this decade will not recur again in our generation. They present opportunities for concentration on important phases of our W.M.U. work. They are vitally interrelated. They point to a glorious consummation. Let us redevote ourselves to these causes with unflagging zeal and loyalty. Let us make them vocal with meaning in commanding the lives of women and young people for Christ's glory.

The Millennial Year

Charles Wesley wrote, "The millennial year rushes on to our view and eternity's here." For you and for me this is true. Let us find our place of service that our lives may make up the coronation hymn, the anthem of the destinies.

All the sap and vigor of past decades rise to urge us on to the living rapture of new growth. Life offers a larger richness of opportunity. Let us think and plan and pray in positive terms. The crucible of time proves that events are important in propartion to their results. Let us make this decade a series of impressive episodes, in the wondrous power, the ineffable glory of the Cross. While we hold the objectives gained through the years, let us in the coming days strive to make our people truly mission-conscious. It is a duty of profound importance, a theme of powerful interest. Let us hear the drums that call from the distance. Let us rise and follow God.

CHAPTER VII

SCHOOLS AND COLLEGES OF BAPTISTS AND OTHERS

Public Schools Gain

"Enormous increase in public school enrollment in the United States compared with the small increase in that of private schools indicates the confidence of the people in the facilities and opportunities afforded by the tax-supported institutions, stated David T. Blose, of the United States Office of Education, recently.

"The publicly supported institutions, he said, have more funds with which to introduce a variety of courses and to offer greater educational facilities attractive to the students.

"The American states expended $63,396,666 on secondary education in 1870, and steadily increased the amount to $2,184,336,638 in 1928. In 1928 there were 25,178,696 students enrolled in the public elementary and high schools compared with 2,669,661 students enrolled in similar private schools, Mr. Blose pointed out.

"Statistics on the growth of students enrolled in the private high schools and academies between 1890 and 1928 were presented as follows: In 1890 there were 94,931 students enrolled; in 1910, there were 117,400; and in 1928, there were 269,249. In public high schools the growth is recorded as follows: In 1870 there were 80,227 students; in 1890, there were 202,963; in 1910, there were 984,677; and in 1928 there were 3,911,279 students enrolled in the public high schools.

"Total enrollment in denominational secondary schools in the United States in 1926 was 185,641, and in 1928 arose to 204,787. Enrollment in nonsectarian schools of this character stood at 65,906 in 1895 and had arisen to only 75,662 in 1928. During that same period, the total number of nonsectarian schools decreased from 1,270 to 669.

"There were 21,268,417 students enrolled in the public elementary schools of the country in 1928, and 3,911,279 students in the high schools."—Supreme Council 33° Bulletin July 15, 1930.

Catholic Schools in the United States

"The progress of Catholic education in the United States is revealed by the biennial surveys taken by the N. C. W. C. Department of Education. The results of the latest survey, that for 1928, show a total of 2,544,785 students enrolled in 10,249 Catholic schools of all classifications. These schools were staffed with a total of 82,536 instructors.

"Compared with the figures for 1926, the year of the last previous survey, the 1928 results bring out the following facts:

"A gain of 168, or 1.6 per cent, in the total number of Catholic schools; a gain of 5,198 or 6.7 per cent, in the total number of instructors, and a gain of 131,766 or 5 per cent, in the total number of students in attendance.

"The 1928 survey, treating of the educational institutions under their various classifications, reveals a total of 189 seminaries in the United States. These were divided into 95 major seminaries staffed with 790 instructors and with 6,527 students enrolled, and 94 minor seminaries staffed with 1,103 instructors and with 10,542 students enrolled. The total enrollment for both classes of seminaries was 17,069 in 1928, or, compared with 1926, a gain of 1,233 students, or 7.8 per cent, in enrollment.

"The normal schools totalled 79, and were staffed with 1,314 instructors. The total enrollment was 13,002 students, of whom 597 were male and 12,405 female. The total enrollment of normal schools shows a loss of 2,567 students, or 16.1 per cent, compared to 1926. Of the total number of normal schools, only 10 were for religious men, while 69 were for religious women. In the former, the instructors totalled 236, and in the latter, 1,078.

"Catholic colleges and universities totalled 159. They were staffed with 6,790 instructors and were attended by 86,806 students. The total enrollment in these institutions shows the largest percentage of gain when compared with the results of the 1926 survey. The total enrollment in this class of schools increased by 11,457 students, or 15.3 per cent, between 1926 and 1928. These schools were attended by a total of 67,973 male students and a total of 18,833 female students. The colleges were divided into 75 men's colleges and 84 women's colleges.

"Catholic high schools and academies, in 1928, were 2,158 in number, were staffed with 13,527 instructors, and were attended by 226,466 students, of whom 95,450 were boys, 126,198 were girls, and 4,818 were not classified as to sex in the reports. Compared with the returns for 1926, the total enrollment in this class of schools represents an increase of 21,651 pupils, or 10.6 per cent, in the two-year period.

"Catholic elementary schools were 7,864 in number, were staffed by a total of 59,013 instructors, and were attended by a total of 2,201,942 pupils, of whom 646,535 were boys, 676,465 were girls, and 878,942 were unclassified as to sex in the reports from schools. The total enrollment of the elementary schools in 1928, compared with the total enrollment of the same schools in 1926, represents an increase of 90,382 pupils, or 4.3 per cent in the two-year period.

"In the 1928 reports on enrollment from schools of all classes, a total of 805,472 male students and a total of 849,800 female students were reported. However, there were 889,513 students whose sex was not stated in the reports.

What Do You Read?

"Of the 10,187 new books and new editions issued in the United States during 1929, 806 were religious books, 7.8 per cent. The only two classifications which exceeded religious books were fiction (2,142) and children's books (931).

"In the past five years 4,316 religious books have been issued in America, and religious titles never ranking below third. This is a gain. In 1920 and in 1910 religious books stood fourth on the list, in 1900, sixth.

"These figures indicate that there is a remarkably strong demand for books on religious problems in the United States. Biography, momentarily popular, totalled 738 in 1929, 68 less than the religious book total. Poetry and drama came next, 727; general literature, 572; sociology, 484; science, 424; history, 417. The list as given in the Publishers' Weekly is:

"Encouraging as these figures are, there is one disquieting aspect of them, It is this: That not all the books classed as 'religious' are a help to religion. If H. L. Mencken spits out a ribald attack on religion it counts as much in the publishing census of the year as a new book by Stanley Jones. Sinclair Lewis and Floyd Tomkins, writing on religion from totally opposite points of view, both help to swell the count of religious books. It might be possible to represent the facts of the case if the Publishers' Weekly could find some way of breaking up its religious class into constructive and destructive or religious and irreligious."—The Christian Advocate, April 17, 1930.

CHAPTER VIII

SOCIAL SERVICE WORK OF BAPTISTS AND OTHERS

Growth of Catholic Hospitals

"A remarkable growth among the Catholic hospitals of the United States and Canada is revealed in a special statistical number, the March issue of Hospital Progress. In two years the number of Catholic hospitals has grown from 652 to 775, an increase of 18.8 per cent. A much greater increase, 66 per cent, is shown in the number of beds and bassinets in these hospitals during the same period. Besides a comprehensive analysis of the latest statistics of Catholic hospitals the magazine includes a 34-page directory of the Catholic hospitals and schools of nursing in the two countries.

"Interesting comparisons of Catholic hospital figures with those of other hospitals are given. For example: The 641 Catholic hospitals in the United States constitute 9.3 per cent, of all hospitals, private and public; 12.7 per cent of all non-government hospitals; 60.7 of all church-controlled hospitals.

"Comparing the bed capacity of various classes of hospitals we find that 10.2 per cent of all hospital beds and bassinets in the United States; 26.4 per cent of those in non-government hospitals; and 75 per cent of those in the church-controlled group are in Catholic hospitals. The average bed capacity of hospitals in the United States is as follows: All hospitals 130.3; state-controlled 169.7; county and city 139.4; private 68.8; Catholic 149.9.

"In professional standing, the Catholic hospitals made a remarkable showing. The chief standardizing agency for hospitals is the American College of Surgeons. The A. C. S. has approved 28.6 per cent of all hospitals in the United States, but 56.7 per cent of the Catholic hospitals are on the approved list. Thus the Catholic hospitals, which constitute 10.2 per cent of all hospitals include 18.4 per cent of all approved hospitals.

"The Catholic hospitals conduct far more than their share of schools of nursing. In the United States 31.8 per cent of all hospitals have a school of nursing. The Catholic hospitals also include 17 per cent of all hospitals known as teaching hospitals, that is hospitals affiliated closely with a medical school." —March 27, 1930, Union Times.

Most States Free of Lynching

"Forty-three states are on the honor roll of states free of lynching during 1929. This is the same record as in 1928 and a gain of four states since 1923. Ten lynchings were recorded during 1929; this is one less than occurred in 1928 when eleven were reported. Of the persons lynched in 1929, four were in Florida, one each in Kentucky and Tennessee, one in Mississippi, and three in Texas. Three of the victims were white and seven Negro. According to the records kept by Dr. Work of Tuskegee Institute, there were twenty-seven instances in which officers prevented lynchings; twenty-four of these happened in Southern States.

"The states free of lynching over a period of years, as reported by the Federal Council's Commission on Race Relations, are as follows:

"States that have never had a record of a lynching: Massachusetts, Connecticut, New Hampshire, Rhode Island and Vermont.

"States that have no record of lynching since 1886: Maine and New Jersey.

"States that have no record of lynching for the past twenty-five years: Delaware and Wisconsin.

"States that have no record of a lynching for the past twenty years: Michigan, Nevada, Indiana and Iowa.

"States that have no record of a lynching for the past fifteen years: Idaho Maryland, Pennsylvania and South Dakota.

"States that have no record of lynching for the past ten years: Arizona, New York, North Dakota, Montana, Oregon and Wyoming.

"States that have no record of a lynching during the past five years: California, Colorado, Kansas, Minnesota, Nebraska, Washington, West Virginia, Oklahoma, North Carolina, Illinois.

"States that have no record of a lynching during the past two years: Alabama, Ohio, Utah, Georgia, South Carolina and Virginia.

"States that have no record of lynching in 1929: Arkansas, New Mexico, Louisiana and Missouri.

"Total states free of lynching in 1928, 43; total states in which lynchings were had in 1929, 5; total number of lynchings in 1929, 10; decrease (over 1929) in number of lynchings in 1929, 1.

"The year 1930 bids fair to equal 1928 in the number of lynchings. Several have been recorded in different states during the first five months of the present year. In Texas two lynchings of unusually revolting type show how when under the influence of the madness of revenge mobs will inflict punishment not only on the guilty man but on others of his race."—Christian Advocate, June 13, 1930.

America's Largest Cities

There are ninety-three cities in the United States with a population above 100,000. This is an increase of twenty-five since the 1920 census. The population in this class is now 36,000,000, or more than one-fourth of the Nation's estimated population. In five cities alone more than 15,000,000 persons are dwellers. There are five cities in the million class: New York 6,958,792; Chicago 3,373,758; Philadelphia 1,961,458; Detroit 1,564,397 and Los Angeles 1,281,730. Of the cities in the 100,000 class Miami made the largest percentage of increase, 272.1 per cent. Long Beach, California was second; Los Angeles third; Houston, Texas, fourth; Chattanooga, Tennessee, fifth; and Oklahoma City, Oklahoma, sixth. W. E.

Great Industries of the South

"No longer can the South be classed as immature from the manufacturing standpoint. It has outgrown its industrial swaddling clothes. The country at large has not fully grasped the fact that manufacturing in the South is one of its major activities. The South already produces one-third of the country's minerals, and its factories are turning out products with an annual value sixty per cent in excess of the production of New England, long famed for its industrial accomplishments. Although still one of the great agricultural regions of the United States, the South each year produces twice as many manufactures as agricultural products, from the standpoint of value. These facts have been presented before in the columns of the Manufacturers Record, but they need to be stressed in order that the importance of the industrial South may be fully recognized.

"That the South, with miscellaneous manufacturing embracing more than 200 industrial classifications, should have some of the largest plants of their kind not only in the United States but in the world, is worthy of emphasis.

"In the series of articles appearing in the Manufacturers Record for the past several weeks under the title, 'Miniatures of Southern Cities,' some striking facts as to variety and scope of Southern industries were revealed. We have compiled in part from the list presented—which is by no means complete as to cities, nor does it cover all the largest plants in the South—some illustrations of what the South has achieved in the industrial field, aside from its dominance in cotton growing and cotton manufacturing.

"Running through the list by states we find that Alabama has at Birmingham the largest sugar machinery plant in the world. Centering in Birmingham and Anniston are the largest producers of cast-iron pipe, making almost one-half the output of the country.

"Pine Bluff, Ark., ranks second in the United States in the manufacture of oak flooring.

"Gainesville, Fla., with the first established tung oil mill in the country, is the center of the tung oil industry of America.

"Albany, Ga., is the greatest market for Spanish peanuts in America, and is the world's largest pecan center.

"Augusta, Ga., has the largest waste and respinning mill in the United States.

"Cairo, Ga., claims to be the largest producing shipping centre of cane syrup in the world.

"Columbus, Ga., is the home of Fort Benning, the largest infantry school of arms in the world. Incidentally, the first commercial ice machine was manufactured in Columbus, and the company which made it is still in business.

"Griffin, Ga., is world famous as a centre for the growing and canning of pimento peppers.

"Rome, Ga., has one of the largest furniture factories under one roof in the world.

"Waynesboro, Ga., has the largest bottle-washing machinery manufacturing plant in the world.

"Kentucky has the largest in the world of the following: soft winter wheat flour mill, single unit hardware plant, printing establishment for the blind, stay bolt and engine iron factory, box plant, fireplace fixture factory, enamel iron and brass plumbing plant, minnow bucket factory, nicotine product factory, hickory handle factory, foil plant, absorption ice and refrigeration machinery plant, drop forged valves and fittings plant, x-ray machine factory, iron fence factory, bituminous coal mine, rock asphalt mine, wagon factory, single unit cotton rope mill, and burley, dark-fired, one-sucker, Green River tobacco markets. Kentucky has the largest wood mantelpiece factory, oxygen and hydrogen plant, cabinet varnish factory, casket factory, golf stick factory, in the United States.

"Alexandria, La., has one of the largest powder manufacturing plants in the United States.

"Bogalusa, La., has the world's largest lumber mill.

"Lake Charles, La., has the largest complete rice mill in the world, and the only cellulose plant in the world converting rice hulls into chemically pure cellulose.

"Monroe and West Monroe, La., has the largest gas field in the world. Upon completion of additions, the paper mill at that point will be the largest producer of kraft paper in the United States.

"New Orleans, La., has the largest sugar cane syrup canning plant in the world, and one of the largest single unit sugar refineries. It leads the world in importation of mahogany and the manufacture of mahogany lumber.

"Baltimore, Md., has the world's largest sulphuric acid and phosphate plant. It has the largest tin decorating plant in the world, and the biggest sugar refinery on tidewater. In the manufacture of airplanes Baltimore will claim the largest plant of its kind upon completion of additional units. Baltimore has the largest industrial alcohol manufacturing plant in the world; the world's largest copper refining plant, and the largest spice factory in the United States and probably in the world. Baltimore leads the world in the manufacture of bottle stoppers and sealing devices, and is second in the United States in the manufacture of straw hats. At Sparrows Point, within ten miles of Baltimore is the largest steel plant in the world on tidewater.

"Cumberland, Md., has the only plant of the kind in the country producing artificial silk from cotton linters.

"McComb, Miss., has the largest single unit ice plant in the world.

"Kansas City, Mo., has the largest livestock exchange in the world, and ranks first in the distribution of agricultural implements, feed grains, and in the manufacture of American black walnut.

"Elizabeth City, N. C., manufactures more soy bean harvesters than any other point in the United States.

"Greensboro, N. C., has the largest denim mill in the world, and also has the largest overall manufacturing plant in the world.

"North Carolina has the largest towel mills in the world, the largest damask mills, the largest hosiery mills in the world; the largest pulp mills in the United States; makes more wooden bedroom furniture than any other state in the union; has the largest heavy-weight underwear mills in the United States; the largest tobacco manufacturing plant in the world; the largest aluminum plant in the world, and the largest cordage and twine mill in the United States.

"Miami, Okla., is the largest zinc and lead producing area in the world.

"Greenville, S. C., claims the largest cotton mill under one roof in the United States, and from Charleston, S. C., a few months ago was launched the world's first all electric-welded steel vessel.

"Chattanooga, Tenn., produces more oil well machinery than any other city in the United States, and leads the country in the manufacture of fireplace fixtures and bridle bits.

"Elizabethton, Tenn., has in the American Bemberg Corporation the only plant of its kind in the United States manufacturing artificial silk from cotton linters by the cupra-ammonia process.

"Johnson City, Tenn., claims to be the second largest hardwood flooring manufacturing center in the United States.

"Amarillo, Texas, has the largest helium plant in the world.

"Austin, Texas, has the largest chili and hot tamale manufacturing and canning plant in the United States.

"Beaumont, Texas, has the largest rice package plant in the world.

"El Paso, Texas, operates the largest custom smelter in the world.

"Port Arthur, Texas, has the largest single oil refinery in the world.

"San Angelo, Texas, claims to be the largest primary wool market in the world.

"Sherman, Texas, has one of the largest cotton gin and mill supply plants in the country.

"Norfolk, Va., has one of the world's largest dry docks, and at Newport News is one of the largest and best equipped shipbuilding plants in the world.

"Petersburg, Va., is the largest trunk manufacturing center in the world.

"Roanoke, Va., has the largest rayon plant in the world.

"Parkersburg, W. Va., has the only vitrolite plant in the United States.

"Bear in mind that the foregoing 'industrial firsts' for the South, impressive and diversified as they are, do not represent the entire list but only those which have been tabulated by the Manufacturers Record from recent data. We believe the information presented clearly demonstrates that the South in many of its industries is justified in a measure of pride in its manufacturing accomplishments, especially as in the minds of most people in the United States this section has been only a 'land of cotton' with a scattering of small factories."—Manufacturers Record, June 5, 1930.

BAPTISTS AND OTHER FAITHS IN THE SOUTH IN 1926

The following table, based upon the finding of the Bureau of the Census, and covering the year 1926, sets out very clearly the Home Mission task of Southern Baptists:

STATES	Total Baptists White and Colored	All Other Faiths	Unchurched Masses
Alabama	672,800	544,370	1,308,831
Arizona	8,380	144,700	291,022
Arkansas	290,057	333,250	1,281,741
District of Columbia	55,245	183,026	289,009
Florida	213,406	315,059	788,696
Georgia	814,180	536,004	1,788,778
Illinois	246,187	3,111,767	1,912,979
Kentucky	427,041	624,463	1,472,706
Louisiana	255,951	781,057	881,583
Maryland	51,018	706,426	822,222
Mississippi	451,467	349,262	989,889
Missouri	289,357	1,300,921	1,916,865
New Mexico	10,007	205,540	172,500
North Carolina	651,971	754,912	1,450,963
Oklahoma	194,939	386,144	1,761,391
South Carolina	456,412	416,394	953,215
Tennessee	435,977	582,091	1,449,608
Texas	759,964	1,520,556	3,032,147
Virginia	553,398	618,965	1,346,226
Totals	6,829,357	13,415,512	22,911,069

Note 1. The total population of the South in 1926 (including the Baptists, other Faiths, and the Unchurched as outlined above) was 43,057,938. Since Southern Baptist work in Illinois is confined to the Southern one-fourth of that state, we must deduct 2,015,811 from the "Unchurched" of Illinois, leaving the Southern Baptist Home Mission field with 43,155,938 souls.

Note 2. About 20% of our Southern people are under ten years of age. This would leave us with 17,324,865 in 1926 who were ten years old and up, without any church connection; and this number has passed the 18,000,000 mark in 1928!

Note 3. The states of Alabama, Georgia, Mississippi and South Carolina have more Baptists, counting all varieties, than persons of all other faiths combined; while Arkansas, North Carolina, Tennessee and Virginia have almost as many Baptists as all others. On the other hand, the proportion of the Baptists to other faiths in Florida, Kentucky, Louisiana, Oklahoma and Texas has shown a very distinct gain for the Baptists in the past ten years.

5. Negro and White Church Members in the South.

We have been at some pains to ascertain the facts about the comparative standing of the negro and white church members in the several states within the bounds of the Southern Baptist Convention. In the accompanying table ("Church Members in the South: White and Colored") we are presenting the results of our studies. The table shows an utterly different situation as compared to that of the nation as a whole. For example, in the United States, as we have just seen, 90.45 per cent of all church members, in 1926, belonged to white churches; whereas, in the South (Southern Baptist Convention territory) only 75.38 per cent of the church members belonged to the white churches. On the other hand, in the nation as a whole, only 9.55 per cent of the church members belonged to negro churches; whereas 24.62 per cent of the church members in the South (Southern Baptist Convention territory) were negroes.

To state the case another way, there were 5,203,847 negro church members in the United States in 1926; whereas 4,362,806 of these were here in the South. There are other points of especial interest in the table presented herewith—such as the standing of the negro church membership in the several states, etc.

3. Roman Catholic Growth in the South

As is quite well known, Roman Catholic forces in the South are, next to those of Southern Baptists, the strongest single religious group in the South (we refer here particularly to the eighteen states in which Southern Baptists work, as set out in the accompanying table, "Catholic and Non-Catholic Growth in the South."

The following Southern states, for example, are the strongholds of Roman Catholicism, viz., Arizona, Southern Illinois, Louisiana, Maryland, Missouri, New Mexico, and Texas, especially all of Southwest Texas. It is interesting, therefore, to compare the growth of Roman Catholics with that of the non-Catholics in this particular section—one part of which is strongly Catholic while the other part is predominantly non-Catholic. Here are the figures:

*Southern Baptists work only in the South one-fourth of Illinois and, accordingly, we have counted but one-fourth of Illinois' two religious groups. Lately also Southern Baptists have begun work in Arizona, so that we are counting the total membership of the two religious groups in this Catholic state.

Protestant Growth in Catholic Strongholds

Perhaps the most striking and altogether surprising thing revealed in the foregoing table ("Comparative Growth of Catholics and Non-Catholics"), however, is the fact that the non-Catholic Christians of the United States are fast outgrowing the Catholics even in those states which are accounted Roman Catholic strongholds. In the comparison which follows, for example, we list **the eleven states which have more Roman Catholics than all other church members combined; and along with these we list, with a star, nine other states where Catholics have almost as many as all others or have by far the lead over any other denomination.** What are the comparative growths of the Catholics and non-Catholics in these Roman Catholic strongholds? The following table will, we believe, tell its own story. Here are the facts:

ROSTER OF ORDAINED MINISTERS

We are presenting herewith the full list of our Southern Baptist ministers, with all corrections to October 1, 1930, which have come to our attention in any way. There are more names on this list than any list yet published; and yet we dare say there are perhaps 200 not yet included, because we were not able to learn the facts. We will thank our editors in particular if they will have the kindness to note, in their columns, all ministerial changes from week to week; and we will likewise take it as a great favor if all our ministers will notify us by post card when they change their fields of labor and particularly when they change their post office address or even their street address.
