THE FOREWORD

For the first time in twelve years, the Southern Baptist Handbook carries a survey of pastoral service and support in Southern Baptist churches. In 1923 we published a survey of Southern Baptist rural churches, giving a considerable portion of Chapter IV, pages 62-82, to a summary of the salaries of all fourth time, half time and full time rural pastors. The following year, 1924, the Handbook carried a survey of the urban churches among Southern Baptists, in Chapter V, pages 69-78, of which we gave a summary of the salaries of both urban and rural churches for that year. The reader of the 1936 Handbook will be greatly helped by purchasing and using both these former Handbooks, and particularly the issue of 1924.

All of Part I of the present Handbook, including three full chapters, are given over to a presentation of pastoral service and support among Southern Baptist churches. Even then we were forced to leave out one chapter. One long chapter retained, however, gives the names of all pastors who remained with their churches throughout the Great Depression (1929-1936); also the names of those pastors who have rendered the longest continuous service in one pastorate in each state.

Along with this survey, we are presenting in Part II the amazing record of Southern Baptist work along all main lines in the year 1935; whereas in Part III we are giving the great, difficult section, made up of the "Directories of Southern Baptists," also the full list of ordained ministers, revised up to June 10, 1936

In spite of much extra work expended in its preparation, we are sending out the 1936 Handbook a month earlier than any of its immediate predecessors, with the prayer and the hope that it may prove to be the best Handbook yet published.

CHAPTER I

PASTORAL SERVICE AND SUPPORT— A BIRD'S-EYE VIEW

In presenting a bird's-eye view of pastoral service and support in the 24,360 churches among Southern Baptists, for the year 1934, four questions challenge our attention:

(1) To what extent and in what ways were the 21,926 ordained ministers among Southern Baptists employed in 1934?
(2) What were the average salaries paid to these ministers?
(3) What was the record, State by State?
(4) How many pastoral vacancies were found in the churches in 1934?

I. MINISTERIAL EMPLOYMENT IN 1934

Taking up these questions in the order mentioned, let us direct our attention to some outstanding facts about ministerial employment disclosed in this survey:

Total ordained ministers in 1934	21,926
Total employed for part or all time	14,858—(67.76%)
Total wholly unemployed	7,068—(32.24%)

Of the 14,858 who were employed, for part or all time, moreover, we found the following situation:

Practically 388 (1.77%) were employed, not as pastors, but as executives, missionaries, evangelists, secretaries, teachers, etc.

All the others, that is 14,470 ministers (66% of the total), were employed as pastors.

THE TRAGEDY OF UNEMPLOYMENT

The moment we came to view the question of total and partial unemployment, however, we found some facts which were indeed tragic:

About 7,068 ministers (32.24% of the total) were found to be wholly without employment, so far as the churches were concerned; while 673 (3.07%) had only three-fourths time employment; 2,891 (13.18%) had only half-time employment; and 2,715 (12.36%) had only fourth-time employment.

Of those wholly unemployed we found, moreover, that practically 3,000 of them had retired by reason of old age or the premature breakdown of health; whereas 4,000 or more had taken up secular pursuits (in so far as they could find employment) in order to adequately support their families.

Furthermore, we found that these 4,000 or more who had gone into secular pursuits in so far as they could secure employment, were divided roughly into two classes: The one class was made up of 1,000 or more well qualified men who had found the salaries paid by the churches wholly insufficient to support their families and educate their children and had secured more lucrative employment without difficulty; whereas practically 3,000 were without proper preparation or native ability sufficient to render effective service in the churches.

Thus we found that Southern Baptists were confronted with the delicate and difficult problem of dealing with 7,068 ministers (32.24% of the total) who were wholly unemployed by the churches and destined to remain unemployed. These were divided into three classes as follows: (1) About 3,000 who had retired by reason of old age, or a premature health breakdown; (2) About 1,000 able and well qualified ministers who had gone into secular pursuits solely because the churches were not paying them sufficient salaries

to enable them to support their families and educate their children*; and (3) fully 3,000 ministers who lacked proper preparation and, in some cases, native ability to render effective service in the churches.

In addition to the tragedy of the 7,048 wholly unemployed ministers among Southern Baptists, however, there were found in 1934 a total of 6,279 other ministers among Southern Baptists who were battling against the overwhelming odds of partial employment. As noted above, these were as follows:

(1) 673 ministers (3.07% of the total) who were employed for only three-fourths time, and drawing an average annual salary of less than $700 ($695.85 to be exact).

(2) 2,891 ministers (13.18% of the total) who were employed for only half time, and drawing a salary of only $310.53 on the average.

(3) 2,715 ministers (12.38% of the total) who were employed for only one-fourth time, and drawing a salary of only $115.68 on the average.

To summarize then, in 1934 the 21,926 ordained ministers among Southern Baptists were divided into three classes, as follows:

(1) About 7,068 (32.24%) were wholly unemployed.

(2) Some 6,279 (28.63%) were only partially employed.

(3) Whereas 8,579 (39.13%) were fully employed.

If one wishes to view this tragic situation from the standpoint of the several states comprised in the Southern Baptist Convention, let him study the accompanying table: "Ministerial Employment in 1934."

II. AVERAGE SALARIES IN 1934

Acute and tragic as was the unemployment situation among Southern Baptist ministers in 1934, it was found to be greatly accentuated and aggravated by the pitiably small salaries which were paid to the ministers who were employed.

After going over the reports of 4,011 salaries of full time pastors†, for example, the average salary was paid by the best churches in the Southern Baptist Convention was found to be only $1,544.85 in 1934, as compared to $1,965.95 in 1924. That is to say, in the decade of 1924 to 1934 the salaries paid to the leading pastors in the Southern Baptist Convention declined $421.10, or more than 21 per cent upon the average.

Moreover, the pastors of the smaller churches (which in most cases are rural churches) fared even worse. For the general average salary of the rural pastors, even when fully employed, declined in the same decade from $765.31 in 1924, to $540.41, or 29.3 per cent in 1934.

This decline in salaries of the rural pastors, moreover, was found to be even more pronounced in the weaker rural churches than in the stronger ones. In the three-fourths time churches, for example, the average salary in 1924 was $710; whereas in 1934 it was $696. In the half-time churches, on the other hand, the average salary in 1924 was $453, whereas in 1934 it was only $311. While in the fourth-time churches, to use a still further illustration, the average salary in 1924 was $145, whereas in 1934 it was only $116.‡

Some idea of what all this means to Southern Baptist pastors may be understood from the fact that, while there were only 4,011 full-time pastors' salaries reported (there are 4,303 full-time pastorates altogether), we had 110 salaries reported from three-fourths time churches; 4,895 salaries reported from half-time churches, and 10,255 salaries reported from fourth-time churches. That is to say, we found almost four times as many small and weak pastorates, where the salary decline was greatest, as large and stronger ones, where the decline was smallest.

For those who care to make a study of the average salaries paid by the several states comprised in the Southern Baptist Convention, we publish herewith the table, "Average Salaries of Southern Baptist Pastors in 1934":

*With superb qualifications, one such minister in recent years found himself unable to secure a church that would pay him $2,000 a year, only to turn to life insurance where he has made as high as $7,500 a year.

†Twenty-six whole associations in Missouri and the whole state of Maryland do not report the pastors' salaries as a separate item.

‡For a study of fourth-time and half-time pastors' salaries, in 1924, see the *Southern Baptist Handbook* of 1923.

III. THE RECORD STATE BY STATE

This brings us to third inquiry: What was the record of pastoral support in 1934, State by State?

To begin with, it was the record of a decided decline in every state. Surely no one can look over these records and cherish any sort of belief that Southern Baptist ministers are getting rich preaching the gospel!

The record of some states, to be sure, showed a much more serious decline than others. The decline both in Florida and Oklahoma, for example, are positively calamitous, though Oklahoma's record is worse than even Florida's. For, while the salaries of the leading pastors in Florida during this decade (1924-1934) were cut down almost $500 on the average, due mainly to the presence of so many health-seeking ministers who have some private resources of their own; the salaries of the leading pastors in Oklahoma were reduced an average of more than $700 during the same period—for no reason known to us, save the droughts and hardships of the long depression.

South Carolina pastors also evidently suffered heart-breaking and home-wrecking privations and hardships during this period; while the Southern Illinois pastors went into this period being paid an average of almost $900 a year under the pastors of most of the other states, and suffered still further severe reductions, particularly in the half-time and fourth-time churches.

A summary of the situation in the several states will be found in the accompanying table, "Ten Years' Decline In Pastors' Salaries."

IV. PASTORAL VACANCIES IN 1934

Finally we come to the question of how many pastoral vacancies were found among Southern Baptist churches in 1934. How many more pastors could have been employed had all the churches secured and maintained pastors in 1934?

Upon this point, it is interesting to note the following facts which were found in our survey:

Total churches in 1934	24,360
Total pastorates, or fields	16,386—(100%)
Occupied fields, or pastorates	14,489—(88.42%)
Unoccupied or vacant pastorates	1,897—(11.58%)

The distribution of the occupied and unoccupied pastorates between the various classes of churches present some equally interesting facts:

(1) Of the 4,303 full-time pastorates, for example, 4,167 or 25.43 per cent were occupied, while only 136, or .83 per cent were vacant.

(2) Of the 107 three-fourths-time pastorates, 102 or .62 per cent were occupied, while 5 or .03 per cent were vacant.

(3) Of the 4,286 half-time pastorates, 3,948 or 24.09 per cent were occupied, while 338 or 2.06 per cent were vacant.

(4) Of the 7,690 fourth-time pastorates, 6,272 or 38.28 per cent were occupied, while 1,418 or 8.66 per cent were vacant.

A study of pastoral vacancies by states throughout the bounds of the Southern Baptist Convention is presented in the accompanying table, "Pastoral Vacancies In 1934."

CHAPTER II

LONG PASTORATES AMONG SOUTHERN BAPTISTS

As a distinct part of our survey of pastoral service and support among Southern Baptists, we have sought to come upon the main facts about the length of Southern Baptist pastorates—**particularly did we make an effort to find out how many Southern Baptist pastors remained with their churches throughout all the trials and hardships of the Great Depression, lasting from 1929 to 1936.** For in addition to all the other trying experiences encountered, during this greatest economic depression since 1873, as noted above, Southern Baptist pastors suffered salary reductions which were truly tragic—the average full-time pastor in 1934, receiving only $1,545 a year; the average three-fourths-time pastor receiving only $696; the average half-time pastor receiving only $311; and the average fourth-time pastor receiving only $116.

THOSE WHO STAYED THROUGH THE SEVEN YEARS

And it was precisely upon this point that we came upon one of the greatest surprises we have ever encountered in our sixteen years intense study of Southern Baptist life and work. For in spite of our inability to get reports from 131 associations, or almost fifteen per cent of the 906 total district associations in the South (some of these being the leading associations in the several states too), we nevertheless found the following astonishing facts—facts which we do not think any one in the South could have remotely estimated:

1. **Serving 7 Years or Longer:** Pastors serving their churches continuously throughout all the vicissitudes and trials of the Great Depression or longer, 1904!

2. **Serving 20 Years or Longer:** Pastors serving their churches continuously for the past 20 years or longer, 147.

3. **Serving 30 Years or Longer:** Pastors serving their churches continuously for the past 30 years or longer, 44.

4. **Serving 40 Years or Longer:** Pastors serving their churches continuously for the past 40 years or longer, 15.

5. **Serving 50 Years or Longer:** Pastors serving their churches continuously for the past 50 years or longer, 2. One of these, Rev. W. M. Coile, Winterville Church and others in Sarepta Association in Georgia, has recently retired, we understand, while the other, Rev. R. H. Winfree, living at 2820 New Kent Avenue, Richmond, is finishing his fifty years with one church at this time (1936).

LONG PASTORATES AMONG OUR NEGRO BRETHREN

In this connection, it will be interesting to look over some of the records of the Negro Baptist pastors.

Just recently (May, 1936) the First Baptist Church (colored) in Little Rock, Arkansas, celebrated the 50th anniversary of the pastorate of Dr. J. P. Robinson—a man who has not only stayed with his church through all these years, but, to my personal knowledge, has gone on studying deep into the Word of God and feeding his people the fresh, living Bread from heaven.

Then, still more recently, the *National Baptist Voice* (main organ of Negro Baptists of America), carried the following informing and inspiring editorial about several other distinguished Negro leaders who have held long pastorates:

"We must give high place to the pastors who live, work, serve and preach to the same people ten, twenty, thirty, forty, and fifty years. There is something unusual about a pastor who can keep people together and spiritually edify them for long periods. Most of our modern pastors are too impatient, too much absorbed in the desire for ready-made ideal situations and conditions to enjoy long pastorates. Our veteran pastors can help us here.

"Dr. Walter H. Brooks has served the Nineteenth Street Baptist Church, Washington, D. C., more than fifty years. Dr. E. W. Johnson has spent forty years at St. Paul, Philadelphia. Dr. John H. Frank recently observed his fiftieth anniversary at the Fifth Street Church, Louisville, Ky. The late Dr. C. H. Parrish gave the Calvary Baptist Church, Louisville, forty years of his life. Dr. E. R. Carter, pastor of the Friendship Baptist Church, Atlanta, Ga., enters his fifty-fourth year of leadership. Dr. A. S. Jackson of Dallas, Texas, served two churches fifty years.

"Dr. Hugh D. Atchison, writing in the Christian Advocate (New York), enumerates the following pleasant experiences of the long pastorate:

"One of the unique experiences of the long pastorate is that it does not seem long. It may be that, because the question of terminating the relation has seldom been raised, it has just gone on, like Tennyson's brook. Like growing old, it is so continuous that it never seems as long to the incumbent as to outsiders who look on and count how many years.

"Another reason why it has not seemed long is that the variety and value of experiences in one parish may be fully as rich as those of one who moves from place to place. Doubtless, Charles Kingsley found in his little parish of Eversley all the types of spiritual needs and all the claims on himself as pastor which several pastorates have furnished. A long pastorate is a Pilgrim's Progress, replete with ever-changing interests.

"There are demands incident to the long pastorate which the short-term man does not feel. The preparation of the rapidly-moving pastor does not need to be the same. He is tempted to value the immediate impression and a 'whirlwind' ministry, which does not make very serious demands on his brain and heart. He is tempted to become professionally, superficially cordial. With a false ring in his too evident determination to be the affectionate, friendly pastor, he thinks of his ministry, his career, his rank, his future.

"A man who has a succession of short pastorates cannot, in the nature of the case, take a completely personal interest in his people considered as individuals. The mutual interests and loyalties of the long pastorate are not his by experience. His friendships are what Lloyd Douglass speaks of in his 'Forgive Us Our Trespasses,' concerning a certain type of evangelist—'tentative, temporary, shallow-rooted friendships, for any minute they might pack up and move elsewhere.' "

CHAPTER III

PASTORAL AND LAY EMPLOYMENT BY SOUTHERN BAPTISTS

SOUTHERN BAPTISTS A BIG BUSINESS CONCERN

Southern Baptists are engaged in the biggest business in this world—the bringing in of the Kingdom of God. In recent years also, they have become one of the greatest business concerns in the nation. In fact, the forces of Southern Baptists have increased to such an extent and the various benevolent enterprises which they have fostered have grown to such proportions that it has become well nigh impossible to summarize and visualize the whole Convention from any angle.

Even from the point of view of a great business concern we can sketch only a few phases of its amazing activities.

I. ITS FAST INCREASING FORCES

A very notable thing transpired with Southern Baptists in 1935—they pushed up into the lead of all the non-Catholic religious bodies in America, going 30,000 ahead of the Methodist Episcopal Church (Northern) which for a half a century or longer had held the lead of all Protestant bodies of the nation.

This noteworthy achievement was wrought by large and continuous growth through many years. In the last sixteen years, for example, Southern Baptists have annually baptized 204,269 persons, upon the average, and have had an average annual net gain in church membership amounting to 93,198 for the same period. Thus the church membership of Southern Baptists climbed up to 4,389,417 in 1935; while that of the Methodist Episcopal Church (Northern) stood at 4,350,232. If, therefore, Southern Baptists can enlist even half of these great hosts, while also quickening their pace to win even greater numbers to Christ, only God can know what these great forces may accomplish within the next sixteen years.

II. ITS EMPLOYED WORKERS AND LEADERS

Much depends, however, upon the working forces, the trained working forces, which Southern Baptists now have, both the paid workers and the volunteer workers, and also upon the program which they adopt and follow for the training of still larger numbers of both classes of workers.

Paid Workers Among Southern Baptists: For the first time in history we have attempted to learn how many paid workers are comprised in Southern Baptist forces. Our survey was not altogether complete; but it pointed the way, quite definitely to the following conclusions:

1. **The Churches:** The 24,360* local congregations, employed not fewer than 21,225 persons, as follows:

Pastors employed for all time	8,391
Pastors employed for part time	6,279
Assistant pastors (mostly laymen)	61
Janitors	3,100
Choir directors or equivalent	3,000
Church secretaries	194
Total employed	21,225
Pastors employed	14,670
Layman and women	6,555

Note: The volunteer workers in the churches number about 880,000 (or 20 per cent of the membership on the average) though these workers often fill more than one office or position.

*This was the number of Southern Baptist churches in 1934 when the survey was made.

2. **The District Associations** (906 of them among Southern Baptists) have been making large demands for volunteer workers but have employed few missionaries or associational directors as was formerly the case. Thus, for example, not fewer than ten persons must give large volunteer services, upon the average, to each of the 906 district associations, or 9,060 volunteer workers altogether; whereas only 210 of these associations employed any sort of a worker for part or all time in 1934—and about half of the 210 were laymen and women. In perhaps 100 of the better associations the clerks were also paid a small fee for their special work of preparing and printing the minutes. Thus the district associations actually called for not fewer than 9,060 volunteer workers, while they engaged not more than 310 as paid employees for part or all time service.

3. **The Eighteen State Conventions:** Coming to the next unit of Southern Baptist life and work, we found by actual count that, in 1934, the eighteen state conventions comprised in the Southern Baptist Convention, employed 3,080 persons, of whom precisely 200 were ministers and 2,880 were laymen, women and young people. And if we add to these (as perhaps we should) the 1,016 nurses in training in the 22 state hospitals, we have a grand total of 4,096 persons employed by the state conventions.

4. **The Southern Baptist Convention:** Finally, we found in the Southern Baptist Convention proper and its auxiliary, the W.M.U. of the South, two large groups of employees, as follows: In the homeland, 3,648 were employed in the various agencies, boards and institutions, of whom 188 were ministers and 3,460 were laymen, women and young people. In the work in foreign lands, on the other hand, we found to our surprise a total of 4,150 persons were employed as follows:

Ministers	888
Woman missionaries	267
Doctors	11
Nurses	137
Native lay-workers	2,003
Pastors of self-supporting churches	844
Total ministers	1,732
Total lay-workers	2,418
Grand total	4,150

Summarizing all organizations and all agencies of Southern Baptist forces in 1934, we found 33,429 persons employed, as follows:

The churches employed	21,225
The district associations employed	310
The state conventions employed	4,096
The Southern Convention employed, at home and abroad	7,798
Total Persons employed	33,429
Ministers employed, at home and abroad	16,895
Laymen, women and young people employed	16,534

III. ITS FINANCIAL OUTLAY

If Southern Baptist forces are now the largest single non-Catholic denomination in the United States, their financial outlay and their yearly expenditures are by no means comparable to any one of the half a dozen large Protestant bodies in America. Summarized in the briefest terms, the financial investment of Southern Baptists in 1934 was as follows:

1. **The Churches:** The 24,360 local congregations in 1934 employed 21,225 persons, for part or all-time service, expended annually for current operating expenses $20,500,000; had property (church houses and pastors' homes) valued at $202,095,794, and carried a total indebtedness of $21,986,782, or 10.88 per cent of total property values.

2. **The District Associations:** Our reports from the 906 district associations were neither complete nor satisfactory; but sufficient data came to hand to indicate that these vital organizations employed for part or all time service (including the clerks) some 310 persons; expended annually about $45,000; had property valued at perhaps $500,000, and carried an indebtedness of $150,000, or 30 per cent of total property values.

3. **The State Conventions:** As noted above, the 18 state conventions of the South and the Southwest, employed in 1934 only 3,080 persons (considerably fewer than any other unit of the organized life and work of Southern Baptists); expended annually approximately $2,520,000; owned property valued at $70,000,000; and carried an indebtedness of $13,000,000, or 18.57 per cent of total property values.

4. **The Southern Baptist Convention:** Apart from the other agencies mentioned, the various boards, agencies, institutions and auxiliaries of the Southern Baptist Convention proper, employed 3,648 persons in the homeland and 4,150 in foreign lands, or a total of 7,738 persons; expended approximately $2,030,000; had property and endowment funds amounting to $24,526,474; and carried an indebtedness of $5,366,749, or 21.88 per cent of total property values.

5. **Whole Southern Baptist Forces:** Summarizing all Southern Baptist forces —churches, district associations, state conventions and the Southern Baptist Convention—we found the following financial status in 1934:

Total persons employed (part or all time)	33,429
Expended annually on operating expenses	$ 25,095,000
Total property values	$297,122,268
Total indebtedness	$ 40,503,531
Percentage of indebtedness	13.63%
Annual cost of indebtedness at 6% interest	$ 2,430,211
Annual cost of Southern Baptist Convention work	$ 2,030,000

CHAPTER I

SUMMARY OF SOUTHERN BAPTISTS, 1935

(Sixteenth Annual Report)

E. P. ALLDREDGE, Secretary

Survey, Statistics and Information, Baptist Sunday School Board, Nashville, Tennessee

A YEAR OF DISTINCT GAINS

For Southern Baptists, the year 1935 was marked by distinct gains along many lines—and very few real losses. A bird's-eye view reveals the following record:

The churches now number 24,537; a gain of 177.

The ordained ministers now number 21,967; an apparent loss of 1,305, but in fact only a more correct list.

The baptisms in 1935 were only 202,047; a decline of 7,317.

The church members now number 4,389,417; a net gain of 112,365—the largest net gain since 1932.

The Sunday schools now number 22,883; an increase of 811.

The Sunday school enrolment is now 3,157,458; a net gain of only 53,047.

The Baptist Training Union organization units now number 33,276; an apparent loss of 588—in fact, due to incomplete reporting.

The enrolment of the Baptist Training Unions likewise shows only 669,230; a gain of only 19,457—due to the same incomplete reporting.

The W.M.U. organizations now number 34,699; a net gain of 1,162.

The total contributions of the W.M.U. fell to $2,601,685; an apparent loss of $3,479, but this was due to the fact that several whole state W.M.U. organizations did not report all their gifts but only their gifts to missions and benevolences which gifts actually increased $56,567 over the preceding year.

The church houses now number 22,326; a net gain of 257.

The pastors' homes now number 3,613; a net gain of 69.

The value of all church property rose slightly to $202,101,914; a gain of $6,120.

The gifts to local work rose to $22,264,052; a net gain of $1,862,444.

The gifts to missions, education and benevolences increased to $4,624,515; a net gain of $372,847.

The total gifts to all causes increased to $26,888,567; a net gain of $2,235,291.

Let us now get a closer and more minute view of the progress of Southern Baptists during the year 1935.

OUTNUMBER ANY SINGLE PROTESTANT BODY IN THE UNITED STATES

A very notable thing transpired with Southern Baptists during 1935—they stepped up into the lead of the Methodist Episcopal Church and became numerically the largest single non-Catholic religious body in America—the Methodist Episcopal Church reporting 4,359,623 members, while Southern Baptists reported 4,389,417 members.

Another unusual feature of Southern Baptist progress in 1935 was the fact that, while the number of baptisms fell some 7,317 from the preceding year, the net gain in church membership increased 9,000 over the gains of 1934. The following table tells the story of the annual baptisms and net gains to the membership of Southern Baptist churches since 1920:

In 1920,	there were	173,595 baptisms,	with a net gain of 187,998
In 1921,	there were	233,571 baptisms,	with a net gain of 71,037
In 1922,	there were	224,844 baptisms,	with a net gain of 145,828
In 1923,	there were	195,864 baptisms,	with a net gain of 127,978
In 1924,	there were	209,676 baptisms,	with a net gain of 80,342
In 1925,	there were	224,191 baptisms,	with a net gain of 74,799
In 1926,	there were	193,279 baptisms,	with a net gain of 58,923
In 1927,	there were	197,155 baptisms,	with a net gain of 34,541
In 1928,	there were	183,020 baptisms,	with a net gain of 32,164
In 1929,	there were	175,691 baptisms,	with a net gain of 64,769
In 1930,	there were	198,579 baptisms,	with a net gain of 79,633
In 1931,	there were	211,253 baptisms,	with a net gain of 94,288

In 1932,	there were	226,855 baptisms,	with a net gain of 121,574
In 1933,	there were	211,393 baptisms,	with a net gain of 107,788
In 1934,	there were	209,364 baptisms,	with a net gain of 103,124
In 1935,	there were	202,047 baptisms,	with a net gain of 112,365

Total baptisms in past sixteen years	3,270,317
Average baptisms yearly for sixteen years	204,269
Total membership gains in sixteen years	1,497,150
Average annual gain in church members	93,198

SUNDAY SCHOOLS NOT YET NORMAL

Notwithstanding the splendid gains in Sunday school enrolment made during 1935, the statistics show conclusively that all is not well with Southern Baptist Sunday Schools. Let us note, for example, that there was a net gain of 811 (mostly small) Sunday schools in 1935 and yet only 53,047 added to the enrolment of all the 22,883 Sunday schools. That fact can have but one meaning to any one who understands what is going on in our churches—the great, well-housed, well-equipped churches among Southern Baptists are letting up in their efforts to go out and bring in the people to study the Word of God; while the small churches, the poorly equipped churches and, particularly the new churches and the new Sunday schools are saving the day for Southern Baptists. In fact, during the past three years, so great has been the failure of the large Sunday schools among Southern Baptists to make any perceptible gains that we should have been forced to report actual losses for the Southern Baptist Convention but for the 1,352 new Sunday schools which have been added to our numbers during these years.

In other words, the small town, village and country churches are pushing the Sunday school work with a success which gladdens all our hearts; while the great city churches are exhibiting an indifference and a slackening of their efforts along the lines of Sunday school enlargement which are truly alarming.

But it is really a great record which Southern Baptists have made since 1917—a record not surpassed by the combined gains of any two or three great denominations in America. Will Southern Baptists now slacken their efforts and mar or destroy this great record? Let us look it over again:

In 1917,	we reported	18,394 Sunday schools,	with 1,784,992 enrolled
In 1918,	we reported	18,134 Sunday schools,	with 1,835,811 enrolled
In 1919,	we reported	17,648 Sunday schools,	with 1,759,208 enrolled
In 1920,	we reported	17,686 Sunday schools,	with 1,836,936 enrolled
In 1921,	we reported	19,584 Sunday schools,	with 1,926,610 enrolled
In 1922,	we reported	20,150 Sunday schools,	with 2,147,654 enrolled

DRASTIC REDUCTION IN LIST OF MINISTERS

No; we have not removed any name from the roster of ordained ministers among Southern Baptists that really belonged there; but we have made the most thorough-going recheck and revision of this list possible; and we have eliminated more duplicates, more of the names of those who had moved away, also more of

the names of those who have passed on to their rewards, than during any two years before. In fact, we have cut out over a thousand names during the past year—and there are perhaps five hundred other names that will be eliminated just as soon as we can ascertain the facts.

In addition, however, we made over a thousand changes in the addresses of the ministers who do belong in the roster, but who had changed fields or changed habitations during the year.

And this brings us to remark that the difficulties of keeping a correct list of the 22,000 ordained ministers among Southern Baptists are not only staggering, they are well nigh inconceivable. (1) The minutes of the district associations, to be sure, carry this list in fairly accurate form; but many of these minutes are not published until six months after the district associations have met —*and in the meantime between 3,000 and 5,000 of these ministers have moved away or died.* (2) The state convention annuals, likewise, carry a fairly accurate list (at least of the active pastors and denominational workers); but these annuals are published anywhere from one to six months after the state conventions have met—*and literally thousands of pastoral changes have taken place before we can get our hands on these annuals.* (3) We hunt diligently through the denominational weekly papers for all the changes published; but, alas, we have found that not one-half the ministerial changes going on among Southern Baptists ever get into the denominational press—*the fellows making these changes know all about it; why shouldn't everybody else know about it?* (4) A Simple post card notice could be sent to my office here at Nashville before the end of May each year, and the proper change would be published in each case—*but even that seems irksome and too heavy a burden for most of our ministers!* What, then, can we do about it?

W.M.U. MAKES STILL GREATER RECORD

The W.M.U. auxiliary to the Southern Baptist Convention, presents the best record which it has made for several years. If one bears in mind that the figures which we give here represent only the denominational achievements of this great auxiliary, and do not in any way tell the story of the equally great work which the W.M.U. organizations are doing within and for the local churches, then this record becomes truly remarkable. Here, for example, are some of its outstanding denominational achievements during 1935:

Total W.M.U. organizations	34,645
Increase over 1934 reports	1,162
New organizations	4,088
Total membership reported	593,766
Increase over 1934 reports	22,064
Number of tithers reported	95,217
Increase over 1934 reports	2,000
Churches having full graded W.M.U. (comprising five organizations)	2,520
Full graded W.M.U. organizations reaching A-1 Standard	287
Organizations observing prayer season for State Missions	14,548
Organizations observing prayer season for Home Missions	16,729
Organizations observing prayer season for Foreign Missions	17,295
Total Mission Study Classes conducted	33,907
Small Seals awarded (for one book)	203,027
Large Seals awarded (finishing eighth book)	2,242
Organizations reaching A-1 Class	5,326
Total gifts to Missions and Benevolences	$1,972,370
Increase over 1934 reports	$56,567

BAPTIST TRAINING UNIONS SHOW LITTLE GAINS

One of the biggest surprises which the statistics have revealed in several years was a reported loss of 588 in the number of B.Y.P.U.'s and B.A.U.'s and the small gain of 19,467 in the enrolment. This leaves 33,276 B.Y.P.U.'s and B.A.U.'s and 669,230 enrolled at the beginning of 1936. As pointed out above, however, we think the poor showing for the Training Union work is directly due to the failure of the State Baptist Training Union secretaries in many instances to make complete reports. The Training Unions reported in the minutes of the district associations, for example, showed gains everywhere throughout the South in 1935; whereas the reports received from the state Baptist

Training Union secretaries, on the other hand, showed small gains or actual losses in most cases. Some state Baptist Training Union secretaries, for example, actually reported fewer B.Y.P.U.'s and B.A.U. organizations than appear in the minutes of the district associations. For this reason, we cannot believe that there were 588 fewer B.Y.P.U.'s and B.A.U.'s in 1935 than we reported the year before, though we are forced to accept this apparent loss and also the small reported gains in enrolment noted above.

CHURCH PROPERTY MAKES SLIGHT GAIN

As is well known to most students of Southern Baptist affairs, a great deflationary movement took hold of Southern Baptist church property in 1931; so that in spite of a net gain of 631 new church houses in the following four years (1931-1934), the valuation of church property fell off to the amount of $15,883,322 in these same four years. During 1935, however, and for the first time in five years, we are able to report a slightly larger valuation of Southern Baptist church property—due in part to a slowing down of the deflationary movement, but in larger part due to the 257 new church houses and 67 new pastors' homes that were built, and the still larger number of church houses and pastors' homes that underwent repairs and improvements. So that we are able to report total church property in the amount of $202,101,914, which is a gain of $6,120 over the preceding year.

THE GIFTS OF SOUTHERN BAPTISTS

It is when we come to consider the gifts of Southern Baptists (or rather the thirty-two per cent to forty per cent of Southern Baptists who make any gifts) that we must hang our heads in shame and take the lowest place assigned to any great denomination in America. It is true that there has been considerable improvement during the past two years (1934-1935); but even at the present, the record of Southern Baptist gifts, both to the needs of the local work of the churches and to the needs of the great missionary, educational and benevolent causes which we foster, are truly pitiable.

PER CAPITA GIFTS SINCE 1913

It is only when we consider the per capita gifts of Southern Baptists, however, that we understand how pitiable is the record of Southern Baptists during recent years. Let us dare, therefore, to look at the real facts as shown in these *per capita* records since 1913:

Years	*Church Members*	*Per Capita Gifts to Local Work*	*Per Capita Gifts to Missions and Benevolences*

*This apparent loss came by the separation of 117,000 Landmarkers and B.M.A.'s from our lists.

STILL TROUBLED WITH THREE THINGS

Let me repeat with emphasis what I have suggested for three years past—that the trouble with Southern Baptists may be summed up in three points, viz.:

1. *We are still sixty-eight per cent unenlisted*—and there is no Southwide effort, nor concerted movement, nor effective organization, and, apparently, no great desire to solve this problem or even to get at this biggest of all tasks among Southern Baptists. We are going on defaulting in the face of our biggest challenge!

2. *The thirty-two per cent who are enlisted do not dare to give as God has prospered them!*—We dare to talk about "sacrificing for Christ," but if this thirty-two per cent of Southern Baptists had honestly given the tenth last year (about $35.00) our mission and benevolent causes alone would have received over $2,500,000 more than was received in 1934.

3. *The churches are giving too large a proportion of their gifts to their own local work*—The Southern Baptist record since 1932 is as follows:

1932	81.9% for local work and	18.1% for all missions.
1933	83.4% for local work and	16.6% for all missions.
1934	82.7% for local work and	17.3% for all missions.
1935	82.8% for local work and	17.2% for all missions.

CHAPTER II

BOARDS, AGENCIES AND INSTITUTIONS OF THE CONVENTION

1. THE FOREIGN MISSION BOARD

601 East Franklin Street, Richmond, Virginia

Dr. Charles E. Maddry, Executive Secretary

WHAT HATH GOD WROUGHT?

Ninety-one years ago our fathers met in Augusta, Georgia, and launched the foreign mission enterprise of Southern Baptists. With humble and profound gratitude to Almighty God for the marvelous way in which he has led us through these years, we present the report of the activities and achievements of your Foreign Mission Board for the year.

THE ANNUAL MEETING

The annual meeting of the Board was held in the Board rooms in Richmond, Virginia, on October 16th and 17th. L. Howard Jenkins was elected President, J. H. Anderson, Vice-President; Charles E. Maddry, Executive Secretary; W. A. Harris, Recording Secretary; Basil M. Gwathmey, Auditor; Hill Montague, Attorney; E. P. Buxton, Treasurer; Jessie R. Ford, Assistant to the Executive Secretary; Inabelle G. Coleman, Publicity Secretary; and R. S. Jones, Field Representative.

A NEW DEPARTURE

The Board has realized for many years the need for closer contact and more direct supervision of its work on the several foreign fields. The visits of the secretary to the mission fields are too infrequent, and uncertain for intelligent and efficient direction and supervision. In the Orient, for instance, the Board has 207 of its 400 missionaries and the annual budget is nearly a half million dollars. The secretary had not visited the Orient in fifteen years, and the Board in Richmond knew very little of the needs and condition of its work in the Orient. There was a crying need in all the missions in the Orient for a complete reorganization and unification of the work. The same need existed for closer supervision and more intimate contacts with the work in all lands. To meet this compelling need the Board created the office of Secretary for the Orient, for Latin-America and for Nigeria, West Africa, these positions to be filled by devoted and experienced missionaries serving in these lands. M. T. Rankin was elected Secretary for the Orient, W. C. Taylor for Latin-America, and George Green for Nigeria. These men receive the same salary as a regular missionary and are simply missionaries-at-large. They will spend three years on

the field and one year in the homeland. Thus the work on the foreign fields will have closer and more efficient supervision and the constituency in the homeland will have a more direct and intelligent contact with the work in all lands.

EDUCATIONAL SECRETARY

For many years, the Foreign Mission Board has felt the need for a more comprehensive and intensive policy of missionary education in the churches as well as in the schools, colleges, and universities of the South. During the decade of 1924-1934, the Board was unable to send out any new missionary recruits. The missionary personnel on the foreign field became sadly depleted through the ravages of disease and the infirmities of age. At least two hundred volunteers for missionary service passed the age limit for appointment and lost forever their chance to go as ambassadors for Christ. Because there was no hope for appointment, very few new candidates came forward for appointment during this tragic decade. Now when economic conditions have somewhat improved and the Board is ready to send out a few missionary replacements, our supply of efficient, consecrated, prepared candidates is limited.

Therefore, we need very much to put on in the colleges, universities and seminaries a worthy and compelling program of missionary education. At the same time we must create a body of missionary literature that will equal the best put out by any mission board in America. We realize, too, that the missionary of the future must be carefully selected, special attention being given to his physical, mental and spiritual qualifications.

To do all of these things, the Board created the position of Educational Secretary and elected Claud B. Bowen, a young man of fine equipment and splendid qualifications, to fill this position. It will be his duty to seek out and find for us suitable men and women for the different kinds of work that are to be done in the lands where we are at work.

OUR 1936 BUDGET

The budget for the calendar year of 1936 was fixed by the Board at $723,662.60, including the specially supported missionaries. This amount represented an increase of approximately $34,000 over the budget for 1935, an increase which was more than justified by the large gain in cash receipts in 1935 over those for 1934. It was also made possible through the saving in interest charges, due to the substantial reduction in 1935 of the debt of our Board.

This reduction in our debt, amounting to $437,500, effected a saving in interest of nearly $22,000 that would otherwise have been paid to the banks on outstanding loans. As further reduction is made in our indebtedness additional funds will in the same way be released for the regular work of our Board, and for the sorely needed expansion on so many of our fields.

The budget is divided as follows:

LOTTIE MOON CHRISTMAS OFFERING

Woman's Missionary Union is now paying the salaries of 125 of our missionaries totaling $100,000.00. The great sum of $140,000.00 above this, has gone for school and church building, missionary homes, debts on churches, literature, repairs on property, support of Bible training schools, and for the general support and rehabilitation of our mission work in all lands.

It is not too much to say that the W.M.U. has saved the work of the Foreign Mission Board from utter collapse and ruin during the tragic decade of 1926-36.

We would record here our inexpressible gratitude to the women of the South for their devotion to the cause of foreign missions and for their generous support in the darkest hours the Board has faced since the Civil War. We thank God and take courage.

The objective of the Woman's Missionary Union for the Christmas Offering of 1935 was $165,000.00 Up to April 15th, we had received a total of $240,000.00, or $75,000.00 in excess of the goal.

FOREIGN MISSION WEEK AT RIDGECREST

The third annual Foreign Mission Week at Ridgecrest, August 11-18, was a wonderful success. The attendance was large and many were kept away because of the limited hotel accommodations. We greatly appreciate the generous cooperation of the Sunday School Board in making Foreign Mission Week at Ridgecrest one of the outstanding events in the life of the denomination.

GROWING APPRECIATION OF OUR PUBLICITY DEPARTMENT

Two years ago, the Board created a Department of Publicity and elected Miss Inabelle G. Coleman as Secretary of Publicity. Much has been accomplished in these two years, and largely because of our new methods of publicity, there has developed a new and growing appreciation of our foreign mission work. The results are seen in the large number of new missionary candidates who are offering themselves for missionary service and in the greatly increased offerings for all missionary work.

In an effort to secure more accurate and worth-while information about our work in the Orient, the Board granted Miss Coleman a leave of absence for five months and she is now in the Orient, at her own charge on a tour of our missions and stations. We feel sure that she will come back with new information and inspiration that will result in greater and more attractive publicity for our foreign mission work.

OUR FIELD SECRETARY

There is a growing feeling of appreciation for and satisfaction in the fine work that is being done by Field Secretary, R. S. Jones. He is a faithful and untiring worker and has traveled thousands of miles during the past year in the interests of our Board and its work. He has direct oversight of the deputation work of missionaries on furlough and has fostered schools of missions widely throughout the bounds of the Convention. We wish to pay loving tribute to the fidelity and devotion of R. S. Jones to all the work of our Board, at home and abroad.

LOOKING AHEAD

During recent months the Foreign Mission Board, through a special committee, has made a careful and detailed study of the minimum needs of each mission and station in the fifteen foreign countries where we are carrying on mission work. During the past ten years we have been compelled to cut in a very drastic way the work in all lands. At the same time we have been unable to send any considerable number of new missionary recruits. The property of the Board has not been repaired in any adequate way and much of it is rapidly going to pieces for lack of repairs.

At home we have been handicapped with a parlyzing debt. With all of these facts in view, the Board has formulated a minimum forward looking plan for the next three years ahead. The first item in this program calls for the payment of the debt—all of it, by the end of the year 1938. We propose to set aside for application on the debt all funds received from the Hundred Thousand Club, gifts through wills and annuities and all other special gifts that can be applied on our debt. In addition to this, we propose to put a definite and fixed sum in the budget for debt curtailment so that all of the debt will be retired within the three-year period.

In the matter of new missionary personnel, we hope to send out a sufficient number of replacements and recruits to hold all mission stations until we can recover sufficiently to advance on all fronts.

In the comprehensive plan for the next three years, there is also provision for repairs, equipment and rehabilitation of our mission property on all fields. It is clearly understood that the Board does not promise or guarantee the items set forth in this three-year plan, but sends it forth with approval as an objective

toward which we will strive for the next three years. We believe this plan is reasonable and possible of attainment and we commend it to the denomination and to all friends of foreign missions everywhere.

MISSION STUDY BOOKS AND HELPS

The 1935 Mission Study booklet for the Lottie Moon Christmas Offering, entitled "The Conquering Christ," by Inabelle G. Coleman, had a large circulation. About twenty-eight thousand copies were distributed to the Woman's Missionary Union leaders and sold to the Woman's Missionary Union organizations and departments.

It is with joy that we record the splendid acceptance of our first course of the graded series of mission study textbooks. We published in 1935, four books on Southern Baptist Mission work in South America as follows: "Sharing with Neighbor America," by W. C. Taylor; "Christ in the Silver Lands," by J. C. Quarles; "Guitars and Water Jars," by South American Missionaries; and "The Sugar Loaf," by South American Missionaries. The unusual demand for the books made necessary a second edition of the entire series. A third edition of "Sharing with Neighbor America" and "Christ in the Silver Lands" will soon be issued.

The second series in the graded course will be on Africa. The first book in the series, "Basil Lee Lockett—A Beloved Physician," by his wife, Elkin Lightfoot Lockett, written for adults and young people was published in April. This biography of a great missionary should be studied by thousands of Southern Baptists. The other books are: "Southern Baptists at Work in Nigeria," by C. Sylvester Green, for young people and intermediates. "The Topsy Turvy Twins," by Miss Nan Weeks, for Juniors; and "Little Black Sunday," by Miss Weeks, for primaries, will be off the press in the early summer.

We announce the new and up-to-date edition of the Album of Southern Baptist Foreign Missionaries now on sale. It contains a picture and a brief life sketch of each missionary. Every Southern Baptist should have a copy of the Album.

Attention is called to free tracts, pictures, posters and charts which will be serviceable to all classes, groups and individuals who are interested in foreign missions.

2. THE WORK OF THE HOME MISSION BOARD

315 Red Rock Building, Atlanta, Georgia

Dr. J. B. Lawrence, Executive Secretary-Treasurer

The missionary movement in its final meaning sets before us the task of actualizing on the earth Christ's vision of the kingdom of God in which all people, conscious of their relation to God and to one another, live together in brotherly love. We are to possess the land fully. Every province of our thinking, every area of our social thought and conduct, every region of the relation of industries, classes, races and nations to each other must be brought under the sovereign rule of Christ.

This task—the mission task in the homeland—is yet unfinished. There are large groups in the homeland totalling hundreds of thousands who have never heard of the Gospel. They are cut off from the services of our churches by social, economic, racial and language barriers that effectively insulate them from the saving power of Christ. These groups—the underprivileged in the industrial centers and in the congested sections of our cities, the foreigners in our midst, the Indians, the isolated families shut in and shut out by poverty and ignorance, must all have a chance. Our State Boards have no program for their evangelization. The Home Mission Board must send missionaries to them.

GREAT MISSIONARY NEED

In Home Mission fields millions of souls are waiting for the Word of Life. Our brothers in black, 10,000,000 of them, are looking to us for help; 5,000,000 foreigners spiritually marooned on our shores are a challenge to our passion for the lost; in Oklahoma and New Mexico 200,000 Indians will never have a chance if we do not send the Gospel to them; the 225,000 Spanish-speaking people in New Mexico will never know about Christ as a personal Saviour unless some one goes to them with the Gospel; eight hundred thousand Mexicans this side of the Border are crying out for the Light; the great Acadian section in French Louisiana with its more than 600,000 souls should know about the Saviour. There is much land to be possessed.

FIELDS PARTIALLY POSSESSED

During the past year the Home Mission Board has appointed 27 new missionaries, making a total of 283 missionaries and workers in all fields. We have 884 mission churches and mission stations. There were over 4,000 conversions and baptisms last year. Eighteen new churches were organized and sixty-two new mission stations were opened.

We are, however, doing only a small part of what there is to do if we would completely possess the land. We have now only one missionary to the 500,000 Jews; 11 missionaries to the 650,000 French-speaking Americans; 7 missionaries to the 300,000 Spanish-speaking Americans; 8 missionaries to the 600,000 Italians; 2 missionaries to the 7,500 Chinese; 6 missionaries to the 2,900,000 Europeans; 44 missionaries to the more than 800,000 Mexicans; 71 missionaries to the 2,500,000 Cubans; 8 missionaries to the 150,000 people in the Canal Zone and Panama; 18 missionaries to the 10,000,000 Negroes, and 24 missionaries to the 200,000 Indians. Taking the entire unchurched group of 46,000,000 people in Home Mission fields, and we have on the average only one missionary for every 170,000 people.

WORK AMONG THE FOREIGNERS

There are 5,000,000 foreigners in the homeland. The Home Mission Board has 85 missionaries working among the various language groups of this vast foreign population.

1. **Mexican Mission Work:** In the work among the Mexican people we have 46 workers and 117 churches and mission stations. These workers reported 3,051 sermons, 1,199 religious addresses, 9,468 religious visits and 87,180 tracts distributed. They organized 7 new churches and opened 20 new mission stations. They reported over 1,200 conversions and baptisms.

2. **Mexican Mission Schools:** The Home Board is operating two schools for Mexicans, one at El Paso and the other at Bastrop, Texas. These schools are for the purpose of educating Mexican children and training Mexican preachers. Rev. A. Velez is the superintendent of the school at El Paso, and Rev. Paul Bell is the superintendent of the school at Bastrop. There were about 200 enrolled in these schools during the past session.

3. **Spanish-speaking Americans:** There are about 300,000 Spanish-speaking Americans in Home Mission fields. About 225,000 of these live in New Mexico, about 25,000 in Ybor City, Fla., and large groups in Southern Illinois, Louisiana, Texas and other sections. For these we have 8 workers, 20 churches and mission stations. They reported about 100 conversions and additions for the year.

4. **Chinese Work:** There are 7,500 Chinese in the territory of the Southern Baptist Convention. The Home Mission Board has two missionaries, one at San Antonio, Texas, and the other at Greenville, Miss. Two new mission stations were opened during the year, and 1,292 Chinese were personally contacted. There are three Sunday schools with an average attendance of 140. Thirty-six students in the day schools.

5. **Italian Work:** There are some 650,000 Italians in the territory of the Southern Baptist Convention. For these we have 7 workers and 16 mission stations. The missionaries contacted personally 4,288 people during the year and reported 130 conversions and baptisms.

6. **French Mission Work:** There are between 650,000 and 700,000 French-speaking Americans in the territory of the Southern Baptist Convention. The Home Board has 4 missionaries to this large group of people, and 18 churches and mission stations. These missionaries last year contacted 1,350 people, distributed 3,000 tracts and reported 400 conversions and baptisms.

7. **Acadia Academy:** Acadia Academy is situated in the midst of the French section of Louisiana. Dr. Alfred Schwab is the president. Last year the students of Acadia Academy operated 30 mission stations, contacted personally 1,176 individuals, distributed 2,600 tracts and reported 193 conversions.

CITY MISSIONS AND GOOD WILL CENTERS

The challenge of the great cities is more and more making its appeal to the Home Mission Board and, as funds permit, we are enlarging our city mission work and making such adjustments as will best honor our Saviour and Lord. We are now operating three Good-Will Centers and three rescue missions.

1. **Rescue Missions:** The Home Board is operating a rescue mission for men at 740 Esplanade Ave., and a rescue mission for women on Frenchmen St., in New Orleans, La., Dr. J. W. Newbrough, Superintendent. It is also operating a mission for men at Jacksonville, Fla., Rev. L. C. Bennett in charge. At these missions there have been many conversions during the year.

2. **Good-Will Centers:** Our Good-Will Centers are located in Christopher, Ill., Miss Mary E. Kelley in charge; East St. Louis, Ill., Miss Mildred Bolinger in charge; Birmingham, Ala., Miss Mary Headen in charge.

WORK IN THE MOUNTAINS

The Mountain sections of Home Mission fields are the Cumberland and Appalachian mountain areas of Virginia, Kentucky, Tennessee, North Carolina, South Carolina, Georgia and Alabama, and the Ozark Mountain areas of Missouri, Arkansas and Oklahoma. In this territory there is a population of 6,600,000, 90% of whom are native white.

The Board now has in the mountains five missionaries. Last year they gave 745 days of service, supplied 20 mission stations, preached 298 sermons, distributed 36,270 tracts, organized 2 churches and reported 167 conversions and baptisms.

MISSIONS TO THE DEAF

There are over 45,000 deaf mutes in the bounds of the Southern Baptist Convention. The Board has for this great group of people six faithful and efficient missionaries. These missionaries held last year 116 classes, preached 226 sermons, made 565 religious visits, distributed 200 Bibles and 1,333 tracts, and reported 190 baptisms.

WORK AMONG THE NEGROES

In the mission work among the Negroes we have 16 workers, 5 of them white. Recently the Board appointed A. E. L. Weeks (Negro), Executive Secretary of the Stewardship Evangelistic Association of Baltimore, Md., who will give his entire time to mission work in Maryland. For a little over two years Rev. and Mrs. Noble Y. Beall (white) have worked with our Colored brethren. Missionary Beall the past year has conducted 99 conferences and institutes, attended a number of conventions, and preached in many churches. He has reached directly and indirectly about 40,000 Negroes. Brother Beall is making his contacts through the Negro preachers and is majoring on the training of Negro preachers for more effective work. We have also Dr. J. K. Hair (white), who is teaching in the Bible Department at Benedict College, Columbia, S. C. The rest of the missionaries of the Home Mission Board are colored.

During the year these missionaries have preached 934 sermons, distributed about 6,000 Bibles and tracts, reported 535 baptisms, had 463 additions by letter, and have opened 18 new missions.

WORK AMONG THE INDIANS

The Home Mission Board is working among the Indians in North Carolina, Alabama, Mississippi, Florida, Oklahoma and New Mexico. In Home Mission fields there are 14 Indian tribes with a total Indian population of 200,000. They speak about 20 different languages and dialects. Many of these Indians have never heard a Gospel sermon.

The Board now has 62 missionaries and workers among the various tribes of Indians. Eight new workers were added to the force last year. This is a larger number of missionaries among the Indians than the Board has ever had at any one time in its history.

These missionaries during the past year have labored 789 days, supplied 339 mission stations, preached 2,491 sermons, distributed 347 Bibles and 26,790 tracts, and reported 606 conversions and baptisms.

FIELD WORK

The Board has five special field workers: Dr. J. W. Beagle, Field Secretary; Rev. Jacob Gartenhaus, Missionary to the Jews; Rev. Joe Burton, Publicity Secretary and Field Worker; Miss Emma Leachman, Field Worker for the Women, and Mrs. Una Roberts Lawrence, Mission Study Editor. These are all very busy giving the Gospel to the lost and carrying information about our Home Mission Board to Southern Baptists.

THE WORK IN PANAMA

The Canal Zone is divided into two parts—the Atlantic side or end and the Pacific side or end—with Gatun Lake lying in between. There is no highway running from the Atlantic to the Pacific. The highway on either side runs to Gatun Lake. The only means of transportation from one side to the other is the Panama Railroad or air-planes. This makes it more or less inconvenient to go from one side to the other, and naturally divides our mission work into two sections—the Atlantic section and the Pacific section.

We have eight churches—seven of them are Negro churches and one, Balboa Heights, is a church for white people. We have eight missionaries, including Dr. Tinnin and his wife. Dr. Tinnin is pastor of the Balboa Heights Baptist Church, which is self-supporting, but he is the superintendent of our work without salary, and since the Home Mission Board owns the property, both the pastor's home and the church, the Board claims a part in the ministry of the church.

On the Atlantic side we have three churches for the Negroes: Colon, Gatun and New Providence. On the Pacific side we have four churches: Chorillo, Caledonia, Pueblo Nueva and Red Tank. For these churches we have three pastors and their wives.

In these eight churches there are about 800 members, 1,000 enrolled in Sunday School, 450 in the B.Y.P.U., 150 in the Woman's Missionary Societies, 130 in the Girls' Clubs and 50 Boy Scouts.

THE WORK IN CUBA

The Home Mission Board is working in the four Western Provinces of Cuba. The great city of Havana with over 600,000 people is located in Home Mission Board territory. We have in this field 71 missionaries and 125 volunteer workers. These missionaries serve 125 churches and mission stations. Last year they contacted 31,855 individuals, distributed 479,877 tracts and baptized 328 people. There are 41 mission societies, 51 young people's societies, 15 tithers' bands and 4,000 baptized believers. The work consists of preaching, house to house visitation, Bible and tract distribution, personal work, Sunday school and young people's work, W.M.U. work, publication and day schools.

The Board this year, through the income of the Bottoms' Trust, was able to reinstate the Cuban-American College to its former scholastic standing, and to open the Seminary which had been closed for five years. Twelve very promising young men are in the Seminary being prepared for mission work in Cuba. In addition to these schools there are five private schools conducted under the direction of pastors in the employ of the Home Board, and one other is conducted by a brother who is also pastor of a local church, without salary, making his living from the school. These schools render a real missionary service.

WE CONQUER IN HIS NAME

Jehovah said unto Joshua: "Be strong and of a good courage; be not afraid, neither be thou dismayed: for the Lord thy God is with thee whithersoever thou goest" Joshua 1: 9.

We go forth to possess the land for Christ in the name and strength of Jehovah. The Gospel we preach is the power of God unto salvation to every one that believes. The field is the world—all of it, not part of it. The religion that cannot meet the needs of men and win its way over the hearts of men in the open light of this or any other day, and of this or any other land, is not the religion of Christ. The Church of Christ shall survive. It holds the solution of the world's problems. It has the opportunity of the centuries now to assert its moral and spiritual supremacy and to fill the empty shrines of earth with the shining form of the Son of Man. Through the Gospel it preaches, it alone can furnish the spiritual dynamic for fainting and defeated aspirations and the cure for the nauseating futilities that are driving men to despair. It is called upon to strip itself for this unmatched adventure. A vast world-empire is waiting. The spiritual throne of world-life and world-affairs is empty. Christ is waiting until the nations of the earth shall become the Kingdom of God. It is ours to cast up a highway in the hearts of men for the coming of the King of Glory.

We turn our faces towards the task of possessing the land for Christ with profound gratitude for the past and with undaunted hope for the future. Let us emphasize the basic doctrine of individual responsibility to God until we

make out of every man a saint and out of every saint a special witness for Christ, and thus usher in the new heaven and the new earth wherein dwelleth righteousness. But above all things, let us in the future as we have in the past, glory in nothing save the Cross of our Lord Jesus Christ by which we are crucified to the world and the world is crucified to us.

"O lead us, Man Divine,
Where'er thou will'st, only that we may find
At the long journey's end, Thine image there
And grow more like to Thee."

3. THE SUNDAY SCHOOL BOARD

161 Eighth Avenue, North, Nashville, Tennessee

Dr. T. L. Holcomb, Executive Secretary

THE COMING OF NEW LEADERS

Not since the years of 1920 and 1921 have so many new persons come to the Sunday School Board and so many forward-looking plans and policies been initiated.

First of all came the change of Executive Secretaries of the Board. On June 6, 1935, Dr. I. J. Van Ness, who had served the Board long and successfully, was relieved of his duties at his own request. The Board, desirous of seeing its work carried on without a break, had, at its March meeting, elected Dr. T. L. Holcomb to the position of Executive Secretary and Treasurer, his connection to begin in June. He came under the guidance and leadership of the Lord, and has taken hold of the work like a veteran and has shown himself a leader worthy of all confidence and co-operation of the entire denomination. All the members of the Board and all the employees, as well as the leaders of the denomination, have received him graciously, co-operated with him constantly, and are rejoicing in his leadership.

Along with the new Executive Secretary came several important additions to the staff of the special workers of the Board. Dr. N. R. Drummond, an outstanding leader in religious education in the South, came to be associated with Dr. P. E. Burroughs in the direction of the Educational Department of the Board. Later in the year came the one and only Mr. B. B. McKinney to become music editor of the Board. Dr. Clay I. Hudson gave up the Department of Church Administration and became associate leader of the Baptist Training Union Department. To this same department also came one of the finest young laymen in the South, Mr. Emmet Golden of Georgia, to become office secretary of this fast expanding department. Still another important addition to the Board's special workers came in the person of Miss Blanche Linthicum, to be associate secretary of the Elementary Department. We also mention in this connection, the resignation of Mr. R. F. Staples, for some years

manager of the Ridgecrest Assembly, and the election of Mr. Perry Morgan, the popular Sunday School secretary of North Carolina, to this important position.

SOME FAITHFUL WORKERS RETIRE

Then came other notable changes, such as the retirement of Rev. Harvey Beauchamp for many years the Board's special advisor in the matter of church architecture; also Miss Lillian Forbes, head of the Elementary Department since its establishment in 1921; also Mr. C. C. Phillips for twenty-two years the Treasurer of the Board; also William Bently, the faithful elevator boy of the Board for twenty-three years.

NEW PLANS AND PROGRAMS

In addition to the coming of these new leaders to the Board, however, the past year has been marked by the inauguration of several new plans and programs of work which are destined to bring still larger development to all the great interests committed to the Board. Some of these new plans deserve special mention:

(1) A special committee within the Board's staff of workers, for example, has launched a Periodical Promotion Campaign, looking to the encouragement of the churches in the purchasing of an "adequate supply of literature."

(2) The new study course books for the Sunday School and Baptist Training Union leaders in the churches have been pouring from the presses all during the past year and have met with an eager reception throughout the South.

(3) In order to eliminate some of the difficulties of management, the Board inaugurated the policy during the year of selling its own half interest in certain of the state book stores, or purchasing the entire ownership in these stores. Following the inauguration of this policy, the Board has become sole owner of five state book stores located as follows: Jackson, Mississippi; Birmingham, Alabama; Little Rock, Arkansas; Shreveport, Louisiana; Carbondale, Illinois.

(4) By far the most significant of all the new plans and programs of the Board, however, is the Five-Year Promotional Program for Sunday School and Baptist Training Union work which was launched at Birmingham, Ala., December 31, 1935. **By training a sufficient number of special workers within the bounds of every district association in the South and by using the district association as the means of reaching all the churches, this plan proposes to carry the best possible program of Sunday School and Baptist Training Union work to every church and every mission point in the bounds of the Southern Baptist Convention.**

It is estimated, for example, that 2,500 churches have no Sunday Schools at all; that there are 12,500 or more points where mission Sunday Schools should be established; that 12,500 of our small Sunday Schools could be and should be greatly improved; that instead of a thousand Vacation Bible Schools we should have 5,000 to 10,000 every year; and instead of allowing the Sunday School work in the largest and best equipped churches in the Convention to slow down and cease growing, we should stir these larger Sunday Schools out of their lethargy and send them out into still greater enlargement campaigns. **Now, this new Five-Year Promotional Campaign has been planned and is being pushed to accomplish all these things for the Sunday Schools, and to render a like service for the Baptist Training Union work.**

The new Executive Secretary, Dr. T. L. Holcomb, is on fire with a flaming zeal to carry out this new program and to help every church, small and great, in the bounds of the Southern Baptist Convention. And, Mr. Jasper N. Barnett and Mr. W. A. Harrell are fast inaugurating and leading this new movement into every state in the South. Nothing the Board has ever undertaken has been given a more hearty reception or a more unbounded support than this Five-Year Promotional Campaign.

STILL LARGER SERVICES TO THE DENOMINATION

In the meantime, the Board has been rendering still larger services to the denomination along many of the well established lines.

RECEIPTS AND CONTRIBUTIONS

The receipts for the year 1935 were $1,728,931.84, an increase of $25,046.79 over the previous year.

Our contributions to denominational work were $429,671.04 as compared with $431,150.40 the previous year.

For the first four months of the current year our receipts from all sources have been $499,568.06.

CO-OPERATION WITH OTHER AGENCIES

The Sunday School Board has endeavored to prove its genuine spirit of co-operation with all of our denominational agencies.

We have continued to furnish headquarters for the Executive Committee of the Southern Baptist Convention, and in addition have contributed $30,000.00 for its operating expenses.

We have financed The Hundred Thousand Club ever since it was launched three years ago in order that every penny raised by the Club might go to the liquidation of the debts on all our agencies participating in the results. The cost of the past year has been $8,972.89, and for the three years $30,459.25. We believe that the excellent results of this movement has amply justified this expenditure.

We have worked in co-operation with the Woman's Missionary Union and have contributed during the past year $3,466.73 to their general expenses.

We have continued to co-operate with the Baptist Brotherhood, and under the instruction of the last Convention, we enlarged our contribution to enable them to secure an associate secretary. The amount contributed during the year was $3,345.00.

Under the instruction of the last Convention, our contribution to the Baptist World Alliance for 1935 was increased from $2,000.00 to $3,000.00; $2,000.00 of this amount was paid during 1935, and the balance of $1,000.00 was paid in the early part of 1936.

As in the past, we have contributed $1,500.00 each to the W.M.U. Training School, Louisville; the Southwestern Seminary, Fort Worth, and the Baptist Bible Institute, New Orleans, to enable these institutions to maintain a helpful course of study along the lines of our work.

As a fixed Convention expense, we have contributed to the Social Service Commission during the past year $1,453.22.

GAIN IN ENROLMENT

Southern Baptists now rank as the largest single non-Catholic religious body in America, with a membership of 4,389,417, which represents a gain of 112,365 over the previous year.

The Sunday school enrolment for 1935 was 3,157,459, a net gain of 53,047.

The Baptist Training Union enrolment was 669,230, showing a net gain of 19,467.

GENERAL FIELD WORKERS CONTINUED

In addition to our regular departmental force, the following field workers are available for service in the same relations which they have sustained in the past:

Dr. B. W. Spilman, Kinston, N. C.
Mr. E. E. Lee, Dallas, Texas.
Miss Margaret A. Frost, Louisville, Ky.

MISSIONARY DAYS IN SUNDAY SCHOOL

Following the plan of former years, the Sunday School Board's Committee on Convention Calendar of Co-operation issued missionary programs for the Sunday schools of the Southern Baptist Convention for March and October. Complete sets of the program material were mailed to approximately 23,000 Sunday schools for each of these days. The programs were also printed in *The Teacher* and *The Sunday School Builder* for the respective months, and advertised in the various Sunday School Board periodicals.

* * *

BOOK PUBLICATIONS

The Board seeks at all times to keep in touch with every phase of the work of the denomination, and to try to publish such books as will be most useful to our people in performing the varied ministries of the denomination. We have published during the year 41 books, which seem to fill a very definite need. These books are classified and the titles presented in the Book Editorial Department's section of this report.

HOME AND FOREIGN FIELDS

At the Convention held in Asheville, North Carolina, in 1916, it was voted to combine the *Foreign Mission Journal*, published in Richmond, Virginia, and the *Home Field*, published in Atlanta, Georgia, to form one magazine and that it be published by the Sunday School Board. The new name adopted was *Home and Foreign Fields*. The Sunday School Board has published this magazine monthly since November, 1916. The magazine is ably edited and attractively printed, but in spite of this the circulation is not what it should be. The Sunday School Board most earnestly requests the leaders of our denomination to assist in enlarging the circulation and usefulness of this most worthy magazine—the only one of its kind published by the Convention.

4. THE RELIEF AND ANNUITY BOARD OF THE SOUTHERN BAPTIST CONVENTION

2002 Tower Petroleum Building, Dallas, Texas

Dr. Thomas J. Watts, Executive Secretary

We are thankful to Almighty God for His continued blessing upon our labors; and for the marked improvement in business which is so evident throughout the Nation, which business improvement is so satisfactorily reflected in the status of the Board's investments at this time. We are admonished by students of economic affairs not to underestimate the dangers that may lurk in the path of complete National recovery, and not to become too sanguine concerning the outlook for continued rapid improvement in business and the further enhancement in values of our investment securities. In other words, we are justified in the exercises of conservatism and circumspection in the administration of the trust committed to our hands.

Having experienced during recent years in the United States perhaps the worst financial depression in all history, your Board has set a record for itself in the conservation and increase of its funds that may be very difficult to surpass in the years ahead. The Board began five years ago creating a reserve for the primary purpose of absorbing investment losses. On December 31,

1935, the net amount left in this reserve after all charge-offs was $155,138.02. All charge-offs have been more than offset by increased market values of securities and by profits on securities sold, and the Board has come through the depression without loss of one dollar of capital funds, and has increased assets by more than $1,297,000.00. For this we humbly thank our God who has all the while been standing "within the shadows keeping watch above His own."

I. INCOME AND EXPENDITURES

1. **Income:** The income of the Board for 1935 aggregated $487,466.35 of which amount $233,553.22 was investment income; $10,917.51 was profit on sale of bonds; $67,228.49 was from the Co-operative Program in the States and special income from invested funds in the States, and special and designated gifts from individuals and churches; premiums or dues on various Annuity plans of the Board totaled $125,903.68.

2. **Expenditures:** Our expenditures for the year, (including contract Gift Annuities), were $352,753.66, excess of income over expenditures being $134,712,69. On account of the writing down of certain defaulted bonds and other adjustments in the amount of $21,237.50 the actual amount added to the reserves of the Board was $113,812.16.

II. RESERVES OF THE BOARD

The Reserves of the Board as of December 31, 1935, were earmarked as follows:

1. Annuity Reserves: Endowment Gifts and Memorials, $1,032,361.58; Endowment Earnings, $200,000; Premium Reserve Annuity Fund (old), $978,280.13; Lapsed Certificates, $11,962.43; Annuity Reserve Annuity Fund (old), $889,607.06, Special Annuity Contracts, $42,144.02; Gift Annuity (Funding), $380,012.35; Special Deferred Annuity, $1,189.75; Savings Annuity, $111,655.31; Service Annuity, $49,200.39; Total Annuity Reserves, $3,696,413.02.

2. Relief Reserves: Endowment—Gifts, $349,474.57; Memorials, $70,967.93; Earnings Reserve, $28,117.14; Total Relief Reserves, $448,559.64.

3. Foreign Mission Board Pension Plan—Group Reserve, $962.79; Missionaries' Reserve, $23,875.37; Annuity Reserve, $314.39; Total Foreign Mission Board Reserve, $25,152.55.

4. General Contingent Reserve, $155,138.02.

5. Escrow Account, $1,227.82.

Total Reserves, $4,326,491.05.

III. OUR INVESTMENT EXPERIENCE

1. **Bonds:** During the depression years we have written bonds down to their then market value when the same were in default. The aggregate amount thus written down to December 31, 1935, was $105,011.50. But, during the same period, profits on bonds sold or surrendered on call aggregated $34,704.97. The net write-down therefore was $70,306.53.

Our market profit on bonds as of December 31, 1935, was $68,735.44, so that the net potential loss on bonds on that date was only $1,571.09. Our market profit on bonds as of March 31, 1936, grew to $145,608.22, so that we have witnessed the wiping out of all potential loss on bonds, and as of March 31, 1936, we have a market gain of 6.41%.

2. **Stocks:** The book value of our stocks acquired principally by gift total $192,484.53. The market value of these stocks has improved. In several cases we have a considerable market profit.

3. **Mortgage Loans and Real Estate:** First Mortgage loans as of December 31, 1935, amounted to $1,421,665.53. These loans are on improved Dallas properties, residential and business, and are made for a period of years, usually five, with proper amortization agreement. The Board's experience with its mortgage loans has been quite favorable and has accounted in a large measure for the excellent interest rates that we have earned in the past.

IV. INVESTMENT RETURN

The average gross rate of return on invested assets was 5.37%, and the means of invested assets was $4,052,175.77. In determining this gross rate of return the auditor deducted from the total income on investment of $233,553.22 the sum of $16,115.75 for Insurance, Taxes, and Repairs on Real Estate. The profit on sale of bonds $10,917.51, was not taken account of in the calculation.

As is well known the trend throughout our country is for lower interest rates on every form of investment, and there need be no surprise if we should earn less in the future than we have in the past but no one can tell as to that.

The investment income was distributed to the various reserves at the rate of 4% of the quarterly balances, and the excess was credited to the General Contingent Reserve.

V. A STRONG FINANCE COMMITTEE

The Finance Committee of the Board is charged with very great and delicate responsibility, and it is not infrequent that questions are asked by letter and otherwise concerning who makes our investments. That such question may be answered to all who may read this report we would state that the Finance Committee of the Board consists of the following men: Mr. W. B. Lee, General Agent of the Union Central Life Insurance Company in Texas. Mr. Lee, now President of the Board, also continues to serve as Chairman of the Finance Committee. For more than fourteen years Mr. Lee's services, although wholly gratuitous, have been given with marked fidelity and ability. He is a business man who has succeeded in his own business and is quite familiar with investment problems. Mr. Paul Danna, Vice-President and Cashier of the First National Bank in Dallas. Mr. Danna is also Treasurer of the (old) Annuity Fund of our Board. He is well equipped after more than a quarter of a century of service in the largest bank in the Southwest for rendering service as a member of the Finance Committee, and he does so without stint and with conscientiousness. Mr. Ben C. Ball, Vice-President of the Republic National Bank and Trust Company of Dallas. Mr. Ball's services have proven to be invaluable. Mr. Orville Groner is General Treasurer of our Board and is a constant student of investment problems. The Executive Secretary participates in all discussions concerning loans and investments.

The investments of The Relief and Annuity Board are as carefully and conservatively made, and we trust as ably, as those of any fiduciary institution or agency in the South.

VI. CONCERNING ACTIVITIES AND DEVELOPMENTS IN THE SEVERAL DEPARTMENTS OF OUR WORK

1. **Relief Department:** The relief benefits paid during the past year amounted to $73,485.37, and this amount was paid to 1,065 ministers and widows about equally divided, in whose homes it is estimated there were 150 dependent children. We began the year 1936 with 1,160 beneficiaries and this number may be increased during the year. The relief benefits paid by the Board from 1918 to January 1, 1936, aggregate $1,827,684.05.

Our aged ministers and widows are a denominational liability and responsibility. They should not be shunted off upon the bosom of the State. We should meet this responsibility in the fear of God. We should not let one of them look to us with pleading eyes and be turned away. They gave away every opportunity for earthly gain that we might learn the story; having learned at their feet let us not forget them.

2. **Annuity Fund (Old):** Although this Fund was closed to new members in the fall of 1930 with the approval of the Convention, there are still 1,028 premium-paying members participating in it. There are in addition to this 73 paid-up certificates and 372 annuitants. The number of annuitants is steadily increasing and will continue to increase until the peak is reached. Payments to members of the Fund last year aggregated $148,608.19. The budget provision for this Fund for 1936 is $160,000.00. The annuities already paid to April 30, 1936, total over $850,000.00. In another year we shall have passed the One Million Dollar mark in benefits.

The Actuary's valuation of the Premium Reserve Account as of December 31, 1935, shows a surplus of $200,331.90 over and above the reserve requirements for producing the minimum guaranteed annuity of $100.00. The Actuary states that this Members' Reserve will probably provide 25% of the maximum benefits provided in the plan instead of 20% as originally projected, thus showing the conservativeness of the original calculation upon which the premiums are based.

The Actuary also points out that the denomination's share of this Fund has not yet been completed and, therefore, it cannot be said that the annuities on a maximum basis have been completely funded.

The Board will continue to do its utmost to sustain every expectation that it has created in connection with this Department, yet while it reiterates its avowal of such purpose there is every reason why every possible consideration should be shown by our people generally in the matter of influencing gifts our way, and especially on the part of the members of the Fund who are receiving and are to receive its benefits. Thoughtful attention on the part of these and other interested friends throughout the bounds of the Convention will bring many a cash gift and many a bequest.

3. Our Two Contributory Pension Plans:

(a) Service Annuity: This plan which we have been promoting for some years is better suited to the needs of preachers and churches than we have yet been able to get them to realize. True, the plan was from its inception predicated on a large denominational contribution, based on an actuarially calculated accrued liability covering the years of service of the prospective participants rendered before its inauguration. This contribution was to be in addition to the dues asked of pastors (2½% of salary) and of churches (8% of salary). The Service Annuity Plan, in the absence of such accrued liability fund will not produce full pensions for the older pastors, but for the younger men, it will produce excellent results.

(b) The Age Security Plan: This plan which is now in operation was not designed to displace the Service Annuity. It is really a modified form of Service Annuity. The plan is in some respects complementary to the Federal Contributory Pension Plan. The pastors or other employees will pay 3% of their salaries and the churches, or other employers will pay 3% of such salaries. The benefits are in proportion to the cost. The plan requires co-operation of churches (or other employing agencies) with the pastors (or other employees) in the payment of the dues.

All full-time church or denominational employees are eligible to participate in The Age Security Plan. This plan will do better for our denominational employees and their families taking it "by and large" than the Federal Plan would if they were permitted to enter it. **No denominational worker is eligible to enter the Federal Plan.**

Since the great majority of American citizens in active service after January 1, 1937, will come automatically under the Federal Contributory Pension law, paying taxes on their salaries or wages and having other taxes paid in their behalf by their employers, it would seem that our churches and denominational boards, institutions and agencies whose employees are to a man excluded from participation in this Federal Contributory Pension Plan would now be alert to lay hold on a denominational plan through which old age protection can be had for these legions of employees. It is inconceivable that Baptist employers who will pay excise taxes to produce pensions for their employees and Baptist employees who will pay income taxes to match those of their employers for the purpose of providing for themselves against old age dependency, **would be indifferent** to the best interests of their brethren and sisters who serve sacrificially as church or denominational employees. Surely they will not decline to do for those who serve them what the Government by law requires all secular employers to do for those who serve them. We plead for thoughtful, prayerful and purposeful employer consideration in behalf of these devoted workers, and for faithful performance on the part of every employing agency of our denomination of a bounden Christian obligation.

4. Our Three Plans for Pastors and Others on the Individual Payment Basis.

(a) Special Annuity: We are issuing what we style Special Annuity Certificates to eligible persons (ministers, missionaries and other denominational servants), on payments of lump sums, and certificates thus issued carry annuities based on the age or ages of beneficiaries and on the amounts of the cash premiums.

The number of these Special Annuity Contracts in force December 31, 1935, was 21. The annuities for the year aggregate $4,545.70, and the amount of reserve held to protect these contracts at the close of the year was $42,-144.02, which was in excess of the actuarial requirements.

We often wonder why many more of our people do not secure these contracts. They are most attractive in every way. For elderly people especially such contracts should be very appealing from the standpoint of safety, income, and freedom from anxiety and expense.

(b) Special Deferred Annuity: This Special Deferred Annuity Plan was begun in 1934, and was designed to meet what seemed to be a felt need on the part of pastors who desired to pay the entire cost of an annuity contract because their churches were not disposed to join them or because of a personal preference for an individual plan.

(c) Savings Annuity: The Savings Annuity Plan has been operating for a number of years with great satisfaction to its members. One hundred and four certificates have been issued and the aggregate of funds in the Department on December 31, 1935, was $111,655.31.

We have no desire to build up large reserves in the department save as they are clearly intended to be used to purchase our Special and Gift Annuity Contracts in future years. We are glad to accept in a limited way funds of ministers, missionaries, widows and orphans in order to secure to them greater safety and a better living income than they are able to obtain elsewhere.

Up to January 1, 1935, we credited interest based on the gross earnings of the Board less one-fifth of 1% for service charges. Since that date all new monies have been credited with 4% net.

Funds in this Department are withdrawable on thirty days' written notice to the Board. We have waived this notice thus far for the convenience of the members.

5. Other Special Pension Plans:

(a) Foreign Mission Board Pension Plan: This plan which we have been operating for two years under an agency agreement with the Foreign Mission Board is proving highly satisfactory to all concerned. There are already 45 missionaries retired on account of disability or old age who are receiving $500.00 per year each, and the active members of the plan now number 415.

(b) **Institutional Pension Plan for Orphanage Workers:** The Board has been devoting much attention with the counsel for our Actuary, Mr. George A. Huggins, in an effort to provide worthy pensions for orphanage workers in the several states. We have had a very heartening measure of success. Already eight orphanages are participating in what we have styled the Institutional Pension Plan.

Contracts have been signed by these orphanages and certificates of participation have been issued to nearly 200 orphanage employees. Sixty per cent of the employees of Baptist orphanages are in the contracting institutions, and nearly all employees are participating, the exception only proving the rule.

The aggregate pension dues from these eight orphanages is about $12,000.00. The dues amount to 6% of the salaries, one-half paid by the orphanages and one-half paid by the employees. Where this is less than $1,000.00, the dues are $5.00 per month for each such case. Pensions will range from $500.00 to $1,200.00 where twenty-five years of service are rendered; pensions for a lesser number of years are equitable and worthy.

Other orphanages are seriously considering entrance into this plan at an early date. Eventually all institutions will be in.

(c) **Baptist Boards Employees' Pension Plan:** Under this styling The Relief and Annuity Board is offering to our several general State Boards a plan by which they can retire their faithful employees after they reach an agreed upon retirement age, and have paid to them living pensions for the remainder of their earthly lives. This plan, though still in the making, was heartily approved in principle by the State Secretaries at their annual meeting in Charleston, South Carolina, in February last. It has also been approved in principle by the State Boards of Virginia and Maryland. The State Boards of Georgia and Texas have appointed special committees to consider the plan and report their recommendations during the year. The Home Mission Board has also appointed a committee to consider this plan. Other State Boards will take appropriate action when they meet.

Other Plans Not Jeopardized

Our people need have no misgivings concerning our new plans for institutions, boards, and so forth. Our older Relief and Annuity plans are in no way jeopardized by these newer plans. The administrative responsibility and costs of operation of such plans will not be a charge against the reserves of the old plans.

6. Building the Reserves Through Gift Annuities:

Through Gift Annuity contracts which are administered by The Relief and Annuity Board on a completely funded reserve basis, the friends of Ministerial Relief and Annuities may have the satisfaction of knowing that their funds, large or small, may be made to yield double dividends. Gifts of money in sums of $100.00 to $50,000.00 will bring a return varying from 4.8% to 9% according to age, and at the same time help to provide food, clothes and shelter to thousands of aged ministers, missionaries, and widows and orphans of deceased servants of Christ affiliated with the churches of the Southern Baptist Convention.

7. Gift Annuity Funding for Convention Agencies:

The Relief and Annuity Board is the recognized annuity fiduciary agency of the Convention and is, in pursuance of specific instructions from the Convention, now acting as trustee of annuity reserves for several of the Convention institutions and agencies. Contracts have been signed with all Convention agencies looking to the future funding of gift annuity contracts as they are written by them. Already there has been the actual funding of contracts written by The Relief and Annuity Board and the Foreign Mission Board.

The reserves on account of this gift annuity funding stood on December 31, 1935, $380,012.35. Through this gift annuity funding arrangement all Convention agencies may now accept monies on a gift annuity basis with greater safety to themselves and to the donors.

VII. MAKING OUR WORK KNOWN

Our First Study Course Book: After much delay and some revision of the manuscript by the author due to changing conditions, we have brought forth our first study course book on Ministerial Relief and Annuities. If this is not the first book of its kind ever published, it is certainly the first Baptist production. The title of the book is "Christ's Gift to the Churches." The author is Mrs. Ruth Carver Gardner; a pastor's wife and a minister's daughter and granddaughter, of Dunn, North Carolina; its subject matter is the ministry; its purpose is to secure the co-operation of ministers and churches with the Relief and Annuity Board in providing against old age dependency of denominational employees; its chapters are "The Foolishness of Preaching," "Thoroughly Furnished Unto Every Good Work," "Laborers Together with God," "Providing Things Honorable in the Sight of All Men," "E'en Down to Old Age," and an added chapter by our Secretary on "Eighteen Years of Service and Growth." The book has 128 pages, is in two bindings, cloth and paper, its price is 35 cents paper and 60 cents cloth.

We shall strive to get this book read and studied by thousands of Southern Baptists and if we succeed our work will be advanced in all directions.

The book has been published by the Broadman Press, Nashville, and is on sale in the Baptist Book Stores of the South.

5. THE EXECUTIVE COMMITTEE OF THE SOUTHERN BAPTIST CONVENTION

161 Eighth Avenue, North, Nashville, Tennessee

Dr. Austin Crouch, Executive Secretary

ORGANIZATION OF THE COMMITTEE

The Executive Committee, as now organized, was created by the Southern Baptist Convention at Louisville, Ky., May, 1927, upon the recommendation of the Business Efficiency Committee. The reasons for enlarging the functions and duties of the Executive Committee were expressed by the Business Efficiency Committee in the following words:

"After the most earnest consideration, we are convinced that the Convention should have some agency keeping in close touch with all the work of the Convention and its agencies. The affairs of the Convention and its agencies are too varied and too great to be handled effectively without it. It is evident to us that the affairs of the Convention have suffered greatly in the past from lack of such agency. The logical agency to do this is the Executive Committee of the Convention. Under the head of recommendations, we make specific recommendation for the enlargement of the functions of the Executive Committee."

The membership of the Executive Committee consists of the president and senior secretary of the Southern Baptist Convention, one member from each of the co-operating states and the District of Columbia, and nine members at large. The treasurer of the Executive Committee is by virtue of his office the treasurer of the Southern Baptist Convention.

DUTIES AS SET FORTH IN CHARTER

The fundamental functions and duties of the Executive Committee are set forth in its charter as follows:

1. Act for Convention ad interim:

To act for Convention **ad interim**, in matters not otherwise provided for in its plans of work; to have oversight of arrangements for meetings of the Convention, with authority, if necessary, to change the place of meeting.

2. Hold and administer property:

This corporation shall have the power to take title to and hold all properties, real or personal, and to convey title to property under the authority of the Convention and all funds, such as monies and securities, that are donated or transferred for the use and benefit of the Convention by gift, or left by will for such purposes; to act as custodian for all such properties and funds, holding them in trust for the Convention to be managed, controlled and administered by said committee in accordance with the direction, general or special, of the Convention.

To be named in transfers of real estate or personal property for the use and benefit of the Convention, either by deed, conveyance, or will. To receipt for all monies or securities given to the Convention; to endorse all papers that need endorsement in the name of the Convention, and to execute all receipts and acknowledgements, and, if necessary, to attach the seal of the Convention to these papers

3. Agreements with State Conventions:

To act in an advisory way on matters of policy and co-operation arising between the agencies of the Convention and the co-operating state agencies; to represent the Southern Baptist Convention in all negotiations with State Conventions and State Boards and other co-operating bodies in matters of common interest. It shall be the authorized agency of the Southern Baptist Convention to conclude all agreements with co-operating state agencies for the conduct of necessary arrangements as to handling of Southwide funds raised in the various states and all other related matters.

4. Recommend Budgets and Percentages:

To recommend to the Convention an operating budget for the Convention year, and to recommend the percentages of Southwide funds to be allocated to each cause or agency, which operating budget shall include all agencies of the Southern Baptist Convention.

5. Prepare a Consolidated Financial Statement:

To present to the Convention a consolidated financial statement of all the agencies of the Convention, which statement shall show the assets, liabilities, and debts of the agencies.

6. Make Recommendations to the Convention:

It shall have no authority to control or direct any agency of the Convention, but it shall have full authority to study the affairs of the agencies of the Convention, and make suggestions when deemed advisable to the agencies, and to report its findings to the Convention, and to make recommendations to the Convention concerning any matter whatsoever.

DUTIES ASSIGNED BY CONVENTION

In addition to the duties as set forth in the charter of the Committee, the Convention, from time to time, assigns to the Committee other tasks of a more or less permanent nature. Among the larger tasks thus assigned are:

1. The Education Board's Affairs:

When in 1928, the Convention discontinued the Education Board, it took the following action: "That the Executive Committee of this Convention be recognized as the successor in law to the Board of Education, and that all of the interests and obligations of the Education Board, financial, legal, and otherwise, be and are hereby committed to the Executive Committee of this Convention."

The title to all property formerly held by the Education Board has been transferred to the Executive Committee. This includes the property located at Ridgecrest, N. C., Umatilla, Florida, and Nuyaka, Oklahoma. In handling the affairs of the Education Board, the Committee has faced both legal and financial difficulties.

2. Arrangements for Annual Meeting of the Convention:

Various duties are included under this head, such as, printing and distributing enrolment cards for messengers; securing railroad rates; printing railroad identification certificates; entering into a detailed agreement with the Convention city; publishing the Convention pamphlet containing the Order of Business, Reports of the various Boards and Committees; and providing a press representative for the Convention whose duty it shall be to furnish digests of the reports to the religious and secular press, and publish a daily Convention bulletin.

3. Expenses of Convention:

The Convention at its meeting held in St. Petersburg, Fla., May, 1932, assigned to the Executive Committee the duty of handling all expenses incurred by the annual meetings of the Convention, and the printing and distributing of the Convention Annual.

4. Distribution of Southwide Funds:

The office of the Executive Committee handles the greater part of the funds contributed for the work of the Convention. In 1935 the office received and distributed the following:

Baptist Hundred Thousand Club Funds	$ 198,372.31
Co-operative Funds	602,482.42
Designated Funds	505,239.70
Total	$1,306,094.43

These funds were distributed among the agencies of the Convention according to percentages adopted by the Southern Baptist Convention.

5. Permanent Funds:

The Executive Committee acts as the fiduciary agency for the Southern Baptist Convention; that is, it receives, holds and administers all trust funds and legacies given directly to the Southern Baptist Convention. The Committee holds, as of December 31, 1935, the following:

The Dorothea Van Deusen Opdyke Fund	$168,793.59
Herrick and Stout Funds	5,851.12
Miscellaneous Funds	5,500.00
Total Permanent Funds	$180,144.71

6. The Baptist Hundred Thousand Club:

The Southern Baptist Convention at its annual meeting in Washington, D. C., May, 1933, created the Baptist Hundred Thousand Club for the purpose of paying the debts of the agencies of the Convention. The promotion of this movement was entrusted to the Executive Committee.

Frank Tripp, pastor of the First Baptist Church, Saint Joseph, Missouri, has been the general leader of the Baptist Hundred Thousand Club from the beginning of this movement in June, 1933, up to July 1, 1936. He has given unstintedly of his time, strength and talent to this work and, that too, without cost to the denomination. The First Baptist Church of Saint Joseph, Mo., has generously made this contribution to the denomination. The Baptist Sunday School Board has borne all of the expenses of promoting this movement. The total receipts from the Baptist Hundred Thousand Club up to April 30, 1936 are $469,076.80.

7. Promotion and Publicity:

Through its Committee on Co-operation and Enlistment, the Executive Committee seeks to promote the interests of the Convention and its agencies. During the period for putting on the Every Member Canvass, the Committee joins the forces in the various states in publicity and speaking campaigns, thus aiding the whole Co-operative Program, both State and Southwide.

Walter M. Gilmore, the Publicity Director, devotes all of his time to the various phases of the Committee's publicity program. Approximately four million pieces of literature, including the Baptist Bulletin Service, The Baptist Program and tracts on stewardship, tithing and the denominational program have been published and distributed during the year. Six issues of The Baptist Program—15,000 copies of each issue—have been published. These have gone, without cost, to pastors and denominational workers.

The Baptist Bulletin Service, which is one of our most effective publicity agencies, has had perhaps the best year in its history. It is reaching every Sunday more than 50,000 of our people with a message concerning some phase of church or denominational life.

The Convention held in Saint Louis, Missouri, in May, 1936, adopted the following recommendation of the Executive Committee:

"We recommend the adoption of the following report made by a special committee from the Executive Committee:

"'We, the committee, charged with the duty of considering the future of the Baptist Hundred Thousand Club would recommend the election of a director of promotion under the Executive Committee who shall promote the Co-operative Program and the Baptist Hundred Thousand Club. The director of promotion shall co-operate with the Baptist Brotherhood in the promotion of an extensive and intensive program of Stewardship and Missions with the agen-

cies of the Convention in the promotion of their work and with the State Secretaries in the entire denominational program. The promotive work of the Convention shall be projected on a plan looking to the Centennial Year of the Southern Baptist Convention in 1945.

"'In making this recommendation the committee would like to express the conviction that the Convention needs both an Executive Secretary and a director of promotion. The Convention has a large volume of business, much of which is technical, which gives full employment to an executive, and its enlistment work is so varied and extensive that all the energies of a promotional leader will be taxed to the utmost.'

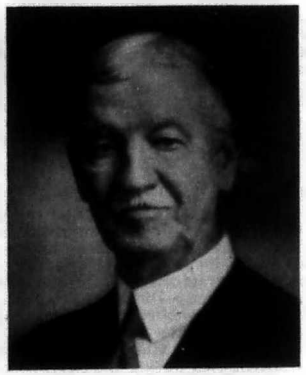
"We further recommend that in order to carry out the provisions of the recommendation an amount be appropriated by the Sunday School Board not to exceed $40,000.00, which is not more than the average annual appropriation made by the Sunday School Board for the support of the Executive Committee and the expenses of the Baptist Hundred Thousand Club during the past three years."

3. Special Duties:

From year to year the Convention assigns various and, frequently, numerous temporary tasks to the Executive Committee. All tasks assigned to the Executive Committee are faithfully performed.

6. SOUTHERN BAPTIST THEOLOGICAL SEMINARY

The Beeches, Louisville, Kentucky



Dr. John R. Sampey, President

The Southern Baptist Theological Seminary was the first and continues to be the largest and the most thoroughly equipped theological institution of Southern Baptists.

The Seminary was founded in Greenville, S. C., in 1859. The original faculty consisted of James P. Boyce, of South Carolina; John A. Broadus, of Virginia; Basil Manly, Jr., of Alabama; and William Williams, of Georgia. The story of the heroic struggles of these noble men to keep the Seminary alive during the trying years which followed the War of Secession is a chapter in Southern Baptist history full of inspiration for all who know the facts. Teachers in our Christian colleges and seminaries who are carrying on despite financial difficulties would derive courage from the story as told by John A. Broadus in his "Memoir of James P. Boyce" and by A. T. Robertson in his "Life and Letters of John A. Broadus."

The Seminary was moved to Louisville, Ky., in the fall of 1877, doing business in rented buildings until 1887 when New York Hall was erected. Thus the Southern Seminary had to wait twenty-eight years before it had a building of its own in which to carry on. The four buildings at Fifth Street and Broadway, erected at a total expense of two hundred thousand dollars, were the home of the Seminary until March, 1926, when the professors and students were transferred to the magnificent permanent home of the Seminary at The Beeches in the east end of Louisville. After practically all of the collectible subscriptions to the Building Fund had been gathered in, there remained, as of December 31, 1935, a debt of $556,000 on the new plant. It has been the settled policy of the Southern Seminary for many years to live within its income. Of course the heavy debt remaining on the institution greatly hampers its usefulness. However, receipts from the Hundred Thousand Club are making possible a more rapid reduction in the amount of this principal.

THE SEMINARY'S PRESENT STATUS

The Seminary has completed seventy-seven years of history—seventy-four sessions of teaching, three years being omitted during the Civil War. In this time 7,379 students have here pursued their preparation for Kingdom service. During the past session 489 were enrolled. Four of these were laymen, 486 men in preparation for the ministry. Numbers of wives of students had the benefit of the class room instruction and other facilities but were not matriculated as students, the Charter of the Seminary providing only for the matriculation of men recommended for the ministry. There are nine full professors, three instructors fully employed on the teaching staff, twelve graduate fellows who give tutorial assistance in the various departments of the Seminary curriculum. There is no organic connection of the Seminary and the Baptist Woman's Missionary Union Training School located in Louisville, but a close relationship maintains between the two institutions. For certain courses Training School students attend Seminary classes. Five members of the Seminary faculty meet classes for the Training School.

TRAINING FOR WORLD-WIDE LEADERSHIP

It has long been a conscious aim of the Seminary to accept responsibility for training a Baptist leadership for all parts of the world. In the session of 1935-36 there were students from thirty American States and from ten foreign countries in the student body. For many years there are always a few students of other denominations preparing for their life work, especially students taking post-graduate courses.

GRADUATE SCHOOL

In the Graduate School a rigid and thorough course is offered for those who wish to extend their preparation along lines of research and special study with a view to important technical responsibilities. For this course the degree of Ph.D. is offered. The Seminary's major emphasis, however, lies always on the preparation for pastors and general denominational leaders.

FINANCIAL RESOURCES

Alumni of the Seminary are responding generously—many of them giving regularly—to the endowment of the John R. Sampey Chair of Old Testament Interpretation. With more than $30,000.00 cash already on hand, the committee hopes to be able to report the goal of $100,000.00 in sight by the time of our President's next birthday—September 27, 1936. Every former student is urged to make a sacrificial gift to this project and to give his church the privilege of sharing with him in this worthy fund, which will serve as a perpetual memorial to Doctor Sampey, while it will do the even more important work of educating a ministry for each succeeding generation.

The Student Fund Endowment of nearly four hundred thousand dollars has made it possible for many men to come to the Seminary, through modest grants to assist students in paying their board or the rental of an apartment. The Seminary is able to assist students with only a part of their necessary expenses. Despite this fact, however, the enrolment has shown a steady growth during the past four years.

The Baptist Hundred Thousand Club has made a very substantial contribution toward the liquidation of the debts of the boards and institutions of the Convention. In the case of this Seminary the Club receipts have gone far toward meeting the necessary interest and capital payments on the indebtedness. The total amount received from inauguration of the Club is approximately $83,000. The receipts for 1935-1936 amounted to $35,344.00.

STATEMENT OF TRUSTEES OF SEMINARY

In their report to the Southern Baptist Convention in St. Louis recently, the trustees of the Seminary said:

"The past session was one of quiet study, with a marked interest in religious activities on the part of the students. Almost every student gave himself to some definite Christian work in or near Louisville. Since the Foreign Mission Board has begun to appoint men and women to strengthen our missionary forces some of our best men are volunteering for service on the front line. All this serves to quicken evangelistic zeal in all our hearts. The young men who remain in the home land will go forth to kindle missionary fires in the churches that they serve. Retreat and discouragement are no longer sapping our strength. We have taken the offensive against the forces of darkness.

"Through receipts from the Baptist Hundred Thousand Club we have met the required semi-annual payments on the principal of our Mortgage Loan, and the interest, as in all previous years, has been paid promptly out of other funds. The Board would express to the Convention its warm appreciation of the generous support extended throughout the seventy-seven years since the Seminary was founded. The churches have sent their young ministers to the Seminary to be educated and trained for the pastorate or for evangelistic and missionary work, and the Seminary has earnestly striven to help these young men to meet the needs in the home land and on the foreign fields. The Southern Baptist Theological Seminary is pre-eminently the child of the Southern Baptist Convention. The Seminary is loyal to every department of the Convention's work and seeks in every possible way to serve it.

"The Board would direct attention to the necessity of increasing the endowment of the Seminary in the immediate future. Because of cheaper interest rates bonds yielding four and one-half or five per cent have been called, and it is difficult to reinvest in safe bonds that yield as much as four per cent net. The income from the endowment has fallen off not by bad investments but from the necessity of surrendering at par bonds yielding a high interest rate for new bonds at a much lower rate. The Financial Board of the Seminary have given much time and thought to the course of the bond market. In order to make safe investments they find it necessary to accept a lower interest rate.

"Southern Baptists at the present time have millions of dollars in banks awaiting investment. What better investment could be found than an annuity with the Seminary at four per cent? This would provide a safe income during life, and at death the principal would be added to the endowment of the Seminary, yielding for the donor spiritual dividends in all the coming years.

"The Board would invite attention to the efforts of the Alumni of the Seminary to endow the Chair of Old Testament Interpretation with One Hundred Thousand Dollars in honor of President John R. Sampey, who has taught Hebrew in the Seminary for the past fifty-one years. We believe that the time has come when vigorous efforts should be made to obtain substantial gifts from individuals and churches toward the endowment of this Chair. Already more than Thirty Thousand Dollars has been paid in, most of which came in small amounts. May we not hope to raise the remaining seventy thousand during 1936?

"With a student body of around four hundred young men, it is imperative that the Faculty of the Seminary be enlarged by the addition of several professors. This is another conclusive argument in favor of increasing the Endowment.

"The Board is grateful to God for his continued favor on an institution which was founded in prayer and which has grown through the sacrifices of Southern Baptists."

THE DOMINATING SPIRIT AND AIM OF THE SEMINARY

The Seminary was founded by Southern Baptists in their inspired wisdom, for providing a ministry characterized by intelligence and piety for the leadership of a denomination which we believe, in the plan and under the power of

God, must hold a large place in the evangelization of the world and in the work of the Kingdom of God in accordance with His plan of the ages which He projected in Christ Jesus.

We who are investing our lives through the Seminary are grateful to God, and to our fellow-Baptists, for the privilege of helping young preachers toward the largest possible usefulness as pastors, teachers, editors, executive secretaries, missionaries and founders of the institutions of our religion in all parts of the world. Through the wisdom and power of the Holy Spirit, we seek to develop in them evangelistic fervor and missionary passion. All the work of the Southern Seminary is dominated by the concept of the Kingdom of our Lord and Saviour Jesus Christ and of His call to all who follow Him to use the keys of His atonement and living power to open the doors of redemption and righteousness for all men.

THE PRACTICAL WORK OF STUDENTS

An efficient organization of the Seminary body, counselled by the Faculty and directed by the students undertakes to enlist every man in regular Christian service in the great city of Louisville and in the surrounding available territory. Reports of this work are made at each Monthly Missionary Day. The value of this is partly indicated by the following:

7. SOUTHWESTERN BAPTIST THEOLOGICAL SEMINARY

Seminary Hill, Texas

Dr. L. R. Scarborough, President

The Southwestern Seminary is in its thirtieth year, the twenty-seventh on Seminary Hill. Its twenty-ninth session was in many respects a great session. We had an enrolment in residence of 440, and in correspondence 166, with 27 duplicates, making a total enrolment in residence and correspondence of 578 students whom we taught—and increase of 21 per cent over the preceding year. Of those in residence 209 were ministers, 43 laymen, and 188 women.

For 28 years this institution has developed a great faculty, an ever increasing student body, and sent out into all these fields a trained leadership. The story of its growth and development is a miraculous romance, how it has lived, built a great plant, a strong faculty, a large student body running up now around 6,000 or more, with a debt of only $450,000, with a very small endowment, with no certain income for sufficient support, is only explained by the miraculous mercies of God! It stands persistently for high, reverent scholarship, a constructive, co-operant orthodoxy, true to Christ and His revealed Word, the courtesies of a Christian fellowship, an unbroken co-operative spirit with all the work of our Baptist people and the causes of Jesus Christ and a missionary and evangelistic fervor, compassion and concern for lost men that sends out constant streams of fervid, sane, constructive, missionary evangelism. We are grateful to God for the contribution our Seminary has made and is making to our missionary program, home and foreign, state, associational and city. In these fields alone, the Southwestern has many times justified all the expenditure of money, mind and blood. We are glad that we have an unbroken record of love and co-operation for all the institutions and causes of Southern Baptists.

We have graduated this past session 46. It is our belief that during this past session we have had in all respects, except financial, probably the best Seminary in many years. The health of the faculty and students has been remarkable: the spirit of unity and co-operation on the part of all, during the most taxing and trying period, has been satisfactory and remarkable. The practical service for the Kingdom of God rendered by students and faculty has been probably as great as in any period for many years. The confessions of faith, the additions to the churches, the co-operative spirit, the sums of money raised, the programs of enlistment, training and instruction, the genuine, scholarly

teaching given, the production of a strong leadership for the causes of our Saviour, were never greater. The volunteers to the mission fields and their qualifications for service are certainly on the increase. The one discouraging thing is the financial situation.

8. BAPTIST BIBLE INSTITUTE

1220 Washington Avenue, New Orleans, Louisiana

Dr. W. W. Hamilton, President

The Baptist Bible Institute was founded by the Southern Baptist Convention in 1917, and began its first session in 1918, with Dr. B. H. DeMent as president. The property of Newcomb College on Washington Avenue, New Orleans, became available in a way which seemed providential, and the experiences of these eighteen years have convinced Southern Baptists that no better location could have been found. One of our Baptist educators said recently, "Baptist Bible Institute is as literally a mission school as any similar institution in Brazil, or any other mission field."

Dean J. W. Jent, of Oklahoma Baptist University, says of his visit to the Institute, "It was the writer's privilege to spend the week of January 28 to February 1 in the Baptist Bible Institute, New Orleans, lecturing morning and afternoon each day on 'Rural Church Problems.' Being the guest of President and Mrs. Hamilton, eating in the dining hall with the students, and having fellowship with the faculty and student body, provided the first opportunity to really know what this wonderful institution is doing. It was a real discovery. Beyond any question, the mass of our people in the Southern Baptist Convention have no adequate appreciation of the tremendous impact this new school of the prophets is making upon that great Catholic city and the State of Louisiana."

The session of 1935-36 was most gratifying and successful. It is now well understood that the Baptist Bible Institute has passed any experimental or questioning stage in its history. This is true when considered from any angle, that of its location, its work, its worth, its faculty and student body, its finances and management, its contribution to the cause at home and abroad, its deliverances and its triumphs under the providential guidance and grace of God.

1. THE PRESENT FORCE OF WORKERS

Dr. James E. Gwatkin has sufficiently recovered from his serious operation to take charge of the library, but has been forbidden by his physician to continue teaching. Dr. Park H. Anderson, for so many years president of Graves

Theological Seminary, Canton, China, has done great service this year, and has endeared himself to faculty and students. Professor W. Wistar Hamilton, Jr., supplying the chair of Christian History for Professor E. F. Haight, has filled a difficult situation most acceptably and has proved himself most valuable as teacher and co-worker. The other teachers are Albert E. Tibbs, Professor of Religious Education; John W. Shepard, Professor of New Testament Interpretation and Missions; James Washington Watts, Professor of Old Testament Exposition and Hebrew; E. F. Haight, Professor of Christian History and Theology; E. O. Sellers, Professor of Sacred Music and Secretary of Correspondence Department; Mrs. E. LaMont Crosby, Assistant in Music Department; Mrs. J. Washington Watts, Assisted by Mrs. Joseph Santo, W.M.U. Department; Miss Milbry Guest, Kindergarten; and W. W. Hamilton, President and Professor of Evangelism.

The administrative organization in addition to the president is as follows: J. W. Watts, secretary of admissions, registrar, and dean of men; Mrs. M. L. Jenkins, dean of women; J. W. Shepard, director of religious activities; E. O. Sellers, secretary of correspondence department; A. E. Tibbs, secretary of faculty; J. E. Gwatkin, librarian; Dr. T. B. Sellers and Dr. J. E. Bailey, physicians; Douglas Gray, office secretary and custodian of buildings and grounds; Miss Winnie Hickman, secretary; Mrs. E. C. Coburn, dietician and superintendent of dining hall; H. Grady Wilkes, superintendent of printing press; Mrs. G. W. Andrews, matron; Misses Grace Sigrest and Mamie Lee Williams, nurses.

II. THE FINANCIAL SITUATION

The total receipts for the past year, 1935, were $59,008.44. Of this amount $21,637.83 came from the "Co-operative Program"; $2,819.88 came as "Designated" gifts; $19,837.23 was from the Hundred Thousand Club, and money sent "Direct" to the Institute amounted to $14,713.50. The total for 1934 from all sources was $54,434.94, showing an increase for 1935 of $4,573.50.

Eight years ago the indebtedness of the Institute was $353,000.00 and it now stands at $210,400.00, or a reduction in eight years of $142,600.00. The present debt is made up of unpaid first mortgage bonds amounting to $136,500.00 and the second mortgage of $73,900.00. Since the Hundred Thousand Club movement began we have cancelled $63,500.00 of our bonds. The plan of cancellation is under the direction of the Bondholders' Protective Committee, appointed when the Institute defaulted on its bonds. During the year, or in the past several years we have not borrowed any money for operation or salaries, and last year a total of $7,781.39 was spent in repairs made necessary by the neglect during depression times. This work has been done almost exclusively by students.

A number of scholarships were given last year by W. M. U. organizations and by personal friends. In many cases a little aid has enabled a student to complete the amount necessary to stay in school. Practically all of the work at B. B. I. of every kind is done by the students who in this way pay for their board. Those thus making their way are encouraged to take longer time for the completion of the courses of study. The medical and hospitalization plan has been quite satisfactory, and the trustees have expressed their appreciation of the generosity of the doctors and of the Southern Baptist Hospital as manifested in their care of students of the Baptist Bible Institute.

III. THE COURSES OFFERED

The Institute continues to place first its Christian Training Courses which were foremost in the founding of Baptist Bible Institute. The faculty is unanimous in its desire and purpose to do as our charter says "This Institution shall center around the study of the Bible as the Word of God, and its purpose shall be to provide religious instruction suited to the needs of a constituency varied in its educational equipment; to require courses of religious activity, as well as courses of intellectual development; to secure training for service by training through service; to equip all tpyes of religious leaders for efficient service, whether as pastors, missionaries, evangelists, church and Sunday school workers, gospel singers, women's and young people's leaders, financial secretaries, deacons and pastors' helpers."

1. In keeping with the best educational methods of the day the Christian Training Course provides for specialization in (1) English Bible, (2) Religious Education, (3) Music, and (4) W.M.U. Work.

2. The Theological Course is of such high grade and thoroughness that our students can make transfers to other institutions with no question as to credits.

3. Night classes are maintained specially for Christian workers in New Orleans and vicinity who desire to better equip themselves for service.

4. Correspondence courses are offered in connection with the Christian Training Course. The same textbooks are used, and students send in written reports on every lesson and must stand written examinations.

The founders of the Baptist Bible Institute required courses in religious activity as well as the studies in the classroom. They said, "We secure training for service by training through service." At the Institute the students learn to do by doing, and they have happy experiences in doing while they are learning. Most gratifying is the development of the students themselves, and also the missionary and evangelistic spirit which is developed and strengthened. These have even exceeded the highest expectations of the founders and have confirmed their vision and judgment.

Dr. Park H. Anderson, a foreign missionary now in the home land, says, "In coming back to Southern Louisiana, after a period of twenty years, it is interesting to note the great progress Baptists have made. The Baptist leaders here may be sensitive of the difficulties, and may sense a hard pull ahead; but the situation is really very encouraging . . . This Baptist progress has run parallel with the Southern Baptist Convention's enlarged program in New Orleans . . . The Institute is opening up a new center for discovering and training recruits for the Baptist ministry."

IV. ENROLMENT FOR THE SESSION

The total enrolled in the 1935-1936 session is 262, and of this total 166 are taking the regular courses, 39 are "special students"; 11 are in the night classes only, and 46 are taking correspondence courses. One evidence of the fine quality of students at the Institute is the appointment by the Foreign Mission Board of so many of them to mission fields. In November when twenty-six were appointed, six of that number were from Baptist Bible Institute. Four others will probably sail this fall. Brethren of the Foreign Mission Board have made statements about Baptist Bible Institute students which bring joy and gratitude to the hearts of trustees, faculty, and students.

The attendance according to geographical boundaries for the session was:

Alabama	17	North Carolina	4
Arizona	1	Oklahoma	7
Arkansas	8	Oregon	1
District of Columbia	1	Pennsylvania	2
Florida	11	South Carolina	24
Georgia	11	Tennessee	10
Illinois	8	Texas	14
Indiana	1	Virginia	2
Kentucky	4	West Virginia	6
Louisiana	92	Canal Zone	1
Mississippi	27	Cuba	1
Missouri	6	Japan	1
New York	1	Mexico	1

This last session there was in the student body a Norwegian who came to us from the Canal Zone. His application for admission was mailed in Maine, and the Balboa Heights Baptist church was the one which commended him to us. Another student who was led to Christ and into the ministry by contact with our Baptist Home Mission work in the Canal Zone was by descent a member of the English nobility. He had come across the seas because of disagreement with plans mapped out for him, and had not in any way disclosed his connection with the nobility. Saved and surrendered he came to the Baptist Bible Institute, and after making his way through school he is most happily married to the woman of his own heart choice. Finally he has been reunited with his people, has been called back by the great university to receive an honorary degree, but will continue the phenomenal work which he is doing in a Southern City. Thus foreign and home and state and city missions are again united in carrying forward the work of our Lord.

V. THE PRACTICAL WORK DONE

The figures given by the Practical Activities Department are always conservative, and they are always incomplete because there is so much that is not and cannot be put into tables and reported. Nevertheless it is helpful to try to visualize the meaning of the work done in forty-five mission stations, jails, hospitals, street corners, parks, on ships, in churches, and in homes.

Assignments met	5,140
Sermons and addresses delivered	4,556
Dealt with personally	8,424
Professing conversion	1,628
Gospels and tracts distributed	14,036
Churches served	70
Quarter time churches	23
Half time churches	35
Full time churches	12
Revival meetings held	112
Additions by baptism	1,050
Additions by letter	975
Gifts to local church work	$34,283.64
Gifts to Co-operative work	$ 7,390.99

New Orleans is rapidly becoming a Baptist city. Two of our great Southern Baptist institutions are in New Orleans, and since their location in this pivotal city there has been constantly increasing growth in conversions and membership and in permanent organizations. As Texas is a glorious trophy of wisely invested mission funds, so also the growth in Louisiana is bringing thanksgiving to the hearts of Southern Baptists. New missions are being opened and new churches organized and new workers appointed and new victories recorded.

The last meeting of the New Orleans District Association reported 24 churches, 1,186 additions, 7,283 members, $20,118.80 gifts to missions, and $80,622.58 for local expenses. What a contrast with eighteen years ago, when there were six struggling churches (only one of which was self-sustaining, and a total enrollment of 1,242 members. This is an increase of nearly 600 per cent, and averages the founding of a new church every year. Then there was no Baptist Bible Institute, no Southern Baptist Hospital, no Rescue Mission, no Goodwill Center, no aggressive Baptist program, and little if any Baptist expectation. Southern Baptists have now before them every reason for a new and vigorous offensive in this great and needy and responsive mission field. New Orleans and Southern Louisiana are fields white unto the harvest.

9. THE AMERICAN BAPTIST THEOLOGICAL SEMINARY

White's Creek Pike, Nashville, Tennessee

Dr. E. P. Alldredge, Acting General Secretary

THE AMERICAN BAPTIST THEOLOGICAL SEMINARY

The American Baptist Theological Seminary is now closing its twelfth year of operation.

Enrolment About the Same—The enrolment of students in the Seminary has been about the same as the preceding year, there being sixty students enrolled in the present session as compared to sixty-one reported last year.

Fewer Interruptions and Better Work—But there have been fewer interruptions and consequently better work done by the students than in almost any year of the Seminary's history. For this we have to thank the venerable dean, Dr. J. H. Garnett, and Rev. J. C. Miles who have labored at this task night and day.

Contingent Indebtedness—In last year's report it was noted that all current indebtedness against the Seminary (over $2,700) had been paid off, due to the cutting down of the overhead expenses of the Seminary and the increased receipts from the Co-operative Program. At the beginning of the present year, however, about $2,875 in contingent indebtedness against the Commission of the Southern Baptist Convention, became due and payable by reason of the heroic action of the National Baptist Convention in paying off their two-thirds part of certain long standing and past due obligations (chiefly teachers' salaries). When the National Baptist Convention, for example, wiped out all their part of this large contingent indebtedness your Commission was faced with the immediate necessity of meeting our one-third part of these obligations. This was done through a loan from the banks—which loan is being rapidly repaid from the regular Co-operative Program receipts. So that if no serious misfortune overtakes us, every cent of this contingent indebtedness will be paid by the end of 1936, and thus every cent of indebtedness of every kind and character against the Seminary cleared off.

Replacements and Improvements—In addition to paying off this $5,600 of total indebtedness, the Commission has been called upon to spend considerable sums of money, during the past two years, in making necessary replacements and improvements in the splendid property of the Seminary, which is held and controlled by the Holding Board. So that the grounds and building of the Seminary are now in more inviting and more serviceable condition than at almost any time since the opening of the Seminary in the fall of 1924.

Increase of Student's Aid Fund—As a further outstanding financial achievement in behalf of the Seminary, however, we are proud to report that, during the past year, a well-secured loan of $4,000 of certain funds which belonged to the Commission was added to the O. L. Hailey Student Aid Fund, thus bringing the total amount of this fund up to $9,100 at the present. All of this fund, moreover, is well invested.

Some Outstanding Needs—The outstanding and pressing needs of the Seminary are four, as follows:

(1) One of the most pressing needs of the Seminary, for the past several years, has been a truly qualified man as president. We are glad to say that

the Board of Directors met this need on April 23, 1936, at which time they elected Dr. J. M. Nabrit of Atlanta, Georgia. For Doctor Nabrit is not only a man of scholarship, real culture and the finest personality, but a man of remarkable poise and balance, with executive ability of the highest order, and one of the really great Christian leaders of the nation.

(2) The Seminary greatly needs a much larger student aid fund. We simply cannot greatly increase the enrolment of students in the Seminary without a much larger student aid fund.

(3) The Seminary also greatly needs funds for scholarships worth $200 a year. If the Seminary had 500 such scholarships available for the next session of the Seminary, we could perhaps secure the attendance of 500 of the very finest colored ministerial students in the whole nation. These scholarships can be furnished by special gifts from individuals, by Woman's Missionary Societies, or Baptist Training Unions, who can send in $25 per month for the eight months of any given session.

(4) The Seminary also needs food as well as money. Any individual farmer (white or colored) or any rural church can ship, by express or freight, or bus to the American Baptist Theological Seminary, White's Creek Pike, Nashville, Tennessee, any kind of table food raised on a farm; also dressed chickens, turkeys or any kind of fresh meats in proper season, and the Seminary will pay the shipping charges and count these gifts the same as cash.

Brighter Outlook—We wish we could have had a million dollar plant and another million dollars in endowment with which to have launched this Seminary for the training of colored ministers. Fortunately or unfortunately, as was the case with our great Southern Seminary, however, we have been forced to make a very modest beginning, and to contend with the greatest difficulties. But we thank God even for the hardships and trials that have been ours, and we rejoice in the unfaltering support of Southern Baptists, the renewed and enlarged help of the National Baptist Convention, and in the bright outlook for this new Seminary.

E. P. ALLDREDGE, Acting General Secretary.

10. BAPTIST BROTHERHOOD OF THE SOUTH

Holston National Bank Building, Knoxville, Tennessee

Dr. J. T. Henderson, General Secretary

Perhaps the most significant event of the past year in connection with the record of the Baptist Brotherhood of the South was the election of some salaried workers and the promise of still others in the near future. For most of the time during the twenty-eight years of its operation, the Brotherhood has had only one paid representative for all the South. This lack of salaried workers has been a handicap to the largest success of the Brotherhood from the beginning, and has also been a source of discouragement to its most ardent supporters. A parallel organization, composed of another very zealous group of our people and twenty years older than the Brotherhood, has been more fortunate.

By an examination of the records for 1934 we find that the budget of our sister organization, including the appropriations of the states, amounted to about $130,000; the entire budget for the men was about $8,500, including a small appropriation made by two of the states for local work. The large appropriation for the sister organization is perhaps in some measure to be accounted for on the ground that it is twenty years older and has had more time to demonstrate its usefulness; besides, it has kept a separate record of its financial receipts and has thus given concrete and visible evidence of its worth. The Brotherhood would not withhold a penny of appropriation or withdraw a single worker from our friendly ally; "this ought we to have done and not to leave the other undone." The Brotherhood would be quite satisfied with equal recognition and support, and we rejoice that a better day has dawned and the tendency in in that direction.

ASSOCIATE SECRETARY

By instruction of the Convention, the Brotherhood Committee recently elected Lawson H. Cooke, of Richmond, Virginia, as Associate Secretary, and he is now on the field, making his headquarters in Memphis, Tennessee. He has had large contacts both in business and in church activity; he is very strongly endorsed by the Mayor of Richmond, the Lieutenant-Governor of Virginia, several prominent ministers and other capable men who are thoroughly acquainted with his record.

He was one of the two leading speakers in the recent Men's Rally held on May 13, 1936 in St. Louis; he spoke on "Men and Missions" in a very unique and forcible way and his address made a profound impression on the large company of representative men assembled from all parts of the South. He loves the work and is already in large demand.

STATE SECRETARIES

Tennessee recently elected Andrew Allen, a very capable and zealous layman, as Superintendent of both Sunday school and Brotherhood work. For some years E. A. Herron has occupied a similar position in New Mexico and has made an unusual record in the enlistment of the Baptist men in that state. Only a few months ago Florida elected H. F. Latimer, a man of large experience both in the business world and in denominational activity, as Brotherhood Secretary for full-time; we already have reports that he has entered upon his work in a very effective way.

A few weeks ago the State Board of Missouri elected Dr. S. W. Driggers as Stewardship and Brotherhood Secretary, and he is already on the field. He has made a record of enlistment unsurpassed by any man in the South. Rev. W. S. Brooke, who is Enlistment Secretary for South Carolina, is thoroughly in sympathy with the Brotherhood work and is making a large contribution to our cause. Rev. A. F. Crittendon, who has been Promotional Secretary for Mississippi, has likewise rendered very valuable service among the men of his state.

Five other states in their recent Conventions authorized their State Boards to employ Brotherhood Secretaries at as early date as practicable.

The Brotherhood's objective in the matter of leadership is as follows: two southwide Secretaries, a salaried Secretary in each state, and then both associational and church Brotherhoods conducted by local leaders, who are expected to render voluntary and gratuitous service.

SIGNIFICANT OMEN

Several considerations indicate that there is a quickened interest among our laymen all over the South. In the first place, Brotherhoods are being organized more rapidly than ever before. In the second place, we find reports in the denominational papers that indicate a growing interest. One of our papers recently contained the following statement from a prominent writer: "The Brotherhood is one of the most important and rapidly growing agencies of our denomination. It seems to be entering upon a new destiny."

This revival of interest in the enlistment and development of our manpower is a most significant omen; the leaders of our denomination are realizing more and more that it is vital to enlist, not only the masses of our men, but especially the men of large capacity. They recognize that it is really the part of wisdom to major on the enlistment of Christian men, who successfully conduct great commercial enterprises, large manufacturing industries, and other big

business. The Kingdom of Christ is the biggest business in the world and we are beginning to recognize that its success calls for the service and support of these men of affairs.

PHASES OF ACTIVITY

During the past year the Brotherhood has continued its policy of stressing the following vital matters: First, Organization of Brotherhoods, both church and associational; second, Missions; third, Stewardship of Life; fourth, Weekly Support Based on the Tithe; fifth, The Association as an Enlistment Agency; sixth, Church Schools that include men; seventh, Study Classes for Deacons; eighth, Layman's Day; ninth, Belmont Covenant Plan; tenth, the Promotion of these and some other Minor Interests in Thorough Harmony with the Pastor, the Church and the Denominational Program.

It has been the policy of the Brotherhood to fix no financial goal of its own but simply try, through addresses, programs in the regular Brotherhood meetings, and schools of Stewardship and Missions to quicken the interest of the men and lead them to be more liberal and systematic in their support of the budget of the church and denomination. No separate record therefore is kept of the funds contributed by the men; we cannot, therefore, give any definite account of the amount they contribute. Any advance that is made simply enlarges the gifts of the church.

We think, however, that it may be proper to give reports from some churches in which the representatives of the Brotherhood have rendered ervice. We, therefore, refer in this report to the different phases of the Brotherhood activity and give one or more concrete illustrations of the results achieved.

CHURCH BROTHERHOODS

We have favored the organization of church Brotherhoods when the pastor is thoroughly sympathetic and has the assurance of co-operation from a number of his strongest men. Since providing the Quarterly of thirteen programs for weekly meetings and the Annual of twelve programs for monthly meetings, Brotherhoods have multiplied much more rapidly and have been conducted more successfully. Something of the growth in the number of Brotherhoods is indicated by the fact that the number of Quarterlies published for the second quarter of 1936 was twenty per cent greater than the number published for the first quarter. While the office announces its desire to have all the Brotherhoods report, we are quite sure that there are many that we have not heard from. With State Brotherhood Secretaries we would be able to secure full data. There is scarcely a day passes that the office does not have applications for literature to use in the organization of Brotherhoods.

Editor Routh of the Baptist Messenger of Oklahoma made a special effort recently to secure these data for his state; he reports that he heard from 172 church Brotherhoods, and that 16 of the 33 associations have Associational Brotherhoods.

When we consider the fact that the state has no Brotherhood Secretary, this is certainly a remarkable record.

Louisiana perhaps takes the lead in the matter of church Brotherhoods. It claims 300, and this situation is due in large measure to the effective service of Dr. D. R. Isom, who was Brotherhood Secretary for a considerable period.

While the number of Brotherhoods in these two states is above the average, we can report that Brotherhoods are multiplying quite satisfactorily in all the other states.

ASSOCIATIONAL BROTHERHOODS

The Brotherhood Committee has stressed the Associational Brotherhood as an agency for promoting fellowship, imparting information and enlisting backward churchea. As a rule, these Brotherhoods meet quarterly on the fifth Sunday afternoons, and usually have from two to three hundred men present from the different churches.

The Chairman of the Promotion Committee in a mountain association reports that when they organized their Brotherhood the association had sixteen churches that were not giving anything to the Co-operative Program. At the end of two years the number of non-contributing churches had been reduced to four and ten other churches went beyond their quotas. We are glad to report that these Associational Brotherhoods are growing in number at a very satisfactory rate.

BROTHERHOOD SERVICE IN SCHOOLS

No more important work was rendered by the Brotherhood during the year than its service in connection with schools. For the sake of economy the secretary sought to have the churches of a city or association unite in this study; it was our policy to include Missions, Stewardship of Money, and the Duties of the Deacon in the subjects considered.

We give the following report of a Church School: The church referred to is located in one of the leading cities of Virginia. Although this school was conducted during Thanksgiving week, and an interesting revival was in progress near by, it had an attendance of 382, coming from several churches. The men's class, which studied "The Office of Deacon" and Scriptural Finance, numbered 70. This school was sponsored by the Brotherhood of the church, which has an average attendance of about 70. Following the class period each evening, all the numbers assembled for an inspirational address: at the close of one of these addresses of the Secretary, thirty-two new tithers were added to the band of the local church.

Other similar reports might be given.

As an example of a school conducted under the auspices of an Associational Brotherhood, we give the report of one held in Texas. This school was conducted in the church of a central town of the association and was attended by men only. They studied two books—"Financing a Church" and "The Office of Deacon." A number of men drove from 60 to 100 miles each evening over icy roads to be present. At the closing session on Friday evening there were 120 men present by actual count, eight of whom were preachers. Sixty-two of these men qualified for the Certificate in the study of both books; later fifty-eight men representing two churches took the Brotherhood Manual, which entitled them to the Brotherhood Diploma, with two seals.

A prominent lawyer is president of this Brotherhood and the Judge of the Circuit Court is the Associational Organizer. A letter from the president states that there has been a considerable increase in the financial receipts of the churches as a result of this school.

BROTHERHOOD CONFERENCES

The Southwide Conference of Men held in connection with the Convention last year in Memphis was an occasion of large significance. At least 1,500 men attended one or more of the three sessions. A prominent minister and correspondent for the Baptist papers, after hearing reports of the work from laymen throughout the South, made the following announcement through the press:

"That Brotherhood meeting in Memphis lifted my eyelids high, as with surprise and almost amazement I listened to the speakers and realized the extent of the work of Secretary Henderson and his co-laborers. I knew the work covered our Southland, but had not dreamed of how intensively it had permeated our church life."

Following a discussion on Tithing by Chairman J. H. Anderson in that Conference, at least 300 men committed themselves to the tithe.

Lack of space permits only a very brief reference to three State Conferences of Men that were held during the year.

The first was conducted in connection with the State Convention which was held last fall in Farmington, New Mexico. Secretary Herron states that one-third of all the churches in the state were represented. Men from one of the churches drove 647 miles each way, and the men from twenty-two of the churches drove over 500 miles each way.

On November 7 and 8, 1935 a State Conference of three sessions was held in the First Baptist Church of Richmond, Virginia. At least 1,200 representative pastors and laymen were in attendance and came from all parts of the state. The addresses were unusually strong and practical; among the speakers were Dr. W. L. Poteat and Hon. R. N. Simms of North Carolina, Dr. John R. Sampey of the Seminary, Dr. Stanley High of Connecticut, and Dr. Charles E. Maddry of the Foreign Mission Board.

The third meeting of three sessions was conducted in the First Baptist Church of Oklahoma City on April 23, 1936. Editor Routh says, "Through the day we had more than 2,000 men, representing every part of the state. Our

people are rejoicing over the prospects." Dr. M. E. Dodd and Secretary Lawson H. Cooke, both of whom were speakers in this Conference, pronounce it the greatest meeting of men they ever attended.

Several other states held similar Conferences last year and the present year have been conducting a number of very significant regional conferences.

LAYMAN'S DAY

The observance of Layman's Day on April 5 was more generally observed than ever before; in fact, it has the endorsement of all classes of our people. It has been found to result in a large quickening of interest with the men who speak. The earnest remarks by business men greatly impress the laymen who occupy the pews, and its results have been most gratifying.

One Association reports that 95 men were employed and that all of the 73 churches were supplied by these laymen.

Secretary Huggins of North Carolina decided to postpone its observance until the last Sunday in May and to use his nine Regional Conferences of Men in April as an agency of preparation for the effective observance of Layman's Day. He makes this remark: "On Layman's Day it is hoped that a layman will speak in every one of our 2,400 churches, presenting the challenge of the whole program of Jesus."

SCRIPTURAL SUPPORT

In all the conferences, whether with a single church or with a group of churches, we have stressed the tithe as the minimum standard of church support, and insisted upon the scriptural plan of bringing the tithe into the storehouse every Lord's day. We usually devoted three or more days to the scriptural teaching on this subject before launching the Every Member Canvass.

Beginning with Sunday, January 5, the General Secretary spent eight days with one of the leading churches of the Convention. A number of very prominent men, connected with an educational institution and with state and south-wide boards, are members of this church.

Following seven days of preparation, which was intended both to enforce scriptural teaching on the subject and to deepen spiritually, the canvass was launched. The church had no pastor, and the invitation came from the Finance Committee. The chairman of this committee, a prominent deacon, suggested that the secretary should stress the obligation to tithe and the committee set their goal at 200 new tithers. Before the campaign was completed, the chairman of the committee reported that the church had gone beyond its goal in securing tithers, and had received 260 more pledges already than were made the year before. The pledges up to date were approximately $15,000 ahead of the previous year and yet some of the largest givers were away in Florida and had not made their pledges.

This deacon writes: "Following the canvass the offerings have been very gratifying. The collections for January, 1936, were $2,467.94 for all purposes. Despite the excessively cold weather during January of this year, the offerings amounted to $4,649.43, practically double the amount for last year. Our church is greatly indebted to the Baptist Brotherhood for the loan of its secretary; personally, I have a new conception of what the Baptist Brotherhood means to our denomination. If the work done for us represents what the Brotherhood is doing throughout the South, it can be said, without exaggeration, that the Brotherhood is a great asset to Southern Baptists."

A similar result was achieved in every other church or association in which the Brotherhood plan of finance was adequately presented.

11. WOMAN'S MISSIONARY UNION, SOUTHERN BAPTIST CONVENTION

(Covering Calendar Year of 1935)

1111 Comer Building, Birmingham, Alabama

Miss Kathleen Mallory, W.M.U. Corresponding Secretary

The Easter papers carried a detailed description of the Midtown Tunnel which will pour millions of persons daily from New Jersey into New York City. Commenced in 1934 it has broken all tunneling records but it will not be completed until January of 1938. It is the second, Holland Tunnel being the first, in the projected system of sub-marine highways into New York City, the next tunnel to be under East River.

Such gigantic undertakings teach many lessons. May we learn some of them by a comparative study of the past year's work of Woman's Missionary Union of the Southern Baptist Convention?

Preparatory—As with the tunnel, so with Woman's Missionary Union much thought and time and toil are devoted to preparatory purposes. These are at least three-fold:

1. **Training Young People:** During this year Woman's Missionary Union is celebrating the Fiftieth Anniversary of the Sunbeam Band Movement. From tiniest beginnings this W.M.U. phase of youth missionary education has grown until now there are 6,366 Sunbeam Bands, of which one-ninth were organized last year. When it is remembered that the inclusive age-limits for Sunbeam membership are three to nine years, it is all the more remarkable that their 1935 contributions, not including anything they gave to local work, amounted to over $28,650 of which nearly one-half was for home and foreign missions.

Promotion from Sunbeam Bands leads for the boys into Royal Ambassador Chapters, which grade as juniors and intermediates, the combined number being 4,499, of which about one-sixth were organized last year. Similarly, Sunbeam girls are promoted into Junior Girls' Auxiliaries, after which come the Intermediate G.A.'s there being 7,471 G.A. organizations, which is the largest group among W.M.U. young people and reputedly outranks any similar organization within other religious bodies. Fine also were the year's contributions by G.A.'s and R.A.'s to the Co-operative Program and kindred non-local interests: over $29,500 by the boys and over $46,400 by the girls.

Preparatory in purpose and plan is also the work with and for the Young Women's Auxiliaries, of which during 1935 there were organized 667, the total being 4,902, including College Y.W.A.'s, and Grace McBride Y.W.A.'s in hospitals. Generously did Y.W.A. members contribute their total non-local gifts amounting to over $107,000.

Summing up all such statistics it will be seen that, for state and Southwide, W.M.U. young people last year brought in through their tithes and offerings over $211,500. Immeasurably gratified is Woman's Missionary Union that this amount is much more than one-tenth of the combined gifts of its women and young people. "It pays" to prepare through W.M.U. young people's organizations.

2. **Mission Study:** One of the most far-sighted of the preparatory plans connected with the Midtown Tunnel is the system of fans which will force fresh air into the tunnel and will likewise exhaust motor fumes from the top. Similar is the refreshing, infilling power of mission study. Last year Woman's Missionary Union held 12,448 mission study classes among its young people, the number among the women being 21,459—a truly "grand total" of 33,907. A vast number of these youthful and adult members re-enforce such study by taking a test on each book: to all such "second-mile" students the Union awarded last year 205,826 seals of varying import.

Co-equal with mission classes and undoubtedly more steadily pursued is the study stimulated by the missionary programs afforded in the Union's three monthly magazines: *World Comrades* for primaries, juniors and intermediates; *The Window of Y.W.A.*; and *Royal Service* for adult women. The combined circulation of these three magazines is around 100,000, that of *Royal Service* alone being over 75,500. The almost countless circles of Women's Missionary Societies are encouraged to use for their mission programs carefully assembled data as given monthly in *Home and Foreign Fields*.

3. **Tithes and Offerings:** The estimated cost of the great new tunnel is $43,600,000, the bonds of which are to be paid off by toll receipts. Contrast with this the paid-up record of $48,710,311.16, which represents the tithes and offerings as made by W.M.U. young people and women to state and Southwide causes during the Union's forty-eight years. Their combined gifts in 1935 were $1,972,370.39 which showed an increase over the preceding year's total by $56,567.40.

Seeking the source of such liberality the primary proof is found in the growing conviction among W.M.U. members that "the tithe is holy unto Jehovah" and that failure to bring unto Him their offerings is likewise an evidence of their robbery of God as well as a proof of their spiritual poverty. Memorization of Scripture and other lessons on tithing, as well as the study of approved books on Christian stewardship, coupled with similar teachings in the Union's magazines, is largely responsible for the enrolling of 23,911 tithers among W.M.U. young people and 71,381 among its women, the combined total —95,292—being an increase over the previous year.

For this current year there is being emphasized the old but seemingly ever new principle as set forth in the Belmont or "Prove Me Plan." The Union's Southwide stewardship chairman has written a pageant on this "Prove Me Plan," copies being for free distribution to W.M.U. members endeavoring to have their churches adopt this plan of God as their plan too.

Another immediate effort of Woman's Missionary Union is to secure during the calendar year of 1936 twenty-five thousand paid-up debt-paying memberships, renewals and new, according to state and southwide plans. Having reason to believe that at least half of the memberships of the Baptist Hundred Thousand Club are W.M.U. memberships and desirous of promoting the Club all the more completely, this concentration on a definite goal for paid-up memberships was unanimously adopted at the May meeting in St. Louis. However, it was also clearly understood that the effort includes all state debt-paying campaigns whose minimum membership is one dollar a month.

Further explanation was made that the memberships are preferably individual but that group memberships are to be eagerly sought also, because it is sincerely believed that many W.M.U. organizations as such will gladly hold membership, especially as circles of Women's Missionary Societies. However there are Sunbeam Bands that regularly contribute to the Baptist Hundred Thousand Club: therefore many other Sunbeam Bands, Girls' Auxiliaries, Royal Ambassador Chapters and Young Women's Auxiliaries can also each do its essential part toward this calendar year's goal of 25,000 paid-up debt-paying memberships among W.M.U. organizations in behalf of state and southwide causes. Just as the Midtown Tunnel is only a unit in a general project, so this plan for 25,000 paid-up memberships is to be duplicated during the calendar year of 1937. Woman's Missionary Union does not expect to issue membership cards or envelopes or in any way whatsoever to interfere with any

plans of the Baptist Hundred Thousand Club or of the state debt-paying campaigns but, through its magazines and other W.M.U. channels, it will seek to inform its constituency as to the moral and missionary motives for the prompt payment of such debts, with the understanding that just as soon as it is known that a W.M.U. membership has paid the annual minimum of $12 the achievement will be recorded toward the 25,000 goal. Each state will let its organizations know how to report any paid-up memberships, counting from January 1, 1936.

Personal—Gigantic as is the tunnel project it is nevertheless distinctly personal, because its sole purpose is to aid people to transport themselves and their produce with increased facility. Even so would Woman's Missionary Union emphasize the personal responsibility of its members in their own communities as well as "unto the uttermost parts of the world." Two main avenues lead up to and through this W.M.U. effort to reach individuals. One is

Enlistment—The adage is familiar: "Save a child and you save not only a soul but a life." Today is a child when viewed in the light of tomorrow. Therefore to enlist any one—young or mature—offers endless possibilities. Through emphasis upon its Standard of Excellence each grade of W.M.U. organizations has unlimited enlistment opportunities, such as accrue from membership, from attendance upon missionary meetings, from faithful stewardship of tithes and offerings, from mission study, from the circulation in the homes of the missionary periodicals and the state denominational papers, from Christ-like living in pursuance of directed and individual personal service, through individual and united intercession.

Enlistment resulted last year in the maintenance of 23,238 W.M.U. young people's organizations and 11,407 Women's Missionary Societies—a total of 34,645 which is the largest number ever reported by the Union. Particularly gratifying also is the fact that each grade of organizations shows an increase. Similarly was there growth in membership not only among the women but also among W.M.U. young people, the latter numbering 299,883, the women 293,883 in a splendid union of 593,766 members.

Service—Over one-half of these adult and youthful organizations are definitely engaged not only in the Christian, and therefore missionary, culture of their own members but are increasingly realizing that such enlistment leads into service for others less privileged spiritually or physically. In behalf of all such last year there were over 14,700 W.M.U. organizations which promoted religious visitation, over 2,800 that held Christian services, over 3,600 that distributed Bibles, over 11,200 that gave trays or baskets of food and over 5,000 that sought to persuade people to accept Christ as the very Bread and Water of Life.

In all such personal service there has been inculcated the highest appreciation of all races but there has been particular emphasis upon work among the neighborly Jews and the needy Negro. As an added aid to the latter there was made at St. Louis a gift of $250.00 toward permanent plans for the publishing of literature by the Woman's Auxiliary of the National Baptist Convention. This gift, which will be annual for a rather indefinite period of years, was provided by the Union's three magazines and by its Literature Department in commemoration of the "Jubilee of Our Mission Literature."

Prayer—Constructive as is preparation and gratifying as is the personal element, the chief essential for power in a missionary enterprise is, of course, prayer. Woman's Missionary Union seeks among many ways to have its young people and women "grow in this grace also." However it regularly presents two chief emphases on prayer, namely:

1. **Calendar of Prayer:** Month by month in *The Window of Y.W.A.* and in *Royal Service* the young and adult women, personally and at family altars and in their organizations, are led to plead for God's best gifts daily for the missionary or cause on the calendar, the chosen Scripture being a further aid toward more specific intercession. Not infrequent are letters from missionaries to prove that on "their day on the calendar" there was added strength for untoward circumstances.

2. **Seasons of Prayer:** Grateful are the missionaries also for the Union's regular seasons of prayer: for home missions in March, for state missions in the fall, for foreign missions in December. A very concrete proof that "prayer availeth much" is found in the fact that in 1935 W.M.U. organizations

gave over $240,000 to the Lottie Moon Christmas Offering of the December Week of Prayer and that the 1936 Annie W. Armstrong Offering of the March Week of Prayer went beyond $113,000. The general average in the 1935 observance of the seasons of prayer was: for state, about 14,500 organizations meeting to pray; for home, about 16,700 organizations; for foreign, 17,200.

Another irrefutable proof of the power of prayer is the growing interest in the observance not only in the southland but in interior mission stations of the December "Day-of-Prayer Around the World." Many missionaries write that the pastors and other men members finely co-operate in conducting this world girdling program of interest and intercession. Usually the mission stations voluntarily take an offering: the ones from north China have been sent to Jerusalem, whereupon the "believers" there responded with a token of prayerful interest in that part of China: the Brazilian W.M.U. by its offering helps far interior Indian missions and projects itself more sacrificially in its zeal to evangelize Portugal. Just as the Midtown Tunnel is using as many workmen deep down in the interior as up on the common level, so Woman's Missionary Union would through the pursuance of its prayer plans persuade each of its members to pray in season and out.

Space will not suffice to tell of the Union's house of prayer and missionary instruction—the W.M.U. Training School in Louisville, Ky.; its Margaret Fund to assist the sons and daughters of Southern Baptist Convention missionaries in pursuit of education; the 13,631 Southern Baptist churches that maintain one or more W.M.U. organizations; the 2,520 of these churches that have the Full Graded W.M.U.; the 287 whose Full Graded W.M.U. is A-1; the 233 Southern Baptist Convention churches in which every resident woman member made at least one contribution last year to some one of the state or southwide causes; the observance of the Shuck Centennial; plans to help promote the Luther Rice Centennial; praise for the 14,922 W.M.U. organizations that in 1935 attained at least four points on their respective Standards of Excellence; the 5,325 organizations that were A-1; the cumulating plans for the observance in 1938 of the Golden Jubilee of Woman's Missionary Union. Just as the great tunnel plans towards its victory in that distant year, so the Union knows that steadily—and stedfastly—it must pursue its plans through preparation, personality and prayer.

12. THE BAPTIST HUNDRED THOUSAND CLUB

St. Joseph, Missouri

Dr. Frank Tripp, General Leader

The following is the report of the progress of the Baptist Hundred Thousand Club from its beginning, June 6, 1933, to the close of this Convention year, April 30, 1936.

It will be of interest to Southern Baptists to know that the cash receipts have increased each year since the movement was started, and the promotional expense has shown a steady and substantial decrease. The following table will show the total cash received through the plan and the total cost of promotion of the movement from its beginning to date:

	Receipts	Expenses
1933-34	$ 87,524.62	$14,774.33
1934-35	180,074.36	11,062.47
1935-36	201,477.82	8,714.45
Total	$469,076.80	$34,551.25

From the above it will be seen that the cost of promotion of the movement for the first year, based on the cash receipts, was 16⅓%; for the second year, approximately 6%; and for this year, approximately 4.3%. The total cost of promotion of the movement from its beginning to date is approximately 7.3%.

CHAPTER III

BAPTISMS OF SOUTHERN BAPTISTS, 1935

Southern Baptists are certainly piling up a great record in the matter of evangelism. Believe it or not, but 6,404,148 have been baptized into the fellowship of Southern Baptist churches during the past 44 years, from 1891 to 1935, an average of 145,544 per year.

It was not until 1902, however, that Southern Baptists reported as many as 100,000 baptisms in one year. That year they reported 108,517.

Nineteen years later, in 1921, they were able to report over 200,000 baptisms. Then came 1932, which was our best year for baptisms—226,855.

Of course Southern Baptists have fluctuated in this matter of baptisms from year to year. From 1898 to 1900 there was a decided fall off, and again in 1926 to 1930. But during 1934 there were 209,364 baptisms, while during the year 1935, there were 202,047. But it is a rather significant fact that of all the people in the Southland baptized upon profession of faith, almost one-half have been baptized by Southern (White) Baptists, as a rule. The last year of actual record was in 1926 when Southern Baptists baptized only 193,279, but this was practically as many as all the others who were baptized on profession of faith. For the past sixteen years (1920-1936), however, Southern Baptists have baptized annually an average of 204,269 each year.

SOME STRIKING EXAMPLES

There are so many striking examples of conquering evangelism among Southern Baptist churches that it is difficult to make a selection. During the past five years, for example, the First Baptist Church at Gladewater, Texas, Rev. G. E. Ellis, pastor, has received over 1,000 members in the church. For 121 Sundays in succession some one has joined this church; and for 97 of these Sundays some have joined by baptism. Present membership, 836.

Another remarkable example is the Baptist Tabernacle, Atlanta, Ga., of which Dr. W. H. Knight is pastor. During the first four years of the present pastorate, the church has received for baptism, 1,224 and by letter and statement, 1,250, a total of 2,472, an average of almost twelve for each Sunday. Not a Sunday has passed when Dr. Knight was in the pulpit that there have not been additions to the church. Present membership, 3,441.

Dr. R. G. Lee of the Bellevue Church, Memphis, has had an almost unbelievable record, when one knows what this church suffered in the depression. In the eight years of Doctor Lee's pastorate (Jan. 1, 1928 to Jan. 1, 1936) there were 4,348 additions to this church—an average of 543 each year, or 10 1-3 for each week of the eight years. Of this number 1,167 came by baptism—an average of 146 per year.

BUT OKLAHOMA STILL LEADS

For some years, however, the Oklahoma pastors have been leading the South and the whole nation. In 1935, moreover, this Oklahoma record was continued, the Kelham Avenue Baptist Church of Oklahoma City, Dr. R. C. Howard, pastor, taking the lead of all others in the South and reporting 370 baptisms for the associational year. This was also the only church in the South, so far as we could secure the records, which baptized more than 300 in 1935.

CHAPTER V

THE BAPTIST TRAINING UNION DEPARTMENT

J. E. LAMBDIN, Secretary and Editor
W. A. HARRELL, Associate
C. A. HEARN, Associate

The year 1935 was outstanding in Baptist Training Union work. During the year we celebrated the Fortieth Anniversary of the organization of the B.Y.P.U. Auxiliary to the Southern Baptist Convention, and also mapped out a great program of expansion and development for the next five years. This Five-Year Promotional Program was worked out in co-operation with the state forces from every state in the Southern Baptist Convention. The main features of the program are outlined below.

THE FIVE-YEAR PROMOTIONAL PROGRAM

I. General Objectives

1. To establish the Baptist Training Union more thoroughly in the thinking of our people as the church program for training all church members and as an essential element in the Christian educational program of every Baptist church.

2. To make substantial progress in the enlistment of all our people in all our church and denominational life through a permanently effective means of enlistment, namely, the training process.

3. To present God's challenge to our young Christians to meet the demands of the new day with a complete dedication of their lives to the Master in any life calling into which he might direct them, and to be ready at all times to respond to his call to preach the gospel at home or in the uttermost part of the earth, or to enter any other field of Christian service as a vocation.

4. To fortify our people with the truth and equip them better through Christian training to meet the issues—social, economic, political and religious—of the complex age in which we live.

ASSOCIATIONAL CONFERENCES

Dr. T. L. Holcomb, our Executive Secretary, is leading the Sunday School Board in a great program of service, both in Sunday school work and Baptist Training Union work. The Baptist Training Union Department occupies a significant place in this program of expansion and development. Mr. W. A. Harrell, associate in the Department, is leading in the state conferences for the development of The Associational Baptist Training Union as a major means for promoting our work. Statewide conferences for training associational officers, promoted jointly by our Department and the State Departments, have already been held in the following states: Texas (state and district officers only), Tennessee, New Mexico, Kentucky, Oklahoma, Louisiana, Arizona, Florida, South Carolina, Georgia, Mississippi, and Arkansas.

The results of these conferences have been most gratifying. A total of 317 associations have been represented in these meetings and a grand total of 4,132 people have attended the meetings.

Through these associational organizations we expect to develop a corps of volunteer workers in each association who will be a mighty force to help us reach every Baptist church in the South with a great Baptist Training Union program. Conferences are also planned for the other states and will be held at different times throughout this year. Mr. Harrell, in co-operation with the state departments, has led in these meetings in a highly satisfactory manner.

OUR PROGRAM FOR 1936

Our Calendar of Emphases—Events—Activities for 1936 is built around the theme of faith. Faith will indeed be the victory in this great promotional program. All our literature and activities are correlated with the theme for the year.

SOUTHWIDE CONFERENCE GREAT SUCCESS

A grand total of 7,085 people registered for the Baptist Training Union Conference, meeting in Birmingham, December 31, 1935, through January 3, 1936. Every state in the Southern Baptist Convention was represented. The meeting was a glorious success. The representatives received the Five-Year Promotional Program with great enthusiasm. The program of the meeting was designed not only to set forward our Baptist Training Union work, but to minister to every phase of our church and denominational life.

LEADERSHIP ASSEMBLY AT RIDGECREST, JULY 26-31, 1936

The 1935 Training Union Assembly at Ridgecrest was a great success. Nine hundred and seventy-five people registered for this meeting. A great program is being planned for the last week in July, 1936. This Assembly, in two years' time, has come to the forefront as a great factor in developing the leadership for our Training Union work all over the South. Some of the speakers for 1936 will be Dr. B. W. Spilman, Dr. John Inzer, Dr. Dean Crain, Dr. T. L. Holcomb, Dr. J. O. Williams, Miss Inabelle Coleman, and Mr. C. K. Djang. Mr. Djang is a Chinese worker with young people and is now a student in our Seminary in Louisville. All the Training Union workers of the Sunday School Board and many of those from the states will also be on this program.

STUDY COURSE AWARDS NOW ISSUED FROM OUR OFFICE

On October 10, 1935, we began to issue all study course awards from our office in Nashville. Mr. Emmett Golden, our new office secretary, is supervising this work in a most efficient manner. Miss Cecile Smith handles the awards and is rendering invaluable service in this department. By issuing the awards from our office in Nashville, we are able to maintain the same standards for study course work throughout the territory of the Southern Baptist Convention. It also enables us to keep up-to-date accurate statistics for the promotion of this work.

PROGRESS IN 1935

1. *Organization*—Statistics, compiled by Dr. E. P. Alldredge, show that 7,884 churches now have the Training Union set-up, with at least a director, a gain of 975 in the year. The Baptist Training Union unit organizations (B.Y.P.U.'s and B.A.U.'s) now number 33,276, an apparent loss of 586—in fact, due to incomplete reporting. The total enrolment shows 669,230; a gain of only 19,457—due to the same incomplete reporting.

DR. C. I. HUDSON BECOMES A MEMBER OF BAPTIST TRAINING UNION DEPARTMENT OF BAPTIST SUNDAY SCHOOL BOARD FOR WORK WITH ADULTS

We are very happy to announce that the Executive Committee of the Baptist Sunday School Board, on April 29, 1936, voted to transfer Dr. C. I. Hudson from the Church Administration Department to the Baptist Training Union Department, to become effective June 1, 1936. This action was taken upon the recommendation of the Executive Secretary, the Business Manager, and the Secretary of the Baptist Training Union Department, and in accord with the wishes of Doctor Hudson.

Doctor Hudson comes into the Training Union Department as an Associate for field promotion. He will give his time largely to the development of the Adult department of the Training Union in our churches and associations, working in co-operation with and as a part of our whole Training Union field force. He will assist also in the general promotion of the whole Training Union.

In the B.A.U. we have a marvelously effective instrument for enlisting and training the men and women of our churches in every phase of Kingdom life. It supplements our program of teaching, adding elements of instruction and training needed by all adults and making a well-rounded program of Christian education for our churches.

It is our purpose to make it possible for every Baptist church in the South to have a Training Union with the B.A.U. as a regular part of the set-up. Doctor Hudson joins us in this great undertaking, bringing years of experience as a pastor and as a field worker in the Church Administration Department. We commend him heartily to our churches for this new service.

CHAPTER VI

CONTRIBUTIONS AND FINANCES OF SOUTHERN BAPTISTS

Our National Wealth

For two years past, there have been no authoritative estimates of the national wealth published. We are left with the presumption, therefore, that the national wealth of the United States in 1936 is approximately what it was in 1934—that is $250,000,000,000.

But Southern Baptists have made decided gains during the past two years. Also we have passed from being one-thirtieth part of the United States to become one-twenty-ninth part of this great nation. Normally, therefore, we could expect Southern Baptists to own one-twenty-ninth part of this nation's wealth—or $8,620,000,000! But we know that the economic conditions of the South and the Southwest fall twenty-five per cent below the general average for the nation. If therefore we deduct 25 per cent from the normal wealth of Southern Baptists because of bad economic conditions in this section of the country and then add fifteen per cent to the result because Southern Baptists rarely receive members below the age of nine (the average age of the youngest members in Southern Baptist churches is about 12.2 years), we have left $7,758,000,000 as the probable wealth of Southern Baptists in 1935—or $1,767 per member.

Growth of the National Wealth

The tabular view of our national wealth indicating its increase and decline since 1850, according to the highest authorities, is as follows:

In 1860	$ 7,135,000,000

*1926 is regarded as the basic year, though 1923 was almost as good.

AVERAGE INCOME OVER $300 A YEAR

We have not yet received the estimated income of the people of the United States for 1935; but we know that it exceeds the income of 1934, listed above; and we also know that the per member income of the 4,389,417 Southern Baptists for the year 1935 was over $300. For authorities tell us that the income from the farms in the United States in 1935 increased almost $800,000,000 over 1934; that construction activity in the South also reached $617,000,000 in 1935, the highest mark since 1931; also that various forms of business have experienced equally noteworthy advances.

SEVENTH DAY ADVENTISTS' EXAMPLE

We also have before us the very illuminating report of the Seventh-day Adventists, which tells us that they gave tithes in the year 1934 amounting to $21.91 per member and additional gifts and offerings making a total of $41.28 for every member of this denomination in the United States—and that too while Southern Baptists gave only $5.76 per member! Also, they expect their tithes for 1935 to reach $30.00 per member, showing that they regard $300 as the average income of their people.

PER CAPITA RECORD OF SOUTHERN BAPTISTS

In this connection, it is interesting to note the per capita gifts of Southern Baptists and also to see how these gifts were divided.

TRENDS IN PROTESTANT GIVING, 1928-35

(Taken from Information Service, March 21, 1936)

For a number of years the United Stewardship Council, 152 Madison Avenue, New York, has assembled data on contributions to the different communions. The data from 1928 through 1935 have been analyzed by this Department to show the trend for the leading American churches as a whole and that within certain communions as well.

The tables given below show, respectively, total gifts to 25 communions for all purposes and for congregational expenses.

Twenty-five Protestant Bodies

	Total Gifts for All Purposes	Total Gifts for Congregational Expenses
1928	$532,368,714.80	$402,683,961.82
1929	514,992,106.15	406,069,808.06
1930	507,491,165.08	401,213,150.88
1931	476,685,894.26	382,000,994.95
1932	418,621,531.84	338,302,278.93
1933	348,715,381.13	284,070,331.51
1934	299,416,781.35	246,232,501.23
1935	304,692,499.21	251,347,435.24

These two tables show the effect of the depression in two ways. **There has been a decline in total giving of about 43 per cent since 1928**—although the actual figure is probably not quite that large because of the inclusion of trust funds that year. **Contributions for congregational expenses have declined proportionately less than total contributions, and very much less than those for benevolences.** There has been a slight gain in contributions in 1935 over 1934, but the totals for 1935 are lower than for any year except 1934.

No one communion has the highest per capita rate for each year. In 1928 the Moravians gave for all purposes $72.53—a figure which no church has come anywhere near equalling since then. It is not surprising that in that year it had the highest rate for both congregational expenses and benevolences. In 1933 the Reformed Church in America had the highest total per capita rate ($23.68) and for congregational expenses as well ($19.19). For five years of the eight studied the United Presbyterians have had the highest per capita rate for benevolences.

The following tables show the trend in per capita total contributions and for congregational expenses:

Per Capita Contributions

	All Purposes	Congregational Purposes
1928	$23.30	$17.30
1929	22.04	17.38
1930	23.38	18.06
1931	22.62	17.67
1932	19.02	14.56
1933	16.11	12.70
1934	12.07	9.92
1935	12.10	9.98

It must be noted that the peak in contributions does not come in the same year for all communions. For some it is 1928, for others as late as 1930. Some show a slight, but definite, improvement in 1935, others register a still lower decline. The per cent of change per capita for a number of the leading denominations has been analyzed. Only one shows a decline of less than 40 per cent. The per capita rate of the United Church of Canada was 36.6 per cent lower in 1935 ($17.95) than it had been in its peak year, 1930 ($28.23). The United Brethren, Methodist Episcopal, United Presbyterian, Reformed in America, Southern Baptists, Methodist South and the United Lutheran Church lost from 42 to 49 per cent. The Presbyterian U. S., Congregationalists, Baptists of Ontario and Quebec, Disciples, and Presbyterian U. S. A. showed a loss of from 50 per cent to 53.7 per cent. The Protestant Episcopal Church showed a still greater loss of 63 per cent. Based on the phenomenally high 1928 figure the Moravian loss per capita ($16.79 in 1935) was 78 per cent. If the second highest figure is taken as the base ($30.59 in 1931) then the loss is about 48 per cent, which compares very creditably with that of the others.

Nearly all of the communions have maintained their per capita contributions for congregational expenses better than those for benevolences. The United Church of Canada and the Reformed Church in America showed the least loss in congregational gifts, about 33 per cent in 1935 as compared with the peak; the Methodist Episcopal and United Brethren each lost about 38 per cent; while the United Presbyterians, Presbyterian U. S. A., Presbyterian U. S., Congregationalists, Northern Baptists, Southern Baptists, Baptists of Ontario and Quebec, United Lutheran, Southern Methodists, and Disciples lost from 41.6 per cent to 51 per cent. The Protestant Episcopal loss was much greater —64.3 per cent of the peak.

SOUTHERN BAPTIST LOSSES IN THE DEPRESSION

The record of Southern Baptists during the eight depression years, covered in the foregoing survey, was as follows:

	Local Gifts	Mission Gifts	Total Gifts
1928	$32,526,122	$7,402,788	$39,927,910
1929	31,696,819	7,641,330	39,337,149
1930	30,725,184	6,763,837	37,489,021
1931	26,798,753	5,819,375	32,618,128
1932	22,390,477	4,951,011	27,341,488
1933	19,408,687	3,880,774	23,289,361
1934	20,401,608	4,251,668	24,653,276
1935	22,264,052	4,624,515	26,888,567
Actual Losses	10,261,070	2,778,273	13,039,343
Percentage of Losses	31.55%	37.53%	32.66%

Note—Southern Baptist losses reached bottom in 1933—which accounts for our better showing than some other denominations.

BUDGET OF THE METHODIST EPISCOPAL CHURCH, 1936

In the (New York) *Christian Advocate* of April 2, 1936, H. R. Snavely presents the budget of the Methodist Episcopal Church for 1936 as follows:

As long as our receipts are above $3,000,000 per year, it is recommended that the annual division be made according to the schedule given below. If the funds should fall below $3,000,000 per year, the fixed amounts should be reduced in proportion:

To the World Peace Department	$ 25,000
To Epworth League and Young People's Work (including 24-hour collection)	75,000
To Theological Seminaries	100,000
To Wesley Foundations	100,000
To the Federal Council of Churches	20,000
To the Commission on Conference Courses of Study	45,000
To the Board of Pensions and Relief	60,000
To Board of Hospitals, Homes and Deaconess Work	109,000
To the Book Concern for a revolving fund for the publication of tracts	5,000
For General Conference Commissions or appropriations by General Conference	5,000

The balance of World Service funds, less expenses of the Central Receiving Treasury and World Service Commission, to be pro rated as follows:

To the Board of Foreign Missions	46%
To the Board of Home Missions and Church Extension	30%
To the Board of Education	18%
To the Board of Temperance, Prohibition and Public Morals	3%
To the American Bible Society	3%

(NORTHERN) METHODISTS AND SOUTHERN BAPTISTS

In this connection, we think our people and the public would be interested in a comparison of the records of the Methodist Episcopal Church (largest religious body in the North and East) and Southern Baptists, the largest religious body in the South and the Southwest—and this year taking the lead of all single denominations in the United States:

Note—Is there not something seriously and shamefully wrong with this record of Southern Baptists? What is it?

CHAPTER VII

HOSPITALS AND ORPHANAGES IN 1935

1. THE SOUTHERN BAPTIST HOSPITAL

2700 Napoleon Avenue, New Orleans, Louisiana

Dr. Louis J. Bristow, Superintendent

The Southern Baptist Hospital, located in New Orleans, is operated by the Hospital Commission of the Southern Baptist Convention, which commission was formed by the Convention in 1923 by the election of one member from each state then represented in the Convention. The Hospital Commission today is composed of the following members:

F. S. Groner, Texas, president; Louis J. Bristow, Louisiana, secretary-treasurer; Allen S. Cutts, Florida; A. P. Blaylock, Arkansas; Frank M. Purner, Mississippi; H. E. Kirkpatrick, Louisiana; W. A. Kuykendall, New Mexico; M. P. Hunt, Kentucky; T. Baron Gibson, Georgia; J. L. Ford, Illinois; E. P. Vandiver, South Carolina; E. Hilton Jackson, District of Columbia; J. R. Black, Tennessee; S. H. Templeman, North Carolina; C. B. Arendall, Alabama; S. E. Ewing, Missouri; J. N. Campbell, Arizona; George R. Brooks, Maryland; Andrew Potter, Oklahoma; Weston Bruner, Virginia. Local members: R. K. Longino, W. N. Adams, M. Dombourian, R. F. Lawton, George E. Butler, T. Harvey Hedgepeth, O. J. Farnsworth, S. S. Carothers.

The hospital is organized with a superintendent as administrative head, who, under the charter, is the executive officer of the commission. There are departments and subdivisions of the internal work of the hospital, as are usual in a technical institution of its kind, each under its own proper director or supervisor.

HISTORY

The hospital represents an initial cost of $1,134,136.82, and was opened in March, 1926. It has always paid its operating expenses, including the cost of its charity work, from its operating income. No part of the co-operative funds from the churches has ever been used to operate the hospital, but all such receipts have been used to pay for the plant, or interest on the debt incurred in

construction of the buildings. Moreover, the hospital has earned an operating profit every year, and has actually paid on the debt from its earnings $327,368.35. The present debt is $341,000.00.

Since its opening the Southern Baptist Hospital has earned from operation more than its total receipts from the co-operative funds, which is a remarkable showing. It has received from the denominational contributions a sum insufficient to pay even the interest on its indebtedness, and all payments on the principal of the debt and part of the interest have been made from its earnings. Its history has been an outstanding achievement in Baptist work.

Not only has the hospital paid from its earnings in ten years $327,368.35 on its debt, but it has done charity work which cost $306,049.10, of which only $46,099.07 was contributed. That is, from the earnings it has given $260,950.03 to the sick in free service.

All of the above figures are from the ten-year period which ended in March, 1936.

ITS PROGRESS

Notwithstanding the economic depression of the past seven years, the Southern Baptist Hospital made a substantial advance, and Southern Baptists have every reason to be gratified at the success of the institution.

As a denominational asset the hospital ranks very high. Located in a city into which Southern Baptists have poured mission money and sent consecrated laborers for three-quarters of a century, all of which made but little visible effect upon the community, the Southern Baptist Hospital is one of the outstanding institutions of New Orleans, patronized every year by many thousands of persons of all types of religious faith, coming from every section of the city, state, and neighboring states, and foreign countries. These contacts, directly or indirectly, leave a favorable Baptist impress whose value cannot be computed.

As a scientific house of healing the Southern Baptist Hospital has no superior in its equipment and service, as is attested by the highest national authorities, which rank none above it; and as a denominational missionary agency, Southern Baptists have none which excels in its immediate environment.

The hospital gives service to all missionaries of the Foreign Mission Board who are in America on furlough who need hospitalization; and to missionaries of the Home Mission Board, without cost to either missionaries or the Boards.

A PRESSING PROBLEM

The pressing problem of the hospital is the payment of its building debt. If Southern Baptists would pay that they would at once release operating earnings of about $40,000 per year for additional free work for the poor, or to give reduced rates to those who pay, or for direct missionary work in New Orleans or elsewhere.

Of course, there are departments which ought to be enlarged, such as the department of pediatrics, or the children's ward. The hospital is doing a capacity work in pediatrics but the opportunity for actual service to suffering humanity in this field is limitless. If one would win a parent let him serve his child.

However, the one pressing need of the hospital in New Orleans is the payment of its debt. Set it free in its beneficial service to healing humanity's hurt! The Hundred Thousand Club movement promises great help.

PROSPECT AND APPEAL

From the foregoing it may be seen that the Southern Baptist Hospital has an alluring prospect for service to suffering humanity. Its primary mission is to heal the body—a work which Jesus gave so prominent a place in his own ministry. And we do it for the same reason he did, namely, to direct men to the Great Physician, the Healer of body and soul.

One cannot study the New Testament and escape the fact that Jesus laid great emphasis upon healing the body. Matthew says (8: 16f) that he "healed all that were sick, that it might be fulfilled which was spoken by Isaiah the prophet, saying, Himself took our infirmities and bare our sickness" (see Isaiah 53: 4). Mark says (1: 32), "they brought unto him all that were diseased and he healed them." Luke says (4: 40), "all they that had any sick with divers diseases brought them unto him; and he . . . healed them." John, who gives more attention to his teaching than his works, relates details of some remarkable healings, which gave Jesus splendid opportunities to teach the people. And he commanded his disciples to "heal the sick" (Matt. 10: 8; Mark 6: 13; Luke 9: 2, and 10: 9, and so forth).

This, then, is the basis of the appeal of the Southern Baptist Hospital, namely, the example and command of Jesus, and its own record of service.

THE YEAR'S SUMMARY

Last year we cared for 2,687 patients, giving 42,506 days of service. We gave 236 persons 2,197 days of free service, and 902 other persons 9,642 days of part free service.

The total amount spent on free service (to be added to this is the value of doctors' services, which were given without cost)—a Christian benevolence towards the poor—was $45,672.50.

We received from the Co-operative Program $17,008.46, and from the Hundred Thousand Club $4,659.02, or a total from the denomination of $21,667.54, which was an increase of $1,847.39 over the previous year.

During the year we paid $44,000.00 on the capital debt, $21,490.92 for interest, and $45,672.50 for free service.

TEN YEARS' RECORD

As the Hospital has completed ten years' service we feel that the Convention will be interested in what has been accomplished in this first decade.

Our capital indebtedness has been reduced $611,005.31.

Our charity work has cost us $306,049.10.

We have earned an operating profit every year.

We have paid all bond maturities and interest promptly the day they were due.

We owe no deferred indebtedness save the unmatured bonds, and no current bills save those made in the current month.

During the ten years we have cared for 64,785 patients, giving them 406,022 days of service; we have given 39,388 days of free service, and 64,631 days of part free service.

Operating Income has been	$2,944,031.92
Operating Expenses	2,617,682.85
Operating Profit	$ 426,349.07
Receipts from Co-operative Program	245,999.16
Other Gifts, etc.	45,099.07
	$717,447.30

We suffered property losses in flood damages in 1926 and 1927 which cost us $43,220.00 to repair and replace. We built and equipped an addition to the Nurses' Home which cost $44,221.93. All of these items have been paid.

CO-OPERATIVE WORK

The Hospital gives free service to missionaries of the Foreign Mission Board, having cared for thirty-two during the year at a cost of $3,118.42 to us, which was a direct contribution to the Foreign Board. We also gave free work to students of the Baptist Bible Institute, inmates of the Baptist Rescue Mission, local orphans' homes, and kindred Protestant institutions, to denominational workers and others.

RELIGIOUS LIFE

Religious services are held daily in the chapel; there is a standard Y.W.A. among the student nurses; and the New Orleans Baptist Association employs a "Hospital Chaplain" who is doing a fine work among the patients.

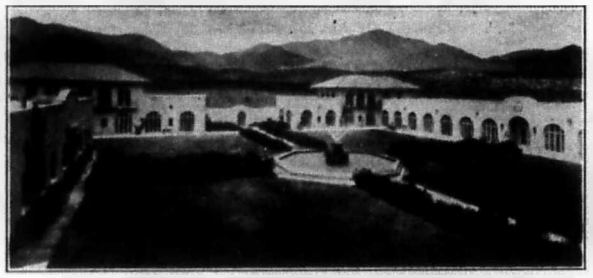
2. EL PASO TUBERCULAR SANATORIUM



W. W. Britton, M.D., Superintendent and Medical Director
El Paso, Texas

This great hospital for the treatment of tubercular patients bears a threefold distinction: (1) It is the only tuberculosis hospital in the United States, operated by the Baptists; (2) in climate, in buildings and equipment and in medical care of the patients it offers all that the most expensive sanatoriums in the nation offer; but (3) the prices of its services and all its splendid advantages are about one-half that of other similarly equipped tuberculosis sanatoriums. Doctor Britton thus reports on the progress of the sanatorium during 1935 and its future plans, and so forth:

Our patients' average attendance has been lower this year because of the fact that the hospitalization of state patients in the private sanatoria of the state has been discontinued, and of course in the last few months since we have had no state patients we have necessarily had to reduce our number of employees, but most of the year we have carried twenty or more employees, including six graduate nurses. All of the private patients who have attended this institution have paid rates which are so much below the rates charged by all first class large sanatoria that they are considered semi-charity. We are trying to operate the institution so that we can give the best possible care and treatment to all who apply to us for entrance at he lowest possible charge on which we can still keep the sanatorium self-sustaining, and from the number who have been able to receive sanatorium care because they could pay our rates where otherwise they would have had to do without it, and from the number who have returned to their homes in good condition to take up their regular life again, we feel that we are carrying out the wishes of the Southern Baptists when they gave the money to erect this sanatorium for the relief of their sick brothers and neighbors.

We have Sunday school every Sunday morning and church services every Tuesday evening, under the direction of Rev. J. C. Vandiver. The patients feel that this is a very important part of their stay here and many attend by being rolled into the large, especially designed assembly hall in their beds who otherwise, being unable to sit up that long, would be denied the privilege of attending services. We also have occasional programs for them which add a great deal to the pleasure of their stay here, and by getting all that are able to attend together like this frequently a friendly spirit is developed that makes the patient much better contented in his or her stay among us, while recovering health.

But in spite of all this we do not have the large number of patients that we know we would have if the knowledge of this institution and the service it has to offer was more widely known. We have found on investigation that not 75 per cent of the denomination know anything about this sanatorium now, although at the time it was built of course it was widely advertised. We now are badly in need of getting our message before all the sick and the best way to do this is for each and every member to feel it their duty to pass the word along to any sick in their community, and for all organizations in the church to call to the attention of their members that they have this institution and they can help to make it one of great blessing to humanity by passing the word of

it along, for many people would be on the road to health right now if they only knew that they could receive treatment of the very best for rates from $50.00 to $75.00 per month and up.

CHAPTER VIII

SCHOOLS AND COLLEGES

REPORT OF EDUCATION COMMISSION

CHARLES D. JOHNSON, Chairman
E. M. HIGHSMITH, Vice-Chairman
SPRIGHT DOWELL, Secretary

May 15, 1936

PART I

This is the eighth annual report of the work of the Southern Baptist Education Commission. Throughout these eight years of the life of the Commission it has promoted the work of Christian education in line with the resolution adopted by the Convention in establishing the Commission in 1928.

No Paid Secretary

At no time has the Commission or any member of it been paid for services rendered. Expenses amounting to $2,500 a year were voted by the Convention and these funds were used year by year in carrying out the following instruction of the Convention:

"The duties of this Commission shall be to stimulate and to nurture interest in Christian education, to create educational convictions, and strive for the development of an educational conscience among our people. To this end the Commission shall gather and organize facts and statistics in support of Christian education and send them out to the Baptist people of the South through the medium of our denominational papers, through the distribution of tracts and other forms of publicity. In short, this Commission shall be both eyes and mouth for Southern Baptists in all matters pertaining to education."

As the Commission was created to be the educational "eyes and mouth" of the Convention, the obligation was accepted and the task conscientiously undertaken.

The work has been so apportioned among the membership of the Commission that the load has been less heavy than if one, two or three of the eighteen did all the work. Five appropriate committees, each with a chairman, have worked tirelessly with the Chairman, Vice-Chairman, and Secretary of the Commission and this co-operation has been the basis for effective work during these eight years.

For seven of the eight years funds were provided for expenses of the Commission. With these funds, which originally amounted to only $2,500, the Commission assembled information from all Baptist colleges, seminaries, junior colleges, and academies in all the states in the Southern Baptist Education area. This information has been tabulated and furnished to the Baptist Press in the different states and on special occasions, when the secular press would use it, the Associated Press and the daily press have been furnished advantageous news and articles.

State Conventions, associations, and in many instances, churches, have been furnished Christian educational information particularly about the colleges in the states in which the conventions and associations have been meeting. Special booklets and leaflets have been circulated among young people's organizations under the direction of Baptist leaders in the several states.

The Commission has published regularly the annual report which is now being sought by educational organizations throughout the United States. The Commission has been able to keep informed regarding educational movements among 1,102 colleges and universities of the United States and in turn to inform our Baptist College executives and other leaders who are directly and vitally concerned with Christian education. The co-operation of the various Baptist organizations and agencies, including the Sunday School Board, the W.M.U. and the state agencies has made the work far more effective than would have been possible otherwise. The

active interest of the Baptist editors has been a great advantage. Without this co-operation the work of the Commission would have been severely curtailed.

Enrolment is Up

Last year's report showed 14,560 students in our twenty-nine colleges. This year this has climbed to 16,491. The summer school enrolment was not shown in last year's report. There were 4,561 summer school students in our Baptist Senior Colleges making a grand total of 21,052 students. Four of our Baptist higher educational institutions have more than a thousand students each, and one has more than two thousand. Baylor University, Texas, has 2,206; Howard College, Alabama, is second with 1,388; University of Richmond, Virginia, is third with 1,340; Howard-Payne, Texas, 1,001; Wake Forest, with 998, lacks only two students of reaching the thousand mark. Six other institutions have more than five hundred students. Eight colleges, however, have fewer than three hundred students. There is a net gain in enrolment in the Senior College division of 13 per cent. Better work has never been done in these schools of higher learning. More adequate support is sorely needed in a majority of these colleges.

All Seminaries Gain

All theological schools make gains. The enrolment in the seminaries and training schools totals 1,191 as compared with 883 the previous year. The highest commendation is due these great institutions.

Junior Colleges Show a Loss

Only the junior colleges have shown a loss in enrolment as compared with last year. The largest junior college is Stephens, at Columbia, Missouri. The enrolment is 903. One junior college, which was closed a year ago, is planning to open this fall. Six junior colleges have fewer than one hundred students each; seven others have fewer than 200 students. The total enrolment in the 21 junior colleges is 4,439. There is great need of new adjustments based upon careful study and applied wisdom.

Academies Grow

Last year the academies reported 1,556 students. This year they have advanced to 1,776. This number, 1,776, suggests that they must have the do or die spirit. No finer work can be done than to bring out the latent possibilities in the students enrolled in these academies. Some of the finest constructive work ever done in the name of Christian education is done in the academies. The location of these institutions is strategic for capitalizing the opportunity to attract some of the potential leaders of the future for a Christian civilization. The beginning is in these academies and the flower of Christian educational work is seen in the Senior colleges, universities, and seminaries.

The total enrolment in seminaries, colleges, and universities, junior colleges, and academies, exclusive of summer school students is 22,706, a six per cent over last year.

Property and Endowment Show Increases

The fact that enrolments are in advance of last year is matched by increases in value of property and amount of endowment. The increase in property over last year is $3,180,792.24. The total value of Baptist college property is $34,133,147.62. Endowments have increased by $574,936.50 which brings the present Baptist college endowment total to $19,855,241.34. It is quite likely that the income on much of this endowment is greater this year than last due to the appreciation of income from investments. The total property and endowment value of Baptist educational institutions is $53,988,388.96.

Detailed information for each institution appears in the statistical tables elsewhere in the report.

Three Appealing Arguments

Great emphasis should be placed upon Christian education by the Convention. The reasons for such emphasis are deep and fundamental.

First—The leadership sources through all the years of American history have been the Christian colleges. This does not mean that some great Christian leaders do not come from state colleges and universities. Now and again one of our greatest leaders comes from a state university, but the great ma-

The Baptist Junior Colleges in our midst do not have adequate equipment or support. It is high time that we wake up to our pressing needs in reference to these institutions. With the public Junior College coming more and more into prominence, and maintaining high levels of equipment along with generous state and local support from public funds, we Southern Baptists cannot continue to take our Junior Colleges for granted. If we do, we shall lose them rapidly in the near future. Do we want to see this happen? To this question the members of the Education Commission answer, No! We must get busy if we save them.

A glance at the figures on Property and Endowment in Baptist Academies shows that we face here a truly heroic task, if we mean to do a fair part by these genuinely missionary institutions. These schools, the few that we have still in operation, are doing a great and a much-needed work. They deserve far better equipment and support than we are giving them.

Quoted from the Highlights of the year 1935-1936 as reported to the Commission by our Seminaries, Colleges, and Schools:

SEMINARIES

Baptist Bible Institute: "In the last eight years the indebtedness of the Baptist Bible Institute has been reduced from $363,000 to $215,400, and this has been accomplished through our emergency appeal and through the gifts largely of the Hundred Thousand Club.

"We had this year the best Home Coming Week in our history. We combined the Layne lectures, Tharp lectures, religious education and music conferences. There were many outside speakers.

"We have had our largest demand for catalogs, the usual supply having been long since exhausted.

"The outlook for the Baptist Bible Institute has been greatly strengthened this year by a rearrangement of our Christian Training courses, making it possible for students to major in English Bible, Religious Education, Music, and W.M.U. work."

SENIOR COLLEGES

Baylor University, Waco Division: "The largest student body in the history of the University.

"Operation at a net profit according to six months' audit, September, 1935-March, 1936.

"Increased standards of scholarship including:

1. More rigid regulations governing graduate study.
2. Establishment of comprehensive examination in major subject as requirement for all honors, either departmental or general.
3. Reorganization of advisory system for purpose of more definite classification of students into lower and upper groups.

"Notable additions to faculty, including:

1. Eight full-time teachers in College of Arts and Sciences, five of whom have Ph.D. degree.
2. Three full-time instructors in Music, all trained both in Germany and America.
3. Establishment of a Department of Art under supervision of artist-professor of extended training and long experience in Germany, France, and the United States.

"Preliminary organization of an Ex-Students' Association completed. Major objective is the raising of a fund approximating a net of one-half million dollars for construction of a Union Building (or other needed structure) during Baylor's Centennial Year, 1945.

"Establishment of a Student Personnel Department. The Personnel Office was established at Baylor University in September, 1935. It is the first department of its kind to be organized in a Texas University.

"The personnel director is assisted in his work by any and all of the faculty members and administrative staff. The orientation of the freshmen in Baylor life and spirit is one of the objectives of the Personnel Office. For this work about one hundred upper classmen are chosen and trained in the spring of each year for assistance in the fall quarter. These group leaders represent the best student spirit of the University. The Personnel Office is directly responsible to the President of the University.

"The following editorial appeared in the Thursday, April 2, issue of the University newspaper:

"HOLDING HIGH THE TORCH"

"To you I hand the torch." Thus President Brooks closed his immortal message to the Baylor graduating class of 1931. The torch was a light of vision, a dream of greater Baylor in the future. The torch was to be kept burning by the efforts of the hundreds of Baylor men and women who work tirelessly in an effort to push Baylor forward. The Personnel Department of Baylor University is endeavoring to strengthen the glow of that torch of vision. It is trying to link together Baylor's men and women who dream of her future, so that they might hold high the torch entrusted to their care. It is trying to do this by bridging the gap between the freshmen and the seniors, between the seniors who graduate today and those who will graduate three years from today, by drawing the groups into a chain of fellowship. The freshmen no longer have cause to feel that they are an isolated group, separated by their newness and strangeness from the circle of the Baylor family. They are immediately drawn into a group of students who already know and understand what Baylor spirit really means and they can from the moment they come to Baylor's campus begin to carry the torch."

Bessie Tift College: "We are increasing our endowment, have added the past year about $35,000 and are steadily increasing this with a view to bringing the total endowment to $600,000.

Carson-Newman College: Largest student body in the history of the college.

More graduates in the past ten years than in the first 74 years of the college.

Chowan College, Murfreesboro, N. C.: Had the misfortune to lose by death, September 5, 1935, their president, the late Dr. W. B. Edwards.

Furman University: The high lights of the year have been, first, the meeting conducted by Mr. Gresham and, second, the religious work conducted by the students. According to my information, there has been special interest in dormitory prayer meetings. I understand, too, that some excellent work has been done by an N. Y. A. group in a neighboring mill village where a condition of unemployment has prevailed. Two students who have been engaged in this work were talking with me about it yesterday. They are anxious to continue it during the summer.

Furman reports also successful completion of a financial drive to raise $300,000.00 to assure funds needed for the full co-ordination of Furman University and Greenville Woman's College.

Mississippi College: Our system of religious activities is organized thus: 16 unit religious activity organizations with a total of 23 individual meetings each week. These organizations comprise Sunday school classes, Baptist Young People's Unions, Noon-Day Prayer Meeting, Ministerial Association, and the Sunday night After-Service Prayer Group.

These unit organizations are the component parts of a general organization known as The Baptist Student Union. The activities of the unit organizations are correlated and supervised by a Baptist Student Union Council and a Director of Student Activities.

In addition to these unit organization meetings each week, there are two regular preaching services in the Baptist church adjacent to the college and one general church prayer meeting.

The chief advancement of the year to date is twofold:

(1) A growing sense of responsibility to their various duties in Christian service on the part of students.

(2) A constant tendency toward deeper devotional habits. From 50 to 70 attend the Noonday Prayer Meeting every day; from 30 to 50 attend the semi-weekly meetings of the Ministerial Association; from 20 to 40 groups of students participate in the "prayermate" daily devotionals.

Oklahoma Baptist University: The following items are of outstanding significance to our institution this year. First of all, our statewide Debt Liquidation Movement which includes the total indebtedness of Oklahoma Baptist

University. We are in the midst of this campaign with very encouraging results to date. We have every reason to believe that all our indebtedness will be provided by the Convention meeting next November. We have no indebtedness on our Baptist institutions or state work except bonded indebtedness of O.B.U., Memorial Hall for Women and our two hospitals. The total objective is $241,000.

We are nearing completion of a campus improvement project which includes a rustic stone wall surrounding the campus and extending to the limits of our land on the Oklahoma City highway; general improvement in planting shrubbery and replotting the twenty acre campus eliminating cross drives with re-sodding, etc.

The Hall for Men has been completely refurnished and put in first-class condition. The funds were provided by the laymen of the State. I do not know the exact amount.

Ouachita College: The enclosed card will show our big increase in enrolment. I regret very much that we are unable to take care of more than five hundred.

We are in a campaign now to raise funds not only to pay our debts but to enable us to take care of more students.

We are now celebrating the fiftieth anniversary of the College. We hope to raise $100,000 this year to cancel all our indebtedness.

JUNIOR COLLEGES

Central College, Conway, Arkansas: "We make this college **Christian** to the best of our ability."

Jonesboro College, Jonesboro, Arkansas: "The college is closed for 1936-36. The campaign to raise funds to re-open is being led by the new President, Dr. H. E. Watters."

President R. L. Moore, Mars Hill College, Mars Hill, N. C., says: "Our biggest problem is to 'Make our schools Christian in ideals and practices.'"

ACADEMIES

Blue Ridge Mission School: "The Virginia Baptist Board of Missions and Education appropriates to us about $5,000.00 per year."

Harrison-Chilhowee Baptist Academy: "Our greatest thrills come from our work in training Ministerial students."

Magoffin Institute: "This year has been a hard one financially because of the indifference of the denomination except as to individuals, regarding the cause of Christian education. But it has been a good one in other ways.

"We received a gift of 300 acres of farm and woodland, which the donors are developing, and improving for us. We also received a gift of 19 acres more toward the school campus, and pasture. We have coal on this new addition to the campus, and have been getting our fuel coal there.

"We had 32 baptisms in the year's work. And two more students have felt the call to the ministry.

"We make evangelization and preparation for service foremost in our aim and goals. And God gives us a yearly harvest."

San Marcos Academy: "We have progressed far in liquidating old indebtedness during the current year; total reduction during last four years—nearly $40,000, leaving unsecured debts of $12,000 in round figures. We are securing some outside assistance on paying this debt, and confidently expect to owe not more than $5,000 at the end of our fiscal year.

"A second item of great importance: Our enrolment has equalled that of the school year 1927. This has raised the level of teachers' salaries about 20% and has enabled us to put our buildings and equipment in first-class condition.

"A revival within the school in January saw every unsaved student won to Christ—that intangible Personality of the Academy, which comes through the Spirit of Christ dwelling on our campus, has caused large numbers of our patrons to testify to the glory of Christ."

CHAPTER IX

SOCIAL PROBLEMS CONFRONTING SOUTHERN BAPTISTS

Ever since the launching of the Department of Survey, Statistics and Information in 1920, large attention has been given to assembling and filing information concerning the acute social problems which confronted Southern Baptists from time to time. Only in a very limited way, however, have we attempted to make use of this data in the pages of the Handbook. In fact, we have confined the services of this Department, along this line, almost exclusively to answering specific calls of pastors and social workers. We believe, however, that the time has come to include at least a factual summary of the acute and vital social problems confronting Southern Baptists, in the yearly issue of the Southern Baptist Handbook. We are, therefore, attempting to make a modest beginning of this new form of service in the chapter herewith. We have purposely, however, omitted our data dealing with the liquor traffic because of the large and illuminating treatment of this topic in the Social Service Commission's report.

I. RACIAL RELATIONS

1. Lynching Continues: In a pamphlet entitled, *The Mob Still Rides*, published by the Commission on Inter-racial Co-operation at Atlanta, Georgia, recently, the record of lynchings since 1889 is brought before us again with a special view of pointing out the accusations which were leveled against the victims of the mob during all these years. Why, for example, were all these 3,798 people lynched? The following table gives its own horrible answer:

Crimes Charged	1889-1930	1931	1932	1933	1934	1935	Totals
1. Homicide	1,399	5	2	10	2	7	1,425
2. Felonious Assault	214		1			1	216
3. Rape	622		1	3	2	3	631
4. Attempted Rape	249	5	1	3	4		262
5. Robbery and Theft	267					2	269
6. Insulting White Women	66		1	1	1	1	70
7. Other Causes	897	3	2	11	6	6	925
Totals	3,714	13	8	28	15	20	3,798

As will be seen by the foregoing, there were 20 lynchings in 1935 as compared with only 15 in 1934 and 28 in 1933. Of the 20 victims in 1935, 18 were Negroes and 2 whites. These lynchings occured as follows: 7 in Mississippi, 4 in Louisiana, while Georgia, Florida and Texas had 2 lynchings each.

2. In Squalid Tenements: The *Nation* of April, 1936, reported the following Conditions in Detroit's East Side slum district: The average monthly rent for a Negro family is $8; and the average family income in 1933 was $25 monthly, or $300 the year. One third of the families in a fifty-block area were found to be dependent on public welfare. In this area crime is 7.5 times the city's average; juvenile delinquency is over 10 times the other sections of the city, and infant mortality is 1.5 times and pneumonia 8 times the average of the city.

3. Recent Migrations of Negroes: The Bureau of the Census has made a study of the migratory movements of the Negroes of the United States, covering a twelve-year period (1920-1932) and embracing 86 cities of 50,000 or more population. This study showed that 50 per cent of the Negroes of New York, Chicago, Philadelphia, Washington, Detroit, Memphis, St. Louis, Cleveland, and Pittsburg were from some other state. In the Southern cities the proportion born within the state ranged from 59.4 per cent for Baltimore to 93 per cent in Atlanta.

New York City's Negroes, numbering 327,700, were born in the following states:

New York state	24.2%
Virginia	13.6%
South Carolina	10.3%
North Carolina	8.0%
Georgia	6.0%
Florida	2.5%
Other states, and so forth	18.7%
Foreign countries	16.7%

—Reported in *Fact*, Volume 4, No. 5, page 60.

4. Excluded From Labor Unions: Some 22 international and national trades unions exclude Negroes from membership by constitutional provisions, while still others discriminate against them by other means. The A. F. and L. permits Negroes to affiliate with it by means of federal unions. *Journal of Negro Education* for January, 1936.

5. Negroes Flocking to Big Cities: Few of our people realize how the Negroes are flocking to the big cities of the South. The 1930 census shows the following Negro population in seven of our big Southern cities:

Baltimore	142,106
New Orleans	129,632
Washington, D. C.	109,996
Birmingham	99,077
Memphis	96,550
St. Louis	93,580
Atlanta	90,075

6. What Catholics are Doing: The Roman Catholic weekly, *America*, in its issue of February 29, 1936, thus sums up the work of Roman Catholics among the Negroes:

Roman Catholic Negro churches	221
Priests in Negro work	249
Parish schools conducted	189
Orphanages maintained	15
Boarding schools operated	7
Industrial schools operated	3
High schools conducted	49
Colleges maintained	1
Preparatory and theological seminaries	1
Negro children enrolled, total	36,000
Religious orders helping	34
Teachers in schools	1,200
(Expended annually about—$250,000)	

7. Negroes in the Main Professions: Mr. Frederick J. Hankins is authority for the following summary of the Negroes in America in the various professions:

In the North:	
(1) Ministers of Gospel	5,694
(2) College presidents and professors	159

Total in West	1,528

8. **Southern Baptist Workers Among Negroes:** Rev. Noble Y. Beatle, 315 Red Rock Building, Atlanta, Georgia, is the representative of the Home Mission Board of the Southern Baptist Convention for special work among the Negroes.

E. P. Alldredge, author and editor of this Handbook is also Acting General Secretary of the Southern Baptist Commission on the American Baptist Theological Seminary, White's Creek Pike, Nashville, Tenn.

II. HEAVY ACCIDENT TOLL IN 1935

1. The *Nashville Banner* of February 25, 1936, very aptly sums up the fearful toll of accidents in 1935, as follows:

"The accident toll of the United States last year assuredly was formidable. There were 9,600,000 victims, of whom 99,000 were killed, 365,000 permanently and 9,100,000 temporarily disabled.

"The monetary cost of these accidents, including wage losses, medical attention, and property damage, was approximately $3,400,000,000, or about three times as much as the entire cost of operating the Government the year before the World War began.

"The death total was the third highest in history, exceeded only in 1934 and 1930.

"Motor vehicle accidents again led as the cause of death, with 36,400 fatalities recording an all-time high. There were twice as many as in 1923. Two-thirds of all traffic accidents occurred in towns of less than 10,000 population and in rural areas. The increases were in that territory and not in the cities.

"Home fatalities in 1935 numbered 31,500, a decrease of nearly 9 per cent from 1934.

"The number of workers killed last year—16,500—was less than half the number in occupational accidents twenty-five years ago.

"Public accidents not involving a motor vehicle remained the same as in 1934—17,500. Drownings and firearms accidents accounted for a large percentage of the total.

"Property damage from fire in 1935 totaled approximately $259,000,000, the lowest annual aggregate since 1916."

2. **Four Causes of Automobile Accidents:** The Safety Council insists that there are four outstanding causes back of the 36,400 deaths from automobile accidents in 1935—**Speed, Drink, Morons and Sleep.** Undoubtedly drink has very much to do with speeding and is perhaps the outstanding cause. Also most of the morons who have had fatal accidents have been found full of booze. So there are the very best reasons for agreeing with the (Nashville) *Christian Advocate* when it calls attention to the pointed report of Dr. Kilmer. Says the *Advocate*:

"As President Roosevelt called a national conference to seek causes and find cures for our terrific accident death toll, the *New York Times* published a report of Dr. Theron W. Kilmer, a police sergeant, who said that drunken driving has increased forty-five per cent in the nation since repeal. His figures are based on information received from commissioners of motor vehicles of every state issuing driving licenses. In one state the increase was 200 per cent; in another 113 per cent. Only the District of Columbia was able to report a reduction in drunken driving. In Dr. Kilmer's opinion, the intoxicated motorist is the greatest danger on the highway today."

III. SECTIONAL DISASTERS

1. The tornadoes which swept through many southern states in the spring of 1936 were among the greatest disasters on record in this country. There were 421 immediate deaths—211 in (Tupelo) Mississippi, 185 in (Gainesville) Georgia and 12 in Tennessee; also some 1,727 persons were seriously and some fatally injured; 3,200 family residences were blown down and wrecked and over $25,000,000 worth of property was destroyed.

2. The devastating floods in the New England states, during March, 1936, resulted in the destruction of $250,000,000 worth of property as follows:

Homes	$137,500,000
Stores	37,500,000
Factories	32,500,000
Public Works	30,000,000
Public Utilities	12,500,000

—See *Business Week*, April 4, 1936.

IV. CRIME AND LAWLESSNESS

1. **The Reach and Sweep of Crime:** Dr. Albert Sidney Johnson, of Charlotte, North Carolina, recently quoted these startling figures as an admonition not to fail Jesus Christ in these days: "Fifty-five thousand known criminals in New York City; more lives lost by homicide and murder in this country in the last decade than all the deaths in battle in all the wars this country has ever fought; 183,000 divorces in a recent year, one out of five marriages, as against less than 300 divorces in Canada in the same period: a $15,000,000,000 annual crime bill."—*The Watchman-Examiner.*

2. **Prison Conditions:** According to the Osborne Association, the prison population increased 100 per cent between 1924 and 1934—from 79,000 inmates to 158,000. The average daily population of the jails during 1936 was approximately 200,000. The annual maintenance cost of the police forces, courts, penal institutions and other protective agencies dealing with crime are estimated at $14,000,000,000. This does not take into consideration the waste of time, destruction of human life and property and other vital factors which bring the aggregate crime bill of the nation to at least $15,000,000,000. —Reported in *Fact*, Volume 4, No. 15, page 165.

This association also finds six deplorable conditions connected with prison life in America, as follows:

(1) Lack of facilities to segregate certain classes of offenders.
(2) Overcrowding at most prisons.
(3) Poor living conditions.
(4) Inadequate medical facilities.
(5) Ineffective disciplinary methods.
(6) Defective and inadequate parole facilities and methods.

3. **J. Edgar Hoover Warns the Nation:** In a speech before the Daughters of the American Revolution, meeting in Constitution Hall, Washington, D. C., April 23, 1936, Mr. J. Edgar Hoover, high chief of the G-men, gave the following pointed warnings to the whole nation on the crime situation:

"There are 150,000 murderers roaming at large over the United States.

"The army of crime in America is larger than any unified force in America.

"There are 3,000,000 persons in America who have been convicted of crime; and sufficient evidence has been assembled in the Department of Justice to indicate that one out of every twenty-five persons in this country is inclined toward lawlessness.

"It is time to cast out the lethargy which has brought this nation to a maximum of 150,000 serious crimes per year.

"200,000 persons now living will commit murder before they die and more than 300,000 will pass out of this life by being murdered.

"The average citizen now pays $120 a year as tax to live in a land where 12,000 are murdered every year, 46,981 commit felonious assault, 283,685 burglarize some home or business or innocent person, and 247,346 steal some one's automobile."

Mr. Hoover then detailed the theory that crime and politics are allied and that "law enforcement has been hampered, hamstrung and strangled by the blood-caked hand of crime-affiliated politics."

"This political alliance with crime exists in State after State, municipality after municipality. It halts the policeman; it halts the law-enforcement officer, even as he reaches for his gun, and holds him there, a target for bullets of the coward he has been attempting to arrest.

"It stalks into our courts, brushing aside indictments, trials and even convictions with a wave of the hand. It enters our penitentiaries, swinging wide the heavy prison gates for men who otherwise would have paid their debt to society in punishment for crime.

"It condones nonfeasance in office and provides actual malfeasance. It supports bribery, perjury and gangdom, and it has been known to place more than one ex-convict upon the force of a police department."

Mr. Hoover declared that "it is not at all unusual to find in the files of the Federal Bureau of Investigation that some local patronage official who handles the public's funds and appoints the so-called guardians of public safety, is discovered to possess a criminal record."

"It is inconceivable," he said, "that a country should be run so loosely that even ex-convicts, still maintaining their allegiance with the underworld, can be elected to office.

"I have said before, and I say again, that if every incumbent of public office in the United States were fingerprinted, and the records of the law violators spread before the nation in a single summary, the results would amount to a scandal that would rock the country."

Mr. Hoover attacked the parole system, declaring that there was "too much probation and not enough probationary supervision."

"Every two hours and a half," he said, "prison doors swing wide in freedom for a token of human life. A very few have served their sentences, a few more have been freed by death.

"Often," said Mr. Hoover, "we find that the most dangerous convicts are made trusties to go and come as they please. We find scandal after scandal, counterfeiting outfits discovered in prison, the free passage of narcotics and liquor, the selling of concessions within prison walls and buying of easy tasks, the malfeasance or nonfeasance in office necessary to wholesale escapes."

4. Church Attendance and Crime: Of 460 youths sentenced to the Massachusetts Reformatory 421 (91.5%) never attended church.—Reported in *Fact*, Vol. 4, No. 11, page 125.

V. PREPARATION FOR WAR

1. Cost of the World War: The United States Treasury estimates that with the payment of soldiers' bonus, the total monetary cost of the World War will reach $45,200,000,000.

2. Getting Ready for More Wars: Notwithstanding the staggering cost of the World War, the main great nation of earth, our own nation included, are getting ready for more wars. Here, for example, is the report which the Secretary of the Navy made at the close of 1935:

UNITED STATES

All three nations have launched several new ships since June, 1935. But when the total number of ships each nation has built that are under age are considered the United States does not fare so well. Uncle Sam has 89 ships of various classes or a total tonnage of 781,516 under age; Japan has 152 ships of various classes under age having a tonnage of 648,415; and England has 148 ships under age having a tonnage of 980,238.—*The Pathfinder.*

VI. RAVAGES OF POVERTY

1. The Plight of the Share-Cropper: For those who would get an understanding of the plight of the 1,500,000 families (7,500,000 people) who are share-croppers on Southern plantations; also get a first-hand view of the staggering problems of the landlords in these sections, we recommend the study of the following publications:

The Collapse of Cotton Tenancy, by Professors Johnson, Embree and Alexander, published in 1935 by the University of North Carolina press.

The Revolt Among the Share-Croppers, by Howard Kester, published by the J. J. Little and Ives Company, New York, 1936. (Pamphlet.)

Articles by Edwin R. Embree in March, 1936, *Survey Graphic—Southern Farm Tenancy, The Way Out*, and so forth.

Also *Cotton-Growing Communities in Arkansas*, a pamphlet published by the Federal Council of Churches—a survey by Dr. Benson Y. Landis and Dr. George E. Haynes.

2. Child Labor Increasing: The United States Children's Bureau reports that a careful check of labor certificates issued indicate that child labor has increased 58 per cent over the preceding year.—Reported in *Fact*, Vol. 4, No. 6, page 71.

3. Millions of Destitute Mountaineers: But we must not forget the two great mountain sections of the South—that is, the Appalachian and Ozark sections where there are 2,500,000 or more of "cabin people,"—people who dwell in little cabins or huts, eke out a miserable existence from the little "patches" of ground which they till, and are not only without schools and churches, for the most part, but without all the conveniences and most of the bare necessities of life. Just now, also, these people are being rapidly dispossessed and set adrift in a strange world by reason of the rapid industrialization of the Southland.

4. Miserable Housing Conditions: But dire poverty is not confined to any one section of the country. The Women's City Club of New York, for example, reports the following terrible housing conditions in one section of New York City:

1,395 families comprise more than 8,000 persons
They all sleep in windowless bedrooms
The living room in all cases is a bedroom
Twenty-four per cent of these families have no access to play grounds
Seventy-five per cent of all children must play on the streets.
Fifty-five per cent of all families must do all their housework in the kitchens
.—Reported in *Fact*, Vol. 4, No. 15, page 155.

5. Over 26 Millions Starving in 1929: Very much political capital is being made of the fact that on March 1, 1936, some 24,000,000 people were still being supported by relief funds. A far more ghastly and unaccountable fact, however, has been discovered and published to the world by The Brookings Institution of Washington, D. C.—**that in the highly prosperous year of 1929, before the economic smash-up came, 26,733,080 persons in the United States were starving, and 24,539,779 others were on the edge of destitution and not making a living.**

The findings of this highest authority in the nation along these lines shows that the so-called "prosperous twenties" was in fact a time of prodigious profits for the few and a time of grinding poverty, undernourishment, disease and hopelessness for 20 per cent of the population of America. These findings are so revolutionary and at the same time so authoritative and inescapable that we venture to pass them on to our readers in the following table:

Classes	Income per Family	Number of Families	Per cent of Population
1. Extra Wealthy	$75,000 and up yearly	58,000	0.1%
2. Wealthy	$25,000-$75,000 "	124,800	0.5%
3. Well-to-do	10,000- 25,000 "	471,000	1.8%
4. Comfortable	5,000- 10,000 "	1,825,000	6.9%
5. Moderate living	2,000- 5,000 "	3,872,000	13.1%
6. Minimum support	1,500- 2,000 "	9,893,000	35.7%
7. Upper edge of poverty	1,000- 1,500 "	5,577,222	20.3%
8. Real poverty	500- 1,000 "	4,075,700	13.6%
9. Starvation	0- 500 "	2,000,000	8.5%

Now, if we translate these figures into human beings, we have the following situation:

(1) 2,000,000 families or 8,800,000 people were starving
(2) 4,075,700 other families, or 17,933,080 people had a little but not more than half a living
(3) 5,577,222 other families, or 24,539,777 people had hardly sufficient income for bare existence and no comforts or conveniences.

And all these 11,652,922 families, comprising 51,272,857 persons (or 40.6 per cent of the total population) lived here in America before the economic smash-up and depression, while the greatest fortunes ever known to America were being piled up!

VII. GENERAL HEALTH CONDITIONS

Health Conditions Still Improving: One good thing among the bad is the fact that the general health conditions of the country are improving. The *Statistical Bulletin* of the Metropolitan Insurance Company (January issue) furnishes the following comparative schedule of the causes of death covering the years of 1934 and 1935, **per 100,000 population:**

Causes	1935	1934
1. Diseases of the heart	157.4	162.9
2. Cancer	95.5	96.1
3. Influenza and pneumonia	80.7	76.4
4. Cerebral hemorrhage	61.2	63.2
5. Bright's disease	59.9	64.9
6. Tuberculosis	55.6	59.4
7. Accidents	54.5	57.8
8. Diabetes	24.2	24.4
9. Suicides	9.1	9.5
10. Homicides	5.9	5.9

CHAPTER X

STUDENT WORK OF SOUTHERN BAPTISTS

FRANK H. LEAVELL, Secretary
WILLIAM HALL PRESTON, Associate

The Department of Student Work of the Baptist Sunday School Board is happy to report for the past year both a lengthening of cords and strengthening of stakes. In a number of specific phases of the work new areas of activity have been entered, while in the meantime, the progress formerly made has been dependably sustained. For both the extending of cords and strengthening of stakes the department is grateful to God for his obvious favor.

During the past year attendance upon colleges and universities in America has been slightly increased. Statisticians estimate the total number of college students in America at 1,200,000. While the attendance of Baptist students in the South has been proportionately increased, it is conservative to leave the estimate of Baptist students at 100,000 as given last year. Through the activity of the Baptist Student Union movement, as promoted by Southern Baptists, it is safe to estimate that of the 100,000 students some 60,000 have been touched, if not influenced, by the work of the B.S.U. This is an appreciable increase over the former year. This inrease is due to new areas which we have penetrated, especially on campuses of privately endowed schools and schools of other denominations. For this progress we are grateful. We are approaching the maximum of Baptist and tax supported campuses upon which B.S.U. activity is a possibility. Where there is not a definite organization according to the technique of the B.S.U., these campuses are reached by literature sent out from the department headquarters and by representation from such campuses at gatherings of Baptist students, both state and Southwide.

Grateful appreciation is expressed for the faithful and efficient service throughout the year of Mr. William Hall Preston and Miss Sibyl Brame. They have traveled from one border of the territory to the other. They have not failed to go when the calls have come. Their comfort or convenience has not been consulted as they have gone from campus to campus and from state to state witnessing for Christ and proclaiming the cause of the college students whom they have lovingly served. In the office Miss Nelle Arnold has served faithfully throughout the year. Miss Marjorie Moore came within the year and has served most efficiently.

Within the work of the department there has been proof of the effectiveness in student work of magnifying the local church in the college community as the unit of activity for the student. The past year has seen a marked increase of students taking their church letters from the home church and joining the church in the college community. A report from one center stated that four hundred students had joined the local church. This emphasis we consider of pre-eminent importance and it is stressed unerringly.

Throughout the year in and through every activity of the B.S.U. the spiritual emphasis has been magnified. Technique and methods have been provided, but they have been provided as a means to an end. That desired end has been one of increased spiritual power in the life of the individual student.

The Master's Minority Movement has been widespread. On campuses throughout the South small groups of students, without the necessity of even the semblance of an organization, have met recurrently and regularly and systematically for prayer, intercession, and sharing of Christian experiences. The prayer-mate movement, as a part of the Master's Minority Movement, has been extended to the borders of our territory. Literally thousands of students meet each day in twos, as prayer-mates, for a more intimate sharing and intercession. The prayer-mate movement is based upon Matt. 18: 19.

OUR SUSTAINED PLATFORM

No report of the B.S.U. work would be adequate without first a pause to recall the three fundamental principles upon which the work from its inception has been built. During the past year these principles have been conscientiously preserved and enthusiastically stressed. *First*, the students themselves are vitally a part of the movement. Their personalities, their ideas, their wishes, as well as their needs have been taken into every plan and every promotion. To keep them in the movement they are made a part of the movement. The movement is not one of adult superiority but of cordial co-operation between the students themselves and adult leaders. *Second*, there has been no sacrifice in the quality of what is offered to the students. They have been given the best, and in turn the best of them give their best to the work. This reference to quality includes the literature afforded them, the program offered them, and the speakers who are invited to address them as well as other elements considered on their behalf. It is preferable to give them less in order to give them the best. *Third* to be uncompromising in holding up to them the eternal verities of the Christian faith. Such eternal verities include the Bible as God's Word, the church as Christ's means and method of reaching the world, the Sabbath as holy unto the Lord, salvation through the vicarious death of Christ, and Christian development through the power of the indwelling of the Holy Spirit.

WORK IN THE ORIENT

At the request of Dr. C. E. Maddry, Secretary of the Foreign Mission Board, the Secretary of the Department of Student Work is spending three months—April, May, and June, 1936—in the Orient. The object of this work is to study with the Baptist youth and youth leaders in the Orient the principles upon which Baptist young people's work both there and here has been promoted. Along with these principles will be studied such techniques as may be mutually helpful. This work is not alone in the interest of B.S.U. activity. It is in the interest of all phases of young people's work in the churches and in the schools and colleges. While it is too early to anticipate results, this extending of the cords to international contacts holds within it possibilities of greater world co-operation and activity of Baptist young people. The result of the work should prove of great help to the various phases of young people's work among Southern Baptists in the homeland.

FIVE-YEAR PROGRAM

In co-operation with the five-year program of the Sunday School Board as inspired and led by Secretary T. L. Holcomb, the Student Department blends its full power in hearty co-operation. To the state meetings of the spring and summer a representative of the Student Department is going. Into every phase of the advancement of this movement the Student Department is prostrating itself to make its greatest possible contribution. The success of the five-year program depends upon a working force. The thousands of college students need activity. The five-year program is a blessing to the Student Department. The Student Department hopes to prove a help to the five-year program. Every possible effort will be made to assist the various interests in their respective promotional efforts.

IN BAPTIST COLLEGES

An encouraging forward step in B.S.U. activity within the past year was the organization within some Baptist schools of "The Department of Student Religious Activity of ——— University." The B.S.U. secretary when employed serves as "Head of the Department." In the smaller schools where a full time secretary is not feasible some one else is designated to serve in the capacity of counselor or director of this department. This new set-up of the student religious work in our Baptist schools has done much to stimulate, to magnify, and to dignify the work of the B.S.U. Where student secretaries are employed on a local campus a better approach to the student's spiritual life is realized.

STUDENT RETREAT AT RIDGECREST

The annual gathering of Baptist students at the Southern Baptist Assembly Grounds at Ridgecrest has for years maintained to a remarkable degree a spiritual impact upon the work throughout the South. In this respect the 1936 session

of the Retreat was exceptional. The results of that meeting have been felt on the campuses throughout the South. The ideals and aims set there have afforded sustained inspiration and throughout the South there has been an extension of the work to campuses otherwise unreached and a deepening of the spiritual emphasis on the campuses on which we had formerly worked.

Although the attendance was restricted in all states east of the River in an effort to hold the total number to within 1,000 which is the capacity of the grounds, the total attendance, first and last, ran to 1,110. An interesting study of the attendance by states reveals the gratifying fact that the interest and progress of the B.S.U. centers not in certain states but is found in all states of the South. From Maryland to Arizona our work has found its way and is built upon a foundation for permanent activity.

Attendance by States

Alabama	34	Missouri	40
Arkansas	37	North Carolina	139
D. C.-Maryland	29	Oklahoma	47
Florida	98	South Carolina	185
Georgia	95	Tennessee	62
Illinois	14	Texas	74
Kentucky	66	Virginia	42
Louisiana	40	Miscellaneous	10
Mississippi	99		
		Total	1,110

Looking forward to the 1936 meeting a similar limitation has been placed upon the states in the East and we are prayerfully anticipating a similar interest and similar spiritual victories. The dates are June 10-18, 1936. Commanding speakers and teachers have been secured.

VOLUNTARY SUMMER ACTIVITIES

Probably no phase of B.S.U. progress throughout the past year has been more marked, more gratifying, and more prophetic than was the voluntary work of the Baptist students during the months of the summer of 1935. Along with this special voluntary work in the churches we mention also the sustained activity of the B.S.U. through the summer term of the schools. B.S.U organizations were set up and the work promoted on the campuses of Baptist, tax supported, and privately endowed schools in all states of the South. This opportunity in the summer school sessions is an important one. On the campuses of many tax supported schools there are thousands of Baptist young people who through the scholastic year teach in the grade and high schools. These teachers who are touched by the summer work of the B.S.U. take back to the prospective college students definite information and inspiration regarding the program of student religious activity which is awaiting them at college.

Another phase of B.S.U. work in the summer is that of Baptist Assemblies, State Encampments, Southwide Conferences, and general denominational meetings. The B.S.U. interest is advanced in every such meeting which proves a possibility.

In the Churches. During the past summer a great host of voluntary student workers visited churches throughout the South in the interest of the various phases of Baptist work. This activity included teaching method classes in Sunday school, Y.W.A., B.T.U., and missionary study. In some states ministerial students spent the entire summer going voluntarily from church to church promoting youth revivals. From the pastors of some of these churches came reports in superlative terms. Formerly State Mission Boards employed Seminary students and other workers, on salary, through the summer months. This now has been made unnecessary by a mighty army of voluntary workers happily going in the name of the Master for such work in the churches in their association and state. Reports of the evangelistic meetings are especially encouraging. The future possibilities of this voluntary work defy analysis. Many of the greatest revivals of the world's history have been instituted by college students. Southern Baptists are blessed with as gifted and able a group of college students as the world has ever known. We pray that the Lord may use them from year to year in the extension of this meaningful work.

SEVENTEEN STATE CONVENTIONS

In October and November 1935, seventeen state conventions were held. No state failed to hold its state convention. The key-note of each of the seventeen meetings was "Sharing Christ With a Waiting World." The grand total of attendance upon these meetings was approximately 3,000. This total does not include all students, or others, of the local campuses where the conventions were held, but only so many of them as equal the largest delegation that came from some other school. These conventions proved a decided progress in the B.S.U. work of all the states.

STATE B.S.U. PRESIDENTS

In each state of the Southern Baptist Convention territory there is maintained a state B.S.U. organization. The presidents of these state organizations invest much time, energy, and prayer in the promotion of the work. They represent the very highest type of students of the state. Being students of ability, they are busy students. Their noble and heroic sacrifice in this voluntary capacity in connection with their heavy scholastic schedules proves their interest and faithfulness and their genuine conviction regarding B.S.U. work. The names of these presidents appear herewith.

CORPS OF STUDENT SECRETARIES

Another indication of lengthened cords and strengthened stakes in B.S.U. activity is the increased number of full-time workers who have been employed. The flood-tide of holy enthusiasm on the part of the student demands leadership. The highest development of the maximum capacity of individual students on the campuses demands specialized leadership. The B.S.U. movement as a whole goes forward in proportion to the leadership provided for it. Given below are the names of the student secretaries who give their full time to B.S.U. work, and also the part-time student workers who devote a portion of their time, but not full time, in promoting the same task. It will be noted that these workers fall into several classifications. The distinction is significant. The term "Student Secretary" is used only in cases of individuals giving their full time, on salary, exclusively to B.S.U. work.

THE BAPTIST STUDENT MAGAZINE

One activity designated by the Southern Baptist Convention for the student work of the South was that it maintain a monthly student religious magazine. The fourteenth volume has enjoyed increased popularity and widened circulation. This is another indication of lengthened cords and strengthened stakes of the B.S.U. The magazine goes to all campuses in the South and upon most of the campuses we have secured paid subscriptions. Through the courtesy of the Sunday School Board the magazine is sent to missionaries throughout the world. It is rendering an international service. Its main function, however, is on the campuses of the South.

The magazine carries to the rooms of the students messages of denominational progress, of world outlook, inter-campus activity, of Christian scholastic ideals, and of world missions. It combines quite attractively and successfully the inspirational and pragmatic features, both of which are indispensable in a well-rounded program of student religious activity.

LITERATURE FOR DISTRIBUTION

As the B.S.U. work has grown intensively and extensively there has been an increased demand for literature. Essential to the success of the work is a limited number of pamphlets, bulletin board posters, brochures, booklets, and so forth for free distribution. Through the year we have kept a sufficient supply of such free literature but have endeavored to use it conservatively.

Among the free literature best known and most widely used is the series of pamphlets known as the Cap and Gown pamphlets. In addition to the pamphlets, there are placards, a B.S.U. Calendar of Events, Covenant Cards, a limited number of complimentary copies of the magazine. A new diploma has been issued for the completion of the B.S.U. Book of Methods.

FIRST MAGNITUDE ORGANIZATIONS

Below appears a tabulation of the colleges throughout the South which have met all of the points of the Standard of Requirements. The Standard of Requirements applies to all kinds of campuses. The larger schools have greater difficulty in meeting it. It is a distinct honor to be First Magnitude, meaning thereby that the particular campus has met the ten points on the Standard. Those B.S.U. presidents and other leaders who have been dissatisfied with low aims and goals and have pushed forward to the realization of this goal deserve commendation. We present the Honor Roll of such schools for the past two years insomuch as the 1934-35 list was incomplete at the time of the last report.

SOUTHWIDE ACTIVITIES

In addition to the activities of the B.S.U. of the local campuses and activities of the State B.S.U. as a unit, there are certain activities promoted on a Southwide basis. Publicity, literature, suggestions, programs, report blanks, and so forth are sent out from the Nashville headquarters for the promotion of these events. Furthermore, each of these events appears on the B.S.U. Calendar of Events. Throughout the past year there has been hearty and widespread cooperation in the observance of these events, each of which seeks as its objective some spiritual ideal that will prove helpful to the individual student, helpful to campuses on which it is promoted, and helpful to the cause of Christ. These events, with the approximate time of their observance, are as follows:

(1) STUDENT JOIN-THE-CHURCH DAY in October, or near the opening of the fall term.

(2) B.S.U. STATE CONVENTIONS in October and November as discussed above.

(3) STUDENT NIGHT AT CHRISTMAS, the last Sunday night of the year. This event has won its way into the regular program of hundreds of churches throughout the South.

(4) STUDENT EVANGELISTIC WEEK in February is an effort to enlist individual students in personal soul-winning, aside from or in connection with the evangelistic meeting of the school.

(5) MISSIONARY EMPHASIS WEEK in March. This is in keeping with the general emphasis of missions in March by all Southern Baptist agencies.

(6) VOCATIONAL EMPHASIS WEEK in April which also has found its way for hearty annual observance on campuses of all kinds and in churches adjacent to campuses throughout Southern Baptist territory.

(7) BAPTIST STUDENT RETREAT AT RIDGECREST. This was discussed at length elsewhere.

(8) SUMMER STUDENT VISITATION OF CHURCHES. This phase of our work, mighty in its impact and far-reaching in its spiritual power, has been discussed elsewhere.

GENERAL SUMMARY

The development of student religious work in the South, as well as throughout the nation, is decidedly by the various denominations whereas in former decades inter-denominational leadership was largely responsible for the promotion of student religious work. We find today that the various denominations are promoting their own programs, putting into it an investment of money and life which was formerly unthought of. Southern Baptists are in some respects leading in the program of student religious activities. In other respects, as it can consistently be done, the Department of Student Work of the Sunday School Board maintains cordial contact, but not organic union, with other denominations in our mutual interest and promotion of the work. This phase of co-operation has proved helpful.

Within the past year there has been gratifying activity on the part of State Mission Boards in establishing, for the promotion of B.S.U. work in their states, a B.S.U. department of the State Mission activity. In this development the Sunday School Board has cordially co-operated. It is the ideal toward which we aspire. When each state in the South has a properly organized and properly promoted department of B.S.U. work under the general supervision of the State Mission Secretary and under the immediate direction of a capable State Student Secretary, or director, we will have reached the ideal plan of promotion.

Throughout the little more than a decade in which Southern Baptists have been promoting a program of student religious activity, seeking to properly care for the student sector of their constituency, certain principles have been established. Upon these principles a network of activity has been built which may well

be considered a philosophy. Analyzed in detail the following elements enter into this philosophy. Southern Baptists approach the students through the churches in the college centers, making the church the central unit of activity in and through which all possible religious activity is directed. They ask students to join the local church while in college. They afford what literature and leadership is necessary to make the religious activities alluring and effective. They give them the best of whatever they give and expect the best in return. They seek to match the physical and intellectual development of students with a corresponding spiritual development. They encourage scrupulous fidelity of students to the local church. They seek to lead them to maintain affection for their church as they did before going to college, and as that they should maintain after college days and throughout life. With such loyalty preserved through the college years, thereby bridging the four-year chasm of the college experience, the more privileged of their youth will return to their homes, to their churches, to their district associations, and to their states, to dedicate their best and their all to the advancement of the Kingdom of God throughout the world. Such is our aim.

CHAPTER XI

SUNDAY SCHOOLS AND VACATION BIBLE SCHOOLS, 1935

THIRD YEAR OF SMALL GAINS

1935 was the third year of small Sunday school gains for Sounthern Baptists—the smallest gains since 1914 and 1915. These small gains too came when there were many new Sunday schools. Here is the sorry record:

In 1933, there was a gain of 253 new Sunday schools, with only 18,015 enrolment gain
In 1934, there was a gain of 288 new Sunday schools, with only 34,927 enrolment gain
In 1935, there was a gain of 811 new Sunday schools, with only 53,047 enrolment gain

Total gains for past three years, 1,352 new Sunday schools, and only 105,989 enrolment gains—and that too when the average enrolment gains for the past 19 years has been 72,235, these bad years included!

In 1934, Alabama, Arizona, Georgia, Southern Illinois and Virginia showed small losses in Sunday school enrolment; whereas in 1935 six states and the District of Columbia showed losses, as follows: Arizona lost 59; District of Columbia lost 196; Georgia lost 1,083; Maryland lost 88; Missouri lost 6,627; North Carolina lost 3,088; and Virginia lost 1,117. The most difficult loss to understand was that of North Carolina—for this state showed a net gain of 539 Sunday schools!

We pointed out the real cause of these losses, also the small gains all over the South, two years ago—the country districts and the small town sections show splendid gains; whereas the large churches with splendid equipment in the great centers of population are losing interest, failing to put on the great enlargement campaigns, and are showing very slight gains in most states and actual and substantial losses in other states.

We do not mean to say that we have fewer big Sunday schools; for, as a matter of fact, we have more of the larger Sunday schools every year. But these large Sunday schools in too many instances have ceased to grow and have begun to lose ground.

THREE GREAT REASONS FOR A GREAT ADVANCE

In the meantime, there are three outstanding and impelling reasons why all the Sunday school forces, especially the large and well-equipped schools should put on the greatest advance in history.

1. **Fully 60 per cent of the members of the best churches are not even enrolled in Sunday school.** If this condition is allowed to continue five to ten years longer, it will kill the spiritual life of these churches. Also, this condition will destroy the evangelistic power of the churches; for no pastor and no evangelist will long be able to drag unsaved people over this vast mass of unenlisted members.

2. **There are three persons unreached by the Sunday schools, but easily reachable, for every one now enrolled in Sunday school.** This includes the unenlisted church members, just referred to, but it includes vast multitudes besides—people who do not belong to any church or any Sunday school. Look over the accompanying table prepared by Mr. Jasper N. Barnett and see the actual situation, state by state, right here in the South where Baptist Sunday school work has prospered as nowhere else on earth.

3. **The situation is growing worse and worse every year; for, while all the Sunday schools of all denominations, white and colored, are growing at the rate of only 183,000 a year, the population is growing right at 500,000 every year, on the average.** That means that every year that passes over our heads

some 317,000 more people are not in the Sunday school, not making any sort of serious or systematic study of the Bible. When will our leaders awaken to the seriousness of this situation?

Popular Ignorance of the Bible: It was reported by the Methodist Church of Lynchburg, Virginia, that out of 18,434 high school students in that state, 16,000 could not name three of the Old Testament prophets; 12,000 could not name the four Gospels, and 10,000 could not name three of Christ's disciples. (Note: One rather doubts this statement, but it has a great timely warning, if true).—Reported in *Fact*, Vol. 4, No. 15, page 166.

THE SUNDAY SCHOOL AS A CRIME DETERRENT

So many persons have made inquiry for trustworthy statements and statistics showing the influence of the Sunday school in the solution of the problem of crime among the young people in America that I have taken the liberty of quoting here certain sections of an interesting article in *The Churchman* of September 24, 1932, by Louise Franklin Bache, dealing with this vital question. Says Miss Bache:

"A prominent district attorney in one of the larger cities of our country, after years of experience with racketeers and gangsters, states that his experience has proven that men and women charged with these serious offenses do not attend church or Sunday school. 'It is my emphatic opinion,' states this district attorney, 'that the lack of church and Sunday school influence directly causes many of our young men to be in the criminal class. In the church and Sunday school the young man will meet the right-thinking people and receive moral and religious training which will be of great influence for good in later life. Do not take my word for it,—ask any rabbi, priest, or minister or any successful business man of today what he has to say. Above all, do not get the opinion that only mollycoddles attend church or Sunday school.'

"Another judge of a supreme court in New York State, after twenty-two years on the bench in which time over 4,000 boys under the age of twenty-one years had passed before him, states that only three of this number were members of a Sunday school. Testifying further, he says, 'In 1902 cases of suspended criminal sentences in each of which a minister, priest or rabbi became interested at my request, only sixty-two boys were brought back for violations of the conditions of parole. I believe that the reform in the remaining cases was prompt and permanent. In fact, I regard our Sabbath schools, including those of all faiths, as the only effective means to stem the rising tide of vice and crime among our youth. Society carries the heavy burden of criminality chiefly because of the lack of religious training of its youth. If all children could be kept under the influence of sabbath schools and the grown-ups were interested in some church, we could close our prisons and jails instead of being compelled to enlarge and increase their number. The problem of youth is the problem of humanity. There are 17,000,000 boys and girls in the country growing up without moral training from any source,—Protestant, Catholic, or Jewish.'

"Now for the opinions of the chaplains of Massachusetts prisons. These men who work year in and year out with criminal and incorrigible youth are unanimous in stating that they believe the increase in crime indicates the waning influence of the home and church. 'Parents,' they state, 'have not accepted the responsibility of properly rearing their children and setting them a good example. The church has failed to cope with the quickened tempo of American life by providing a more adequate religious educational program. There must be,' comment these men, 'an awakened home life which shall have as its basis true comradeship and shall represent a revival of the art of living together. There must be also a reverence for religion and a co-operation among schools, the church and the state.'

", . . . As one judge of a juvenile court of a middle western city puts it, 'No parent or mother today is wise enough to raise boys and girls to worthy maturity without the help of religious background.' Another pastor of a New England church asks the pertinent question, 'Parents should show the way. But are they?'"

"A United States Commissioner of Correction gives it as his impression that the influence of the home and church are both failing, with the result that the youngster of today knows more about bootlegging than any other item of our economic and social life. Dozens of well-known judges and ministers charge parents with indifference to their children's welfare and failure to set a good example.

" 'Parents must practice what they preach,' states a former juvenile court judge. 'What kind of an example does a parent set when he takes the child to Sunday school while he goes to play golf? Parents should go to the house of worship. Lack of example in this direction must be answered by the parents.'"

LATER REPORTS

In the issue of the New York *Christian Advocate* of August 4, 1932, attention is called to the fact that the world's Sunday school forces are considerably larger than was first officially reported (see table above). The corrected figures for 1932 are as follows:

"There are 361,145 schools now as compared with 310,057 in 1913, and 255,544 in 1907. The enrolment of officers and teachers is up from 26,037,836 a quarter century ago to 36,546,829 in 1932, a gain of 11,508,993, or 46 per cent. A study of the detailed exhibit shows that Europe shows the smallest rate of increase, only 1.4 per cent in four years, against 14.3 in North America, 21 in South America, 8.8 in Asia, and 36.4 in Africa. The fact that 20,000,000, mostly young people, present themselves for instruction in our church schools is a sobering thought. The opportunity is still ours. It may soon pass. Sunday school attendance in this country is now at a standstill. In some churches—notably our own—it is slipping. It cannot decline appreciably without carrying with it the future strength of the church."

THE VACATION BIBLE SCHOOLS

HOMER L. GRICE, Secretary

This is the Twelfth annual report of the Vacation Bible School Department. We are now in the midst of preparation for the 1936 Vacation Bible schools, and the prospects are bright indeed for another large increase in the number of schools. In 1934, there was an enrolment of 100,902 in 753 schools. In 1935, the enrolment was 140,878 in 1,044 schools, a growth of 291 schools or 38.7 per cent. It is probable that a similar growth will occur in 1936 over 1935.

The New Relationship—The recommendation of the Board to the churches that they make the Vacation Bible school a division of the Sunday school has been heartily received and accepted by many churches. The general superintendents and the Beginner, Primary, Junior, and Intermediate department superintendents of many Sunday schools are leading the Sunday school to have a Vacation Bible school each summer as a regular phase of its work, and to secure and train the faculty members and provide for the costs of the school. Just as they do for the work of the Sunday school on Sunday. In other words, they see clearly that it is indeed the projection of four departments of the Sunday school into the weekday soon after the close of the public school for three hours a day, five days a week for as many weeks as possible in order to find more time and additional effective methods for giving still further teaching and guidance primarily to the same pupils that are taught on Sunday, and, as far as is possible, with the same teachers.

The Administration, Elementary, and Intermediate Departments of the Board have now had time to make explanations about this new relationship in their study course books and promotional literature; and on the field they are stressing the fact that the Vacation Bible school is a part of the Sunday school work. As a result, our people are now having their minds and interests directed towards the Vacation school in more ways and more continually than heretofore, and this is already bearing fruit in the increase in the number of the schools. The results of this new relationship will be more evident with each passing year.

This new relationship is also making it possible for the State Sunday school secretaries to promote the Vacation Bible school more effectively. Gradually they are leading all of their field workers to see that the Vacation Bible school is not an extra nor an optional, but an integral and vital phase of the educational work of the churches. The Department wishes to pay tribute to their zeal and efficiency in getting the V.B.S. before their people under many handicaps. They are steadily improving their promotional methods and getting better results because of their growing experience.

Associational Promotion—The Department rejoices over the many blessings that will accrue to the Vacation Bible schools from the Board's emphasis on promoting the Sunday school and the Baptist Training Union with the association as the promotional unit. As rapidly as possible, some one with V.B.S. experience and conviction is being selected as a V.B.S. department superintendent in each association. A pamphlet, "The V.B.S. Associational Department Superintendent," has been prepared for their use. It is also being used in the conference work with these leaders in the State Associational Meetings being conducted by the Board this spring. One can easily visualize a rapid growth in the number and the effectiveness of Vacation Bible schools when he sees a trained and enthusiastic group of associational workers co-operating with the State secretaries and the state approved V.B.S. field workers. In reality, each of these workers is a volunteer V.B.S. field worker in his association.

Reduced Prices of Textbooks—Effective March 1, 1936, the price of the department textbooks (used by teachers only) was reduced from $1.50 to $1.00. This reduction was made possible on account of several reasons. One was by classifying these books as Sunday school literature and selling them directly to the churches from Nashville instead of through the book stores. It will take some churches a little longer to get the books from Nashville, but they will all doubtless be willing to allow for the extra time necessary in order to profit from the lower price. The book stores will take and receive orders for these books, but will forward them to Nashville to be filled.

The books are now sold at one-half of the original price. The heavy costs of production were partially cared for in the first and second editions. Increased sales have also helped to make the reduction possible. Churches need to use more of these books than many of them have used. At this reduced price they should be able to furnish more books to the teachers and thereby make better work possible.

The Baptist Student Union—The thousands of Baptist students in denominational and state colleges and universities find it difficult to secure employment these days during their three-months' vacation. Increasing numbers of these fine young men and women are studying *The V.B.S. Guide* in special groups under the guidance of the Baptist Student Union and offering themselves to their own and other churches as teachers and officers in the Vacation Bible school. Hundreds of these students will be teaching in the V.B.S. this summer because of the emphasis the Department of Student Work is giving to the V.B.S. in co-operation with the State Sunday school and Baptist Training Union secretaries of the several states.

Field Work—The Department Secretary is the only field worker of the Department. His schedule for January-August, 1936, calls for about one hundred days on the field. He could give twice that much time and not meet the opportunities presented to him. It is encouraging to have so many requests made for his time on the field. These requests are being met in part by the use of pastors and educational directors throughout our territory—men who, having learned how to do V.B.S. work in their own churches, have become profoundly convinced of its importance and value, and are willing to go out as they have time in the spirit of real missionaries to serve the spiritual needs of our boys and girls. God bless them one and all for their unselfish spirit of service in this field of labor.

New Literature—There is an insistent and growing demand for a rewriting of *The V.B.S. Guide* and the issuing of a new set of thirteen textbooks for the teachers. Three of the present series of twelve textbooks were first used in the spring of 1925, and *The Guide* made its appearance in the spring of 1926. The Secretary of the Department is also editor of the textbooks. He pledges the denomination his best efforts to have these new books ready as soon as possible. We have learned much by experience in these eleven years, and should therefore be able to make our next books even more useful and worth while than the present series has been.

New Report Blank—Year after year Southern Baptists have had more accurate and complete reports of their V.B.S. work than any major denomination. Pastors and principles have co-operated in an unusually fine way in filling out and sending in their final reports. Thereby, it has been possible to take much of the guess work out of what the V.B.S. has been doing. The new report blanks, more comprehensive and yet more simple and with better directions for filling them out than the old blanks, should help us to get still more complete and accurate information about our Vacation schools. The blank is now a part of the package of free promotional literature. As a result, workers can know in advance what information is desired, and keep the necessary records to give it.

Looking Ahead—The Department rejoices in the new promotional program launched this year by the Executive Secretary, and pledges him and the Board full co-operation. It is hoped that when the Board rounds out its fiftieth year in 1940, there will be at least 4,000 Vacation schools with an enrolment of 500,000. The prospects are bright for this goal to be achieved; but it is far short of the 10,000 schools and an enrolment of 1,250,000 that Southern Baptists can have any year they make up their minds to have them.

Statistical Summary—Each year the Department has prepared in detail a statistical summary from the reports sent in. It has not been possible to prepare this summary in the usual manner this spring because of the absence of the office secretary from the office from January 13 till April 1 because of injuries sustained in an automobile accident when on her way to work December 20. She has done all of the detailed work on the reports each year, and most of it without supervision from the Secretary. It was not possible for a substitute office secretary to do this work. The following statistical material gives in a concise form the most valuable information contained in the reports from the schools.

*Dr. Kieffer in *Christian Herald* gives all Baptists over 10,000,000: but I fear colored Baptist numbers are inflated.

COMPARATIVE STANDING OF DENOMINATIONS IN THE SOUTH, 1926

About the most interesting table to be found in this Handbook is the one which appears on page 213. This table shows the comparative standing of eight main denominations, in 1926:

(1) Baptists	6,652,941	(37.39%)
(2) Methodists	4,127,466	(23.51%)
(3) Roman Catholics	2,897,592	(16.56%)
(4) Presbyterians	805,695	(4.59%)
(5) Disciples of Christ	613,486	(3.49%)
(6) Lutherans	445,759	(2.54%)
(7) Episcopalians	406,227	(2.31%)
(8) Churches of Christ	320,241	(1.82%)
(9) All others	1,289,256	(7.35%)

There are three surprising facts disclosed in this summary, viz: (1) If we put the two Campbellite bodies together (that is, the Churches of Christ and the Disciples of Christ) we find that there were 933,777 Campbellites in the South in 1926; (2) we think most of our people will be surprised to know that there were 445,759 Lutherans in the South in 1926—and 2,897,592 Roman Catholics; and (3) it will surprise most of our people to know that the Baptists number almost equal that of the six main Protestant bodies in the South—there being 6,652,941 Baptists of all varieties as compared to 6,717,766 Methodists, Presbyterians, both kinds of Campbellites, Episcopalians and Lutherans combined.

Other striking points set out in this table may be summarized as follows:

Of the total church membership in the South, in 1926, amounting to 17,558,165, some 6,652,941 were Baptists.

Baptists were in the lead of all other denominations in the following states, viz: Alabama, Arkansas, Florida, Georgia, Kentucky, Mississippi, North Carolina, Oklahoma, South Carolina, Tennessee, Texas and Virginia.

Roman Catholics lead all other denominations in Louisiana, Missouri, District of Columbia, Arizona, Southern Illinois, Maryland and New Mexico.

Methodists are close seconds in a number of states and second in the South as a whole, but actually lead in none of the Southern states.

Methodists have their greatest numbers, however, in the following states, viz: Texas, with 488,604; North Carolina, with 465,683; Georgia, with 396,173; Tennessee, with 312,500, and Virginia, with 300,483.

Lutherans are strong in Missouri, Southern Illinois, North Carolina, Maryland and Texas.

Episcopalians are stronger in Virginia and Maryland than in any other states of the South, though there are more Baptists in Kentucky than Episcopalians in the whole South.

The Campbellites, counting both bodies, have their greatest numbers in Kentucky, Tennessee, Missouri and Texas, their numbers standing as follows in these three states, viz: Kentucky, 150,911; Tennessee, 101,807; Missouri, 164,051; Texas, 176,059.

BIG JEWISH CITIES IN UNITED STATES

As listed by the World Almanac, 1933, the following are the eleven cities having the largest Jewish population in the United States:

New York City	1,765,000
Chicago	325,000
Philadelphia	270,000
Boston	90,000
Cleveland	85,000
Detroit	75,000
Baltimore	68,000
Los Angeles	65,000
Newark	65,000
Pittsburgh	53,000
St. Louis	50,000

Incidentally, it may be noted that there are more Jews in New York City than there are Roman Catholics—1,765,000 Jews as compared to 1,733,954 Roman Catholics.

ISLAM AND CHRISTIANITY IN AFRICA

As most of our readers doubtless know, a titantic struggle has been going in Africa for almost 100 years, between the small forces of Christianity on the one hand and the gigantic forces of Mohammedanism on the other hand. The great apostle of Christianity to the Mohammedans, Dr. Samuel M. Zwemer, thus sums up the situation at the present time:

Population of Africa	140,000,000
Protestant converts	1,200,000
European Christians in Africa	1,715,000
Roman Catholic population	2,510,317
Coptic Church of Egypt	876,669
Abyssinian Church	3,000,000
Total nominal Christians	9,301,986
Mohammedans and converts	49,000,000
Untouched heathens	81,698,014

GROWTH OF WORLD POPULATION

(From Christian Herald)

All these figures can be secured from the World Almanac, the current issue, which is available in practically all bookstores and even in the small communities. The Statistical Institute of the League of Nations in its latest figures estimated the world population at approximately two billion. Population is steadily increasing, but in the absence of actual detailed figures few brave even a guess. One has estimated the annual increase at little more than 18,000,000 or about 50,000 a day. Professor A. S. Carr-Saunders of Liverpool, universally recognized authority, said last year that the world now has more than 2,025,000,000 persons and that the yearly increase is 20,000,000. His figures for the continents are as follows:

Asia (Russia not included)	1,710,000,000
Europe (5th in size)	382,000,000
Russia alone	164,000,000
Africa (both white and black)	143,000,000
North America	135,000,000
United States alone	127,000,000
South America	85,000,000
Central America	35,000,000
Australia and Oceania	10,000,000

Population in Russia is increasing faster than anywhere else on earth—four million a year or at the rate of two per cent.

ROMAN CATHOLICS IN THE PHILIPPINES

According to *America* (April 25, 1936) the Philippine Islands are still predominantly Roman Catholic, there being approximately 82 per cent of the population (about 12,000,000 persons) who are nominally Catholics. But there are only 1,440 priests (secular and religious) to look after these 12,000,000 souls. Roman Catholics also have 60 Catholic colleges, and twelve seminaries with 9,000 enrolled, to train future leaders for the masses.

ROMAN CATHOLIC WORLD MISSIONS

Our people will, no doubt, be interested to know what Roman Catholics are doing in the field of world missions. So we are passing the following interesting story from the January issue of *Catholic Missions*, on to the readers of the Handbook.

The total missionary personnel today reaches almost 200,000. Of this the foreign missioners—priests, brothers and sisters total 36,0000, while the native priests, brothers and sisters number 26,000. There are, then, almost 140,000 lay workers in mission lands.

This mission body is winning for the Church yearly over 400,000 converts while over 650,000 children of Catholics are baptized by missioners yearly, as are over half a million pagans, young and old who are reached by the missioners at the point of death. **Thus a total of 1,600,000 souls receive the waters of salvation yearly through our missioners.**

Houses of God in mission lands today total over 56,000 of which over 10,000 are large churches. Our mission schools total 33,000 while mission school children total almost 2 millions, the equal of the enrolment in the Catholic schools of the United States. Of very special importance are the major and minor seminaries, 400 in all, which are training 17,000 native candidates to the priesthood.

The greatest glory of our missioners is their activities of charity and mercy which can be called the principal gateway to souls. We may have an idea of the enormous proportions of **this work if we will recall that last year an equivalent to the entire population of Spain, 25 million people, passed through our mission dispensaries for treatment. Our mission Sisters operate almost 800 hospitals with a total of over 36,000 beds.** Most of these institutions are very elementary but nevertheless they achieve marvels in reaching souls. **We have over 100 leper asylums which care for almost 15,000 lepers** while in our mission asylums for young and old there **dwell 130,000 recruits from the forlorn armies of the miserable abandoned, the forgotten men of the mission world.**

Here, certainly, is a panorama of noble dedication to stand and admire!

Our missioners labor in **almost** every part of the globe, we say, for it is important to bear in mind that even in this year of Our Lord 1935, there are still some 300,000,000 people on the earth to whom the Gospel cannot be preached, at least openly. There are 10 countries with approximately 190,000,000 inhabitants which are at the present moment closed to Christianity. The most important among these is Russia, with 165,000,000 inhabitants, most of whom, it is true, are non-Catholic Christians but among whom a campaign of atheism is being waged and to whom the Church can make no approach whatsoever. Most of the remaining countries are in Central Asia, the best known being Afghanistan and Arabia.

HOW MUCH GIVEN BY AMERICAN CATHOLICS?

But how much do the 20,000,000 American Catholics give to support that great world program of missions? Here is the answer from the same Catholic magazine:

"Radio City Music Hall(—one of the approximately 15,000 gilded dwellings of the film operating in the United States) takes in as a weekly average nearly $100,000. Take note, **weekly**! Multiply that sum by 8 and you have something else again. You have slightly more than the amount which all American Catholics gave last **year** for the support of Catholic missions throughout the world. A little over $700,000! That was their gift in 1935 through THE SOCIETY FOR THE PROPAGATION OF THE FAITH. Equal to about 7½ weeks of viewing Hollywood's merchandise at **but one** theater! It causes our **sense of proportion** to suffer. For no matter how enthralling the theme, how artful the acting, a 'movie' is but a single form of amusement. Yet it is estimated that this section of their pleasure costs American Catholics more than $125,000,000 a year!"

GERMAN BAPTSTS MAKE FURTHER GAINS

Reports from German Baptists at the close of 1935 are definitely encouraging. The church membership has advanced from 67,277 to 69,150. Under present conditions in Germany, any increase gives reason for gratitude. In Sunday school scholars there was a decrease from 93,151 to 91,008. In view

of the pressure of the Hitler youth organizations, this falling off is considerably less than might have been expected.—*Watchman-Examiner.*

BAPTISTS DECLINE IN BRITAIN

The Baptist Handbook for 1936, which is published this week, shows the total membership of the British Isles to be 401,176, a decrease of 1,784 on the figures of the previous year. Sunday school scholars number 437,573, a decrease of 17,008. Other statistics are as follows: Churches, 3,200, an increase of 2; church buildings, 4,164, an increase of 15; church seating, 1,442,137, a decrease of 1,597; Sunday school teachers, 57,769, a decrease of 1,304; lay preachers, 5,467, a decrease of 76; pastors in charge, 2,061, a decrease of 12; and baptisms 9,909, a decrease of 831.—Canadian Baptist.

BAPTIST WORLD STRENGTH AT THE OPENING OF 1936

By the Rev. J. H. Rushbrooke, M.A., D.D., General Secretary, Baptist World Alliance

The world strength of the denomination, as reported to the Baptist World Alliance at the close of 1935 **(1934 statistics)** is as follows:

	Members of Churches	Sunday Scholars
Europe*	682,571	596,082
Asia	439,590	184,651
Africa	107,398	43,070
America:		
North	10,102,403	6,939,739
Central and West Indies	69,703	53,364
South	50,916	54,592
Australia and New Zealand	40,078	52,555
Total	11,492,659	7,924,053

*Excluding Russia.

(1) The **CHURCH MEMBERSHIP** throughout the world numbers 11,492,659, an increase of 183,810 upon the previous year.

(2) As usual, no statistics have been received from Russia. It follows that there are at least some hundreds of thousands of church members beyond the total stated above. The Baptist World Alliance prefers, however, to issue statistics based entirely upon definite reports rather than to include any estimates, however cautious or well-founded.

(3) The numerical gain is mainly in the United States, where it reaches 151,636. In the mission fields of Asia there is an advance of over 19,000, and in Africa of over 6,000. Continental Europe shows an increased membership of 6,714, but this is offset by a reduction of 1,784 in the British figures, so that the total gain in Europe is only 4,930. In Central and South America and in Australia, the increases are relatively small.

It is gratifying to observe that reports of advance come from all the **fields opened in 1836** and in which centennial celebrations are taking place in 1936, viz.: the Telugu, Assam, and Bengal-Orissa fields of the American Baptists in India, and the American Baptist mission fields in China.

(4) The total of SUNDAY SCHOLARS reveals substantial advance in Africa and South America. In other continents the numbers are practically stationary. In continental Europe there is a reduction of 2,168, which with the addition of a British loss of 17,008, represents a diminution for Europe of 19,176.

SOUTHERN BAPTIST WORLD MISSIONS

THREE UNBELIEVABLE FOREIGN MISSION FACTS

Recently, I have been studying anew the task of evangelizing the great, needy, broken, suffering world which Southern Baptists seek to serve and to save. Among other things, I have discovered three facts which should humiliate and challenge if they do not appall every Southern Baptist who loves the Lord Jesus Christ.

(1) **The World Is Growing Heathen at the Rate of 6,000,000 Yearly!** For, while the total nominal Christians in the world, including all denominations of all faiths and all races, made a net gain of 200,000,000 from 1890 to 1935, the unreached, unchurched heathen population of the world made a net gain of

470,000,000 during this same period! So that in 1935 the world was actually 270,000,000 more heathen and less Christian than it was in 1890—and was growing still more heathen at the rate of 6,000,000 a year!

(2) **Southern Baptists Have Far Too Few Workers in the Great World Field!** For example, Southern Baptists are supporting only from 400 to 500 foreign missionaries in a great world field comprising 775,000,000 souls. This is about one-half the number sent out by Northern Methodists who have about the same membership as Southern Baptists. That is to say, in the fourteen great non-Christian countries, included in our foreign mission field, **Southern Baptists have fewer than one missionary to every 1,550,000 heathen people and one Baptist to every 3,000 souls; whereas in the Southland, we have one ordained minister in every 2,000 persons in the population, and one white Baptist church member to every eleven persons in the population!** Is this quite fair? Would the Lord Jesus thus divide the forces of Southern Baptists, if he were here and arranging our program?

(3) **Southern Baptists Have Been Giving An Average of Two Cents Per Month Per Member to Foreign Missions!** Yes that is a pitiable fact, that Southern Baptists (in recent years at least) have been giving an average of only two cents per member each month, or 24 cents per member each year, to Foreign Missions—that is, to all the great work of evangelizing 775,000,000 of people in fourteen great non-Christian countries, and to the work of all the schools, hospitals, publication and other work done by the Foreign Mission Board, only two cents per month or 24 cents per year! In 1934, for example, 4,277,052 Southern Baptists actually gave an average of only 21 cents each, during the whole year, to all Foreign Mission work!

RELIGIOUS POPULATION OF NEW YORK CITY

Between 1920 and 1930 the Roman Catholic population of New York City increased 420,078; Eastern Orthodox peoples 19,637; Jewish population 232,509; while the Protestant population gained 636,177. The last available figures give as the population of New York City according to religious preference: Protestant, 2,580,024; Eastern Orthodox, 115,096; Jewish, 1,875,521; Roman Catholic, 2,363,806. The foregoing figures have been gathered by Dr. Walter Laidlaw, executive secretary of the Cities Census Committee. Those who know Doctor Laidlaw will agree that these figures are as dependable as can be given. We have spoken of this matter before, but we are now giving this information at the earnest request of a careful reader of our paper.—*Watchman-Examiner*, Dec. 10, 1931.

ONWARD MARCH OF CHRISTIANITY

The following figures, furnished by "Christian Herald," are perhaps the most nearly accurate of all the various estimates of the march of Christianity down the centuries.

"We have never seen any estimate claiming to be accurate, showing the aggregate number of Christians in the first century A.D. From that little gathering of 120 souls in Jerusalem (mentioned in Acts 1), the numbers must have increased rapidly, especially when we take into consideration the activities of the disciples, not only in home but in foreign missionary work. Greece, Italy, and what is now Asia Minor or Anatolia, were visited, and the gospel preached with most encouraging results. There is a tradition that the king of Edessa with all his people accepted Christianity in one day. Many of the larger cities had doubtless a considerable Christian following. Besides these, the gospel spread, during the first century, to the southern shores of the Mediterranean and the islands of that sea. We give below the figures of the growth during the following centuries and the total throughout the world today. It should not be forgotten, however, that there are extensive territories in Asia (including Tibet) and in Central Africa, and part of South America still unreached to say nothing of the Arctic lands. At the close of Jesus' earthly ministry, thousands were brought into the kingdom and at the end of the first century A.D., the little group in the 'upper room' had augmented to half a million, according to the best estimates of experienced writers. In one of his sermons, Doctor Talmage quotes Sharon Turner, an eminent English jurist and historian, and recognized as a man of unusual accuracy—who gives these surprising statistics in regard to the growth of Christianity:"
