Three Years' Progress of Southern Baptists
1940, 1941 and 1942

NASHVILLE, TENNESSEE
SUNDAY SCHOOL BOARD OF THE SOUTHERN BAPTIST CONVENTION

HON. PAT M. NEFF
PRESIDENT OF THE CONVENTION

PRESIDENT PAT MORRIS NEFF

In May, 1942, the Southern Baptist Convention, while in session at San Antonio, Texas, unanimously elected President Pat M. Neff of Baylor University, to be its presiding officer and official leader for the next two years.

It was the sixth time in the ninety-eight years of its history that this great Convention, now numbering 5,367,129 souls in its membership, has turned to a distinguished layman for its presiding officer. And what a galaxy of great names are presented in this list of laymen who have presided over this Convention:

(1) Judge Jonathan Haralson of Alabama, 1859-1899.
(2) Governor W. J. Northen of Georgia, 1899-1902.
(3) Governor James P. Eagle of Arkansas, 1902-1905.
(4) Governor E. W. Stevens of Missouri, 1905-1908.
(5) Honorable Joshua Levering of Maryland, 1908-1911.
(6) Governor Pat M. Neff of Texas, 1942-1944.

And whether we consider scholarship or statesmanship, unshakable loyalty to one's convictions of truth or unashamed championship of the cause of righteousness; high Christian character or high achievements; great service to one's country or great service to one's church; striking and strong physical and mental endowments or the supreme power of personal influence; mastery of parliamentary usage as a good presiding officer or masterful leadership of his fellowmen, Governor Pat M. Neff is the equal of any one of the great laymen who has preceded him in this high office.

President Neff is a Texan of the Texans. Born and brought up at McGregor, Texas, a few miles west of Waco, his present home, he has lived all his wonderful and useful life in Texas. He holds the A.B. and A.M. degrees from Baylor University, Waco, which he has served as president since 1932. He received the LL.B. degree from the University of Texas at Austin in 1897; whereas Howard Payne College of Brownwood, Texas, and Austin College of Sherman, Texas, have both conferred the LL.D. degree upon him.

Following his graduation at college, he practiced law in Waco for four years, when he was sent to the state legislature of Texas. There he served as a member for two years and as speaker of the house for three years. In 1921-1925 he served as governor of Texas for two terms. Later for two years (1927-1929) he served as a member of the Mediation Board, and followed this by two years (1929-1931) of distinguished service as chairman of the Texas Railway Commission.

It was in the dark days of the great depression (1932) that Governor Neff, as he is familiarly known in Texas, was called to the presidency of Baylor University, where he had taken both his college degrees and where he had served as chairman of the board of trustees for twenty-five years.

And what changes he has wrought in the life and work of Baylor University during these ten difficult and titanic years! The story of his achievement, in freeing this great school of a crushing indebtedness, crowding its splendid campus with a half dozen new buildings, gathering in great sums of money for endowment and building up its student body to almost 3,000 and, in short, bringing in a new day for Baylor University and Baptist leadership in Texas—this is the crowning achievement of the wonderful life of the noble man, devoted Christian, and unsullied statesman whom Southern Baptists have asked to guide them into safe haven of 1944—the year of victory!

The meeting of the Southern Baptist Convention, scheduled for Memphis, Tennessee, May 12, 1943, was postponed on account of the limited travel and hotel facilities available and the definite request of the Government agency having charge of transportation; but if it shall please God for Southern Baptists to meet in the closing weeks of 1943 or to go over until May, 1944, for their next regular meeting, we shall count ourselves as highly honored that our great Convention can be presided over by such a man as Pat M. Neff.

INTRODUCTORY

HIGH POINTS OF SOUTHERN BAPTIST PROGRESS

The Three-Year War Period of 1940, 1941 and 1942

Go Back to Year 1890!

In 1940 I had occasion to make a study of the growth of the Southern Baptist field and forces covering the past fifty years (1890-1940). This study carried me back to the year 1890 with Southern Baptists and the Baptists of the nation and the world. And I confess to the greatest and most unbelievable surprise that has come to me in these twenty-three years that I have been called on to make special studies of Southern Baptist affairs. Look at these unbelievable facts and explain them if you can—I cannot! The figures are correct:

Baptist Forces in 1890	
Southern Baptists in 1890	1,235,765
Negro Baptists in the South	1,143,851
Free Wills, Primitives, United, Separates, etc.	144,105
Total Baptists in the South	2,523,721
Total Baptists in United States	3,483,090
Total Baptists in the World	3,793,078

Baptist Forces in 1942	
Southern Baptists, 1942	5,367,129
Total Baptists in the South	9,343,652
Total Baptists in the United States	11,593,378
Total Baptists in the World	13,314,620

If there is a parallel to this prodigious and unbelievable growth in the whole world, I have not heard of it.

Baptist and Other Faiths in the South

(Territory embraced in Southern Baptist Convention)

Population in 1942	46,180,000
Affiliated with some church	21,391,000
Unreached by any church	24,789,000
Southern (white) Baptists	5,367,129
Total Baptists, white and colored	9,343,652
Total of all other Faiths	12,047,348

The Progress by Decades

By decades this story reads like a veritable romance of figures. Here they are:

Years	Total Population	Affiliated with the Churches	Unreached Population	Southern Baptists	Total Baptists in South, White & Colored	
1890	21,775,957	7,835,839	13,940,118	1,235,765	2,523,721	
1900	26,486,657	10,536,489	15,950,168	1,657,996		
1910	32,392,038	13,337,139	19,054,899	2,832,465		
1920	36,491,724	16,237,139	20,254,585	3,149,346		
1930	41,561,438	18,661,438	22,900,000	3,770,645	6,982,941	
1940	45,798,508	21,148,508	24,650,000	5,104,327	8,477,587	(1937)
1942	46,180,000	21,391,000	24,789,000	5,367,129	9,343,652	

Summary for Fifty Years

Population growth	24,024,551—110.31%
Church members increased	13,812,669—169.89%
Unreached increased	10,709,882— 76.82%
Southern Baptists increased	3,868,562—313.04%

Groups of Baptists and Dioceses of Catholics are indicated by figures in parenthesis.

Note 1: Baptists are far out in the lead; Methodists are second with 3,804,240 (white) members. (Methodist colored in these states not available.) Roman Catholics come third among all the denominations in the South and Southwest, with 3,219,806 population.

Note 2: From the 3,219,806 Roman Catholics (population figures) must be deducted 361,906 (11.25%) who are under seven years of age, leaving 2,857,900 communicants (Catholics do not take their first communion until seven years of age).

Note 3: Some 3,500 Baptists from California are counted but omitted from this list of Southern Baptists.

Note 4: Fewer than 5 per cent of Baptist church members are "juniors"—that is from 9 to 12 years old; **95 per cent of all Baptist church members are from 13 years old up.**

THE STORY OF THE PAST THREE YEARS

In cold facts and figures, here is the story of the past three years' progress of Southern Baptists:

WHAT THIS THREE-YEAR RECORD REALLY MEANS

Now let us really get at the meaning of this great three-year record. Here is what we see in these statistics:

Churches: There has been a net gain of 719 churches in these past three years. That is an average net gain of more than 239 new churches a year during this war period (1939-1942).

Ordained Ministers: Apparently, there have been losses of 507 ordained ministers. As a matter of fact, these 507 and some 400 newly ordained ministers are now serving the armed forces of our nation, as chaplains and in other ways.

Baptisms and Soul-winning: On the face of it, Southern Baptists have suffered a real loss in the number of baptisms during the past three years. For there have been only 664,220 baptisms on a profession of faith during the past three years—an average of 221,407 a year for each of the war years so far; whereas there were 730,536 baptisms on profession of faith for the three years preceding the war—or an average of 263,512 baptisms a year for the three preceding years.

It should be noted, however, that the three preceding years (1937, 1938 and 1939), were about the best years in soul-winning Southern Baptists have ever experienced. Also, it should be noted that the fall-down in soul-winning during this war does not compare with the fall-down which was experienced by Southern Baptists during World War I. For in 1917, 1918 and 1919, Southern Baptists reported only 385,606 baptisms—or an average of only 128,535 per year, as compared to an average of 221,407 for each year of the present war. It may be said in passing that this 221,407 baptisms per year, on profession of faith, is more than any other two great denominations in America.

Large Increase in Church Membership: The fact that the baptisms have kept up so well, no doubt, accounts for the very great net gains in church membership which have come to Southern Baptists during these first three years of the war. At any rate, there has been an actual net gain of 417,955 to Southern Baptist church members during the past three years. That is to say, there has been an average net gain of 139,318 per year to the membership of Southern Baptist churches for each year of this war period.

Great Increase in Sunday Schools: It will come as a surprise that these three years have witnessed one of the largest gains in new Sunday schools known to Southern Baptist history—991 for the three years, or an average annual gain of 330 in new Sunday schools. This speaks volumes for the splendid Sunday school program and for the fine (and hard) promotional work of the Sunday School Board and the unbeatable staff of state Sunday school workers.

Temporary Losses in Sunday School Enrolment: The Sunday school enrolment has suffered a net loss of 92,924 during these three years, leaving Southern Baptists with only 3,430,929 enrolled in Sunday school in 1942. That is a serious loss; but only a temporary loss, for the most part. For we know where these lost Sunday school pupils have gone—**they are in the armed services of the nation.** By the end of 1943, I estimate that Southern Baptists will have some 440,000 young men and women in the service of the nation. And my surveys indicate that almost 90 per cent of these young people—certainly 87½ per cent—were former members of Southern Baptist Sunday schools. It is no wonder that Southern Baptist Sunday schools have lost and must lose many others; the wonder is that our losses have not been far greater. Again we must thank the Sunday School Board and the fine group of state Sunday school workers that our losses have not been double the present numbers.

The (United) Methodist Church has just reported a net loss in Sunday school enrolment during the past two years (1941 and 1942) amounting to 325,240. With their net loss of 92,924, Southern Baptists still have 24,745 Sunday schools and 3,430,929 enrolled.

The B.T.U. and War Losses: The Baptist Training Union has suffered equally serious losses on account of the war as have the Sunday schools,—and from two distinct sources. First of all, by the end of 1943, at least 150,000, and most likely 175,000 former Training Union young people will be in the armed forces of the nation. Then some 25,000 or more of Training Union young people have been shifted to the various war work centers where there is no immediate connection with Training Union work. These two movements, growing directly out of the war, have temporarily detached 200,000 Training Union members from their home Training Unions and brought on some serious losses. In the three-year war period under review, however, there has been a gain of 7,631 Training Union organizations and a net loss of only 13,961 in the membership. This leaves Southern Baptists with 50,726 Training Union organizations and an army of 801,567 members enrolled, which is the largest single group of young church members in this nation who are linked together in systematic training for efficient church work.

W.M.U. Work Achieves New Marks: In the number of organizations, membership and contributions, as well as in other lines, the W.M.U. work of the South has won and attained new goals in this three-year war period. For example, there has been a net gain of 752 new organizations in spite of some serious losses. Also the membership in these organizations have held their ground and gained an additional 620 others. But in the contributions laid on God's altar, the Woman's Missionary Union has broken all its own amazing records and made one of the most remarkable achievements ever known in such work, increasing its contributions from $2,556,443 in 1939 to $3,791,755 in 1942! And this sum is $291,588 more than the W.M.U. ever gave before! But there is every reason to expect this great missionary agency of Southern Baptists to break this record again and to give more than $4,000,000 to the Lord's cause in the one year of 1943!

In fact, if the present rate of increase is maintained to the end of 1943, the Woman's Missionary Union will reach the unprecedented mark of $4,200,000 in 1943—a half million more than it gave in 1942, and $700,000 more than it gave in its greatest year of the 75 Million Campaign! God be praised for facts so great and so wonderful that we can scarcely believe them!

Church Houses and Pastors' Homes: Southern Baptists have come back from the long depression (1930-1936) with a prodigious campaign to pay off local church debts, remodel and enlarge the old church houses, build great new church houses and many pastors' homes. And, in spite of all the limitations put on us by the Government, due to the war effort, Southern Baptists are finding a way or making a way to build many new church houses and pastors' homes and to do much remodeling and enlarging of the old church houses. Beginning in 1940, for example, Southern Baptists have been paying off from $2,500,000 to $6,500,000 of church indebtedness every year. We estimate that Southern Baptists have paid off practically one-half of all the former local church indebtedness within this three-year war period. In the meantime they have built 860 new church houses, 505 new pastors' homes and remodeled and enlarged 1,500 to 1,800 church buildings. The value of church property, in the meantime, has gone up from $214,724,695 in 1939 to $240,131,184 in 1942—a net increase of $25,406,489 to the value of church property in three years!

Contributions of Southern Baptists: The most amazing development of Southern Baptist work, during this three-year war period, has taken place in

the field of finances. If some one had told us in 1939 that the total gifts, for all purposes among Southern Baptists, would increase at the rate of $5,000,000 a year during this war period, we would not have believed it. Yet, just that has happened, and more is on the way at this time! That is to say, the total contributions of Southern Baptists, for all causes, have increased from $37,186,531 in 1939, to $52,247,662 in 1942. **And Southern Baptists have come face to face with three new financial experiences—(1) for the first time in their history they have been giving $1,000,00 a week to the Lord's cause; (2) by the end of 1943 they will pay off practically all their Southwide indebtedness; and (3) they will increase their regular gifts to almost $1,250,000 a week!**

About four-fifths of this increased giving ($11,696,622) has gone to the local work of the churches; while about one-fifth of it ($3,414,509) has gone for missions, education and benevolences. **That is to say, Southern Baptists have increased their missionary and benevolent gifts more than $1,138,000 a year for this three-year war period. And their gifts for the first half of 1943 are more than 20 per cent above their gifts in 1942!**

God be praised for a new day and a new way now before Southern Baptists!

CHAPTER II

THREE STRESSFUL YEARS OF FOREIGN MISSIONS
1939-1942

DR. C. E. MADDRY, Executive Secretary

The New Staff of Workers

If one should seek to point out the high points of progress of the Southern Baptist Foreign Mission Board, Richmond, Virginia, during the past three years, he must first of all call attention to the splendid staff of workers which this Board has now assembled at Richmond. These are as follows:

(New address: Monument Avenue, Richmond, Virginia.)
Dr. Chas. E. Maddry, Executive Secretary.
Mr. E. P. Buxton, Treasurer.
Dr. George W. Sadler, Secretary for Europe, Africa and the Near East.
Dr. Everett Gill, Jr., Secretary for Latin America.
Dr. M. T. Rankin, Secretary for the Orient.
Dr. E. C. Routh, Editor and Business Manager of The Commission.
Miss Marjorie Moore, Managing Editor, The Commission.
Rev. J. W. (Bill) Marshall, Personnel Secretary.
Miss Mary M. Hunter, Manager of Literature and Exhibits.
Miss Nan F. Weeks, Book Editor.
Rev. R. S. Jones, Baptist Building, Dallas, Texas, Field Secretary.

Dr. E. C. Routh, Outstanding Southern Baptist Leader Becomes Editor of the Commission

Rev. J. W. (Bill) Marshall, Student Leader of Texas Becomes Personnel Secretary

Increasing Income of the Board

In 1939, the Board's receipts were $1,149,252, and the debt was $279,500.

In 1940, the Board's receipts were $1,326,863, and the debt was only $245,000.

In 1941, the Board's receipts were $1,428,639, and the debt was only $214,000.

In 1942, the Board's receipts were $2,117,677, and the debt was only $144,500.

On March 12, 1943, all indebtedness was wiped out!

Lottie Moon Christmas Offering of W.M.U.

One of the larger secrets of the great financial achievements of the Foreign Mission Board has been the ever increasing sums given through the Lottie Moon Christmas offering by the W.M.U. Here is the record of the past five years:

In 1938, $315,000	In 1941, $437,439
In 1939, $330,425	In 1942, $558,373
In 1940, $360,000	

The Great Trials of the Board

These past three years, however, have brought some unspeakable trials to the Foreign Mission Board. We mention six of them as follows:

1. Forced out of Europe, the Near East, Italy, Japan and Occupied China, by the most extensive war of all times; also forced to withdraw all workers from these great fields.

2. Staggering losses in property, both in Europe and in the Orient.

3. Greatly increased financial burdens entailed in bringing home so many of the missionaries (192 of them at present) and supporting them at home for the duration of the war.

4. Insistent and increasing calls for relief and still more relief, for the suffering and starving millions of people in Europe and in the Orient. Almost a half million dollars were expended by Southern Baptists during the past year. And yet that is but a drop in a bucket as compared with the great needs.

5. The necessity of wiping out the balance of the staggering debt on the Board and the stopping of all further interest payments.

6. The effort of Roman Catholics to close all the doors of Central and South America against the Gospel and, at least, to prevent the sending of any more evangelical missionaries to these great fields where there is unlimited opportunity for real mission work.

Missionaries Brought Home

On the twenty-fifth of August, 1942, after weary months of tedious negotiations through the medium of the Swiss Government, the following missionaries from Japan and China, having been exchanged in Portuguese East Africa, were landed in New York from the Swedish S.S. *Gripsholm*.

Rev. J. A. Abernathy	Miss Irene Jeffers
Miss Clifford Barratt	Rev. I. V. Larson
Dr. N. A. Bryan	Dr. and Mrs. C. G. McDaniel
Rev. C. L. Culpepper	Dr. John H. Miller
Miss Mary Demarest	Rev. L. Bun Olive
Miss Flora Dodson	Miss Auria Pender
Miss Ruth Ford	Dr. Ethel M. Pierce
Miss Martha Linda Franks	Mrs. L. W. Pierce
Rev. A. R. Gallimore	Rev. Oswald J. Quick
Dr. W. Maxfield Garrott	Dr. M. T. Rankin
Miss Lydia Greene	Mrs. W. E. Sallee
Miss Blanche Groves	Miss Bertha Smith
Rev. and Mrs. P. W. Hamlett	Rev. and Mrs. D. F. Stamps
Dr. and Mrs. C. A. Hayes	Miss Reba Stewart
Rev. J. E. Jackson	

Miss Edna E. Teal	Miss Josephine Ward
Miss Pearl Todd	Rev. Frank T. Woodward
Mr. and Mrs. Cecil C. Ward	Miss Grace Wells

We firmly believe that through the power of prayer these devoted missionaries were delivered from prison and slow death. Multitudes of Southern Baptists were in earnest and continuous intercession for their preservation and deliverance. God heard and answered our prayer and we are deeply and humbly grateful for their deliverance.

Missionaries Still Interned in Manila

The following missionaries are still detained in Manila and we have been unable to get into direct touch with them. We have exhausted every resource through the International Red Cross and other agencies but have been unable to send or receive messages from these dear ones. We earnestly entreat our people to be in fervent and importunate prayer that God will deliver speedily these servants of Christ.

Rev. and Mrs. H. H. Culpepper	Miss Fern Harrington
Rev. and Mrs. Robert A. Dyer	Miss Sallie James
Rev. and Mrs. R. F. Gray	Miss Cleo Morrison

Rev. Earl Parker

Missionaries in Occupied China

Thirty-eight faithful and sacrificial missionaries who refused to leave their beloved work in China are either in prison or internment. Their names are as follows:

Miss Mary Alexander	Miss Sophie S. Lonneau
Miss Attie T. Bostick	Rev. Beaver M. Lawton
Dr. and Mrs. R. T. Bryan	Miss Olive A. Lawton
Miss Juanita Byrd	Miss Florence Lide
Miss Pearl Caldwell	Rev. Francis P. Lide
Miss Inabelle G. Coleman	Miss Jane W. Lide
Rev. and Mrs. Frank H. Connely	Miss E. Rose Marlowe
Rev. J. Wilson Fielder	Rev. Henry Hudson McMillan
Rev. Arthur S. Gillespie	Miss Floryne Miller
Miss Lois C. Glass	Miss Hannah Fair Sallee
Rev. and Mrs. W. B. Glass	Miss Mary Lucile Saunders
Miss Elizabeth Neal Hale	Rev. Harold H. Snuggs
Miss Lillie Mae Hundley	Mrs. E. F. Tatum
Rev. Robert A. Jacob	Rev. William H. Tipton
Miss Roberta Pearle Johnson	Rev. James Hamilton Ware
Rev. William Buren Johnson	Rev. Charles Hart Westbrook
Miss Doris L. Knight	Rev. James T. Williams

Dr. A. W. Yocum

In Macao, four of our loyal workers are "suffering hardships as good soldiers of Christ Jesus." Lacking adequate food, unable to secure the actual necessities of life, tortured by cases of starvation and suffering which they are powerless to relieve, the following noble missionaries are doing their utmost:

Miss Lora Clement
Rev. and Mrs. J. L. Galloway
Miss Leonora Scarlett

We have the encouraging prospect, July 25, that our Government will be able soon to arrange with Japan for a second exchange of repatriates.

The Hawaiian Mission Firmly Established

The Hawaiian Mission continues to prosper and new mission stations and churches are being organized constantly. Through the generosity of Woman's Missionary Union and gifts of some generous and devoted friends we have been enabled to purchase a home for the new Missionary Training Institute and to secure other valuable property for three mission churches. All told we have expended more than $30,000.00 on the purchase of property well located and

adequate for our work in the Islands. We shall need to appoint several permanent missionaries for the Hawaiian Mission just as soon as we can secure permission from the military authorities for them to sail.

World Emergency Relief

There has been a most generous response on the part of our people to the appeal for WORLD EMERGENCY RELIEF. We are happy to report that from January 1, 1942, up to April 5, 1943, the Baptists of the South have given through the Foreign Mission Board the magnificent sum of $493,888.46 to our World Emergency program. Up to January 1, 1942, the sum of $200,000.00 was given for Chinese Relief. Our people gave $200,000.00 for the aid of our British Baptist Foreign Mission Board, of which $6,085.80 was paid from the WORLD EMERGENCY RELIEF. This makes a total for all kinds of relief, given through the Foreign Mission Board, of $887,802.66. The sum of $15,000.00 plus was sent direct to Dr. Louie D. Newton for the purchase of Bibles for Russian prisoners-of-war in German prison camps. Thus it will be seen that, since the war began five years ago in China, our people have given a total of $902,802.66 for world war relief.

Since January, 1942, we have spent for World Emergency Relief the following sums:

Chinese Relief	$182,126.75
European Relief through various channels and agencies	45,500.00
American Bible Society	18,657.29

New Effort for World Emergency Relief

We plan to launch, on July 1, a new campaign for a new fund of $500,000.00 for World Emergency Relief. If we do our part to help feed and clothe the starving millions in Europe and China, we shall need another *half million dollars* within twelve months.

New Missionaries for Latin America

At the semi-annual meeting of the Foreign Mission Board, twenty candidates for missionary service came before the Board for examination and appointment to missionary service in lands afar. The majority of these will be sent to Latin America. Later on in the year we hope to appoint two couples for Russian work and place them in a Russian language school in preparation for the great day of missionary challenge when the war is over and Russia is open to the entrance of the gospel.

An Enlarged Program of Promotional Work

The Foreign Mission Board is especially to be congratulated on the enlargement of its promotional and propaganda work. This work is now organized and directed under five departments as follows:

Exhibits
Motion Pictures
Special Promotional Literature
Graded Mission Study Books
The Commission

These five lines of promotional work are now led by the most competent group of workers known among Southern Baptists. They are as follows:

Exhibits, Motion Pictures, and Special Promotional Literature under Mary M. Hunter.

Graded Mission Study Books, under the direction of Nan Weeks, Book Editor.

The Commission, with 100,000 subscribers as its goal, under the very able direction of Dr. E. C. Routh as Editor and Business Manager and Marjorie Moore as Managing Editor.

The Three Immediate Tasks

The three immediate tasks before the Foreign Mission Board are (1) the feeding of the starving millions in Europe and the Orient; (2) the enlargement of all our work in Latin America, regardless of Roman Catholic opposition; and (3) the gathering of resources for the new and greater day that must follow the close of this global war. And Southern Baptists will not only need millions of dollars to feed the starving peoples, following this war, but they will need millions more to rebuild our church houses, schools and hospitals which have been laid waste.

Then, Southern Baptists will need all the present force of missionaries who are fit for service, and hundreds of the best equipped recruits that can be found in our churches. Methodists are going out for about 800 new missionaries who will be ready at the close of this war. And Southern Baptists will perhaps need to double the present number (462) of our foreign missionaries. Last year, Southern Baptists lost 20 missionaries—5 by death, 6 by resignation, and 9 by retirement; whereas only 21 new missionaries were appointed.

And we must bear in mind that 82 of our missionaries have reached the Emeritus status, while 192 of the 462 are at home on furlough, many of them destined never to return to their fields.

It is good to know, therefore, that the Foreign Mission Board has already come to grips with this problem and has secured the services of J. W. (Bill) Marshall as Personnel Secretary.

CHAPTER III

THE ROMANCE OF HOME MISSIONS

DR. J. B. LAWRENCE, Executive Secretary, Home Mission Board

The romance of Home Missions is the romance that clusters around the toil and struggle and sacrifice of devoted, consecrated, heroic men and women who have labored for a nation's spiritual regeneration.

The homeland with its rivers and its rills, its firesides and its busy mills, its sacred memories, and its hallowed places—these shall ever live in the heart of the patriot. To the Christian they are doubly dear. His soul has a tie that is stronger than love of country; it is the tie of religious devotion, of faith in God and of experiences that make the homeland sacred because of the altars of faith built along the way. Is there no romance connected with the church nestled among the trees by the side of the road where years ago a strange, glad experience came into the soul just after the heart had melted under a message from the man of God in the pulpit?

This is the romance of Home Missions: the romance of mingled faith in God and patriotic devotion to one's country. This is the highest patriotism, for deep in the hearts of men the principles are laid through faith in Christ that make for the progress and prosperity of the state.

Debts Paid

Occasion for universal rejoicing among Southern Baptists is the fact that for the first time since 1920, the Home Mission Board is free of debt. The final note of the Board's indebtedness was paid on May 12, 1943. The payment of this note marked the termination of a fifteen-year struggle against debts, during which time the Home Mission Board paid a total of $2,426,631.91 on principal, and over $1,000,000 on interest. The Board received $636,900.21 from the Hundred Thousand Club, all of which went to the payment of principal. The rest of the indebtedness was paid out of the Co-operative Program receipts. The payment of the debt in depression times such as we have not had in nearly a century is the romance of integrity.

Doctor Beagle Retires

On January 1, 1943, Dr. J. W. Beagle, who had been for twenty-six years with the Home Mission Board, sixteen of which he had given as field secretary in charge of mission work in the homeland, at his request was retired. We wish to express our deep appreciation for the service he rendered. We do not know of a denominational worker anywhere in any field who has rendered greater service to the denomination and to the bringing in of the kingdom in the homeland than he has. During the fourteen years of the present administration of the Home Mission Board, Dr. Beagle was a wise counselor and helper in salvaging the mission work of the Board while we were straightening out its financial affairs. He is a man of wisdom, judgment and religion, and his services during the difficult days of depression and debt were invaluable. In his going the Home Mission Board has lost a great soul. It has lost an exceedingly effective and efficient worker. What romance there is attached to such a life as his!

The Work for the Year

The past year has been a year of glorious achievements for Home Missions. The Board reports a total of 435 workers in all fields. During the year, thirteen new missionaries were added, forty-three mission stations opened and six churches constituted. The missionaries distributed 14,445 Bibles and Testaments, and 672,093 tracts. They preached 37,657 sermons and led 15,928 to profess faith in Christ.

City Missions

During the year the Board greatly enlarged its City Missions Department of which Rev. S. F. Dowis is the superintendent. The Board now has city mission work in twenty-two of the South's largest cities. These cities are, Houston, Texas, Rev. Loyd Corder, superintendent; Atlanta, Ga., Rev. E. E. Steele, superintendent; Washington, D. C., Rev. M. C. Stith, superintendent; Birmingham, Ala., Rev. J. L. Aders, superintendent; San Antonio, Texas, Rev. E. J. Gregory, superintendent; Louisville, Ky., Rev. J. Perry Carter, superintendent; Durham, N. C., Rev. F. D. Hemphill, superintendent; Baltimore, Md., Rev. G. Raymond Brooks, superintendent; Little Rock, Ark., Rev. Taylor Stanfill, superintendent; New Orleans, La., Rev. A. L. Kirkwood, superintendent; Miami, Fla., Rev. J. E. Johnstone, superintendent; Dallas, Texas, Rev. H. E. Fowler, superintendent; Tampa, Fla., Rev. Clifford Walker, superintendent; El Paso, Texas, Rev. C. G. Carter, superintendent; Tulsa, Okla., Rev. A. L. Lowther, superintendent; Baton Rouge, La., Rev. A. E. Pardue, superintendent; Pensacola, Fla., Rev. T. H. Farr, superintendent; Oklahoma City, Okla., Rev. Guy Bellamy, superintendent; Greensboro, N. C., Rev. T. L. Sasser, superintendent. Negotiations have been completed with Savannah, Ga., East St. Louis, Ill., and Fort Worth, Texas, for city mission work, but the superintendents have not yet been selected. This is one of the most far-reaching programs the Home Mission Board has ever launched.

The Country Church

We are also planning a department for the revitalization of the country church. We are now working out a program that will, when carried into effect throughout our land, we believe, re-establish the country church as a potent factor in our denominational life. For twenty-five years, and more,

we have been talking about the country church, but doing very little to help the country church. The time has come when we must promote a program that will revitalize and re-establish our country churches as agencies for the coming of the Kingdom of God.

Our Christ for Our Country

As Christians we believe that only Christ for our country is the solution for our problems. Only the Great Physician can heal our hurt and restore our health. The Home Mission Board is giving itself to the task of giving our Christ to our country. The Board believes that the heart and soul of missions is the making and baptizing disciples. It is, therefore, majoring on preaching the Gospel among the Indians, the foreigners, the Negroes, in the congested sections and centers of our land and in Cuba and Panama. The Board believes that the mission task in the homeland will not be complete until all the life of the homeland is brought under the dominion of Christ. To this end we are working.

Foreigners

Home Mission work among foreigners includes, first, those people who were born in other lands and their children—Mexicans, Italians, Cubans in the United States, Europeans, and Chinese; and, second, native Americans who speak another language, chiefly the French-speaking people of Southern Louisiana and the Spanish-speaking people of New Mexico. These are fields of great magnitude, challenging us to the task of evangelizing more than 5,000,000 people. In this field the Board has 185 missionaries working in 580 mission stations.

The Deaf

Among the deaf there are four workers. These missionaries during the year preached 290 sermons, held seven revivals, led 93 to confess Christ, received 23 by letter and baptized 103. There are, perhaps, 45,000 deaf people in the Southern Baptist Convention territory. Our missionaries to the deaf are helping the churches to arrange programs whereby the deaf can have the services of the church interpreted to them and thereby receive the benefits of the sermons preached by the pastors.

The Indians

We have 73 missionaries working among the Indians. These missionaries reported for the year 459 conversions and 288 received by letter. We are working among the Navajos, the Pueblos, the Osage, Pawnee, Otoe, Ponca, Iowa, Sac and Fox, Kaw, Kickapoo, Cherokee, the Creek, Choctaw, Chickasaw and Seminole Indians. There are some 200,000 to 250,000 Indians in the territory of the Southern Baptist Convention. There are over forty tribes who speak about thirty different languages and dialects. Many of these Indians have never heard a Gospel sermon. Among all the Indians, there are, perhaps, 20,000 Baptists. Dr. J. B. Rounds, 1412 N.W. 10th St., Oklahoma City, Okla., who for a number of years was missionary to the Indians and then executive secretary of the Oklahoma Baptist Convention Board, has been elected by the Home Mission Board as superintendent of the Indian work in Oklahoma. Rev. C. W. Stumph, 1100 N. 8th St., Albuquerque, N. M., is superintendent of the Indians' work in New Mexico and Arizona.

Camp Work and Defense Communities

The Southern Baptist Convention committed to the Home Mission Board the task of carrying Christ to the camps. The Board was appointed as the agency to certify Southern Baptist preachers to the chaplaincy. Dr. Alfred Carpenter was elected superintendent of this work and has been giving his entire time and attention to the spiritual needs of our boys in camp. During 1942, the number of Southern Baptist chaplains has been trebled. The Committee endorsed 618 candidates for the chaplaincy in the Army and 91 in the Navy. On July 1, 1943, there were 758 chaplains on duty in the Army and 95 in the Navy. Southern Baptists will be expected to supply one thousand, or possibly twelve hundred, by the close of 1943. The Committee of the Home Mission

Board seeks to support our chaplains in their spiritual ministry: (1) by furnishing Bibles, tracts, literature, pamphlets, helps and other material; (2) by monthly letters, bulletins sent to encourage the chaplains and keep them abreast with current Baptist events. The chaplains return monthly reports to the Committee; (3) the superintendent visits the chaplains to assist in intensifying their activity and planning their program. He also speaks in the interest of the chaplains in connection with his personal interest, such as promotion in rank and place of service, and (4) emergency equipment is supplied, especially to those going overseas, such as public address systems, large shipments of Bibles, song books for transports and numerous other types of material.

The ministry of Southern Baptists within the armed forces is a spiritual ministry. It is not a call to duty nor to patriotism, neither to maintain our denominational pride, as noble as these are, but rather a challenge to our churches and pastors eligible for the chaplaincy to soul-winning and missionary opportunity under the leadership of the Holy Spirit.

Education and Promotion

Our program of education aims at cultivating the fundamental Christian attitude. Our purpose is to build up in our people—laymen as well as ministers and missionaries—attitudes of good will toward all. We are engaged both in promoting a program and in building spiritual values by leading our people to the maturity of Christian attitudes toward men of all races and social strata. The practical means used to gain this end include publication of Southern Baptist Home Missions, which has a circulation of over 90,000, and of mission study books and tracts; the distribution of illustrated lectures; the preparation of press releases for denominational and secular newspapers; the promotion of the study of missions; and public addresses in the interest of our work.

Schools of Missions

Special emphasis is being placed upon schools of missions. Rev. L. W. Martin, formerly missionary in the mountains of Kentucky, has been transferred to this department of work. The Home Mission Board is promoting a distinctive type of church schools of missions. In these schools we are endeavoring to enlist the whole church under the leadership of the pastor and other church officers in the study of missions according to a definitely planned program. We are giving special emphasis to citywide and countrywide schools of missions, many of which have been held with great success.

Jewish Evangelism

Rev. Jacob Gartenhaus is the Board's missionary of good will to the 500,000 Jews in the South. At the annual meeting of the Board the Committee on Jewish Evangelism voiced its whole-hearted approval of the present policy of this department by submitting the following recommendations: "(1) that we seek the wholehearted co-operation of the local church in reaching its Jewish neighbors through Friends of Israel groups; (2) that we put a greater emphasis on the power of the printed page; (3) that the importance of this work justifies a more liberal allowance for its promotion; and (4) that we commend to the Baptist brotherhood Jacob Gartenhaus for the monumental work which he has accomplished in a most difficult task, and call upon our people to co-operate with him in the promotion of this work.

Negroes

During the year we have continued our program of co-operation with Negro colleges and organizations in conducting classes in Bible, religious education, religious emphasis weeks, and holding extension classes and institutes. The objectives and aims of this department are to stimulate the Negro Baptist leaders of the nation in their evangelistic efforts, conventional activities and their educational programs. Our program centers in the schools. The aim of this department is to promote the Christian way of life, and to aid in the full development of competent leadership for church, home, school and com-

munity in a democratic social order. Dr. Noble Y. Beall, superintendent of this department, is doing a monumental piece of work.

We have now teacher-missionaries in 17 schools. In these 17 schools there were enrolled 5,123 students. In the classes taught by the teacher missionaries, 1,259 students were enrolled of which number 313 were ministerial students. In the institutes held by these teachers, 4,623 ministers were enrolled. There were 147 students serving as pastors of churches. These students held 18 revivals and report 1,827 conversions and additions to the churches.

Cuba

Dr. M. N. McCall, superintendent of our work in Cuba, reports that the work there has continued throughout the year with encouraging results. A fine spirit of evangelistic fervor has prevailed. There has been activity with steady growth. Aside from a few difficulties in transportation and the scarcity of some materials, there has been no hampering circumstances. Three new churches have been organized and two native men ordained for the ministry. We have now in Cuba 109 missionaries, 62 churches and 122 additional preaching stations.

We are fortunate in being able to secure the services of the Blue Net Work in Havana to broadcast the services every Sunday from Havana. This hook-up covers the Republic completely and reaches other nearby Carribean countries. The reports coming in from many places are encouraging. There are many instances of persons who have been directed to the churches through the radio service. Persons in out of the way places, far removed from other opportunities of gospel influence, are regular listeners. Many of our Cuban Baptists think the radio service is the most helpful single feature of our work.

The needs for our work in Cuba are great. The great metropolis of Havana, with nearly three-quarter of a million people, is barely being touched. Many sections of the provinces in which we are laboring are untouched with Baptist service. We should have at least twenty chapels throughout the Island and should be securing three or four permanent locations within the city limits of Havana. We need to double our forces in Cuba.

Panama

The present extent of our mission work in Panama is the Canal Zone, the two terminal cities and the surrounding territory. In this field the Home Mission Board has nine churches, one of which, Balboa Heights, for white Americans, is self-supporting. This church worships in the building erected and owned by the Home Mission Board. Seven of these churches are composed of West Indies Negroes who were brought to the Canal Zone from Jamaica during construction days and have remained after the Canal was completed. A second church for Americans has been recently organized. There is a great opportunity on the Atlantic side of the Canal. There are also other centers where we should have churches. At least three good missionary pastors are needed now to help build up a strong Baptist work in the Canal Zone.

Rev. Paul C. Bell, the superintendent, and his wife are doing a magnificent piece of work. We are fortunate in having some very fine Baptist chaplains in this area who are also helping in the work. Brother Bell writes, "As we look over this great mission field with its varied peoples from all over the world—from China, India, Europe, Africa, as well as all of the countries of North and South America—we stand amazed. 'Truly the fields are white unto the harvest and the laborers are few. Pray ye therefore the Lord of the harvest that he will send laborers into his harvest.'"

Special Mission Centers

In addition to the various departments of the Board, there are also rescue missions, good-will centers and mission schools. The missionaries of the Home Mission Board operate fourteen schools in addition to many kindergartens and Daily Vacation Bible Schools. These schools are great evangelistic agencies. We have three schools in the homeland: The Anglo-Mexican Institute at El Paso, Texas, with Prof. A. Velez, superintendent. He is assisted by Miss Lillie Mae Weatherford, Miss Gladys McLanahan and Miss Gloria Ruiz. This school is now housed in a beautiful new building built by Woman's Missionary Union of the South. Brother Velez reports 145 enrolled last session.

The Board has also been giving financial assistance to Acadia Academy at Church Point, La. This school reported last year 96 students, many of whom under the direction of the teachers, were engaged in definite mission work each Sunday. This school is at the center of the French mission field in South Louisiana

At Pointe au Chien where Rev. and Mrs. Berkman DeVille and Mrs. Grace Thompson are the missionaries, we have another school for the French Indians. They report 60 pupils enrolled.

In Cuba many of the churches are operating primary schools. In Havana we have, located in the Baptist Temple, a Baptist college and seminary. Last year the total enrollment in these two institutions was 200.

Field Work

The Board has six special field workers, in addition to the field secretaries, who are promoting all phases of Home Mission work. These are, Dr. J. F. Plainfield, Rev. L. W. Martin, Rev. Joe W. Burton and Miss Wilma Bucy. Mrs. Una Roberts Lawrence, mission study editor, and Rev. L. C. Smith, general missionary in South Louisiana.

The Magazine

The latest and most comprehensive information on the united effort of Southern Baptists to make the homeland Christian is given in **Southern Baptist Home Missions**, the monthly publication of the Board. Human interest stories of Gospel triumphs today, fresh from the fields of endeavor, told by the warm hearts of the missionaries themselves, fill the pages of each issue. No more practical service can be rendered to the cause of Home Missions than by securing subscriptions to this magazine, at 25c a year, or $1.00 for five years. A special budget rate is made to churches when the magazine is sent to all families in the membership. Information on the budget plan is sent on request. The circulation of the magazine as of July 20, 1943, is 90,184.

Church Building Loan Fund

The Home Mission Board is the administrator of a trust fund consisting of gifts made by individuals and churches to be used in making loans to churches for building and refinancing. The loans made were to be secured by first mortgage liens and to bear a moderate rate of interest. After expenses were paid the net income was to be added to the corpus. None of the funds were to be given away nor to be used as a promotion fund. The Home Mission Board is the trustee of this fund and is responsible for the administration of this trust. There were outstanding July 1, 1943, 183 loans amounting to $943,614.92 of principal value which, together with cash on hand and other resources, make up to the total corpus of $1,454,173.00. This is the highest figure yet reached in the corpus of this trust. The net earnings of the fund in 1942 amounted to $39,845.19.

Baptist churches generally in the denomination have shown a fine sense of responsibility with regard to debt payment in a period of financial depression, and this attitude indicates a clear understanding and acceptance of the principles of Christian integrity.

Churches requiring loans for building programs or aid in refinancing indebtedness should write to the Home Mission Board, 315 Red Rock Bldg., Atlanta, Ga., for information and application forms.

Rev. Courts Redford

Rev. Courts Redford, president of the Southwest Baptist College, has been elected by the Board as assistant executive secretary. Mr. Redford has been president of Southwest College, of Bolivar, Mo., for thirteen years. Before this he was stewardship and layman secretary for Missouri, coming there from Southwestern Seminary. Mr. Redford is eminently qualified for the task for

which he has been elected. He is an A.B. graduate of Oklahoma Baptist University, has a M.A. degree from Missouri University. He majored in Rural Psychology in his master's work and his thesis was, "A Survey of a Rural Association in Oklahoma." He has recently made a comprehensive survey of the Baptist churches in Missouri, which is a work of merit. He began his work with the Home Mission Board July 1, and in addition to his other duties as assistant executive secretary, will give a careful study of the country church situation in the territory of the Southern Baptist Convention and will launch and promote the revitalization program of the Home Mission Board. Mr. Redford studied under the late Dr. J. W. Jent, who of all men in the South among Baptists knew more about the country church, thought more of the country church, and cared more for the country church than possibly any other denominational worker among us.

Objective

Christ has called us into a campaign for the conquest of the world through the preaching of the Gospel. Every resource we have in men and money, every institution and every church should be mobilized and dedicated to the God-given task of preaching Christ and Him crucified to a lost world.

The strategic point of approach to this world task is the homeland. Christ must conquer in the homeland if we expect to win victories for Him in lands afar. We must show that the gospel of Jesus Christ can solve the problems of the modern world by solving those problems here at home. The objective of Home Missions is to show the redeeming power of the gospel in the homeland as a demonstration of what the gospel will do in all lands. The purpose of the Home Mission Board is to evangelize the homeland and mobilize the evangelized for world conquest for Christ in all lands.

CHAPTER IV

CHANGE, CHALLENGE AND GROWTH OF THE SUNDAY SCHOOL BOARD

1939-1942

DR. T. L. HOLCOMB, Executive Secretary-Treasurer

The three years of 1940, 1941 and 1942 were the most strenuous and the most successful years in the history of the Sunday School Board. The many far-reaching changes, limitations and restrictions brought about by the necessities of the war, came in the very midst of a great period of enlargement and growth of all phases of the work which have been committed to the Sunday School Board.

Those who have been responsible for the management of the Board's work during this strenuous period, therefore, have been called upon to superintend a constantly enlarging and growing enterprise in the face of bewildering outside interference. And, needless to say, it has taxed to the limit the physical, moral and mental powers of these leaders; but they have met the challenge in a remarkable way, as the results of their labors abundantly show.

New Organization of the Board's Workers

In 1939 there was instituted a new organizational setup of the Board's work and workers. This new regime had its first full year of service in 1940, the whole work of the Board having been grouped into three major divisions, as follows:

1. Education and Promotion

Dr. P. E. Burroughs presided over this major division of the work until his retirement in June 1943. He has been succeeded by Dr. J. O. Williams. This section embraces fourteen distinct departments of the Board's work including:

The six departments of Sunday school work
The five departments of Training Union work

The Baptist Student work
The Architectural Department
The Statistical Department

II. Editorial Service

This section embraces the editorial work of the whole group of 77 periodicals which the Sunday School Board issues; also the work of the Book Editor and the Music Editor of the Board. Dr. Hight C Moore presided over this section until his retirement in June 1943, at which time Dr. W. R. White of Texas came to be editor-in-chief of all the Board's publications.

DR. W. R. WHITE. New Editor in Chief

III. Business Management

This section embraces seven departments of work as follows:

Accounting
Order and Purchasing
Sales and Advertising
Mailing and Shipping
Manufacturing
Maintenance
Book-store Service

It was presided over by Dr. J. O. Williams until July 1, 1943, at which time Mr. Harold E. Ingraham was appointed to succeed him.

The Growing Receipts of the Board

Few Southern Baptists have realized that during these three strenuous years, while a global war was going on and all kinds of restrictions were being placed on the Board's work, the receipts of the Sunday School Board have actually grown from $2,183,743 to $3,024,358 in 1942—a net gain of almost a million dollars!

A Catalogue of Outstanding Gains

The great gain in the receipts of the Board, however, is only one of the whole catalogue of splendid gains which have come to the Board's work during the past three years. Let us look at some of these gains:

Net increase in the number of Sunday schools, 991, or an average net gain of 330 new Sunday schools per year.

*Note: Ridgecrest Assembly is handled at present by a special committee, and is not included in any of these sections.

Net increase in Training Unions, 7,631, or a net gain of 2,543 Unions each year, on the average.

Net increase in Daily Vacation Bible Schools, 2,763, or a net gain of 921 Vacation Bible Schools each year, on the average.

During these three years, the Board has expended $16,637 for repairs on the Printing Building; $275,000 in the erection and equipment of the new Administration Building; some $15,000 in remodeling the (old) Executive Building and some $25,000 in additional repairs and equipment of Ridgecrest Assembly.

In spite of this large expenditure of $331,637 in new buildings, new equipment and enlargements, the Board has been able to continue and to increase its big gifts to denominational causes, giving back to the denomination in 1940, $520,241; in 1941, $566,634, and in 1942, $576,719. And in addition to all this, the Board has been able to report a net profit on the operation of Ridgecrest Assembly amounting to $26,736 for these three years.

The total circulation of the 77 periodicals of the Board in 1942 reached the all-time high mark of 21,349,360 for the year.

Also, from May 1942, to May 1943, the Board published 42 new books and made 161 reprints and issued altogether 1,061,837 volumes of book publications—another high record of achievement.

During the year 1942, the "associated" and "subsidiary" bookstores, in which the Board has invested $152,925, experienced an unprecedented gain of of almost 30 per cent to the volume of their sales.

The total Sunday school awards, under the new courses of study launched in 1934, reached a grand total of 1,334,108 in 1942; whereas the Training Union awards mounted up to a grand total of 1,695,168 since the beginning of 1935.

Many Changes in the Working Forces

As indicated above, the past three years (1940, 1941 and 1942) saw more changes in the working forces employed by the Board than have occurred during any past decade of the Board's history. Says Dr. J. O. Williams, the former Business Manager, in his 1942 report:

"Changes in the personnel of the Board have possibly been greater during the last eighteen months than at any period in the same length of time in its history. In addition to those who have entered the service of the country, whose names are given in the next paragraph, the following changes have taken place: eleven have left to accept positions with other business concerns and the Government; seven young ladies have resigned to be married; six have resigned to be with their husbands, who have been called into service; two have resigned to enter school to study for the ministry; two have resigned to accept pastorates; two have retired from active duty; three have been lost by death.

"In addition to the above changes twenty employees of the Board have entered into some phase of the service of the country for military or naval duty. The following is a list of the names of these employees:

Air Corps—Barton S. Simms.

Marines—Maurice E. Lauper, Earle Goostree, John Justice.

W.A.C.—Anna Lou Baugus, Dorothy Carlton.

Navy—W. D. Kendall, Arlie Smith, John Zents, Richard Miles.

Army—Homer Vickers, Melvin P. Brooks, Noble Van Ness, James C. Loring, Holland Birthright, Troy D. Woodbury, M. Leon Mayo, Ollie Kelly, Hulan Turner, James Julian Johnson, Ralph Creasman, Francis Lipscomb, Frank McCullough, Thomas Henry Scudder, Henry G. Law, Clifford Tyler, Doyle Chatham, Thomas A. Hall (colored), Prince Gilbert (colored).

"Many of the positions at the Board made vacant by the going of the persons mentioned have been filled with new employees, while the work of others has been distributed among the remaining employees. All are working faithfully to carry on efficiently and effectively the increased responsibilities and obligations in the work of the Board caused by the going of some, and the increase in the amount of business.

"The employees of the Board have been loyal in their hearty response to all outside causes for support during the year. Every employee has purchased War Savings Stamps or Bonds, or both. A check for one single month on the amount invested by the employees shows an average of over 10 per cent of total salaries paid. Practically 100 per cent of the employees made a liberal gift to both the Community Chest and the Red Cross.

"On October 26, 1942, Noble Van Ness, head of the Production Department, an employee of the Board for more than twenty years, entered the Army. His place has not been filled but the work has been divided among the other employees of the department under the direction of Jack Ansley, an associate in the department, and under the general supervision of the Business Manager. A brief statement regarding the work of this department is presented by Mr. Ansley in the report.

"On December 4, 1942, Troy D. Woodbury, head of the Mailing and Shipping Department, entered the Army. The nine foremen in the various sections of this department were called together and requested to accept the responsibility for the work in his own particular section under the general supervision of the Business Manager. This arrangement has proved to be satisfactory so far and no additional employee has been secured to head this department."

The Architectural Department has undergone several very radical changes. In June, 1940, Mr. W. A. Harrel was asked to take charge of this department. He brought Mrs. Elizabeth Allen from the Training Union Department to be his secretary. Mr. Harold Wallace accepted a new position in Florida and Mr. Edward Daugherty was chosen to continue his work. Later Mr. Lowry Smith, Jr., and Mr. Frank Estes were added to this department. Only Charles Hoagland has remained with this department through the years.

The Training Union Department has likewise undergone many changes. Rev. Chester L. Quarles accepted a good pastorate in Mississippi and is very happy in his new work. Dr. Allen Graves left the Young People's Department to become the successful pastor at Fort Pierce, Florida. Mr. Joe D. Heacock took up the Associational Training Union work formerly led by Chester Quarles. Henry C. Rogers has come to give his life to the work among the Intermediates; while Winston Crawley is acting head of the work of the Young People's section. Meantime, Miss Thelma Arnot has been made Leader of Story Hour work; and Miss Margaret Griffin has been made Leader of Junior work, thus giving the Training Union Department a complete staff of departmental leaders, and workers.

The Young People's and Adult Department of the Sunday School section of the Board has advanced Mr. A. V. Washburn to be associate secretary for Adult work; brought Mr. Phil Harris from Illinois to be associate secretary for Young People's work; while Mr. Herman King continues his vital task as associate secretary for Extension work.

A. V. WASHBURN, Entered the Navy in August, 1943

The Art Department has likewise undergone considerable change within the past three years. Mr. William D. Kendall, after long and conspicuous service, resigned to enter the Navy and is now a Naval Ensign. Miss Beverly Pickup has become Mrs. W. A. St. John, but has come back to continue her splendid work while her husband is in the army; whereas Miss Jean Wallace has become secretary of this department, and Miss Novie Mai Moffat has become a very acceptable part-time worker in this department.

Already we have mentioned the retirement of Dr. Hight C Moore and Prince E. Burroughs. Dr. William R. White of Texas has taken up the editorial work so long and so ably presided over by Dr. Hight C Moore; while Dr. J. O. Williams has taken up the work of Education and Promotion, so efficiently carried on by Dr. Prince Burroughs (since 1910) for thirty-three years.

Keith Von Hagen became head of the Order Department, following the retirement of M. E. Dunaway who had served the Board for fifty years.

In the Elementary Department of the Sunday School work Miss Mattie C. Leatherwood retired in 1943, and Mrs. Harold R. Jones of Texas became head of the Cradle Roll Department; while Miss Pauline Hargis was made leader for Beginners' work, thus completing the whole staff of departmental workers for the Elementary Department of the Sunday School.

In the Administration Department of Sunday School work some changes are still in process, but have not been completed. Mr. Harold E. Ingraham, the head of this department, was made the Business Manager of the Board, while Mr. Jasper N. Barnette was suddenly called to go to Ridgecrest to become the acting manager there, due to the sudden and unexpected illness of Mr. Perry Morgan. This left Mr. J. P. Edmonds acting head of the Department of Sunday School Administration. In this same department Miss Marie Estes married and the Board has appointed Miss Francis Fraser to have charge of the important work of library promotion.

DR. CLAUDE U. BROACH, Associate Secretary of Student Work

In 1942, the Student Union Department of the Board, under Dr. Frank H. Leavell, reached out and brought in one of the most brilliant and scholarly young leaders in the South, to be associate secretary of this growing section of the Board's work. We refer to Dr. Claude U. Broach. At about the same time, however, this department lost Miss Marjorie Moore who went to the Foreign Mission Board to be Managing Editor of **The Commission.** Miss Elizabeth Williams was secured to carry on the work vacated by Miss Moore.

The Vacation Bible School Department lost Mary Beth Lasseter of Mississippi (by way of matrimony) but immediately called in from Illinois Miss Eugenia Waring.

These were not all the changes which the Board has had to deal with, during these three strenuous war years, but they were the main ones.

The Board's Missionary Work

For years the Sunday School Board has been functioning as one of the great missionary agencies of Southern Baptist Convention. The Board has always modestly referred to this work as "co-operative relationships with other agencies." As a matter of fact, the Board has been extending large help to many outside agencies of the Convention—and these efforts have grown with every passing year. Here is the Board's references to this particular line of work in 1943:

The Board has continued its co-operation with other denominational agencies during the year;

To the Executive Committee of the Southern Baptist Convention $37,000.00 was contributed for operating expenses and headquarters provided.

A contribution was made to the Woman's Missionary Union for its rent and general expense to the amount of $3,200.00.

The Board contributed $6,000.00 to the work fostered by the Baptist Brotherhood of the South.

A contribution of $1,600.00 each was made to the W.M.U. Training School, Louisville; the Southwestern Theological Seminary, Fort Worth, and the Baptist Bible Institute, New Orleans, to enable them to maintain a helpful course of study along the lines of work committed to our Board.

Under the instruction of the Convention, the Board has continued its co-operation with the Baptist World Alliance, and a contribution of $3,000.00 was made through the Executive Committee.

As a fixed Convention expense, the Board contributed $1,677.06 to the Committee on Baptist History; $5,882.68 to the Radio Committee; $408.86 to the Committee on Baptist World Emergency Relief; and a total of $814.38 to other special committees of the Convention.

Still another item, however, must be added to these missionary efforts of the Board: The Sunday School Board, in 1942, very generously came to the rescue of the Negro Seminary and Training School located here in Nashville, giving $900 the year to this needy school for Negroes—$600 the year going to scholarships for seminary students and $300 the year going to students of the Training School.

The B. H. Carroll Books

Still another outstanding achievement of the Sunday School Board during this period, was the purchase, in 1941, of all the books and manuscripts of Dr. B. H. Carroll, leader of Texas Baptists for almost a half century and the founder and first president of the Southwestern Baptist Theological Seminary of Ft. Worth, Texas. It is the plan of the Board not only to republish all Dr. Carroll's books which the public may call for, but to publish at least one new manuscript from Dr. Carroll every year until all available manuscripts have been published.

The Crusade Against Beverage Alcohol

Then, the Sunday School Board has determined to do something about the great and growing curse of beverage alcohol. Accordingly the Board has designated Dr. John L. Hill, its book editor, and one of the outstanding Bible teachers and Christian laymen of the nation, to be Crusade Leader; and it has published a study course book by C. Aubrey Hearn on **Alcohol the Destroyer**, which our people have sorely needed for thirty years. Says Dr. Hill in his latest report:

"The unprecedented, highly supported, and rapidly swelling tide of beverage liquor, with its accompanying floods of corruption, greed, indecency, debauchery, destruction, and death, threatens the very existence of the moral standards and practices of Christian civilization. In such a situation the followers of Christ cannot remain silent and inactive without proving their disloyalty to Christ.

"The Sunday School Board started the movement among Southern Baptists to challenge this enemy of everything that we hold dear. This movement has been widely endorsed and approved and proceeds without any diminution of effort and interest. *Alcohol the Destroyer*, by C. Aubrey Hearn, is having a splendid reception; it will continue to be used in study courses. The need right now is for our pastors to forget that this excellent book is just another study book and to promote its reading among all the people. The Board has given away literally scores of thousands of printed articles on beverage alcohol and will continue to supply reasonable demands in this field. Our periodicals and magazines are forever committed to the prosecution of this war on liquor until victory is won.

"We recommend that our pastors take the lead in the gigantic effort to induce all our people to sign commitment cards pledging themselves neither to use nor to serve beverage alcohol. Sermons on the subject would be followed by the wholesale registration; the Sunday School Board will furnish the cards in any quantities. Fresh emphasis, we believe, must be placed upon the Master's teaching that his followers living in the world are not of the world even as he is not of the world.

"We would recommend also the effort to obtain legislation to prohibit the advertising of any form of beverage alcohol. Such advertising which can carry no claims for the virtue of beverage products is positively nauseating in its insinuations and implications. Unless Christians continue to sleep, this desired objective can be effected."

Some New Movements in Board's Work

NEW GRADED LESSONS

We hope to complete this year practically all the editorial work on the graded lesson revision which we began more than four years ago. Hard has been the task of preparing and publishing these lessons for Nursery Class, Primary, and Junior departments. Yet, as we believe, it has been done with such ability and acceptability that we may anticipate its high service and wide popularity for years to come.

REACHING UNENROLLED CHURCH MEMBERS

A special campaign was initinted last fall to reach the unenrolled church members for our Sunday schools. The results reported from the churches participating were most gratifying—some schools having doubled their enrolment and number of classes for adults. Our present effort is to commit a maximum of one thousand churches to a definite campaign to reach all resident church members for the Sunday school.

YOUNG PEOPLE MEETING THE EMERGENCY

The days of conscription, and particularly the early months of the war, seriously set back Young People's work in our churches. In many instances entire classes of young men have entered the service. However, great numbers of our classes and departments are discovering in this emergency a challenge to their faith and perseverance. A comparative report on Standard awards through January, 1943, shows a 27 per cent increase in Standard classes over the same period of last year.

MULTIPLE DEPARTMENTS

There are now several hundred Sunday schools with two Adult departments, fourteen with three departments, and the most significant event of this past year has been that two Sunday schools have added the fourth department. These schools are Calvary Baptist, Birmingham, Alabama, and Broadway Baptist, Fort Worth, Texas.

EXTENSION DEPARTMENT REPORTS PROGRESS

The number of new Extension departments reported last year was 1,623, bringing the total department registration to 6,534, with an enrolment of approximately 250,000.

New Literature for Our Armed Forces

On to Victory is a small, 48-page booklet containing apt Scripture selections in three parts—"In Training," "On Duty," and "For Morale"; stirring quotes from great leaders, entitled "Bugle Notes"; and about twenty "Victory Songs." The theme text is Ephesians 6:10-20.

Special messages in brief form have also been prepared under the titles *By Faith I Accept, Drop Anchor, I Must Keep Faith with Myself,* and *Remember.*

It is hoped that this new literature will be of spiritual service to myriads of our men and women enlisted in our armed forces.

THE SUNDAY SCHOOL BOARD FOUNDATION

At its June meeting the Sunday School Board authorized the establishment of a Foundation to receive gifts and trust funds which could be used for enlargement of the work of the Board such as greater Bible distribution, rural church development, special ministries to children, religious leadership emphasis among college students, enlarged church music programs, leadership ministry to colored religious educational workers, specialized book publishing, cultural aids to pastors, youth camps, visual education and other similar purposes.

A standing committee was appointed, composed of: W. Maxey Jarman, S. C. Garrison, J. B. Newman, J. O. Williams, and T. L. Holcomb to give special attention to any matters of interest to the Foundation.

General Field Workers

While our great Southern Baptist pioneer, Dr. B. W. Spillman of Kinston, North Carolina, has retired at the close of an unparalleled career, the inimitable E. E. Lee goes right on as general field worker of Training Union work.

Dr. Spillman, it must be recalled, served as Sunday school secretary of North Carolina from 1896 to 1901, and then became the first field secretary of the Sunday School Board, beginning his monumental work with this Board June 1, 1901. On January 1, 1941, after 40 years of service, he asked to be retired. We will never see two such men as E. E. Lee and Bernard Washington Spillman anymore.

The Board's Family of 378 Workers

Our Sunday School Board family has undergone a multitude of changes in the last three years, but it has not grown much. At the close of 1939, we had 350 employees with the Board, whereas at the close of 1942, we had only 378, though the 378 were carrying on much greater work than any group of employees the Sunday School Board has ever had.

CHAPTER V

GREAT ADVANCE IN OLD MINISTERS' RELIEF AND ANNUITY

Baptist Building Dallas, Texas

THOMAS J. WATTS, D.D., Executive Secretary
WALTER R. ALEXANDER, D.D., Associate Secretary

THREE GREAT YEARS OF MINISTRY AND GROWTH 1940-1941-1942

(First three months of 1941-'42-'43 included in discussion)

During the three and one-fourth years under review the Relief and Annuity Board has experienced a fruition of its efforts far beyond the fondest dreams perhaps of its founders, its managers and its constituency. For all this the Board in humility and with a renewed sense of responsibility would with millions of Southern Baptists throughout their territory sound out their praise to **God, who alone is great and who alone is worthy to be praised!** With high resolve we now face the future with courage, and expectation, this even in "troublous times," yea in the midst of **global war!** And well we may, for **"Is anything too hard for the Lord?"** With the ever intrepid and undaunted Dan Crawford we are constrained to exclaim, **"hats off to the past, coats off to the future!"**

I

Notable Expansion of the Relief and Annuity Board's Work in Nineteen Hundred and Forty. Particularizing:

1. There was a steady increase in the membership of our several Annuity Plans, there having been issued 2,342 new certificates of participation. The memberships in all plans (up to April 1, 1941), reached the new high of **6,680**. This was the net membership after deducting retirements, withdrawals and cancellations numbering 502.

2. The Annuity dues of members and the matching payments of churches, boards, and institutions increased from **$359,757.33** in 1939 to **$628,910.30** in 1940.

3. The aggregate income of the Board increased from **$715,342.17** in 1939 to **$1,005,024.94** in 1940.

4. The assets of the Board increased from **$4,774,475.26** in 1939 to **$5,149,683.24** in 1940.

5. The Annuity benefits increased from **$253,794.94** in 1939 to **$314,895.00** in 1940 while the Relief and Annuity benefits combined increased from **$351,752.96** in 1939 to **$415,100.77** in 1940.

6. Of the eighteen states then comprising the Southern Baptist Convention all but Arizona and New Mexico had inaugurated the Ministers' Retirement Plan. The District of Columbia Convention was yet to take final action on this plan. (Action taken two years later.)

7. In the fall of 1940 the Board acquired a valuable piece of property which is within the most promising business section of the City of Dallas. The cash purchase price of this property was $80,000.00. A contract was let for reconstructing this reinforced concrete structure into a first-class fire-proof, air-conditioned and uniformly heated Baptist Center. The brick facing was to be removed and white cut limestone and fine granite substituted therefor. Plate glass and aluminum door frames and windows were likewise to be installed with modern indirect electric lighting throughout. This three-story building transformed and ready for occupancy was to represent a cash investment of approximately $200,000.00. This structure styled the Baptist Building was to be occupied by the Relief and Annuity Board, the Texas Baptist Foundation, the Texas Baptist Standard, the Baptist General Convention of Texas with its several departments of administration and service, the Southwestern Secretary of the Foreign Mission Board and other denominational organizations. The Baptist Book Store, owned jointly by the Baptist General Convention of Texas and the Sunday School Board of the Southern Baptist Convention was to occupy all of the first floor, except the portion to be reserved for a chapel and meeting place for the several Boards and Agencies of the Baptists.

8. During 1940 the Board's investments yielded 4.40%. The earnings for the year amounted to $215,916.73 and in addition there was a profit of $26,525.03 on bonds and stocks sold.

At the end of 1940 the investments of the Board in bonds and stocks were shown to have yielded a net profit since 1918 of **$46,033.35**., this being in addition to regular interest and dividends received through these years. The investment earnings since 1918 through 1940, exclusive of sales profits was $3,502,209.34.

9. The total of dues and premiums exclusive of gift contract funding for 1940 was $628,910.30 as compared with $67,589.08 ten years ago (1930).

10. At the end of 1940, the total benefits paid since 1918 footed $4,327,543.94.

II

SUSTAINED PROGRESS IN 1941

1. The New Mexico and Arizona Conventions inaugurated the Minister's Retirement Plan as of January 1, 1941, operation of same being in connection with the Baptist General Convention of Texas.

2. During 1941 (including to April, 1942) ministers and other eligible persons in the several states, received 1,235 certificates in the Ministers' Retirement Plan, while 386 certificates were issued to employees of Boards, Agencies and institutions. The total number of new certificates issued during 1941, to April 1, 1942, was 1,929.

3. The salaries of added members in the Ministers' Retirement Plan on which dues were to be paid by pastors and churches aggregated, during the above named period $1,750,000.00. The total of added salaries in all plans was $2,150,000.00.

4. The number of active members in the Ministers' Retirement Plan at the close of 1941, was **4,902**, and the total membership in all plans was **7,380**. These totals were increased by April 1, 1942, to **5,275** in Ministers' Retirement Plan and to **2,562** in all other Plans, or a grand total of active members of **7,984**.

5. The number of churches, boards, institutions and agencies co-operating in the Ministers' Relief Plan and all other group plans at the close of 1941 was 7,064 compared with 7,024 in 1940.

6. The aggregate of salaries enlisted in 1941 (figure limited to calendar year) was **$7,900,000.00** as compared with **$6,100,000.00** in 1940.

7. The income of the Board for the calendar year 1941 was **$1,147,678.84** as compared with **$1,005,024.94** in 1940.

8. The assets of the Board at the close of 1941 aggregated **$5,470,277.87** as compared with **$5,149,663.24** at the close of 1940.

9. The dues of members and the contributions of churches, boards, agencies and institutions credited to the reserves of the several retirement plans aggregated **$744,815.59** in 1941 calendar year as compared with **$628,910.00** in 1940.

10. The dues and contributions in the Ministers' Retirement Plan received during 1941 were **$546,469.30** as against **$440,225.87** received in the calendar year of 1940.

11. The benefits—annuity and relief paid in 1941—aggregated **$535,684.67** compared with **$415,100.77** paid in 1940.

12. During 1941—the Baptist Building was completed, paid for and dedicated. Dr. George W. Truett preached the dedicatory sermon. The building was completely occupied by our several State and Southern denominational agencies on the basis of long term leases yielding a satisfactory return on the funds invested. We have adhered to the purpose to maintain and operate the building as a Baptist Center. The rents charged our Boards are far below commercial rates and we think this is as it should be.

Very great appreciation has been felt and expressed by large numbers of our people in Texas and throughout the South because of this Relief and Annuity Board enterprise which is generally regarded as a valuable contribution to Baptist life and service. This investment has already resulted in a larger degree of fellowship and operating solidarity among Baptists.

13. The investment income of the Board in 1941 was $238,809.01.

In 1940 the investment income was $215,916.78. The rate of return on the mean of our investments was 4.31% compared with 4.40% the previous year. The rate was calculated by our auditor after charging against investment income, insurance, taxes, repairs on real estate and the 1941 pro rata of commissions paid on securing loans, also commissions paid on purchases and sales of stocks and bonds, and rent adjustments to the tenants of the Baptist Building. This is given as evidence of conservative accounting of income from investments.

The rates of return on the various classes of investments are as follows:

Bonds	4.62%
Mortgage Loans	5.10%
Preferred Stocks	6.00%
Common Stocks	2.28%
Real Estate	4.21%

These common stocks were largely acquired by gift of Mr. Rockefeller Purchases of common stocks in 1942-43 yielded much better rate of returns.

Nineteen and Forty-Two (1942) the Board's Best Year!

Encouraging Advancement on All Fronts!

1. (a) Dues on all Annuity Plans collected in the calendar year 1942 aggregated **$887,893.25** compared with **$744,815.59** in 1941 and **$628,910.30** in 1940.

(b) Dues in Ministers' Retirement Plan alone for 1942 totaled **$689,680.56** compared with **$546,640.46** in 1941 and **$440,225.87** in 1940.

2. Members in all Annuity Plans, calendar year 1942 **9,172** compared with **7,380** in 1941 and **6,650** in 1940. (These figures are exclusive of 1,422 pensioners as of December 31, 1942.) Adding new members received to April 1, 1943, the total membership was increased to nearly **9,400**.

3. Contributing (contractually) churches, boards, institutions and agencies at end of 1942, aggregated **10,243**, compared with 7,764 in 1941 and 7,024 in 1940. By April 1, 1943, the number had reached 10,500.

4. **Benefits** in 1942 including over $100,000.00 in relief grants totaled **$629,164.91** compared with **$535,684.67** in 1941 and **$415,100.77** in 1940.

5. **Income** from investments, pension dues from members, churches, boards, and institutions aggregated in 1942 **$1,383,242.18** compared with **$1,147,678.84** in 1941 and **$1,005,024.94** in 1940.

6. **Assets** of the Board at the close of 1942 totaled **$6,031,213.84** compared with **$5,470,277.87** in 1941 and **$5,149,663.24** in 1940.

7. **Salaries** in Ministers' Retirement Plan at end of 1942 aggregated **$10,768,000.00** compared with **$7,900,000** in 1941 and **$6,100,000.00** in 1940.

As of April 1, 1943, salaries of participating pastors totaled over **$11,000,000.00**. Salaries in all plans aggregated over **$13,000,000.00**.

8. Percentum of preachers in the Ministers' Retirement Plan (active pastors in S.B.C.) in 1942, 63.4% compared with approximately 40% in 1941, and 36% in 1940.

Percentum of churches co-operating (contractually) in 1942, 40.2%, churches in 1941, approximately 30%, churches in 1940 approximately 20%.

9. States showing best percentage of preachers and churches in Ministers' Retirement Plan, viz.: Maryland, Virginia, Texas, South Carolina, Oklahoma, New Mexico, Missouri, Louisiana, Georgia, Florida, District of Columbia, Arizona, Arkansas, Mississippi. All other states fell under 50%. Best states range

from 60% to 100% of active pastors; co-operating churches invariably showing lower percentages. **All states are making substantial progress in enlistment.**

10. Earnings on invested funds during 1942 were 4.51% compared with 4.31% in 1941 and 4.40% in 1940. In terms of money the the earnings in 1942 were **$269,588.34**, in 1941 **$238,809.01**, and in 1940 **$215,916.73**.

11. Co-operative Program receipts during 1942 together with designations and bequests were **$183,669.94** compared with **$146,077.83** in 1941 and **$125,648.88** in 1940. (None of these funds are used for benefits or reserves in the several group Annuity Plans except in **Old Annuity Fund.**)

12. The District of Columbia and California Conventions inaugurated the Ministers' Retirement Plan as of January 1, 1943.

Some Observations, Records and References

A. Approximately one-third of our active pastors are not yet participating in the Ministers' Retirement Plan! Here is our task, clearly defined and necessitous if Southern Baptists are to prove their avowed desire and purpose to preserve the independence of their churches, and uphold one of their cardinal principles, viz.: **The Separation of Church and State!**

"To your tents, O Israel."

B. Ministerial service must be matched by worthy and Scriptural ministerial support. Churches that make it necessary for their ministers to earn their bread at secular pursuits both impoverish themselves and rob God. Preachers should be enabled and constrained to devote themselves to their preaching and pastoral work. Without doubt, non-supported or inadequately supported preachers constitute in a very great measure the considerable group of non-participating brethren above mentioned. Would God that the churches would set themselves to remedy this. They can do so by providing worthy support for their pastors and by urging them to utilize the Ministers' Retirement Plan which is set in the denominational program for preventing old age destitution among preachers.

C. Gifts for Ministerial Relief to be distributed to a great host of retired ministers and widows who were not active when the Ministers' Retirement Plan was started and therefore cannot receive the benefits of that plan are sorely needed. One of the best ways to augment the regular gifts through the co-operative program is for thousands of our churches (and why not all of them) to take an offering at least once each year in connection with the Lord's Supper. Many churches have adopted this as a practice but **these many are all too few.** What a difference it would make in the quarterly checks sent to needy preachers and widows if this plan should be adopted generally by the churches in all the states!

Silver Jubilee

On May 20, 1943, the Relief and Annuity Board passed its **25th milestone.** The celebration of its Silver Jubilee could not be had in connection with the Southern Baptist Convention which was to have convened in the City of Memphis, but was omitted because of war conditions. Nothing daunted, the Board celebrated in we believe a worthy and effective manner, this anniversary on March 24, the occasion being observed in its own beautiful auditorium in the Baptist Building, Dallas, Texas, and in the spacious auditorium of the First Church of that city. Dr. Charles W. Daniel, Dr. T. L. Holcomb, Dr. George W. Truett, Dr. Walter R. Alexander, Dr. Andrew Potter, Mr. George A. Huggins, Mrs. J. M. Dawson, Dr. R. J. Bateman, Mr. Geo. B. Dealy, Dr. Thomas J. Watts and others participated. An anniversary dinner was served to board members, secretaries, editors and denominational leaders numbering about 100 persons in the Dallas Athletic Club. The addresses were of a very high order and are being preserved for the use of future historians. The regular annual meeting of the Board was a feature of this significant occasion. The meetings were ably presided over by Mr. Carr P. Collins, Vice President, and Dr. George W. Truett, Chairman of the Executive Committee. Dr. L. R. Scarborough, our honored President, was prevented by illness from being present. A beautiful photogravure and otherwise illustrative brochure of 80 pages with silver back was issued (10,000 copies) and placed in the hands of ministers, laymen, women workers and other leaders in all the states comprising the

Southern Baptist Convention. The Board now looks forward hopefully to May 18, 1968, when it will doubtless celebrate its Golden Jubilee after 60 years of Signal and Glorious Service and Growth.

Associate Secretary

Dr. Walter R. Alexander entered upon his duties as Associate Secretary on November 1, 1942. His coming to this position has given great satisfaction to a multitude of our constituency. His experience both in business and in the ministry covering more than 30 years, prepared him in a great way for the duties of a denuminational executive. Dr. Alexander came to us from the First Baptist Church, Florence, S. C., where he was pastor for 14 years. Thrice welcome to the ranks of Southern Baptist leadership, Dr. Alexander!

CHAPTER VI

THE EXECUTIVE COMMITTEE OF THE SOUTHERN BAPTIST CONVENTION

127 Ninth Avenue, North, Nashville, Tennessee

DR. AUSTIN CROUCH, Executive Secretary

Organization of the Committee

The Executive Committee, as now organized, was created by the Southern Baptist Convention, at Louisville, Kentucky, May, 1927, and chartered under the laws of Tennessee September 18, 1928. The membership of the Executive Committee consists of the President and Senior Secretary of the Southern Baptist Convention, one member from each of the co-operating states and the District of Columbia, and nine members at large. The Treasurer of the Executive Committee is, by virtue of his office, treasurer of the Southern Baptist Convention.

Duties and Functions of the Committee

The principal duties and functions of the Executive Committee are as follows:

1. To act for the Convention ad interim in matters not otherwise provided for in its plan of work.
2. To hold title to all property, real and personal, belonging to the Convention, and to do all things necessary thereto.
3. To have oversight of arrangements for meetings of the Convention, with authority, if necessary, to change the time and place of meeting.
4. To publish and distribute the Convention Annual.
5. To represent the Convention in all negotiations with State Conventions, State Boards, and other co-operating bodies in matters of common interest.
6. To present to the Convention a consolidated financial statement of all agencies of the Convention.
7. To act as the distributing agency of the Southwide Funds.
8. To recommend to the Convention an operating budget, including all of its agencies.
9. To conduct the promotion work of the Convention.
10. To perform all tasks assigned it, from time to time, by the Convention. More than a hundred important tasks have been assigned during the sixteen years' existence of the Committee.

1. The Administrative Department of the Executive Committee

This issue of the Southern Baptist Handbook covers the period from 1940 to 1943. It will be impossible even to enumerate the various items of work, regular and special, done during this period by the office of the Executive Committee.

Three persons devote their time to the Administrative Department: Austin Crouch, Executive Secretary, Miss Edwina A. Wenz, office secretary, and Mrs. Blanche P. Smith, bookkeeper. This department handles all funds for whatever purpose received and these funds are kept in their proper bank accounts and checks made thereon when money is paid out. The principal accounts of the Executive Committee are: Southwide Funds, including Cooperative Program, Designated; Baptist Hundred Thousand Club (these funds in 1942 amounted to $3,000,125.05); Operating Account of the Committee; Permanent Funds Account, and Opdyke Scholarship Account.

Much work is required in handling all the details of these various accounts. To illustrate: first, in distributing the Cooperative Program and Baptist Hundred Thousand Club funds it requires the working of percentages approximately 350 times a month; second, in handling the Opdyke Scholarships it is necessary to correspond with over a thousand persons a year, and it is also necessary to keep in close touch with some 80 or 90 students who are awarded scholarships each year, and with 35 to 40 schools and colleges where the students attend.

For those who are especially interested in information regarding the work of the Executive Committee it is suggested that they study carefully the reports of the Executive Committee published year by year in the Southern Baptist Convention Annual.

Refinancing of Debts

The outstanding special features of the work of the Executive Committee and of certain agencies of the Convention in 1940-41 was the refinancing of the indebtedness of the Southern Baptist Convention, of the Home Mission Board of the Convention, of the Baptist Bible Institute, Inc., and of the Southwestern Baptist Theological Seminary. The conspicuous feature of all of these refinancing plans was the provision that the Executive Committee should send direct to the trustee of each refinancing proposition an amount sufficient to service the obligation. This service charge included a definite amount to be paid on the principal, and the payment of the interest due at each interest-payment date. In the case of the Home Mission Board, the Baptist Bible Institute, and the Southwestern Baptist Theological Seminary it was necessary for these agencies to authorize and instruct the Executive Committee to send funds belonging to them to the various trustees. Thus the Executive Committee, the Baptist Bible Institute, Inc., the Southwestern Baptist Theological Seminary, and the Home Mission Board worked in hearty co-operation in bringing about these successful refinancing plans. By this method the Executive Committee acted as their agent. As a result of these refinancing plans, large savings in interest were made, and, at the same time, the indebtedness was handled in a more satisfactory manner than had been done previously.

Perplexing Problems

The period since the San Antonio Convention in 1942 has been a particularly trying one for the Executive Committee in some respects. While its regular work moved along smoothly and successfully, there have been two matters calling for action by the Committee that have made the work trying. The Committee was placed in the position of having to act on these matters. It was not a matter of choice but a matter of necessity.

1. Radio Committee.

The first perplexing problem was in regard to the Radio Committee of the Southern Baptist Convention. For a few years the Convention had appointed year by year a special Radio Committee. At the Convention in San Antonio that committee made certain recommendations which were adopted by the Convention evidently without giving due consideration to all the factors involved. Items 1 and 3 in the recommendations are as follows:

> "1. That the by-laws of the Convention be amended to provide for the election of a standing committee on radio of 15 members by adding the following words at the end of article 6, section 5. 'The Radio Committee,' and that in keeping with this change, such committee be elected in the usual way at this Convention.

> "3. That the Convention provide a budget of $30,000 for its Radio Committee for the ensuing year, same to be furnished as follows: (1) The Sunday School Board is hereby requested to furnish $5,000 for the year, and (2) that $25,000 be furnished from the undivided receipts of the Co-operative Program—1/12 to be supplied each month before a division of funds until such time as the Convention adjusts its schedule of prorating receipts so as to provide approximately this sum for its radio work. It is understood that no appeals for funds shall be made to churches or state conventions."

Page 102—1942 Convention Annual.

Concerning recommendation 3 the Executive Committee took the following action as stated in the Minutes of that committee.

"The Executive Committee, at its meeting June 17, 1942, in Nashville, Tennessee, found itself confronted by the dilemma of the San Antonio Convention's action in having adopted the report of its Radio Committee, with the recommendation that $25,000.00 be provided the committee for the ensuing year from the Co-operative Program receipts, which action contravenes the provisions of the Constitution of the Convention, Section 13, and the Business and Financial Plan, Section 14, which we herewith quote:

"'No new enterprise involving expenditure of money shall be authorized by the Convention, except on the recommendation of the Board or Agency of the Convention which shall have the responsibility for raising or expending the necessary funds, or after action has been taken by the Convention in two successive annual meetings.'—Constitution of the Convention, Section 13.

"'No new enterprise, involving expenditure of money, shall be authorized by the Convention except upon favorable action by the Convention in two succeeding annual meetings; provided, however, that this restriction shall not apply to a recommendation of an agency of the Convention concerning its own work.'—Business and Financial Plan, Section 14.

"Following a free and frank discussion, participated in by members of the Radio Committee, of the difficulty presented at our meeting when the Convention's instructions to provide this sum of money were considered in the light of the Constitution of the Convention, the Executive Committee adopted the following motion:

"'In view of the definite provisions of Section 13 of the Constitution and Section 14 of the Business and Financial Plan of the Southern Baptist Convention, the Executive Committee does not feel competent to act on the instructions of the San Antonio Convention with reference to the appropriation of $25,000.00. The Executive Committee heartily commends appropriation of $25,000.00 from the Co-operative Program receipts for the current budget of the Radio Committee.'

"In view of the emergency created by this action, the Executive Committee appointed the undersigned to confer with the Radio Committee regarding the financing of the Radio Committee's work for the current year, awaiting further action on this matter by the next Convention. The Executive Committee, therefore, authorizes the Radio Committee to make an appeal to Southern Baptists along the lines pursued last year to secure the $25,000.00. The Executive Committee heartily commends this appeal to Southern Baptists and bespeaks their generous response.

2. Meeting of Southern Baptist Convention.

The second perplexing problem confronting the Executive Committee was in regard to the holding of the meeting of the Convention in Memphis, Tennessee, May 12-14, 1943. This problem was brought about by two conditions resulting from the fact that the nation was at war. One phase of the problem was that of transportation. Mr. Joseph B. Eastman of the Office of Defense Transportation of Washington, D. C., requested that in the light of the war emergency that all meetings and conventions that would not directly contribute to the win-

ning of the war "be abandoned." The other phase of the problem was that of entertainment of the Convention by the City of Memphis.

The Committee took the following action:

"In view of the acute conditions arising since the last session of the Southern Baptist Convention, with reference to transportation, hotel facilities, rationing of food in private homes that might otherwise be available; and,

"In view of specific information from Memphis reducing the number of hotel rooms now available to 25 per cent of the number guaranteed a year ago; and,

"In view of the courteous statement from the Office of Defense Transportation that many other major conventions have already voluntarily deferred their conventions this year; and,

"In the light of a decided majority opinion from pastors, pastors' conferences, laymen, and denominational leaders advising postponement of the Convention; and,

"Believing that our people generally deeply desire to co-operate with our government in every possible way in the winning of this global war;

"It is the judgment of the Executive Committee that the Convention scheduled to meet in Memphis, Tennessee, May 12-14, 1943, be deferred." —Page 32, 1943 Annual.

Certain facts should be borne in mind concerning this action of the Executive Committee.

(1) That before the Executive Committee gave any consideration concerning making a change in the meeting of the Convention it had been brought to the attention of the Committee by some pastors, and by at least one agency of the Convention.

(2) That before Charles W. Daniel, President of the Executive Committee, would call a meeting of the Committee to consider a change in the meeting of the Convention, he wrote to all Southwide Executives, State Secretaries, Editors and some three or four pastors in each of the states, asking for an expression of opinion in regard to changing the meeting of the Convention.

(3) That the "preponderance of sentiment" of these and "of other individuals and groups" was in favor of calling off or postponing the meeting of the Convention in Memphis May 12-14, 1943, and

(4) That Pat M. Neff (President of the Southern Baptist Convention, an able lawyer in his own right, made a special study of the authority of the Executive Committee to act in this matter and gave it as his considered and deliberate opinion that the Executive Committee had full and legal authority to make the change.

(5) That both the Constitution and By-Laws of the Convention give authority to the Executive Committee to change the time and place of meeting of the Convention. Article XII of the Constitution is as follows:

"The Convention shall hold its meetings annually. The Executive Committee of the Convention may call extra meetings if necessary, or change the time and place of meeting of the Convention when the Committee may deem it inexpedient to convene at the time and place appointed."

By-Law 9, item (2), under duties and functions of the Executive Committee, reads as follows:

"To have oversight of arrangements for meetings of the Convention with authority to change, if necessary, the time and place of meeting."

Enlarged Powers of the Southern Baptist Convention

For several years it had been known that the Charter of the Southern Baptist Convention was not broad enough to cover all the activities in which the Convention is engaged. The Committee on Charters of the Executive Committee made a special study of methods by which this defect might be remedied.

Under the present Constitution of Georgia the legislature cannot grant or amend a charter. Charters in Georgia are now granted by the Superior Court in the county in which the corporation is located. A charter thus granted has to be renewed every twenty years. As it was deemed desirable that the perpetuity of the Charter of the Southern Baptist Convention be preserved, the Committee, through the services of Mr. Abit Nix of the firm of Erwin & Nix, Attorneys of Athens, Georgia, secured the passage of An Act by the Legislature of Georgia which grants additional rights and powers to any and all corporations chartered "for the propagation of the Gospel."

A copy of the Act follows:

"AN ACT

"To authorize any and all eleemosynary or religious corporations heretofore created or hereafter chartered in Georgia, by virtue of their existence, for the propagation of the Gospel to exercise and carry on certain powers.

"BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF GEORGIA AND IT IS HEREBY ENACTED BY AUTHORITY OF THE SAME:

"Section 1

"That any eleemosynary or religious corporations heretofore created in Georgia or hereafter chartered is, by virtue of its existence, authorized, in addition to the propagation of the Gospel, to conduct schools for the training of the youth; to own and operate for itself or for others printing plants, publishing houses, and any desired methods or means for the dissemination of news and information; to own and operate hospitals, nurses' homes and any and all kinds of institutions for the alleviation of pain and suffering; to own and operate for itself or others orphan asylums, old people's Homes and any and all institutions for the care, maintenance and support of its workers and employees who may have become disabled, been retired, or otherwise made eligible for the benefits of said plan, and in connction therewith to conduct a plan for the establishment and payment of annuities in connection therewith; and further to do any and everything necessary and proper for the accomplishment of the objects herein enumerated, and in general to carry on any lawful business necessary or incident to the attainment of these objects.

"Section 2

"Be it further enacted that this Act shall go into effect when approved by the Governor.

"Section 3

"Be it further enacted that all laws and parts of laws in conflict herewith be repealed.

II. THE PROMOTION DEPARTMENT OF THE EXECUTIVE COMMITTEE

DR. J. E. DILLARD, Promotional Secretary

The work of the Executive Committee of the Southern Baptist Convention is divided into two main departments: the Administrative and the Promotional. While these departments are distinct they work together in closest harmony in carrying out the expressed will of the Convention. Austin Crouch is the Executive Secretary of the Committee and head of the Administrative Department. J. E. Dillard is Director of Promotion with Walter M. Gilmore associated as Director of Publicity.

Origin

The work of Promotion as now conducted has grown out of an earnest effort to carry out the wishes of the Southern Baptist Convention as expressed in a recommendation adopted in 1936. The recommendation follows:

"We, the Committee, charged with the duty of considering the future of the Baptist Hundred Thousand Club would recommend the election of a director of promotion under the Executive Committee who shall promote the Cooperative Program and the Baptist Hundred Thousand Club. The director of promotion shall co-operate with the Baptist Brotherhood in the promotion of an extensive and intensive program of Stewardship and Missions, with the agencies of the Convention in the promotion of their work, and with the State Secretaries in the entire denominational program. The promotive work of the Convention shall be projected on a plan looking to the Centennial Year of the Southern Baptist Convention in 1945."

Organization

Acting upon the instructions of the Convention the Executive Committee elected J. E. Dillard of Birmingham, Alabama, as Director of Promotion. He began work the first of August, 1936. Dr. Walter M. Gilmore as Director of Publicity, Mrs. Ruth M. Nelson and Miss Catherine Easley as secretaries and Mrs. Ruth Verner, literature secretary, are associated with the director in this department. The Committee on Co-operation and Enlistment appointed by the Executive Committee of the Convention holds regular meetings and special meetings when deemed wise to advise with the directors of promotion and publicity regarding all matters of program, policy, and procedure. Dr. Louie D. Newton of Atlanta, Georgia, is chairman of this important committee and has rendered much valuable service. With the advice and aid of this committee and

with the approval of the Executive Committee of the Convention the task of promotion has been interpreted and the plans of promotion have been agreed upon as follows:

Objectives

The objectives of the Department of Promotion may be summarized as follows:

1. To inform all our people concerning all of the co-operative work of our denomination.
2. To promote unity and co-operation among the agencies and institutions of the denomination.
3. To promote without discrimination all the co-operative causes of our denomination.
4. To enlist our people in the intelligent, cheerful, systematic and liberal support of all our work.
5. To cultivate an intelligent co-operative constituency that will provide a permanent and stabilized income for the adequate support of our work.
6. To pay all our debts without crippling or curtailing any of our work.
7. To realize a Debtless Denomination by 1945 the Centennial of our Southern Baptist Convention.
8. To promote the study and practice of Bible Stewardship with the tithe as the minimum standard of Christian giving as the best and all sufficient plan for financing our Kingdom enterprises and producing an efficient and effective Christian constituency.

Program

In order to realize our objectives we have several primary matters in our promotion program:

1. We major upon the Cooperative Program which includes all the co-operative work of our denomination state and Southwide, and we urge all our churches to put on annually, preferably in November and December, the Every Member Canvass for the enlisting of all our members in the support of all our work, local, state, and Southwide.
2. We seek to promote the Special Days and seasons set apart in the Convention Calendar of Denominational Activities stressing each of these at the appropriate time. The prime purpose of these special days and seasons is to inform our people more concretely and in detail about certain phases of our work and to further enthuse and enlist our people in support of our work. It is hoped that the stressing of these special causes will supplement and strengthen rather than hurt or hinder the Cooperative Program itself.
3. For ten years the Baptist Hundred Thousand Club has been promoted as the special debt-paying plan of the Convention. A membership in the Club costs $1.00 a month. Every dollar received has been and is applied on the principal of the debts of the denomination. Interest is paid out of regular receipts. The Sunday School Board pays the cost of promoting the Club. The receipts of the Club have been prorated to the Convention causes in proportion to their needs for debt principal. It is understood that when any cause is freed of debt its Club receipts will be distributed to the other causes till all are debt free.

The Foreign Mission Board became free from debt on March 12, 1943, and the Home Mission Board paid the last dollar on its debt on May 12. **This leaves a balance, July 15, of $444,355.86 upon the other Convention causes. It is greatly hoped that this balance will be paid on or before December 31, 1943.**

In the event that any of our causes should fail to be entirely out of debt by the end of 1943 (which God forbid) then the Club should be continued until such debt is entirely liquidated.

In the event all Convention causes are clear of debt by the end of 1943 (which may God grant) then it is suggested that the states having capital debts on their boards and institutions might continue the Club plan for the liquidation of the same.

4. The month of January has been designated in the Denominational Calendar as "Program Month." It is hoped during this month to major on the causes included in the denominational program. This will be done by means of special sermons, study courses, schools of missions, special literature, etc. It is suggested that January 23 be observed as Denominational Day for the setting forth of the principles, plans, and work of the denomination.
5. The month of February is designated "Stewardship Month." It is hoped that during this month special and continued stress will be laid upon the glorious

doctrine and the blessed life of Christian Stewardship. It is hoped a special literature will be provided, schools of stewardship and stewardship revivals will be held, and that Stewardship Sunday, February 13 will be observed for enlisting our people in the practice of Christian Stewardship with the tithe as the minimum standard of Christian giving.

Methods

In promoting the program of Southern Baptists we use every method that seems wise and feasible. There are some methods that doubtless would produce good results but they are impossible because of personal limitations: others that are good cannot be employed because of lack of funds.

For example: a Southwide journal going into the homes of all our people informing them about all our work would certainly do great good, but for obvious reasons it is impossible. The best that we can do now is to make use of all secular and denominational publications that are put at our disposal. In addition to doing this, we get out "The Baptist Program" some seven times a year and send it gratis to all pastors and denominational leaders. We collaborate in editing "The Quarterly Review"; we have articles in all denominational periodicals, and many pages of reading ads in the state papers. We furnish the Weekly Bulletin Service to our churches at substantial cost. We are now issuing more than 165,000 per week and the demand for the same is constantly growing. We issue and distribute many thousands of tracts and booklets upon stewardship, tithing, the Cooperative Program and general denominational work.

We have made several sets of stereopticon slides illustrating our program and work. These may be had gratis from our Nashville office.

Our general methods of promotion may be summarized as follows: (1) Office work: by this we mean the conducting of a voluminous correspondence and the holding of conferences for the consideration of problems relating to our denominational work. (2) Publicity: keeping our work before the people by letters, papers, magazines, quarterlies, bulletins, "The Program," tracts, booklets, moving pictures, lantern slides, posters, exhibits, playlets, etc. (3) Field Work: attendance upon and participation in conventions; associations; conferences, state, regional, ministerial; assemblies; schools; churches; stewardship revivals, etc.

We are happy to state that all this work is done with the most helpful and sympathetic co-operation of executives, editors, state secretaries, pastors, and other leaders in our great Baptist brotherhood.

Regional Conferences

We are highly appreciative of the value of conferences, rallies, assemblies, etc., for informing, inspiring and interesting our people, especially our pastors and leaders in all the work of our denomination. We believe that such meetings can be arranged and conducted best under the direction of our State Secretaries and organizations. In this way there will be no conflicts with other state meetings and the co-operative work both state and Southwide can be presented to the best advantage.

We have participated in many such meetings and wish that such could be put on in all our states every year. We pledge in advance our full co-operation.

Encouraging Facts and Figures

Figures cannot reveal the spiritual and lasting results of our work, but they do encourage by showing increased interest as manifest by larger contributions to our work.

It should be borne in mind that the figures given herewith do not show all that our people contribute but **only such funds as actually pass through our office.**

Urgent Request

We urge that every agency, church, organization, group, and person put forth a prayerful, co-operative, sustained, and determined effort to so increase the receipts for paying the remainder of our old Southwide debt that we may reach our high objective of a Debtless Denomination by the end of 1943.

We urge that special offerings for this purpose be taken wherever and whenever possible so the old debt may be gotten out of the way for the sake of all our causes and for a great mid-war and post-war world program.

We urge that all funds for this purpose be sent in promptly to the state secretaries so as to reach our office **before** midnight December 31.

DEBT-FREE IN '43—COUNT ON ME

CHAPTER VII

THE FOUR WONDERFUL THEOLOGICAL SEMINARIES

DR. DUKE K. McCALL

1. BAPTIST BIBLE INSTITUTE

DUKE K. McCALL, President since April 1943

J. WASH WATTS, Dean and Acting President, June 1942-March 1943

The year 1942 was a year of emergency for the Baptist Bible Institute. The national emergency made it to be so, in some degree, for all institutions of higher education. The resignation of President Hamilton, added to the problems of war, created a situation which made the hearts of all members of the Institute family and of all friends to tremble.

Nevertheless, this year brought a renewed realization of the fact that the Baptist Bible Institute is a "child of providence and prayer." Despite our fears, the providences of our Heavenly Father have steadied her. As some of us have stood by, day by day watching and praying, sometimes pressed by feverish anxiety to the point of contemplating an expedient of human wisdom like that of Uzzah when he put forth his hand to steady the ark, we have been taught to understand that he who hath begun a good work in her will perfect it. Deliberately but very positively our beloved school has gathered herself in the strength which God alone gives, and she has moved on along her appointed path of service. We see for ourselves that the propping of human hands is not necessary and that unguided efforts are a hindrance. We try, therefore, to stand in our appointed places, and we give thanks with all our hearts. Working quietly but zealously in these appointed places, we have been blessed by responses which give good ground for the assurance that now sustains us.

The election of Dr. Duke K. McCall, pastor of the Broadway Baptist Church, Louisville, Kentucky, as president of the Institute has come as an answer to our prayers. This took place on February 17, 1943. His qualifications are splendidly set forth in the following report of the nominating committee:

"We have considered the background of culture, the consecration, the experience, the adaptability, poise, co-operative spirit, and family life of every man whose name was presented. We have sought diligently to find a man in whom would be combined sound scholarship, mature judgment, practical piety, unquestioned devotion and loyalty to the Word of God, a quenchless world mission passion, hot-hearted evangelistic zeal, prophetic vision, and apostolic daring.

"We have been led, we believe by the hand of God, to such a man. We have made the most searching inquiry into his life, scholarship, and doctrinal views. Every fact concerning him that has been brought to our attention has confirmed and strengthened our conviction that he is God's choice for this position.

"Dr. McCall is a native of Mississippi, son of Judge John W. McCall, Memphis, Chairman of the Baptist Brotherhood of the South, and nephew of Executive Secretary McCall of the Mississippi Baptist Convention. He is a spiritual son of the beloved A. U. Boone of Memphis. He is an A.B. graduate of Furman University, a Th.M. and Ph.D. graduate of the Southern Baptist Theological Seminary."

STUDENTS AND ALUMNI

Student enrolment for the 1942-43 session has amounted to 240 for resident students and 148 for correspondence students.

The following states and foreign countries are represented in the student body: Alabama 18, Arkansas 11, Florida 14, Georgia 8, Illinois 7, Louisiana 51, Mississippi 51, Missouri 4, New Mexico 2, North Carolina 30, Oklahoma 1, Oregon 1, Pennsylvania 1, South Carolina 16, Tennessee 9, Texas 6, Virginia 2, West Virginia 4, Argentina 1, Canada 1, Cuba 1, and Nicaragua 1.

According to courses the student body is divided as follows:

In Seminary courses leading to:		
Doctor of Theology degree	8	
Master of Theology degree	54	
Master of Christian Training degree	13	
Bachelor of Theology degree	32	
Bachelor of Christian Training degree	11	
Total	118	118
In Christian Training courses leading to:		
English Bible diploma	34	
Religious Education diploma	20	
Missionary Education diploma	33	
Music diploma	3	
Church Secretaryship diploma	2	
Total	92	92
Certificates		30
Grand Total		240

Professor E. O. Sellers has continued his promotion of correspondence work. Certificates granted during 1942 numbered 26.

The prospect for enrolment next session likewise seems to be good. Probably a continued decrease must be expected while the national emergency continues, but there is no evidence that there will be a sharp decline. Students who are here generally plan to complete their courses. Applications are already coming in from college men who wish to be approved and provided with certificates as to seminary standing which they can present to their Selective Service Boards.

The loyalty of our alumni, our students, our faculty, and our staff to our Government is a cause for deep satisfaction. We reckon that at least fifty of our men are under appointment as chaplains. Others are expecting appointment. Others are registering with the Committee on Appointment of Army and Navy Chaplains their willingness to go at whatever time their services are wanted. So far as we know, there is no one among us, man or woman, faculty member or student, young or old, who does not wish to serve the nation in such ways as our government sees fit to ask Christian workers to serve. The institution wishes it to be so.

The loyalty of our alumni and alumnae to the Institute is one of our greatest assets. Proofs of this arise from many sources. During the last year notable evidence has come from North Carolina. With the encouragement of our trustee, Rev. Wilson W. Woodcock, and the leadership of our alumnus, Rev. J. Frank Stegall, the work of the B. B. I. Alumni Association has borne fruit in several ways. Very favorable publicity for the Institute has been secured.

A scholarship for a prospective student has been provided. The number of students from North Carolina has been increased, there being thirty this year as compared with eleven in the 1939-40 session.

Faculty and Staff

The work of Professor Carnett as associate professor of sacred music was taken up in September by Professor W. Plunkett Martin. His qualifications were set forth at the meeting of trustees in May at San Antonio, Texas, and he was elected by a mail ballot shortly thereafter. Already he has made for himself a firm place in the respect and affection of the Institute family.

Instruction in piano, formerly handled by Mrs. E. Lamont Crosby, and in pipe organ, formerly handled by Mrs. Catharine T. Hancock, has been placed in the hands of Mrs. Walter J. Clark. Mrs. Clark is a graduate of the School of Music of Northwestern University, with a Master of Music degree. We are fortunate in that the desire of Mr. Clark to attend the Baptist Bible Institute has brought him and his wife to our campus at this time.

The classes formerly taught by President Hamilton have been divided for the session between Professors Sellers, Tibbs, and Anderson. Both terms of Evangelism have been taught by Professor Sellers, the first half of Church Problems (Ecclesiology) by Professor Anderson, and the second half is being taught in the fourth term by Professor Tibbs.

Mrs. J. Wash Watts has given up her teaching that we might use the services of Miss Ruby Daniel. Miss Daniel is at home because of the war, having served under our Foreign Mission Board in Hungary as principal of the Women's Training School at Budapest. She is a North Carolinian and a graduate of the W.M.U. Training School in Louisville, Kentucky. Beginning in September, she has been with us as a visiting faculty member and has taught Missionary Education (W.M.U. Administration) and English.

Professor Eddleman took up his work at the beginning of the third term in the 1941-42 session and served through the second term of the present session. In the classroom, in the life of the Institute family, and in our denominational life he was beloved from the beginning. It has been with very deep regret that we received his resignation. However, he had said before he came that there was a struggle in his soul between the call to preach and the call to teach. Urgent, unrelenting appeals from two fine churches finally led to the conclusion that he should go into the pastorate.

On the staff three changes have occurred. Miss Myrtle Littlejohn has succeeded Mrs. John W. Reid as Superintendent of Women; Miss Theresa Anderson his succeeded Mrs. D. E. Richardson as secretary in the president's office; and Miss Edythe Montroy has succeeded Miss Evelyn Jones as secretary in the registrar's office.

Practical Activities

Practical activities have continued to yield a truly great harvest. The following descriptions by Dr. J. W. Shepard, Director of the Practical Activities Department, give a good picture of the work:

"The work has continued along the same lines of evangelization in street meetings, visits in homes and institutions in New Orleans, and missionary excursions in four buses on Sunday by groups making use of the loud-speaker system. The work is taking root in more than thirty towns and villages scattered over ten parishes in the heart of French-speaking Louisiana. Several churches have been organized during the three years of this campaign, and recently a new Association has been constituted largely of churches thus founded. Some of these young churches are already planning to build or are building chapels through heroic local efforts coupled with help from the State W.M.U. of Louisiana and the State Board of Missions.

"The Union Baptist Seminary has continued to grow and has this year matriculated more than two hundred students. Many students are promising young men who work in the war industries during the day and come for three hours of study in the night classes. The Seminary is supported by seven Negro Associations and one white (Orleans Association) together with some contributions which come from the Louisiana State Conventions, white and colored. The Board of Trustees representing these constituencies is inter-racial. The Faculty has ten Negro teachers and about twice as many white, including a number of student-instructors from the Bible Institute. It is touching a large constituency of approximately a hundred thousand Negroes, and it gives promise of growing into a real first-class Seminary in the future. The process of indoctrination of Negro pastors is vital in checking the landslide of traditionally Negro Baptist populations toward Romanism."

This harvest is measured by the following statistics for the calendar year 1942: assignments met 4,798; sermons and addresses delivered 8,107; Sunday school classes taught 1,189; revivals 142; Vacation Bible Schools conducted 26; study courses 26; number homes visited 10,061; number attending services 219,715; number gospels and tracts given out 41,249; number dealt with personally 13,636; number professing conversion 4,446; number additions to churches by baptism 878; number additions to churches otherwise 785; churches organized 2.

Finances

The increase of gifts to the Institute, which was quite noticeable in 1941, has continued throughout 1942. This appears in receipts from the Co-operative Program, the Hundred Thousand Club, and Special Donations.

Funds from the Hundred Thousand Club and Special Donations enabled us to pay $45,000 on our indebtedness during 1942. Inasmuch as the Foreign Mission Board is now out of debt and the Home Mission Board expects to be so soon, thereby increasing allocations to other agencies, it is really possible that the Institute will be "debt free in '43." At the present date, the indebtedness amounts to $62,000, approximately, and a determined effort could remove all of it this year.

Provision for other needs has become increasingly urgent this year. Three outstanding needs are a fire-proof library, a married students' apartment building, and an endowment. The first and third are obvious. The second is emphasized by the fact that we have had a waiting list for apartments all this year and have turned away some students for lack of apartments.

Special Items

Membership in the American Association of Theological Schools has been established in accord with the instructions of the trustees at the meeting in San Antonio, Texas, last May. This connection has proved quite helpful in dealing with Selective Service Boards. The schools in the Association are acting as a unit in certifying the Seminary standing of ministerial candidates who have completed or approximately completed two years of college work. These schools have been instructed by the office of General Hershey, that they may examine prospective students yet in college and give them statements which may be presented to Selective Service Boards.

Founder's Day was observed October 1, 1942, with a special message brought by Dr. George H. Crutcher. Dr. Crutcher was influential in the founding of the Institute and served as professor of Evangelism between 1920 and 1927.

A recreational hall has been opened in the old gymnasium. Mr. and Mrs. T. L. Gambrell have taken the lead in putting it in shape. Heretofore this room was used by a few for basketball and volleyball. Now, with a sanded floor, suitable furniture, provision for many kinds of games, and a little store for supplies, the room is used by all groups on the campus, and has become a center for social activities. It is called the Playtorium.

An unusually full and fine program was prepared for Home Coming week, February 22-26. The Layne Lectures were brought by Dr. M. Theron Rankin, Foreign Mission Board Secretary for the Far East. Mr. Lawson H. Cooke, Executive Secretary of the Baptist Brotherhood of the South, delivered the Tharp Lectures. Other features included Dr. Alfred E. Carpenter, Secretary and Mrs. J. E. Lambdin, Miss Kathleen Mallory, Dr. J. W. Shepard of our own faculty, Dr. and Mrs. Frank Scroggie of London, and Mr. J. L. Kraft of Chicago.

II. AMERICAN BAPTIST THEOLOGICAL SEMINARY

In presenting its thirtieth annual report to Southern Baptists, the Commission wishes to express its deep sense of gratitude to Almighty God for his leadership through one of the most trying years which the Seminary has yet experienced.

1. **The Faculty of the Seminary:** With no dean in the Seminary since the going of Dr. J. H. Garnett some three years ago; with President Nabrit continuing to be a very sick man throughout the past six years; with one of our greatest teachers largely disabled from a paralytic stroke; and with the sudden death of our dear Professor McDonald, which occurred last summer; and with insufficient funds to go out and employ substitute teachers, our Seminary might have been forced to close its doors in the fall of 1942 but for two very timely providences of God. One of these providences was the coming of Professor Henry C. Nabrit, son of our distinguished president, who had but recently graduated from Crozer Theological Seminary. The other good providence of God was the kindness of the Southern Baptist Foreign Mission Board in lending us two of its distinguished missionaries to Africa, Rev. and Mrs. H. P. McCormick, Mr. McCormick serving as a full professor in the Seminary and Mrs. McCormick giving most of her time to teaching in the Training School. Even with these new teachers, the Seminary suffered greatly for the need of a thoroughly capable dean and at least one more full time and very able professor.

2. **The Student Body of the Seminary:** From the first, the student body of the Seminary has been small. Beginning with fifteen students in the fall of 1924, the number of regular Seminary students rose to sixty in 1934, when Dr. O. L. Hailey was called home. But the regular dormitory student body has not again attained that mark in the ten years since Dr. Hailey left us. The enrolment of regular Seminary students under the administration of President Nabrit, for example, has been as follows:

In 1936-37	44
In 1937-38	41
In 1938-39	45
In 1939-40	47
In 1940-41	48
In 1941-42	46
In 1942-43	40

Nevertheless, there have been growing enrolments in the Extension Department, in the Summer School and in the Night School when one was maintained, and there have been from nine to sixteen young women in the Training School every year since 1936. This year we lost some nineteen Seminary students who were inducted into the armed forces of the nation. With these we should have had fifty-nine students the past year. But it must be frankly admitted that the Seminary has hardly begun to serve the great constituency for which it was launched in 1924; also that, up to this time very few college trained students have been enrolled in the Seminary.

3. **Larger Financial Aid Provided:** Still another special providence of God in behalf of the Seminary has been the coming of greater financial aid from Southern Baptist sources during the past year. To begin with, our experiment in self-help for the students on our enlarged Seminary grounds made a splendid start last year. In spite of drought in the early months of the year, the products of our truck gardens and stock farm last season actually supplied more than half of all the food requirements of the Seminary, besides giving work for a number of the students.

Then some new friends came to our rescue with scholarship funds last year. Notable among these friends was our own Baptist Sunday School Board of Nashville, Tennessee, which, by a generous gift of $75 per month, is supplementing six scholarships to deserving young men in the Seminary and three young women in the Training School. Illinois Baptist Association also came to our rescue with two scholarships. Then some outstanding laymen and women from Georgia, Oklahoma, and Mississippi gave us scholarships just when such help was most needed.

Best of all, the Executive Committee, through a special committee under the chairmanship of Dr. John H. Buchanan of the Southside Baptist Church, Birmingham, Alabama, worked out a readjustment of the allocations of Southwide funds by which our Seminary will receive a fifty per cent increase in its receipts from the Co-operative Program funds in the future.

All of these timely and providential helps came to the Seminary in one of its most trying years, and was all the more appreciated because along with it came a greatly increased giving on the part of the great rank and file of our Southern Baptist people during the year. So that the Seminary is able to report the largest financial receipts in its history.

We thank God and the brethren for all this increased financial help, that has come to the Seminary. And we promise, by God's help, to take courage and do better.

III. SOUTHERN BAPTIST THEOLOGICAL SEMINARY

ANNUAL REPORT FOR 1942-1943

In President John R. Sampey's report to the Board of Trustees in session in San Antonio, Texas, May 16, 1942, he says, "The President and Financial Agent is happy to be able to turn over to his successor the business affairs in good condition. He hopes his administration may be as free from just criticism as he had found that of his honored predecessor, Dr. E. Y. Mullins." I could wish for no greater success, as I begin my work as his successor, than to be able to turn the Seminary over to my successor when the time comes in as good condition as I found it. My predecessor and beloved teacher, Dr. Sampey, will be remembered and honored by generations to come, not only because of his scholarship in the field of Old Testament Interpretation and Hebrew, but also because of his business acumen, administrative ability and leadership as an executive. He left nothing for his successor to do except to carry on the work of the Seminary on the same high plane of efficiency and spirituality, without any radical changes, and with only such minor changes and adjustments as become inevitably necessary from year to year.

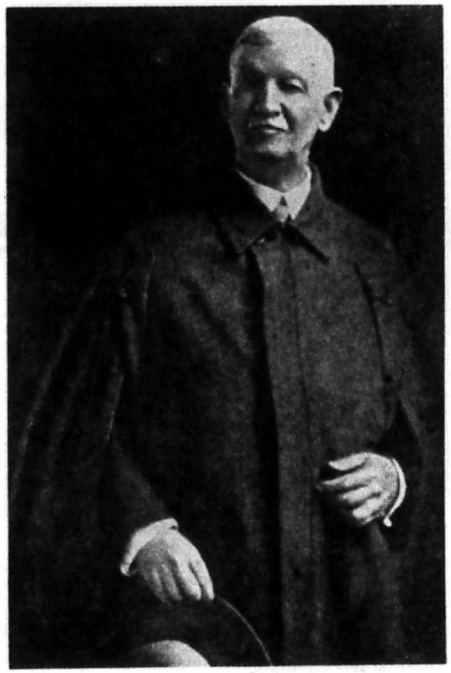
In my initial report to the Board of Trustees, I wish to make a few acknowledgments, and some observations.

I

Words fail me when I attempt to express my gratitude for your confidence in me, which led you to invite me to become the president of the Seminary, the most valuable asset which Baptists have for their world-wide missionary enterprise. It is useless even to attempt to interpret the emotions of my heart when I made the decision which took me out of a happy pastorate and placed me in a field of Christian service which I had never anticipated. My only sense of fitness for the work grew out of my high appraisal of its importance, of my willingness and desire to do God's will, and my conviction that He would give me wisdom and strength to accomplish whatever assignment He had in mind in appointing me to this place of responsibility. In trustful reliance upon God I accepted the presidency of the Seminary in response to your judgment, not mine.

In deep gratitude I acknowledge the friendly, appreciative and co-operative spirit with which Dr. Sampey and the other members of the faculty have received me and worked with me. Without their counsel and advice, which they have given so willingly and freely, the first year of my administration would have been tedious and laborious, but their friendliness and co-operation have made it joyous. The delightful reception given by the faculty in honor of Mrs. Fuller and me to introduce us to the educators, the Christian leaders of the different denominations, and the pastors of the evangelical churches in Louisville was eloquent testimony of their cordial interest in us and characteristic of their splendid attitude toward us at all times.

DR. W. O. CARVER, Missionary Statesman of Southern Baptists, Teacher of Missions in Southern Baptist Theological Seminary for 47 Years, Retires



DR. JOHN R. SAMPEY, Hebraist, Teacher, President and World Citizen, Retires After 58 Years as a Teacher and Fourteen Years (1928-1942) as President, Southern Baptist Seminary

A acknowledge my indebtedness to Dr. G. S. Dobbins, Treasurer and Assistant Financial Agent; to Dr. Hugh R. Peterson, Registrar and Student Counsellor; to Mr. H. O. McKinney, Assistant Treasurer; to Mr. T. R. Allen, Jr., Superintendent of Buildings and Grounds and Purchasing Agent; to Dr. Leo T. Crismon, Assistant Librarian; to Miss Pearl O'Leary, Assistant Registrar; to Mrs. T. R. Allen, Jr., dietitian; to Doctors R. Lindsey Ireland, H. H. Hagan, F. W. Urton, W. W. Nicholson, and J. Harold Myer, our medical staff; to Mrs. Gordon G. Frazee and her assistant, Mrs. E. S. Morgan, our nurses; and to all the other employees of the Seminary. They have been patient with me and painstaking in the discharge of their duties, thereby making my work delightful.

The students have been marvelous in their reception of me. They have sought to make my initial efforts successful by their consistent efforts to gratify all my desires and to carry out all my suggestions. With the increase in the enrollment to five hundred and thirty-eight, the largest in the history of the Seminary, there seemed to come a corresponding increase in willingness to work and desire to make the spiritual life of the institution more fervent.

II

I found the six lovely buildings of the Seminary in good repair and the beautiful campus well kept, despite the great difficulty to secure janitors and other workmen.

The total amount of endowment is $2,163,393.60. This money is in the custody of the Financial Board, five laymen. Nothing has cheered my heart, encouraged and inspired me more, than the judgment and the care with which they have discharged their duties. At all times they have manifested a two-fold purpose in handling the endowment funds, namely, to invest the funds in safe securities, and to make them produce maximum dividends for the current support of the Seminary. Not once have they sacrificed safety for income. Not once have they failed to find the security which would yield the greatest income. They meet just as often as their duties demand. Frequently they stay in session for hours, giving diligent study to all phases of the greatly aggravated and difficult problem of investing safely and profitably the funds entrusted to them.

In the same spirit of loyalty and interest, the Executive Committee have addressed themselves to the duties assigned them. They have given every evidence of seriousness of purpose and sound judgment in considering all questions and problems incident to the administration of the Seminary. With prayerful diligence they have sought to promote the general efficiency of the institution under wise and economic administrative principles and policies.

Under the instruction of the Board of Trustees to provide a home for the president, the Executive Committee, finding it impossible under the building restrictions of the Federal Government to repair and renovate the Mullins home on Cherokee Road, and finding it impossible to rent a home at a reasonable price for the duration, purchased a lovely Georgian colonial home at 531 Barberry Lane. It is spacious and ideally located. Subsequent to the purchase of this home, the proper officials upon authority of the Executive Committee sold the Mullins home for $8,500.00 in cash.

The debt at its peak (February 1, 1927) was $1,035,000.00. Dr. Sampey used reserve funds and current funds in the amount of $651,493.75 to supplement the receipts from the Hundred Thousand Club in the amount of $383,506.25 and thereby reduced the debt to $120,000.00 as of April 20, 1943. But let it be remembered that the faculty, officials and others willingly accepted reduced salaries in co-operation with the south-wide effort to free all of our agencies, institutions and boards from debt. There is a probability that the Seminary will be out of debt by the end of 1943, but certainly by the end, if not the middle, of 1944. Our annual income from the property on Broadway is $31,000.00; and on the New York lot lease $2,400.00.

In my judgment we should begin at once to create a sizeable reserve fund for protection against unanticipated expense in the way of repairs and upkeep of the buildings, and for protection against the embarassment of retrenchment as a result of possible economic chaos and depression during the post-war period. We should undergird our plans with economic security to carry forward with vigor and efficiency our program to prepare men for the gospel ministry for the post-war period which bids fair to be in double need of the gospel.

With profound gratitude I mention the movement which was originated by the alumni and is being promoted by them to raise $250,000.00 to erect a chapel on our campus. Their motive is to memorialize their love for the

Seminary and to enable her to do more for the development of the spiritual life of the students and faculty. Our temporary assembly hall will not seat more than one-half of our Seminary family. When we arrange programs for the entire group we must borrow the auditorium of the Crescent Hill Baptist Church. These facts indicate the extent of our need for a chapel.

By a mutual agreement between the Seminary and the W.M.U. Training School, the students of the Training School are now reciting in our classrooms with the men. This was made possible by the agreement with the Training School authorities to turn over to the Seminary the total amount of money that they were paying to our professors and their fellows. There are several advantages in this arrangement. It makes possible an equitable distribution of the teaching load and of the salary budget among the professors. It enables the Seminary to divide the larger classes into sections in the interest of greater efficiency in teaching and a more intimate relationship between the students and the professors. It eliminates the confusion which inevitably comes when two institutions employ the same men as professors. It is sound pedagogically. It produces a good spirit between the two institutions. It eliminates for the professors the conflicts between duties in the Training School and duties in the Seminary.

The Executive Board of the Women's Missionary Training Union are so delighted with the new arrangement that they voted unanimously at their recent meeting to increase their appropriation to the Seminary from $8,430.00 to $15,000.00 for another year.

Under the authority of a resolution passed by the Board of Trustees, I have tried to secure at least one man to take the field to secure gifts and bequests for the Seminary, but thus far I have failed. I am still trying. My judgment is that we should have at least two good men in the field at all times to present the claims and the needs of the Seminary to people who are able to make substantial contributions to it either in cash or bequests.

With gratitude for the immeasurably valuable service of Dr. John R. Sampey and Dr. W. O. Carver, who have worked with the Seminary fifty-eight years and forty-seven years, respectively, and with a sense of sorrow that the time has come for them to lay aside the heavier responsibilities of life, I bring to you, at their request, the announcement of their purpose to retire from active duty on June 30, 1943. The retirement allowance for Dr. Sampey was fixed by the Board at its last meeting, but the Trustees have not provided any retirement allowance for Dr. Carver.

IV. SOUTHWESTERN BAPTIST THEOLOGICAL SEMINARY

DR. E. D. HEAD, the new President

The resident enrollment for our thirty-fifth, 1942-43 session totals 734, representing 30 states and four foreign countries—Brazil, China, Mexico, Russia. In the total of those in residence we find 410 ministerial students, 32 laymen and 292 women. When we add to this number 273 who are doing study by correspondence, the grand total reaches 1,007. The 410 ministerial students are the largest number enrolled in any one year.

The number of our graduates for this commencement is 82. The Seminary has graduated 2,356, counting from the beginning of its history. There have been enrolled from the beginning 7,964 students. These numbers indicate the far-reaching ministry of the Seminary through its students, even to the remotest fields of the world.

A delightfully healthy situation is reflected in the fiscal record of the Seminary for the year 1942. Our receipts from the Cooperative Program totaled $21,448.67. Of this total $20,092.61 was designated, the remaining amount, $61,356.06, being undesignated. This total is an increase of $11,213.89 over the receipts of the previous year. Our endowment earnings for this past calendar year reveal the heartening figure of $33,749.70. Of this amount $14,622.28 accrued from the Valley citrus farm, while the remaining amount of $19,127.42 was realized from interest and rents. The increase over last year in endowment receipts is $16,651.84. The receipts accruing to the Seminary from the Hundred Thousand Club for the year 1942 reveal the sum of $75,728.37, this being an increase over the year 1941 of $26,246.99.

The indebtedness on the Seminary, as of January 1, 1943, was $163,061.42. The figure at this writing, April 12, 1943, is $120,429.88.

The gross endowment of the Seminary now totals $1,801,957.53. A signal increase of more than one hundred thousand dollars was achieved this past year through the challenge of Mr. William Fleming, consecrated layman of Fort Worth, Texas, who gave fifty thousand on the condition that friends of the Seminary raise a corresponding fifty thousand. We joyously record our gratitude to this noble layman and to all others who responded so loyally to pay the second fifty thousand.

The Seminary citrus farm in the Rio Grande Valley now has approximately 450 acres in beautiful trees, most of which are now producing. This work has the keen interest and personal supervision of Dr. L. R. Scarborough, whose home adjoins the Seminary lands. He is giving his services without salary, his reward being the realization of his cherished dream of a great income-producing orchard as part of the Seminary's endowment. We confidently believe that the bountiful crop of the present season will double the profit of last year.

Our hearts warm with pride and genuine gratitude for the number of our Seminary men, preachers and laymen, who are now serving through the channels of armed service throughout the world. We have the names and addresses of 263 who are serving as chaplains. Some 59 additional are engaged in other branches of military activity.

This year has been featured by abundant opportunities for remunerative employment for our students. Through it they have been able to care adequately for their expenses. The open doors for pastoral work are also numerous, thus affording the privilege for the exercise and development of their gifts in practical service. Ample loan funds are also available for students who face special emergencies.

On August 1, 1942 Dr. L. R. Scarborough retired from official connection with the Seminary. His tenure of service extended through thirty-four years, twenty-seven years as president and seven years in other capacities. As indicated in the foregoing paragraph, he is still finding expression for his undying love for the Seminary through his supervision of the Seminary citrus farm. These years of consecrated and far-seeing administration by Dr. Scarborough speak of a heroism, sacrifice, abounding fruitfulness, almost unequaled in all the tides of time. No biography in cold type can ever tell of the joys, tears, anguish, hours of intercession, shattered hopes, emerging triumphs and fulfilled dreams of these achieving years. Eternity alone can reveal it all. Yet we must not forget our debt to him and the trust he has passed to us all, both the immediate Seminary family and our Baptist comrades of the Southland and the world.

Because of the broad and deep foundations laid by Dr. B. H. Carroll and Dr. L. R. Scarborough, also their faithful colleagues of these epochal past years, Southwestern Seminary faces out toward an ever enlarging future of golden possibilities. Now manned by a united administrative and instructional corps of loyal, co-operative, evangelistic, scholarly men and women; heartened by a great family of loving students, occupying places of leadership in every capacity of kingdom building at home and even to the ends of the earth, we earnestly rededicate ourselves to the great business of training scholarly, evangelistic, consecrated men and women for the mighty tasks which await them. Yea, "we thank God and take courage."

CHAPTER VIII

BAPTIST BROTHERHOOD OF THE SOUTH

(Thirty-Sixth Annual Report)

MR. LAWSON H. COOKE. General Secretary, Memphis, Tenn.

Nineteen hundred and forty-two was a difficult year in every department of our denominational work. This was especially true of the Brotherhood. Many adjustments in organization and meetings were necessary because of enlistments in our armed services, travel difficulties and industrial shifts. Notwithstanding, much progress was made. Many new Brotherhoods were organized during the year. It is necessary, in making a statistical report, to estimate the progress of the Brotherhood work in some sections of the convention. This is because there are full-time Brotherhood secretaries in only one-half of the states of the convention. Whenever it is necessary to estimate, it is the invariable policy of the Brotherhood to be conservative. On this basis the statement is made that on January 1, 1943 there were functioning Brotherhoods in more than 3,000 churches and the enrolment in these Brotherhoods was approximately 100,000 men. These figures are below the number reported for 1941 due to the statistical elimination of many "fellowship clubs" which, while rendering fine service, cannot be classified as Brotherhoods under the present interpretation of the aims and objectives of the Brotherhood Movement.

Literature

The distribution of the Brotherhood Quarterly in 1942 reached the highest point since the beginning of the publication. The Quarterly now serves a dual purpose. It is used chiefly in Brotherhood meetings as a basis of discussion, but in churches where this is not practical, the Quarterly is sent direct to homes and is being read as a magazine. In this way, men are receiving the benefit of the inspirational reading and denominational information to be found in the Quarterly and without which a maximum enlistment is impossible. As in previous years, the Brotherhood has been privileged to carry a number of full length articles regarding the work of various agencies of the convention and also has given without cost a number of full page display advertisements to these agencies. This policy will continue through 1943.

Layman's Day

For the third consecutive year, and in collaboration with the Radio Committee of the Southern Baptist Convention, the Brotherhood of the South sponsored a far-reaching broadcast on Layman's Day, Sunday, October 18, 1942. Addresses were delivered during the afternoon by prominent pastors and laymen on the general theme "The mobilization of the man power of our churches." As usual, Layman's Day was observed in a large number of churches by appropriate programs during morning and evening services.

Co-operative Program

The Co-operative Program is, and must remain, the foundation of the financial structure of Southern Baptists. It is a safe, sound and equitable program for financing our work.

One hundred per cent of Southern Baptist churches contributing liberally through the Co-operative Program would solve most of our denominational problems, expand our mission work to undreamed of dimensions, and immeasurably enrich the spiritual life of our churches.

The Baptist Brotherhood of the South urges a well-planned, systematic and energetic movement to encourage one hundred per cent participation during 1943. To this end, and in co-operation with our state Brotherhood secretaries, we offer our facilities and our services to our state mission secretaries, and to Dr. J. E. Dillard, our director of promotion for the Southern Baptist Convention.

Reports of State Brotherhood Secretaries

FLORIDA—J. Harrison Griffin. 205 W. Michigan. DeLand, Florida

Last year was one of the best years in Brotherhood work in Florida. More men were enlisted in their churches during 1942 than in any previous year. Many Brotherhoods did outstanding work in paying off church debts, improving church property, increasing pastors' salaries, organizing missions, etc. The Brotherhood sponsored a movement to have our state paper, *The Florida Baptist Witness*, included in church budgets and this resulted in a substantial increase in the circulation of the paper. There was also a marked increase in gifts through the Co-operative Program, and the amount given through the Hundred Thousand Club more than doubled the gifts of the previous year. Of course, the Brotherhood does not claim credit for all this.

We now have 273 church Brotherhoods and thirty associational Brotherhoods. We estimate that the enrolment in the church Brotherhoods is approximately 8,500 men.

ILLINOIS—George W. Schroeder. Baptist Office. Carbondale, Illinois

At the close of 1942, there were Brotherhoods in 119 churches in Illinois. This represents an increase of twenty per cent over 1941. There were 3,700 men enrolled in these Brotherhoods. There are eight districts in the state and all of them are organized for Brotherhood work; eight of the twenty-one associations are organized. During 1942, special emphasis was placed on the Co-operative Program, the Hundred Thousand Club, co-operation with the W.M.U. in Royal Ambassador work, and The Baptist Foundation, which is our state school.

Our State Brotherhood Convention was the largest convention of men we ever had, and our divisional meetings reached twice as many men as the year before. Our summer encampment was attended by approximately one-third more men than in 1941. The editor of *The Illinois Baptist* states that, during the past two years, the Baptist Brotherhood of Illinois has been instrumental in securing 1,500 new subscriptions to the paper. That is twenty-five per cent of the total present subscriptions.

KENTUCKY—John W. Dowdy. 205 E. Chestnut. Louisville, Kentucky

The growth of the Brotherhood work during 1942, while not spectacular, was very substantial. A number of new Brotherhoods were organized, and at

the close of the year there were Brotherhoods in 175 churches. Nine associations and one region are now organized for Brotherhood work. It is estimated that the enrolment in church Brotherhoods is approximately 4,000 men. During the year, stewardship revivals were held in many churches. In these revivals, the Co-operative Program was emphasized as the chief medium for supporting all our denominational work, and the revivals resulted in a substantial increase in gifts through the Program. Bible conferences were conducted with splendid results.

LOUISIANA—Ira C. Prosser, Box 12, Shreveport, Louisiana

Of the 871 Baptist churches in Louisiana approximately 350 have Brotherhoods. Ten thousand of the 41,000 Baptist men in the state are in Brotherhoods. All eight districts in the state have Brotherhood organizations, and of the 39 associations, 35 have associational Brotherhood organizations.

We are greatly encouraged as we view the progress of the Brotherhood work in Louisiana. There has been a noticeable increase in the general interest among our Baptist pastors and laymen. As a result, all of the Brotherhood work has been revitalized and many new Brotherhoods organized.

Through the Brotherhood program, men are catching a true vision of their place and responsibility in the church and denomination by attempting to enlist, develop and utilize unenlisted men. Men of the Brotherhood have greatly aided in increasing the circulation of our *Baptist Message*. They are co-operating with our state executive secretary, Dr. W. H. Knight, in a general enlistment of our unenlisted churches. The men of the Brotherhood are sponsoring scores of mission centers over the state at no cost to the denomination, and many souls have been saved and lives reclaimed for kingdom service as a result of this mission work.

We are convinced that the need and value of organized effort among Christian men is no longer an experiment, and the Baptist men of Louisiana are greatly encouraged by the unanimous support of our convention and executive board. Under the efficient leadership of Dr. W. H. Knight, our executive board has placed the Brotherhood on the main line, and we believe under the leadership of the Holy Spirit this department will stay on the main line for one main objective: "Undergirding the whole program of my church and my denomination."

MISSOURI—S. W. Driggers, 1023 East Grand, Kansas City, Missouri

The progress of the Brotherhood Movement in Missouri during 1942 was very gratifying. The annual Brotherhood Convention was combined with the State Evangelistic Conference. One day was designated as Brotherhood Day and the laymen were responsible for the program. Due to war conditions, our institutional and divisional conferences were suspended. Special emphasis was placed on associational activities and on activities within the individual churches. Since the objective of the Brotherhood Movement is to enlist all the men in all the work of the church, our major effort has centered in encouraging adequate church budgets, and in enlisting men in the practice of tithing. Placing the state paper in church budgets has been another objective, and it has met with gratifying success. The Brotherhood has also emphasized the value of the Ministers Retirement Plan and the Co-operative Program. The outlook for the Brotherhood Movement in Missouri is very encouraging. At the close of 1942, there were 150 church Brotherhoods with an enrolment of 6,062 men. Eight of the 83 associations are now organized for Brotherhood work.

NEW MEXICO—E. A. Herron, Box 485, Albuquerque, New Mexico

Nine of the ten associations in the state are now organized for Brotherhood work. At the close of the year, there were 35 New Mexico churches with Brotherhoods. On an estimate of thirty men enrolled in each Brotherhood, the total enrolment was more than 1,000 men. These men are meeting regularly in their churches for fellowship, prayer, and for consideration of matters of concern to the church in its local, state and Southwide ministry. It is gratifying that, in increasing numbers, men are making their offerings and rendering their services through their churches. Surely, this is pleasing to God, for it is the only sure method of making our lives count the most. In our Brotherhood work in New Mexico, we gave special emphasis to the circulation of our state paper, to the Ministers Retirement Plan, and the early liquidation of our

denominational indebtedness. During 1942, two very helpful Brotherhood rallies were held, one at Lake Van and the other at Elephant Butte Lake. These Brotherhood rallies offer our pastors and laymen additional opportunity for Christian fellowship, outdoor activities and spiritual refreshment.

OKLAHOMA—Porter Routh, 223½ West First Street, Oklahoma City, Oklahoma

The Brotherhoods accomplished several things during 1942 which might be of interest:

(1) For the first time, the Brotherhood Convention was held in connection with the General Convention. One of the features of this convention was a series of conferences which enabled the meeting to be broken down into small units where definite problems could be discussed. This conference was of real value in promoting all phases of church and denominational work.

(2) A second feature which the Brotherhood promoted was a loyalty pledge which men have been asked to sign. It expresses their willingness to take the places of men who have been called into the army and war industries.

(3) A third activity was the inauguration of a system designed to keep in touch with the men who go from our churches to the army and war industries. This indicates a continued interest in them, and seeks to enlist them in the work of the church in the locality to which they have moved.

(4) For the first time in several years, regional rallies or Brotherhood conferences were held in the eight districts in Oklahoma.

At the close of the year, there were 273 church Brotherhoods with an estimated enrolment of 8,000 men. Twenty-five of the 38 associations were organized for Brotherhood work, as well as each of the eight districts in the state.

TENNESSEE—E. K. Wiley, 148 Sixth Avenue, North, Nashville, Tennessee

During 1942, thirty-eight new Brotherhoods were organized in the state. There are now 150 churches having functioning Brotherhoods, and the enrolment in these Brotherhoods is approximately 4,500 men. Seventeen of the 65 associations in the state are organized for Brotherhood work, and four of the eight regions. During the year, the Brotherhood has given active support to the Hundred Thousand Club and has encouraged many churches to give serious consideration to the Ministers Retirement Plan. Another very important feature of our work in which the Brotherhoods in Tennessee have become interested is that of leading and assisting in establishing joint-pastorates. In one instance, three churches were helped—one of them having services two Sundays a month, the other two having services only one Sunday. A pastor is now in their midst. Other half-time and quarter-time churches are giving more consideration to this important work. There is a growing interest in the state in joint-pastorates for churches not having full-time work, also in leading the people to adopt the storehouse plan of supporting the pastors and mission work.

TEXAS—R. A. Springer, 303 Baptist Building, Dallas, Texas

Each of the 17 districts in Texas is organized with a President, Vice-President, Secretary-Treasurer and other needed officers. Most of the district Brotherhoods meet once a year for a rally. Some meet twice a year.

Each of our 113 associations is organized with a President and other needed officers. Most of these association Brotherhoods meet quarterly.

There are now approximately 1,100 Texas churches with Brotherhoods and the enrolment in these Brotherhoods is above 33,000.

The Brotherhood Camp idea is growing in popularity and attendance. Four districts now have regular Brotherhood camps.

The Brotherhood Annual Convention meets just preceding the Baptist General Convention of Texas. Our third convention will be held in Dallas, November 8 and 9, 1943.

One of the outstanding achievements of our Brotherhood work in Texas for the year 1942 was in taking the lead in a campaign to free the Baptist General Convention of debt. State Secretary W. W. Melton and committees including over 1,000 persons worked diligently at this task, and with the co-operation of pastors, Sunday school forces, Training Union forces and the forces of W.M.U., the debt has been completely liquidated. For the first time in its

history, the Baptist General Convention is free of debt. During the year, $480,000 was paid on the principal of the debt, and the interest on top of this.

CHAPTER IX

WOMAN'S MISSIONARY UNION ACHIEVES NEW GOALS

In the number of organizations, membership and contributions, as well as in other lines, the W.M.U. work of the South has attained new goals in this three-year war period. For example, there has been a net gain of 762 new organizations in spite of some serious losses. Also the membership in these organizations have held their ground and gained an additional 620 others. But in the contributions laid on God's altar, the Woman's Missionary Union has broken all its own amazing records and made one of the most remarkable achievements ever known in such work, increasing its contributions from $2,556,443 in 1939 to $3,791,755 in 1942! And this sum is $291,588 more than the W.M.U. ever gave before! But there is every reason to expect this great missionary agency of Southern Baptists to break even this record and to give more than $4,000,000 to the Lord's cause in the one year of 1943!

In fact, if the present rate of increase is maintained to the end of 1943, the Woman's Missionary Union will reach the unprecedented mark of $4,200,000 in 1943—a half million more than it gave in 1942, and $700,000 more than it gave in its greatest year of the 75 Million Campaign! God be praised for facts so great and so wonderful that we can scarcely believe them!

MARVELOUS REPORT OF 1942

Laborers Together for Missions

Throughout the years Woman's Missionary Union has been stimulated and been made more steadfast in its devotion to the cause of Christian missions by having as its watchword the classic challenge of Paul: "Laborers Together with God." It has also been an added stimulus for Woman's Missionary Union to select annually other Scriptures to link closely with its permanent watchword. Accordingly for this calendar year the following combination has been made: "Laborers together with God that all the kingdoms of the earth may know that Thou art the Lord, even Thou only!" It is easy to believe that Paul and Isaiah would commend this use of their writings, even as they would rejoice to realize that Southern Baptist women and young people in this year of world-wide war are being exhorted to offer anew the pleading prayer of Hezekiah when his people and their religion were being fiercely attacked.

Prayer That Promotes Missions

This year seems to be the best time to prove that Christians know that "fervent prayer availeth much" and that therefore they "ought always to pray." To encourage W.M.U. women and young people thus to pray Woman's Missionary Union is continuously providing programs and other literature in promotion of its prayer plans. Perhaps the most widely circulated is the Calendar of Prayer which appears each month in the Union's three magazines, their 1942 subscribers numbering 164,340 women and young people. Another steady stimulus to effectual praying is provided through the Standard of Excellence stipulation that each missionary program include a devotional period; since 6178 organizations met their standards last year it meant that during the twelve months there were at least 74,076 definitely missionary devotional services in these organizational meetings with doubtless 125,000 women or young people being thus reminded to pray "that all the kingdoms of the earth may know that God is the Lord."

Every W.M.U. organization was asked also to observe the three seasons of prayer—in March for home missions, in the fall for state missions, in December for foreign missions. They responded finely, the young people's organizations exceeding their 1941 record in observance of each season, their average being over 13,000 organizations that thus met to pray at each season in 1942. The average by Woman's Missionary Societies was over 9,000 observing each of the three seasons, which is all the more meaningful when it is stated that this meant an average of nearly three-fourths of the Woman's Missionary Societies, even as nearly one-half of the young people's organizations observed each season.

The state offices provide the literature for their observance of the state seasons of prayer each fall. Such literature has been uniformly successful in presenting the missionary needs, opportunities and results in the various states.

Woman's Missionary Union arranges for the materials that are used for the March and December Weeks of Prayer, the expense being borne respectively by the S.B.C. Home and Foreign Mission Boards. Among the most informing and inspirational of these publications are the preparatory study books for use by W.M.S. and Y.W.A. members. The one that thus anticipated the March Week of Prayer was entitled "Fellow-Helpers to the Truth" and was written by Miss Willie Jean Stewart who is well known because of her writings for the Sunday School Board and as book-reviews editor for the Union's monthly, *Royal Service*. Exceptionally qualified also was the author of the book that prepared minds and hearts for the December Week of Prayer; that author was Dr. W. O. Carver of the Southern Baptist Theological Seminary; the title of the book was *If Two Agree*.

These books and the other literature, together with the accustomed zeal and loyalty of W.M.U. women and young people in behalf of these seasons of prayer, resulted in unprecedented offerings. The Annie Armstrong Offering of the March Week of Prayer reached $239,729.72; this added to the record of previous years as kept since 1907 shows the large total of $2,461,039.35. The Lottie Moon Christmas Offering of the December Week of Prayer more than doubled its goal and amounted to $530,506.74; when this is added to the record as kept for all the years of Woman's Missionary Union, it is seen that the cause of foreign missions has thus been helped to the extent of $5,627,396.46. Surely these offerings show that W.M.U. women and young people believe that they are obligated to let "all the kingdoms of the earth know that God is the Lord."

Stewardship to Sustain Missions

Another marked evidence of acknowledged stewardship is seen in the Union's record in behalf of denominational debt-clearance. Three years ago the Southern Baptist Convention announced that the combined indebtedness of its several boards and agencies amounted to about three millions. Realizing the urgency of the situation and also being eager that the S.B.C. Centennial Celebration should be unhampered by debt, Woman's Missionary Union agreed to undertake to raise by 1945 one million dollars of the southwide indebtedness. Marked progress in this endeavor was reported at the Union's meeting in San Antonio but the 1942 gathering of Southern Baptists was all the more marked by the vote of the Convention to speed greatly the clearance of the debts, the vote being subsequently registered in the expression: "Debt-free in '43." In keeping with this purpose, the several state Woman's Missionary Unions have been earnestly seeking to complete this year if possible their respective quotas in the Union's million dollar effort for Southwide debt-clearance. Such a goal seems attainable when it is realized that last year W.M.U. organizations gave $290,545.93 for this high purpose; the records show a total thus far of $636,226.74 toward the redeeming of the Union's effort to raise the aforementioned million dollars.

Creditors and others know also that many of the State Baptist Conventions' boards and agencies are more or less deeply in debt too. For the clearance of their state denominational debts the respective State Woman's Missionary Union has been and is rallying most loyally. This fact will be more readily sustained by the statement that in 1942 nine state Woman's Missionary Unions gave a combined total of $222,863.77 to clear their state indebtedness.

Unquestioned loyalty is also shown by each state Union in its promotion of every cause included in the Co-operative Program. Since "money talks" it is sufficient here to set forth the total contributed in 1942 through the State Woman's Missionary Unions to the Co-operative Program: $1,906,844.87.

Never before has Woman's Missionary Union given as it did in the past year. Its truly "grand total" of $3,791,755.07 is a 15.4% gain amounting to $505,503.34 over the contributions for similar causes in the calendar year of 1941. Only four of these causes received less in 1942 than in 1941 as follows: Christian Education, W.M.U. Training School (State Apportionment and Scholarship Fund) and Special Gifts; the small total difference in contributions to these causes in 1942 was only $6,707.89. Every state except one went well beyond its total for 1941; the difference for the one state was only $56.50.

Among the deeply rooted reasons for this outstanding stewardship has been the long pursued policy of persuading W.M.U. women and young people to tithe. The 1942 records show that one in 8.6 W.M.S. members is a tither and that one in 8.6 younger members tithes. Perhaps the surest single effort to increase the percentage of youthful W.M.U. tithers will be a more concerted effort to promote "Church Stewardship Night," the essential features of which are (1) systematic training of the graded W.M.U. young people in what the Bible and other books teach concerning the stewardship of tithes and offerings; (2) the hearty co-operation of the pastors in arranging for the best time, preferably in the late fall, for "Church Stewardship Night"; (3) faithful attendance by church members, especially by the parents of the participating young people.

Yet another way in which each pastor may definitely promote stewardship is by enthusiastic help to the Woman's Missionary Society in its effort to secure during the year at least one mission contribution by every resident woman member of the church. It is exceedingly gratifying that in 1942 there was an increase in the number of S.B.C. churches that thus achieved in behalf of missionary contributions. However, these 870 churches seem few indeed when compared with the 23,617 churches that did not get all of their resident women members to contribute to missions last year.

Recruiting for Missions

Among the many ways in which Woman's Missionary Union seeks to recruit in order "that all the kingdoms of the earth may know that God is the Lord" is in its support of its Training School in Louisville, Ky., and of its Margaret Fund. The latter has been accorded sincere praise because of its unselfish purpose and plan to aid S.B.C. regularly appointed home and foreign missionaries in their always difficult effort to finance the higher education of their sons and daughters. Such help has been accorded during the past twenty-seven years to 455 students, of whom 109 are at present holding scholarships to the amount of $25,792.64 for the year. It will be of further interest to know that of these 109 students 32 are from the families of home missionaries and 77 from foreign fields, 4 of the 109 being medical students and 22 being beneficiaries of the Margaret Fund for the first time this scholastic year. Though every scholarship is awarded annually, it is usually true that each qualified applicant is thus helped for the four college years or the equivalent thereof. Though, as previously stated, the primary purpose of the Margaret Fund is that of financial assistance to the missionary parents of the students, it is gratefully acknowledged that many of this year's beneficiaries are radiant recruits for mission service, thus "following in the train" not only of their parents but of many former Margaret Fund students.

Other valuable recruits for the missionary enterprise are excellently prepared at the W.M.U. Training School in Louisville, Ky. The enrolment for this scholastic year was 188 of whom 90 were boarding students in the School's truly beautiful building at 2801 Lexington Road, the seven and a quarter acre site adjoining that of the Southern Baptist Theological Seminary. All of the classes of this world-renowned institution are open to Training School students who are also privileged to attend their specially planned courses at the School.

Community Missions

It is safe to say that no one graduates from the Training School in Louisville without having had the mind and heart directed to the missionary opportunities that can and should be met in one's own community. Pioneering for southern Baptists in this practical application of one's fervor for missions, the School has already been rewarded by having many of its alumnae conduct Good Will Centers and lead out in the training of many other W.M.U. members in definitely mission work in their own community missions. Through such training and in countless other ways over half of the organizations of Woman's Missionary Union were last year engaged in community missions; 17,093 of these 20,298 organizations had a committee to direct their activities; 11,690 of them report that they made definite efforts to win souls.

Rather recently there has come from the press a revised edition of the *Personal Service Guide*. Its title is also quite up-to-date, being *Guide for Community Missions;* it may be obtained for only 25c a copy from its publisher, the W.M.U. Literature Dept., 1111 Comer Bldg., Birmingham, Ala., or from the State Baptist Bookstores.

Among the many phases of community missions that are explained and encouraged in the *Guide* is the work with and for Negroes in the South and also the evangelization of the Jews. Effective methods have been the subscribing for *The Mediator* for Jews and *The Worker* for Negro Baptist women. The first named magazine costs only 25c from Rev. Jacob Gartenhaus, 315 Red Rock Bldg., Atlanta, Ga.; many Jewish people have gratefully acknowledged the helpfulness of this magazine, even as many have had their rather natural prejudices dissipated through the ministrations of W.M.U. members who have enrolled in groups that are known as "Friends of Israel."

For Southern Baptist Negro women there are many W.M.U. organizations that subscribe for *The Worker*, the price of which is 50c a year from Miss Nannie Burrougha, Lincoln Heights, Washington, D. C. For other literature as published by Miss Burroughs, in her capacity as corresponding secretary of the Woman's Convention of the National Baptist (Negro) Convention Incorporated, an annual gift of $250.00 for the eighth consecutive time has been made jointly by the W.M.U. Literature Department and the Union's three magazines.

Also for the fourth summer Woman's Missionary Union is this year promoting state or regional institutes for the purpose of helping the Negro Baptist women leaders in their church or more extensive missionary work, the major expense of the institutes being borne by the Union through its "Golden Jubilee Fund for Negro Work." Among the Negro delegates who attended last summer's nine institutes were a number of decidedly capable and evidently consecrated officers for the respective organizations of their work in the states, districts, associations and churches; also there were enrolled many alert leaders of their young people's missionary organizations and many of their most dependable pastors including the president of the aforesaid National Baptist Convention.

Students of Missions

Study classes were featured in the Negro institutes, one reason being that by precept and practice Woman's Missionary Union has steadily advocated the use of mission literature. Even the Sunbeam Bands must each have at least one mission study class to meet that point on its Standard of Excellence, whereas no other grade of W.M.U. organizations can be A-1 that does not have at least two classes during the year. The 1942 mission study record is very excellent: a total of 17,994 classes among the young people and 28,778 among the women, the latter being well above the prescribed average of two classes for each Woman's Missionary Society. Many of the students in the classes or individually did rather intensive work, the reward of which is partially seen in the fact that 66,659 small seals were attained by the young people and 85,886 by the women; there were also awarded to W.M.S. students 1,436 large seals, marking the fact that each woman had completed the prescribed course of eight books. Surely the study of mission books is one way of hastening the day when "all the kingdoms of the earth may know that God is the Lord and He only!"

Another successful way to "publish glad tidings, tidings of peace" is through missionary magazines. For many years Woman's Missionary Union has thus been "telling the story of Jesus." The oldest of its magazines is primarily for W.M.S. members and bears the title of *Royal Service;* last year its goal of 5% increase in renewals and new subscriptions was more than met by a 7.4% increase, the total being 116,719. The next largest monthly publication of the Union is *World Comrades* for children and juniors and intermediates; its 5% goal registered a 8.4% victory, which meant 34,600 renewals and new subscriptions. For the young women there is *The Window of Y.W.A.* which had a subscription list of 15,200. That these magazines' goals for this present calendar year are being enthusiastically accepted is illustrated in the fact that their combined circulation for the month of May amounted to 172,700.

Yet another way in which Woman's Missionary Union seeks to hasten the day "when the earth shall be full of the knowledge of God" is by the heartiest possible support of the monthly magazines of the S.B.C. Home and Foreign Mission Boards—*Southern Baptist Home Missions* and *The Commission* respectively. Each month the Union's magazine, *Royal Service*, lists articles from these magazines as appropriate in presenting the programs in W.M.S. circles; it is sincerely believed that the prominence thus given to these excellent missionary periodicals has greatly increased not only their circulation but also their missionary influence.

Efficient for Missions

Anyone who is conversant with W.M.U. history knows that its steady growth has been achieved in large measure through unremitting emphasis upon attainment of the Standards of Excellence respectively set for its graded organizations. There are eight points in each of the young people's organizations, the Y.W.A. and W.M.S. standards each embracing ten points. Of course no real standard is ever easily attained but last year there were 6,173 W.M.U. organizations that reached every point on their respective standards, which means that in 0.5 organizations one was A-1. A closer study of this excellent record reveals the further stimulating facts that one in 8.6 Woman's Missionary Societies was A-1 and that one in 5.9 of the W.M.U. young people's organizations was A-1. An earnest of a yet more excellent record is felt in the fact that 7,248 other W.M.U. organizations worked toward the "full stature" of their respective standards, 3,769 of them attaining the goodly rank of B.

It is always gratifying to report to the Southern Baptist Convention the number of its churches that maintain each a Full Graded A-1 W.M.U. There were 268 such churches last year.

All for Missions

In thanking the pastors of these 268 A-1 churches, there is also felt the sincerest gratitude toward every pastor and each church that encourage any W.M.U. work. There are 12,596 such S.B.C. churches. In each of 4,720 of them there is only one W.M.U. organization; in each of 1,459 there are two of the organizations; in each of 1,609 there are three; in each of 1,863 there are four; and in each of 2,955 it is most gratefully recorded that there is a Full Graded W.M.U., which means a minimum of five of the graded organizations; the aforesaid 268 A-1 churches are included in the 2,955.

Wonderful as is the fact that 12,596 S.B.C. churches are promoting W.M.U. work for their women and young people, it is necessary to remember that nearly as many (11,691) do not have any of these missionary organizations. In proportion as they are enlisted and as more intensive work is done in the churches already enrolled, the time will more surely come when "all the kingdoms of the earth may know that God is the Lord."

For that and every other Christian reason, the W.M.U. leaders in each organization are urged to enlist more members and to train more efficiently those already enrolled. Certainly they work with an enormous constituency: 344,321 young people in their 27,627 graded organizations and with 404,144 women in their 12,846 societies. It is very heartening that last year 3,130 new W.M.U. organizations came into being. The present year's challenge is to strengthen them and all former ones, while gaining yet others.

Education for Missions Tomorrow

As we look at our tragic world our hope for the fulfilment of the purpose in our watchword must lie in the years to come. Today has failed to make Christ known, tomorrow must publish the Gospel. But tomorrow is forming in today's youth. To look at our young people is to look at the future; to establish the purposes of young people is to form the world of tomorrow. So Woman's Missionary Union urges mothers of babies to keep world thoughts and contagious attitudes of active love for all mankind in their hearts that children may grow in an atmosphere which nourishes desire "that all the kingdoms of the earth may know." During the past year hundreds of Sunbeam Baby cards and leaflets have been presented by Sunbeam visitors who have helped mothers to feel the need of women in all lands for a Savior, as baby fingers have tugged at cords of lengthening love for all motherhood everywhere.

At four years of age children have been brought together in 6,892 Sunbeam Bands. In them 107,543 Sunbeams have been learning lessons of love to outlive war's hysteria of hatred, lessons of tithing to offset selfishness, lessons of praying for missionaries and the lost which will linger in intercession for all the world throughout all their lives. A bit of song was introduced at the 1942 annual meeting in San Antonio and has gone singing into the blood of Sunbeams since:

Let's form a chain of friendship
To reach the world around;
The links will be the girls and boys
Wherever they are found,

No matter what their color is
Nor what their race may be;
Let's form a chain of friendship
To reach the world around.

Mission stories in simple programs, mission story books in thrilling classes, shining deeds of service all make up Sunbeam impressions which produce missionaries and missionary zeal to insure a world that in penitence comes to know that there is only one God through Jesus Christ the Savior.

In these trying days for girls and young women, it is reassuring to think of 9,687 Girls' Auxiliaries and 6,169 Young Woman's Auxiliaries steadying perplexed girlhood with the Girls' Auxiliary Star Ideals and stabilizing confused young womanhood with the Young Woman's Auxiliary Dedication. Tomorrow's world will have unusual need for intelligent Christian womanhood because its best young manhood will be gone as the cost of weary warfare and young womanhood must be prepared for these enlarged responsibilities in all areas of life. The 113,686 members of Girls' Auxiliary and 66,260 members of Young Woman's Auxiliary will be better able to implement the way of Christ in tomorrow's world because of their missionary education experiences. Nurses in Grace McBride Y.W.A.'s and college girls in Ann Hasseltine Y.W.A.'s add to their professional and scholastic training a remarkable Christian-plus which makes the crucial difference between small circumscribed minds and large universal interests of hearts loyal to Christ's world mission.

Thinking of the marching armies of America and the world it is reassuring to realize that 57,827 boys in 5,879 Royal Ambassador Chapters are receiving Royal Ambassador preparation for either life or death. Many eighteen-year-olds already inducted into the armed forces have gone "strengthened by the power of His might" because of the Royal Ambassador Initiation, Allegiance, Declaration and Commission and all the development in Royal Ambassador programs and activities.

Against the flood of comic and pulp magazines stands a breakwater of 34,500 subscriptions to *World Comrades*, eagerly read by these boys and girls under seventeen years of age. Countering the wasted emotion of trashy or sordid literature is *The Window of Y.W.A.* with its 16,200 subscribers. These publications are recognized as both attractive and fascinating in format and content and are published wholly by their own subscription proceeds without cost to the denomination.

Careful study of mission books is recorded in the report of 17,994 mission study classes. Much additional reading is done by girls in advancing up the Forward Steps and by boys progressing in the Royal Ambassador Ranking System. Our small world can only be established in a just and permanent peace by young people who have an intelligent understanding of world people such as comes through much reading.

Missionary education camps contribute to world knowledge by giving Royal Ambassador, Girls' Auxiliary and Young Woman's Auxiliary members opportunity to live together with devoted missionaries and outstanding guests from other lands or Americans of foreign parentage in happy fellowship which weaves hearts together in world-lifting desires.

Achievements of missionaries prove the value of money invested in missions and energize the business of tithing. The tithe set apart for the cause of Christ is honest and God-commanded and youth answers with 39,581 tithers among our 344,321 members which is one in every 8.6. Stewardship nights have been effective in stewardship education in hundreds of our churches. Giving and praying are definitely comrades, supplementary and empowering each the other. In observing the three Seasons of Prayer 12,020 organizations observed the prayer program and offering for state missions, 13,904 for home missions and 13,418 for foreign missions.

In looking at all the 24,287 co-operating churches of our convention it is recorded that 2,955 have the Full Graded Woman's Missionary Union, with 268 of these actually being A-1 in every grade. The Standard of Excellence for Woman's Missionary Union is achieved on a full year's basis so it is a mark of real distinction that 9,022 of the 27,627 young people's organizations reached recorded attainments on the Standard of Excellence and 4,667 of these are indeed honored as A-1 organizations.

Focus Weeks continue to turn the attention of churches and the mission societies to the strategy of youth for today and the tomorrows that are being formed now. The F.B.I., the various war agencies, the different uplift organiza-

tions all but supplement the Word of God as they urge church and home to rally to provide moral and Christian environment for our young people, but if the kingdoms of the earth are to know that God only is the Lord our young people must be given consistent and sustained missionary leadership through an annually increasing number of missionary education organizations.

Continuing for Missions

On and on this report might go in giving details or in mentioning major interests of the past year of Woman's Missionary Union and in forecasting its future. However, the sole reason for such purposes and plans has already been set forth—that as "laborers together with God" the ideal may be faithfully upheld whereby the women and young people in W.M.U. organizations will be constrained and trained so to live "that all the kingdoms of the earth may know that God is the Lord and He only!"

PART II. LINES OF ACTIVITY OF SOUTHERN BAPTISTS

CHAPTER I

BAPTISMS AMONG SOUTHERN BAPTISTS, 1942

Twelve Great Years in Evangelism

Southern Baptists have had twelve great years in evangelism during the last twenty-four years, as follows:

Baptisms in 1921	233,571
Baptisms in 1922	224,844
Baptisms in 1924	209,676
Baptisms in 1926	224,191
Baptisms in 1931	211,253
Baptisms in 1932	226,855
Baptisms in 1933	211,393
Baptisms in 1934	209,364
Baptisms in 1935	202,047
Baptisms in 1937	204,567
Baptisms in 1938	256,814
Baptisms in 1939	269,155

But Here Are the Seven Greatest Years

The greatest record ever made by Southern Baptists, or any other great denomination, however, came in the following seven years:

(1) In 1921, Southern Baptists baptized 1 person to every 13.7 members in the churches.

(2) In 1908, Southern Baptists baptized 1 person to every 14.5 members in the churches.

(3) In 1922 Southern Baptists baptized 1 person to every 14.9 members in the churches.

(4) In 1906, Southern Baptists baptized 1 person to every 15.5 members in the churches.

(5) In 1907, Southern Baptists baptized 1 person to every 15.6 members in the churches.

(6) In 1909, Southern Baptists baptized 1 person to every 15.7 members in the churches.

(7) In 1915, Southern Baptists baptized 1 person to every 15.9 members in the churches.

The Acid Test of Evangelism

The acid test of our evangelistic efforts is not how many baptisms we have in any given year, but the ratio of baptisms to members of our churches—how many members of our churches were required to win each person to Christ during any given year. In 1942, for example, Southern Baptists had only 209,127 baptisms; but if the 5,367,129 Baptists in the South in 1942 had made as good record as they made in 1915, we would have reported 337,555 baptisms in 1942! And if we had done as well as we did in 1921, we would have reported almost 400,000! The table following tells the story of our record for 42 years:

*In 1926, the apparent loss is in fact due to withdrawing of 91,289 Baptists affiliated with the American Baptist Missionary Association.

†In 1928, we deducted all the others affiliated with the B.M.A.'s amounting to 26,669—there being a total of 117,867 of these people which have not co-operated with Southern Baptists since 1903, but have been numbered with us heretofore.

Few Churches Make a Great Record

No church reached the 300 mark in baptisms in 1942, and only four churches reached and passed the 200 mark. These churches were as follows:

First Church, San Antonio, Texas, 250 baptisms
First Church, Little Rock, Arkansas, 225 baptisms
Tabernacle Church, Macon, Georgia, 213 baptisms
Bellevue Church, Memphis, Tennessee, 205 baptisms

Another very remarkable development has taken place in the last three years. In 1939, for example, 152 Southern Baptist churches reported 100 or more baptisms; whereas in 1942 only 60 churches, or fewer than half that number reported 100 or more baptisms.

DR. PERRY F. WEBB, First Church, San Antonio, Texas

This church had 250 baptisms and 632 net gain to the church membership—which led the South in 1942.

CHAPTER III

CONTRIBUTIONS AND FINANCES OF SOUTHERN BAPTISTS

Great Depression More Costly Than War

It will come as a distinct surprise to most people to learn that the great depression of 1929-1938 was even more costly than the present World War II, so far as this war has gone. In the Great Depression, for example, our nation suffered two kinds of losses, as follows:

National wealth declined from $353,000,000,000 to $287,000,000,000.—a clear loss of $66,000,000,000!

The national income, on the other hand, suffered losses, during these nine years, which aggregated $222,887,000, as compared with the normal year of 1926.

That is to say, the total economic losses of the great depression were $288,887,000,000, or an average of more than $32,000,000,000 a year for the nine years!

The National Government, therefore, is altogether correct in planning and endeavoring to head off another depression following the conclusion of World War II.

Tabular View of the National Income

Up to the year 1929, the national income, as set out below, was taken from the report of the Industrial Conference Board of New York City; for the years from 1929 onward they are taken from the reports of the Department of Commerce, Washington, D. C.:

Years	Total National Income	Per Capita Income
1909	$27,200,000,000	$300

Income of Southern (White) Baptists

The income of the 5,367,129 white Southern Baptists, in 1942, was not less than $450 per member and most likely more than $500 per member. Our income in the South being about half the general average for the nation.

If Southern Baptists had given the tenth of this (or $50 per member) the churches would have received $268,356,450 in 1942!

In 1942, the best year in Southern Baptist history, apart from the 75-Million Campaign, we gave $52,247,622 to all causes—or $9.73 per member. That is to say, we gave more than a million dollars per week. **But this was only about one-fifth of our tithe!**

In 1943 we are doing better. It looks like now we would give about $10.20 to $10.30 per member—**but still about one-fifth of our tithe!**

Those War-Time Gifts

(Per Member Gifts of Southern Baptists)

In World War I we gave as follows:

Years	Gifts to Local Expenses	Gifts to Missions & Benevolences	Total Gifts in War Times
1916	$3.67	$1.16	$4.83
1917	4.14	1.25	5.39
1918	4.48	1.70	6.18
1919	4.73	2.47	7.20

In World War II we are giving as follows:

1939	$6.23	$1.27	$7.50
1940	6.58	1.33	7.91
1941	7.07	1.49	8.56

What Do We Spend Money for?

1. **One Dollar Out of Every Fifteen Goes for Liquor:** Bert H. Davis writing in the January **Allied Youth**, says that combining best estimates on the subject, the American people are now spending at the rate of nearly $5,000,000,000 a year for liquor. **For 1935 the proportion was one-fifteenth of the national income so spent!** He says: "Put it another way, the year's net income from farming was almost offset by the amount turned over to the alcohol trade for legal and illegal drinks."

According to 1935 estimates Mr. Davis says that the liquor industry collects about six dollars from the public for every dollar that is turned back in taxes! In the fiscal year the Federal Government took in a little more than $500,000,000 in taxes on the liquor business. State and local governments took in about $125,000,000.—(Nashville) **Christian Advocate.**

2. **Movies Collect Over a Billion in 1936:** Statistics recently published indicate that 81,000,000 persons, on the average, attended the movies every week in 1936. At an average of 25 cents a ticket, this means an expenditure of $1,053,000,000 or about $8.20 for every man, woman and child in the 128,469,000 population of the United States. The average for 1943 will exceed $12 for every man, woman and child in the nation.

3. **American Tourists Spent $5,000,000,000 for Pleasure Travel in 1936:** America's tourist trade totaling $5,000,000,000 in 1936 has become one of the nation's major industries, a survey shows. More money is spent for pleasure travel in the United States per capita than in any other country in the world. Well, this is one expenditure that is cut for the duration!

4. **Gamblers Took Seven Billion Dollars in 1937:** If the President of the United States had asked for an appropriation from the Congress amounting to $7,000,000,000 in 1937, for the help of the poor and needy of the nation, the "statesmen" of the nation would have publicly condemned him and the Congress would have impeached him. But when the gamblers raked in this huge sum in their nefarious business, not a politician, nor a so-called statesman in the nation publicly protested. Why is this?—**See New York Times,** August 2, 1938.

5. **Tobacco Calls for and Gets $1,500,000,000 Yearly:** Some years ago (1911) the **Tobacco Leaf,** a trade journal, estimated that the people of America were spending $1,177,000,000 (wholesale) price on tobacco consumption. This sum has increased every year since 1931 and now aggregates more than $1,500,000,000, or over $11.70 each for every man, woman and child one day old and up in the United States.

6. **Over $800,000,000 Spent in Beauty Shops and for Cosmetics:** Bureau of the Census estimates that the total bill for cosmetics and beauty parlor charges in 1941 was $800,000,000, or $16.00 yearly for every woman in America.

7. **Public Education Claims $3,800,000,000 Yearly:** The Department of the Interior indicates that the people of the United States are now expending $3,800,000,000 or more yearly on public education.

8. **About $4,000,000,000 Spent on Medical Care:** It is estimated that the people of the United States are once again (after the depression) spending almost $4,000,000,000 yearly on medical care; whereas the cost of ill health and accidents in the United States now aggregates $10,000,000,000 yearly.

9. **Church Expenditures in 1942 are up Again to More Than $850,000,000:** In 1926, the expenditures of the American people on their churches and church work amounted to $817,000,000; whereas in 1936 these expenditures had fallen to $550,000,000; but in 1942, these expenditures had come back up to $850,000,000.

10. **Life Insurance the Big Business of America:** The people of America are said to carry the sum of $133,000,000,000 in life insurance—and there are only 64,000,000 policy holders. That is almost $1,000 for every man, woman and child in the nation, on the average.

11. **Crime:** Crime is still costing America over $15,000,000,000 a year—or about $112.50 for every man, woman and child in the nation.

12. **Christmas a Big Business:** Americans spent for Christmas, 1937, $5,000,000,000; or $38.46 per capita; whereas they spent approximately $4.46 per capita for all religious purposes, for the entire year of 1937.

13. **The Average New York Working Girl** spends her money as follows: Food, 31.4 per cent of her salary; rent, 20.6 per cent; clothing, 17.7 per cent; fun, 9.1 per cent; carfare, smokes and candy, 7.4 per cent; insurance and savings, 6.1 per cent; medical care, 4.8 per cent; personal care, 2.9 per cent.

14. **The Main Sports Call for and Receive $4,000,000,000 a Year:** According to Frank G. Menke in his **Encyclopedia of Sports,** as follows:

Angling	$1,200,000,000
Firearms	650,000,000
Motor Boats	600,000,000

CHAPTER IV

HOSPITALS AND ORPHANAGES OF SOUTHERN BAPTISTS

TWENTIETH ANNUAL REPORT

SOUTHERN BAPTIST HOSPITAL

LOUIS J. BRISTOW, Secretary-Treasurer

The year 1942 has been unprecedented in War, distress, peril and anxiety: but through it all God has greatly blessed the Southern Baptist Hospital. Heavy demands have been made upon us for service which we have met as best we could. Strong efforts were made to lead us to accept Government money to enlarge our plant, but we built at our own expense. Man-power and supplies have been seriously curtailed, but we have managed to get along. And, best of all, God has protected our land from enemy invasion. Hence, this report is made with heartfelt gratitude to Him Whose we are and Whom we serve.

According to official figures published by the Journal of the American Medical Association, Southern Baptist led all privately-owned hospitals in the South in number of patients admitted in 1942, and was third in number of admissions among all denominational hospitals, both Catholic and Protestant, in the entire United States. We stood seventh among all non-government hospitals in the nation. To have attained the leading place among all hospitals in the South and to be among the few leaders in the United States attests the popularity of the Hospital and the quality of work done.

To set it forth in a single paragraph, our work during 1942 was as follows: We admitted 16,954 patients and gave them 105,443 days of service. Seventeen hundred and sixty-four persons were given 16,890 days of free service, at a cost to the Hospital of $82,033.83. There were 1,649 births, and 3,527 emergency room cases which were not hospitalized. A class of 41 nurses was graduated, and 17 young doctors completed their interneship. An addition to the Hospital was built and equipped at a cost of $121,839.23, giving us 61 additional beds, a new and enlarged Plasma Department, and a new and enlarged public lunch room. A new department for special diets was equipped at a cost of $2,645.90. We reduced the capital debt $97,000.00. Thus, the payment of capital expenditures was $221,484.23 for the year. Our operating income for the year was $943,347.32; we received $38,135.91 from the Co-operative Program, $4,941.57 from the Hundred Thousand Club, and $1,711.65 from direct gifts, so the total business for the year was $988,136.45, and we closed the year with a small cash balance.

At a Glance

That you may visualize more clearly what was done, see:

Admissions	16,954	Patient Days	105,443
Births	1,649	Deaths	340
Emergencies	3,527	Operations	7,692
Laboratory Examinations	223,561	X-Ray Examinations	7,035
Daily Average Patients	300	Free Days Service	15,890

Co-operative Work

During the year we co-operated with other Boards and Agencies of the Convention as usual. We cared for 34 missionaries of the Foreign Mission Board, some of whom were suffering from results of long confinement in Japanese prisons or concentration camps; 12 missionaries of the Home Board; 38 inmates of the Woman's Emergency Home which is operated in this city by the Home Board; and the usual co-operative work with the Baptist Bible Institute for its students and faculty. Also we did all needed hospital service for the Protestant Home for Babies and for the Waldo Burton Home for Boys, both in this city. Many aged preachers, women and children sent to us by churches in various States have been given free service; as well as those who came upon their own initiative. All this service has been given without cost to the recipients.

The Debt

The capital debt as of March 31, 1943, is $120,000.00. One year before it was $217,000.00, so there was a reduction during the year of $97,000.00. It will be recalled that we had borrowed from the Pan American Life Insurance Co., which held a mortgage over all our property. The rate of interest on this mortgage note was 4½% per annum. As of December 15, 1942, we paid the residue of this debt and cancelled the mortgage, thus putting the Hospital mortgage-free for the first time in its history. We owe the Whitney National Bank $120,000.00 on open note bearing 3% annual interest, and we may pay any portion or all of it at any time without the payment of a premium.

Religious Affiliation

The popularity of the Hospital among persons of different religious affiliation is seen in the number of those of various denominational persuasion as they themselves give it to us upon being admitted. Following are the principal groups, with respective numbers in 1942:

Catholic	4,798	Seventh Day Adventist	52
Baptist	2,501	Pentecostal	30
Methodist	1,242	Congregationalist	27
Episcopalian	807	Assembly of God	18
Presbyterian	709	Mormons	15
Protestant	707	Sanctified	14
Lutheran	378	Quaker	14
Jews	255	Greek Orthodox	14
Evangelical	212	Holiness	12
Church of Christ	184	Nazarene	12
Christian Scientist	85	Salvationist	8
Unitarian	55	Mohammedan	3

There were several other "denominations" given also, and such fantastic replies as "Masons," or other fraternal organizations. In these groups there were 44, while 6,433 are recorded as having no religious affiliation. However, in this last figure is included all the new-born and little children.

Constant Growth

The history of the Hospital has been one of continual growth. That you may see how marked that growth has been we submit the figures for ten years ago, five years ago, one year ago, and for last year:

	1932	1937	1941	1942
Admissions and Births	5,601	9,937	15,976	18,603
Days of Service	32,381	54,624	97,996	105,443
Free Days	6,059	8,219	13,482	16,890
Emergencies	563	876	2,013	3,527
Operations	2,607	4,268	6,156	7,692
Laboratory Examinations	49,993	84,029	202,348	223,561

These figures indicate the growing popularity of the Hospital. The fact that we have never closed a year with an operating deficit, and always have met our financial obligations, interest and principal, 100% the day they were due, betokens the favor of God upon us. For all these blessings we are grateful and gladly give praise to our Heavenly Father.

Preparation for Blackouts

During the year we prepared the Hospital for blackouts in case of air raids by the enemy. Thanks be to a kind Providence, we have not suffered enemy invasion. But the necessary precautionary measures were taken. The whole Hospital was wired for floor lights, a huge red cross was painted on the roof, emergency squads were organized and instructed, each squad being composed of four each of internes, nurses, orderlies, and aides. Black curtains were provided in operating rooms, emergency rooms, delivery rooms and other places; and in certain rooms in the nurses' dormitories. Special emergency lighting, properly screened, was provided wherever it might be needed, and small flash lights were furnished each interne, nurse and orderly on duty at night. These preparations cost more than $4,000.00.

Gifts of Linen

We have been given linens throughout the year by Women's Societies, Sunday School classes, other organizations and individuals. These gifts have been helpful and are greatly appreciated. Every package received has been acknowledged, and a record is kept of them all.

Total War

We have been brought sharply face to face with the relentless reality of total war. We are learning more and more that we have a bigger job to do than ever before, and that it will have to be done with less materials and less manpower. We have felt the true impact of material shortage. Many common articles no longer are manufactured and shelf stocks have been exhausted. All metal articles are scarce, and are becoming scarcer. Plastics are following the same course. Rubber is, of course, critical. Greater and greater dependence is being placed on wood and other substitutes.

The personnel shortage has been felt keenly. Doctors, internes, technicians, dietitians, and other professional persons have been taken by the armed forces. Nurses are being called in ever increasing numbers. Stenographers, orderlies, porters, cooks, maids, elevator operators, engineers and other lay help have been drafted, have volunteered, or gone to defense industries and government jobs which dangle before them higher wages and shorter hours. And to make the problem more difficult, super-added to these scarcities we are having to serve more patients than ever before. We are asked by our Government and by the public alike to accomplish more and more with less and less.

This is the challenge which confronts us as a new year opens. It calls for more than average resourcefulness, ingenuity, and ability to deal with

difficult problems. We went through the depression of the '30's, and we know how to make practical application of what was learned then. Moreover, we have faith in God and in His readiness to see us through. He cared for the Israelites at the Red Sea and in the wilderness; He cared for Elijah and the other believers in the days of Ahab and Jezebel; He cared for the Jews in the time of Esther; and for His people during the Spanish Inquisition—and we believe He cares for us today. Believing that, we have the inspiration, and we ask only for the energy and strength required, to keep high the standards of our Hospital and to maintain its leadership as an institution for the restoration of health to those who have lost it, and in doing so, win more fully the admiration and loyalty of Southern Baptists.

School of Nursing

The School of Nursing continues to hold a foremost place among such schools in the nation. Our pupils come from many States north and west, as well as from those within the bounds of Southern Baptist Convention territory. Heavy demands made upon women's services by the War opening new fields of occupation with high salaries for young women, has caused a marked falling off in the number of desirable applicants for admittance into all Schools of Nursing. At the same time the Government is subsidizing such schools all over the country. We were offered thousands of dollars with which to pay teachers and furnish annual scholarships of $250.00 each to young women; but we declined to enter into any Government subsidized proposals. Two other hospitals in our city did accept such money, one getting $20,000.00 and the other $12,000.00 for such purpose. Of course, this puts us at a disadvantage; but we feel it is better not to barter possible future freedom and security for present gain. And so far we have gotten on without appreciable embarrassment.

Through the generosity of friends we have been able to offer scholarships to a limited number of deserving, needy girls—but barely enough to get them through. Here is a field of service which offers a fine opportunity for an individual to extend one's own life's service through another; or for a group—Sunday school class, woman's society or other.

Two graduate nurses have done much to establish and develop our School of Nursing, and to give it the high standing it has among such schools of the nation, namely, Misses Harriet L. Mather and Dixie Sample. Miss Mather came to the Hospital in February, 1926, supervised the placing of all surgical equipment, and organized the first surgical nurse force. In a few months she became Directress of the School and has been ever since. Miss Sample came to us the next year, 1927, and has been dean of the School ever since. The value of the service given by these two women in incalculable; and the impress of their lives has been made upon every young woman who has been a student with us; and upon graduates who have worked with us. In recognition of their good work, and desiring to perpetuate their names with the School, the Board of Directors named the School "Mather School of Nursing," and named the educational building "Sample Hall." Thus the names of these two good women will be associated with all nursing education done by Southern Baptist Hospital for all time to come.

Defense Bonds

In conformity with the request of the Government, we asked our employees to buy Defense and War Stamps and bonds to an amount equal to at least 10% of their salary or wages. We are pleased to report that we have reached 100% of the regular employees, and have exceeded the 10% goal: and we have been given the Award of Merit by the Secretary of the Treasury.

In Defense of Home

Our doctors, nurses, internes, technicians, dietitians, orderlies, engineers, and other workers have responded to the call of their country, and now are in all parts of the world. Many of them have been in actual combat, and others are in combat areas. We have heard from them in India, Australia, Iceland, Egypt, Tunisia, Ireland and England; and from Alaska, Hawaii and the Canal Zone. They have gone out in defense of the sacredness of the home and the freedom of religion and life: and we have inscribed their names on a scroll of honor which has been placed in the lobby of the Hospital.

Doctor Felix Long, Jr., listed above, gave his life in combat. At the call of his country, he left his internship with us July 1, 1941, and entered the medical corps of the Navy. In a few weeks he was married, and thereafter he was given sea duty. In November, 1942, he was reported as missing, and later he was reported as killed in action. A baby was born to Mrs. Long in our Hospital a few weeks before the battle in which Lieutenant Long was killed.

Religious Secretary

During 1940 we employed a part time religious secretary to work among the student nurses. Results were favorable, and during 1941 we employed a full time secretary—the first on the campus of any hospital in the South, or elsewhere so far as is known. Active participation in Christian activities has been heightened, and results among students have been salutary.

A "students' revival" is held every year, services being held in the chapel twice daily for a week. The leader of those services in 1942 was J. W. Marshall, Baptist Student Secretary for Texas; and this year the services were led by the Rev. Claude U. Broach, of the Sunday School Board young people's department.

Brighter Aspects

We feel that the denomination is "fed up" on statements and complaints about shortages, inconveniences and trials caused by the War: as are all the rest of us. Possibly if we should spend our time trying to solve our problems, preparing for post-war activities and doing well today's tasks we will employ our time to better advantage. Is it too early to begin a blueprint for tomorrow? War may close unexpectedly and find us unprepared for the exigencies of post-war conditions. Therefore, we have decided to discontinue discussion of War's demand limitations upon us, and to give attention to post-war activities.

Perhaps a few case histories will be read with interest.

No. 1. She is the wife of a medical missionary in Nigeria, Africa. Her doctor husband was called into service with the troops in North Africa. She was left at Ogbomosha with a six-year-old son and a three-year-old son; and another child was expected in about two months. The older of the two children was totally paralyzed from the waist down, and was incontinent both as to bladder and bowels. He could neither stand nor walk, and she was in no condition to make a long trip. But she desired and needed to come to the United States. Borne upon the shoulders of natives, on a crude stretcher, this sick mother and her two children were carried from Ogbomosha to Lagos; thence by British plane they were sent to Rio de Janeiro; then, by a United States plane to Miami; thence by train to New Orleans. They ate dinner in Lagos on Tuesday, and breakfast in our Hospital in New Orleans on Friday! The poor, brave woman was ill—too ill for me to worry her with questions. I called the Foreign Mission Board in Richmond by long distance and learned that the missionary's parents lived in west Texas. A long distance talk advised her parents that she was here, and they were told of her condition. Neither the Foreign Board nor her parents had any previous knowledge of her having left Africa. Skilled doctors and nurses took charge of her and of her son. One of the house mothers took the three-year-old child to her own room in a nurse's dormitory and cared for him. The woman rallied Saturday, but about five o'clock Sunday morning I was awakened by a phone call and was told that her condition was serious and the doctors believed she would live only a short while. Just before 10 o'clock one of the doctors told me she probably would be dead by noon. I went to Sunday school, and into the Adult Department. Somehow I did not believe she should die; and I told the folk there of the case and asked them to join in prayer for her recovery. Doctor Wingo led the prayer. I believed she would live, notwithstanding the opinion of the doctors, who had exhausted human skill and knowledge on the case. At noon she was slightly better. Blood plasma was given to her in large quantities to replace the great volume of blood she had lost when she lost the child. Christian nurses and doctors stood by, watching, and doing what they could. By night she was perceptibly improved; and in two weeks she was well enough to go home with her mother. Dr. S. told me it was the blood plasma that saved her life. I think it was prayer; and the plasma was God's agent. At any rate, this Christian missionary came to a Christian hospital for a Christian service. Paul planted, Apollos watered, but God gave the victory.

No. 2. She was from Mississippi, and was very, very poor. Her husband had suffered an accident which had left him bed-ridden. Her family was obscure. She was a member of a small rural Baptist church. She sorely needed surgical attention, and having heard of the Southern Baptist Hospital, came to us. Her case really was pitiful. Ignorance, poverty, a sick husband, hungry children and disease had conspired against her. Suspicion, fear and pain were her constant companions. It was a difficult and prolonged case. I wrote to her pastor, and the little church sent us a total of $3.72; and I judged from the pastor's letter it was regarded as a liberal gift—which it was. Prayer, patience and petting co-operated with physicians, surgeons and nurses; and our efforts were rewarded and the woman blessed. Nearly three months she was with us. But long before she left she had learned to love those who ministered unto her, and praised the Lord who led her to our Hospital. She is at home now, healed of her infirmity and the better able to minister unto her afflicted husband and her children.

No. 3. This case was a crippled child, about four and a half years old. The father was not able to pay much—not one-fifth the amount it cost the Hospital. The mother insisted upon remaining in the ward with her child, though we strongly advised against it. Few persons understand why hospital folk, old and young, get on better without visitors; well folk come in off the streets and often bring disease germs with them, picked up from they know not where, thus endangering those whose powers of resistance already are lowered by illness; sick persons tire when they have to listen or talk to others, even their own loved ones; they become nervous and need special medications; the period of illness is prolonged. All these things and more are known by hospital workers, but folk will not believe it. Well, this mother insisted upon staying in the ward with her crippled son. She would play with him and fondle him—and would play with other children in the ward. One morning she told the doctor she felt very bad: her face was splotched with red, and it was found she had scarlet fever! Where she had picked it up, of course she did not know. One thing we knew: we had her own child and five others whom she had exposed to the deadly disease. Isolation of each child, special nurses, diligent care—oh, what it all meant to us. Nor was the woman able to pay even for her own hospitalization. Charity, charity. Of course, she did not intentionally introduce scarlet fever into our children's division: but by her insistence upon staying with her child, she did. And her child died. We had done what we could, all free of charge. She was grateful, though full of regret and sorrow.

These cases only illustrate what is being done in the Hospital all the time. Old people, babies, children, folk in middle life—all types and ages come, for help; and under God's blessing we do what we can for them as a Christian ministry.

CHAPTER V

SCHOOLS AND COLLEGES OF SOUTHERN BAPTISTS

DR. CHARLES D. JOHNSON, Chairman

EDUCATION COMMISSION

JOHN W. RALEY, Vice Chairman
SPRIGHT DOWELL, Secretary

PART I

In this the fifteenth annual report of the Education Commission there are issues to report and to interpret that have not heretofore been in existence since the establishment of the Commission in 1928. The usual elements in the report are tabulated in the statistical section, and the analysis of the existing conditions includes both the recital of the institutional standing of each school for the year and the influences which are resulting in the most far reaching changes that have been made in the field of Christian Education since the first World War.

BAPTIST EDUCATIONAL SYSTEM BEGINS WITH ACADEMIES

Southern Baptists are now maintaining a system of education which begins with the academy and ends with the university and theological seminary. Academies are being maintained with gratifying success in Virginia, Kentucky, Tennessee, and Texas. In these four states the academy has attracted students in sufficient numbers to justify economical administration. The largest academy is Fork Union at Fork Union, Virginia. The enrollment this year exceeds that of any previous year with a total of 715. The second academy in size is San Marcos at San Marcos, Texas. The enrollment of 463 is above that of last year. In both of these academies the financial reports are quite as gratifying as the enrollment statistics. In these and in all other academies whose reports have been filed there is evidence of conscientious Christian work on the part of devoted faculties, and this loyalty to Christian Education is rewarded by the development of the most healthful Christian attitude on the part of worthy and ambitious students.

The total number of students reported in the several academies, 2,126. This is an increase over last year of 286. A total of twelve academies reported last year. One has closed this year; one other is being operated as a mission center; and the other three have not reported as this report is being written.

THE JUNIOR COLLEGES

The Junior Colleges are being maintained on approximately the same scale of activity as last year. Their programs have been far less interrupted by the war than those of the Senior Colleges and Universities. Twenty-two Junior Colleges are being maintained. Varying enrollments are found in these schools ranging from 68 in the smallest to 1,734 in the largest. Only two Junior Colleges have fewer than 100 students while eight have fewer than 200 but more than 100. Five have between 200 and 300; one has between 400 and 500; and one approaches 1,000. This is Mars Hill College, North Carolina. The largest Junior College is Stephens College, Columbia, Missouri, with an enrollment of 1,734. All of these enrollments are for the 12 months, and this enables the summer school students to be counted as well as the long session students. No duplications are included.

The total enrollment in the Junior College division of 22 schools is 6,001. Hillman College, Clinton, Mississippi, merged at the beginning of the year with Mississippi College. Dodd College, Shreveport, Louisiana, did not open this year. Bethel College, Kentucky, was closed for the year but with the understanding that it might be re-opened next year. The decrease in enrollment in the Junior College division is from 7,942 last year to 6,001 this year, or a decrease of 1,941. A part of this decrease is due to the merging and closing just named. The Hillman College enrollment is included in the senior college tabulation.

SENIOR COLLEGE AND UNIVERSITIES AND THEIR CO-OPERATION WITH THE WAR EFFORT

The Senior Colleges and Universities number 26. Although the regular enrollment in all but four of these has been reduced by war conditions every college has maintained a well balanced educational program without the necessity of reducing requirements for degrees. In all instances colleges have adopted accelerated programs. These allow students to complete their work in a shorter period of time than formerly. This change has resulted in increasing enrollment during the summer term and in some colleges the summer term has been lengthened. Many of our Baptist colleges are now open for the entire twelve months. By taking advantage of the new arrangement of semesters or quarters—in some colleges the semester plan is used and in others the quarter plan has been adopted recently if not already in use—there is no time wasted by the student and no idle time for faculty members. It has been found advantageous to graduate students in three school years of twelve months instead of four school years of nine months. Superior students may take their degrees in slightly less time than three years by taking an extra subject during a part of the three years. This opportunity is not open to any except the students whose grades are sufficiently high to enable them to carry the extra course as easily as the average student carries the usual number of courses.

Notwithstanding the increased enrollment caused by larger summer schools and the appeal of the accelerated program which has permitted graduation in three calendar years and even a shorter period if students are in the higher grade group there has been a decided reduction of enrollment in a large majority of our Senior Colleges. The call to arms has been answered by our students from all colleges. The larger colleges and universities have felt the reduction in much larger numbers than the smaller schools yet the percentage of students leaving for the Army, Navy, Air Corps, Waves, Waacs and other services has been as great as from the larger schools. The total enrollment in the regular sessions in the Senior Colleges this year is 13,058; for the similar period last year the enrollment was 16,751. This reveals a decrease of 3,693 for the regular session. The summer session before the war had an enrollment of 4,866. The summer session since the war which is a part of this year's report shows an enrollment of 5,451 or an increase of 585 students. The total enroll-

ment for last year of 21,617 compared with the total enrollment for the present year of 18,509 reveals a decrease for the year of twelve months of 3,108. This is a decrease of approximately 14 per cent.

Women Students Outnumber Men Students

Women students now outnumber men students in our Baptist colleges. Although many women students have dropped out of school to accept positions because of the shortage of men for business positions and although many are in training for auxiliary services with the armed forces in America and in the American Expeditionary Forces the decrease of women students has not reached the proportions of the decrease of men because of the Army's draft of men. As has always been the case in wars previous to this war, college men volunteer for the Army and Navy. The Air Corps and the Marines have received many volunteers too from our Baptist colleges.

By referring to the list of notes in this report it will be observed that many colleges have students who are yet regular students but are in Army or Navy Reserve status. Also, it will be observed from these notes furnished by the executives of our colleges that Military and Naval units, and in some instances Auxiliary, units have been accepted by our colleges. The facilities of our Baptist colleges have been tendered to the United States Government in any way in which the Government may find the facilities adaptable to the needs of the war program.

The usual number of students in the Army, Navy, or Auxiliary services is 250, 500, 600, or 1,100. Only one of our Baptist colleges has 1,100 in a unit. This unit is in addition to 250 U. S. Reserves. William Jewell College has 600 in a special unit; Oklahoma Baptist University has 500 in a special Army Air Force unit; Furman University has 400 in a special Pre-Flight Aviation unit; the University of Richmond has 532 in a special unit; and Baylor University has a special unit of 400. Other colleges and universities are participating in the various educational services in co-operation with the Federal Government in every way that has been found acceptable to the Government and to each institution concerned.

Unprecedented Opportunity Recognized

It is gratifying to report that when the enrollment of regular students for the year is supplemented by the enrollment of the various units now in our Baptist colleges the total exceeds that of any other year in all our Baptist educational history. The opportunity that our colleges have in influencing the men and women in these units for Christian ideals and practices is unprecedented. Here these men and women are in our own buildings, associated with our own faculty and students, and in contact with the influences that have shaped the characters of men and women during all their history. The influence of our Christian schools upon these young men and women should help to steady them for the strain of war and establish for them the same basis for Christian living in the long hoped for peace to follow that has been the sure foundation for the Christian men and women who have been influenced to accept the Christian faith and way of life since the earliest of our Baptist colleges were founded more than 100 years ago.

Graduate Student Enrolment

The gradual increase of the number of graduate students which has been reported from year to year cannot be repeated this year. There is a decrease. This is due to two causes: The draft has taken the graduate student because graduate students are for the most part precisely the ages required for the Army. It is expected that these graduate students will return in large numbers after the war to take up their research. Many technical positions have been taken by chemists, physicists, mathematicians, accountants, and statisticians, and these positions have been filled by graduate students. There is a growing need for a complete Baptist Graduate School in the Southern Baptist Convention. While the war is being won and plans for reconstruction are being made it will be the part of wisdom not to delay longer in making adequate plans for the Graduate School. Christian attitudes will need to be emphasized in all higher education in America, and Baptists should not leave the entire field of research and graduate instruction to others. We need to look into the future and prepare now to educate and to train our Baptist share of the Christian leadership for the new world in our own Baptist graduate school.

Co-operation of the Sunday School Board

During the present year the Sunday School Board has continued and increased its co-operation with the Education Commission in advancing the interests of Christian Education. A good place on the Ridgecrest program has been allotted; assistance in co-ordinating the topics of speakers on the Christian Education Conference program; and what is of even greater significance in the additional space devoted to the Christian College in the various publications by the Board. Dr. H. I. Hester's book on the Christian College has been published and is now one of the regular study course books. A full page in one of the Sunday School periodicals calls attention of Sunday School teachers and students to our Baptist colleges in a most attractive art drawing with appropriate wording to emphasize the artistic appeal. Articles, too, have recently appeared in several other Sunday School Board publications by members of the Education Commission and other Christian educators and leaders placing proper emphasis upon Christian colleges and their function as indispensable institutions for education for constructive Christian leadership.

Special Religious Emphasis in Focus Week

A larger number of our Baptist schools and colleges adopted the Religious Focus Week idea this year than last. Dr. Frank Leavell, director of Baptist Student Work, first promoted the idea as an experiment. It was so successful that a number of the schools asked that the same idea be continued for a second year. The plan involves a larger number of persons in carrying out the program than was the case in the revival week plan that was employed for many years in our colleges. Sometimes as many as fifteen outstanding preachers, laymen and women leaders have been procured as speakers and lecturers for the Focus Week. Students and faculty members have participated in making the week truly vital in its accent upon the Christian religion. College and University presidents have expressed their genuine appreciation and gratification with the results that have been achieved during Religious Focus Week.

During the present year Baptist colleges have taken the lead under the direction of the Education Commission in assembling and transmitting information on problems of war and peace. The Southern Baptist Convention last year in the annual meeting at San Antonio, Texas, adopted the following resolution:

The Resolution

WHEREAS, Southern Baptists as loyal citizens of the United States are co-operating and participating in all branches of the present war, including the Army, the Navy, and the Air Corps, and

WHEREAS, the prosecution of the war for the maintenance, perpetuation and extension of our four freedoms, well known and enjoyed by American citizens in our constitutional democracy, may not accomplish the purposes for which it is fought unless a just and righteous peace follows the termination of the war, and

WHEREAS, it will be too late to make plans for a lasting peace if constructive and comprehensive plans are delayed until the conclusion of the war, and

WHEREAS, our Baptist colleges and universities have on their faculties a number of renowned scholars in the fields of knowledge utterly necessary for making a worthy peace, and

WHEREAS, three American statesmen who are in the highest ranking positions as chairmen of committees in the United States Senate, the treaty determining body of our Federal Government, Senator Tom Connally of Texas, Senator Walter F. George of Georgia, and Senator Josiah W. Bailey of North Carolina, being chairmen respectively of the Foreign Relations Committee, the Finance Committee, and the Commerce Committee, are graduates of our Baptist universities, Senator Connally of Baylor University, Senator George of Mercer University, and Senator Bailey of Wake Forest College,

Therefore, Be It Resolved, that the convention request the Education Commission to procure, assemble and transmit to our own three Christian statesmen a body of facts and principles involved in a Christian peace with the ear-

nest hope that these facts and principles may be used in planning the new world order which may be in accordance with the sovereign will of God so that the paths of all mankind may ultimately be paths of peace.

Pursuant to the adoption of this resolution the Chairman of the Education Commission began at once to carry out the provisions of the resolution. The Chairman of the Foreign Relations Committee in the Senate at once welcomed the ideas and responded kindly to the sentiments expressed in the resolution. He invited the Education Commission to share all information with his Senate Committee in order that it might be useful in all committee considerations. From month to month since last May the closest possible relationship has been maintained between the Education Commission and the Foreign Relations Committee in the Senate. Four additional senators, not members of the Foreign Relations Committee, have responded to the suggestions of the Education Commission, two Southern senators, two Northern senators, two Democrats, two Republicans. Only last month Chairman Connally and this group of four senators held a conference with the result that an agreement was reached that planning for a durable peace, would not be delayed, instead it would be kept constantly in the forefront in the adoption of war-time legislation with a view to making adjustments far easier than they would otherwise be.

Continued Progress Within Colleges

Studies of plans for durable peace were given additional emphasis in the Christian Education Conference at Ridgecrest in August, 1942. Dr. J. J. Wicker, the Virginia representative of the Education Commission, presented an analysis of the three fronts upon which Christians are battling. The analysis led to the adoption of a resolution looking toward the calling of a meeting of representatives of all our colleges, our many Baptist State Conventions, and churches at a central meeting place for the double purpose of presenting a united front against the enemies of Christianity and a constructive plan and program for durable peace.

It was the opinion not only of the educators but of pastors and laymen who attended the conference that Dr. Wicker's proposals should be followed. College representatives were requested to bring the resolution to the attention of their institutions; pastors were urged to discuss the proposal with deacons and to present the matter in public discussion; and laymen were asked to carry the message to groups of Christian leaders in laymen's conventions and in other organizations, political, economic, or social.

It is now well and generally known that such a volume of sentiment has been generated for durable peace that some have feared that it might even impede the successful prosecution of the war. This fear is hardly well founded. Indeed, rather a hopeful sign was the tragic failure on the part of the United States Senate 25 years ago to ratify the League of Nations; the failure to follow the noble idealism of that great world citizen and Christian statesman, Woodrow Wilson; and the further failure to supplement that idealism with necessary realism to establish a new Christian order in the anxiously awaiting world instead of permitting the reactionary and lethargic forces of political selfishness and unbridled greed to pave the way for pagan dictators to wage successful wars against helpless, because defenseless, nations. The United States, not weak and not defenseless, was completely misjudged by its dictators and was forced to enter into the most destructive war since history began. Our great Baptist college trained statesmen, three of whom are named in the foregoing resolution, are putting into effect their own Christian ideas gained while in college and they are being reinforced by the sentiment of Christian men and women throughout the land. The young men and women still in our Baptist schools as students are studying courses in "War and Peace" and are following the direction of their Christian professors in keeping in close touch with senators and congressmen in an attempt to demonstrate their own foresight and to assist in whatever way they can to influence the making of a durable peace.

Seminaries Are Spiritual Lighthouses

Our three seminaries and the Training School are veritable lighthouses in this era of dismal darkness. While aggressor nations are making war upon liberty-loving and God-honoring peoples in Europe, Asia, Africa, Australia, and South America and North America, missionary groups are following the leadership of faculty members who have made extensive studies of the various mission fields on all the continents. The enrolment in the seminaries compares favorably with that of last year; the decreases are not as great as in the Junior Colleges and Senior Colleges. The training now being received is probably more intensive as well as more extensive than ever before; and if this is true as it certainly appears to be, it is because of the tragedy of universal war which has brought a seriousness into the study habits of those who later expect to embark upon the foreign missionary journeys to the blood-stained fields where men have died by the thousands, but where, under Christian influence in the future, men and women regardless of race, nationality, or previous pagan attitudes may be brought to accept Christ as Savior and His principles as the way to the abundant life on this earth and eternal life in the world to come.

Ministerial Students Active

Ministerial students are not only active in their religious work on the campuses but they are conducting meetings during the summer in co-operation with the evangelistic movement which, it is hoped, will continue unabated after the war and which, in conjunction with the home and foreign missionary activities may spread to and through all the continents. Already there are evidences that many chaplains may remain in foreign countries after the war and these in turn will be of greatest assistance to those now training for the mission fields in our seminaries and colleges. Baylor University alone has 250 ministerial students this year and a most active and devoted Volunteer Band. Mississippi College has 100 ministerial students, Wake Forest College 107, Ouachita College has 100, Howard Payne College has 94, Hardin-Simmons University 91 and all other colleges for men have ministerial student enrolments varying from 22 to 84.

State Conventions Are Co-operating

State conventions are almost unanimous now in providing funds for one college or more in the co-operative program. The largest amount received by any college during the year was received by Georgetown College, the amount being $94,345.96. Only three Senior Colleges did not receive funds in some amount from the State Conventions. It is expected as it is recommended that all the state conventions not now providing annually for the colleges arrange to place the colleges in the budget next year and repeat the practice from year to year. This will enable each college to render more and better service. It is doubtful whether any money has ever been better invested than that invested in Christian education. Evangelism needs to be supplemented in all cases by Christian education. The total amount received by the Senior Colleges from State Conventions during the year is $477,924.99. At the same time endowments have been raised for fifteen of the 26 Senior Colleges. The largest amount received by any school was $112,000. Mercer University received this amount. Blue Mountain College is second with $83,000 raised; and Bessie Tift College is third with $70,000 raised. The total amount raised for endowment for the Senior Colleges during the year, $470,401.06. These two facts are most heartening for Christian educators for it is proof of the support of our Christian schools, and without sufficient support our schools cannot continue to render efficient service. It is the view of the Education Commission frequently expressed that another united front needs to be established and zealously maintained, and that is a Christian Education front in which all state conventions will conduct simultaneously a campaign for adequate endowment and support of our Christian schools in order that there may never be a dearth of trained Christian leadership. The new post-war civilization would inevitably deteriorate without adequate leadership, but with it we may confidently expect a more enlightened and ultimately a Christian civilization.

Recommendations

First, that pastors be invited and requested to bring to their churches in conferences or in sermons or both the necessity of supporting our schools and colleges;

Second, that laymen in charge of meetings, conferences and conventions be asked to place Christian schools on their program and invite outstanding leaders from laymen groups to speak on the subject.

Third, that the amount allocated for the Education Commission for the coming year be $3,600, an increase of $1,200. This increase is requested because

of the increased expense incident to the necessary work of the Commission. Rising costs of all materials used in publishing, and the necessity at this time to carry on a more vigorous program of information than in normal times makes this request a reasonable one. It should be stated that the Commission has no paid secretary, and all funds are used to bear the expenses in carrying on the work for the year.

Supplementary Notes from the Schools and Colleges

The Baylor Medical College, Dental College and School of Nursing are in Dallas, and have an enrolment 720.

Baylor University has 30 Naval Aviation Cadets with a new group every eight weeks.

Bessie Tift College has a Loan Fund with assets of $88,945.51—current assets $19,114.14.

Blue Mountain College has a special spring term with an enrolment of 71.

Furman University has 57 U. S. Reserves in school and 400 plus Pre-Flight Aviation Cadets.

Georgetown College has 15 U. S. Reserves in school.

Hardin-Simmons University has 104 U. S. Rererves in school and 25 C.P.T. students with a new group every eight weeks.

Howard College has 106 U. S. Reserves in school and 60 C.P.T. students with a new group every eight weeks.

Howard Payne College has 37 U. S. Reserves in school.

Louisiana College has 24 U. S. Reserves in school with 25 C.P.T. students sent every two months.

Mercer University has 96 U. S. Reserves in school with 100 Navy W.T.S. and 250 V12 to come in July, 1943.

Mississippi College has 76 U. S. Reserves in school.

Oklahoma Baptist University has 23 U. S. Reserves in school and 500 in Army Air Force, College Training Detachment.

Ouachita College has 250 Aviation Cadets.

University of Richmond has 120 U. S. Reserves (97 have entered armed service) and 532 in current ESMWY courses, and 70 in C.P.T.

Stetson University has 75 U. S. Reserves in school.

Wake Forest College has 250 U. S. Reserves in school and 1,000-1,200 in the Army Finance School who use their facilities except the faculty.

William Jewell College has 55 U. S. Reserves in school and 600 in a Naval Flight Preparatory school in a separate program.

Bluefield College has 56 U. S. Reserves in school.

Campbell College has four U. S. Reserves in school.

Campbellsville College has seven U. S. Reserves in school.

Decatur Baptist College has two U. S. Reserves in school.

The College of Marshall has 55 CAA Cadets.

Norman Junior College has two U. S. Reserves in school.

North Greenville Baptist Academy and Junior College has three U. S. Reserves in school.

Wingate Junior College has received $3,193.64 from churches and individuals making a total income of $5,276.20 outside of students.

Fork Union Military Academy has 435 students in R.O.T.C.

CHAPTER VI

RACIAL PROBLEMS AND PROGRAMS OF BETTERMENT

The whole nation has been gripped with a new racial tension and bitterness in 1943. Where it will lead, only God knows. Some of the outstanding Negro editors, notably the Editor of the **Chicago Defender** and the editor of the **National Baptist Union and Review** are waging veritable campaigns to arouse the Negroes to challenge and claim by force their God-given civic, economic and social rights, regardless of the white man's protests. In fact, these editors find very little in the white man to call for respect or consideration.

Surely it is a time for sober thought, patient consideration, and wise planning for the future. With this in view and with the kind permission of the Interracial Cooperative Commission of Atlanta, Georgia, we are presenting herewith the three outstanding proposals, dealing with racial betterment in the South, which have been worked out and presented to the public in recent months.

I. The Durham, N. C., Program

A BASIS FOR INTERRACIAL CO-OPERATION AND DEVELOPMENT*

A Statement by Southern Negroes

The war has sharpened the issue of Negro-white relations in the United States, and particularly in the South. A result has been increased racial tensions, fears, and aggressions, and an opening up of the basic questions of racial segregation and discrimination, Negro minority rights, and democratic freedom, as they apply practically in Negro-white relations in the South. These issues are acute and threaten to become even more serious as they increasingly block, through the deeper fears aroused, common sense consideration for even elementary improvements in Negro status, and the welfare of the country as a whole.

With these problems in mind, we, a group of southern Negroes, realizing that the situation calls for both candor and wisdom, and in the belief that we voice the sentiments of many of the Negroes of the Nation as well as the South, take this means of recording our considered views of the issues before us.

(1) Our Nation is engaged in a world-wide struggle, the success of which, both in arms and ideals, is paramount and demands our first loyalty.

(2) Our Loyalty does not, in our view, preclude consideration now of problems and situations that handicap the working out of internal improvements in race relations essential to our full contribution to the war effort, and of the inevitable problems of post-war reconstruction, especially in the South where we reside.

(3) The South, with its twenty-five million people, one-third of whom are Negroes, presents a unique situation, not only because of the size of the Negro population but because of the legal and customary patterns of race relations which are invariably and universally associated with racial discriminations. We recognize the strength and age of these patterns. We are fundamentally opposed to the principle and practice of compulsory segregation in our American society, whether of races or classes or creeds, however, we regard it as both sensible and timely to address ourselves now to the current problems of racial discrimination and neglect, and to ways in which we may cooperate in the advancement of programs aimed at the sound improvement of race relations within the democratic framework.

(4) We regard it as unfortunate that the simple efforts to correct obvious social and economic injustices continue, with such considerable popular support, to be interpreted as the predatory ambition of irresponsible Negroes to invade the privacy of family life.

*Statement of Negro leaders attending Southern Conference on Race Relations, Durham, North Carolina, October 20, 1942.

(5) We have the courage and faith to believe, however, that it is possible to evolve in the South a way of life, consistent with the principles for which we as a Nation are fighting throughout the world, that will free us all, white and Negro alike, from want, and from throttling fears.

Political and Civil Rights

"1. We regard the ballot as a safeguard to democracy. Any discrimination against citizens in the exercise of the voting privilege, on account of race or poverty, is detrimental to the freedom of these citizens and to the integrity of the State. We therefore record ourselves as urging now:

a. The abolition of the poll tax as a prerequisite to voting.
b. The abolition of the white primary.
c. The abolition of all forms of discriminatory practices, evasions of the law, and intimidations of citizens seeking to exercise their right of franchise.

2. Exclusion of Negroes from jury service because of race has been repeatedly declared unconstitutional. This practice we believe can and should be discontinued now.

3. a. Civil rights include personal security against abuses of police power by white officers of the law. These abuses, which include wanton killings, and almost routine beatings of Negroes, whether they be guilty or innocent of an offense, should be stopped now, not only out of regard for the safety of Negroes, but of common respect for the dignity and fundamental purpose of the law.

b. It is the opinion of this group that the employment of Negro police will enlist the full support of Negro citizens in control of lawless elements of their own group.

4. In the public carriers and terminals, where segregation of the races is currently made mandatory by law as well as by established custom, it is the duty of Negro and white citizens to insist that these provisions be equal in kind and quality and in character of maintenance.

5. Although there has been, over the years, a decline in lynchings, the practice is still current in some areas of the South, and substantially, even if indirectly, defended by resistance to Federal legislation designed to discourage the practice. We ask that the States discourage this fascistic expression by effective enforcement of present or of new laws against this crime by apprehending and punishing parties participating in this lawlessness.

If the States are unable, or unwilling to do this, we urge the support of all American citizens who believe in law and order in securing Federal legislation against lynching.

6. The interests and securities of Negroes are involved directly in many programs of social planning and administration; in the emergency rationing, wage and rent control programs. We urge the use of qualified Negroes on these boards, both as a means of intelligent representation and a realistic aid to the functioning of these bodies.

Industry and Labor

"Continuing opposition to the employment of Negroes in certain industries appears to proceed from (1) the outdated notions of an economy of scarcity, inherited from an industrial age when participation in the productive enterprises was a highly competitive privilege; (2) the effects of enemy propaganda designed to immobilize a large number of potentially productive workers in the American war effort; (3) the age-old prejudices from an era when the economic system required a labor surplus which competed bitterly within its own ranks for the privilege of work; (4) the established custom of reserving technical processes to certain racial groups; and (5) craft monopolies which have restricted many technical skills to a few workers.

Our collective judgment regarding industrial opportunities for Negroes may be summarized as follows:

1. The only tenable basis of economic survival and development for Negroes is inclusion in unskilled, semi-skilled and skilled branches of work in the industries or occupations of the region to the extent that they are equally capable. Circumstances will vary so as to make impossible and impracticable any exact numerical balance, but the principles enunciated by the President's Fair Employment Practices Committee are regarded by us as sound and economically essential.

2. There should be the same pay for the same work.
3. Negro workers should seek opportunities for collective bargaining and security through membership in labor organizations. Since there can be no security for white workers if Negroes are unorganized and vice versa, labor unions of white workers should seek the organization of Negro workers, on a fair and equal basis.
4. We deplore the practice of those labor unions which bar Negroes from membership, or otherwise discriminate against them, since such unions are working against the best interest of the labor movement. We hold that only those labor unions which admit Negroes to membership and participation on a fair and democratic basis should be eligible for the benefits of the National Labor Relations Board, Railway Labor Act, State Labor Relations Acts and other protective labor legislation.
5. It is the duty of local, state and federal agencies to insist upon and enforce provisions for the industrial training of Negroes equal in quality and kind with that of other citizens. We believe, further, that Negroes should have equal opportunity in training programs carried on by industries and by labor organizations.
6. We urge Negro representation on regional organizations concerned with the welfare of workers.
7. We regard the wage-and-job-freezing order of the War Manpower Commission as holding the seeds of a distinct disadvantage to Negroes and other marginal workers. Most of these workers are now employed in the lowest-income job brackets. The "freeze" order can remove the opportunity for economic advancement. There is as yet no assurance that under existing circumstances the War Manpower Commission can deal more equitably by the Negro in the future than it has in the past.
8. We are convinced that the South's economic and cultural development can be accelerated by increasing the purchasing power and skills of Negro workers.

Service Occupations

"Any realistic estimate of the occupational situation of Negroes supports the view that Negroes will be employed in greatest proportions for a long time in service occupations. We see, however, possibilities of making of these fields scientifically guided areas in which training and organization will play a greater part in bringing about results mutually beneficial to employer and employee. We believe that greater service will be rendered and greater good will be engendered in the service fields if the following principles are observed:

1. More thorough training should be provided workers who plan to enter the service field, but the reward of the job and treatment on the job should be such as to make the workers feel that their training is justified. Opportunity should be given the service worker to advance through the opening up of additional opportunities.
2. A wholesome environment, living accommodations, food, uniforms and rest rooms, all of an approved standard, should be provided service workers.
3. Opportunity should be given the service worker to live, after his stipulated hours of work, as an individual undisturbed in his private life by the whims and caprices of his employers.
4. In view of the strides made by labor in general, while the service worker's lot has remained about the same, service workers should be organized into unions with recognized affiliations.*
5. Service workers should be included in the provisions for old age insurance, unemployment compensation, workmen's compensation, the wage and hour act, and other benefits of Social Security legally provided to workers of other categories.

We believe that these provisions will help to insure some intelligent service and wholesome loyalty (which will improve both the quality of labor and personal relations) in service occupations.

Education

"As equal opportunity for all citizens is the very foundation of the democratic faith, and of the Christian ethic which gave birth to the ideal of demo-

*In the present hysteria of many housewives who are losing poorly paid servants to better paying war industries, it seems desirable to emphasize that this proposal bears no relation to the fantastic and probably Axis inspired rumors of so-called "Eleanor Clubs."

cratic living, it is imperative that every measure possible be taken to insure an equality of education to Negroes, and, indeed to all underprivileged peoples.

1. Basic to improvement in Negro education is better schools, which involves expenditures by States of considerably more funds for the Negro schools. This group believes that a minimum requirement now is (a) eqdalization of salaries of white and Negro teachers on the basis of equal preparation and experience; (b) an expanded school building program for Negro schools designed to overcome the present racial disparity in physical facilities; this program to begin as soon as building materials are available; (c) revision of the school program in terms of the social setting, vocational needs and marginal cultural characteristics of the Negro children; and (d) the same length of school term for all children in local communities. Our growing knowledge of the effect of environment upon the intelligence and social adjustment of children, in fact leads us to believe that to insure equality of educational opportunity is not enough to provide for the under-privileged child, of whatever race, the same opportunities provided for those on superior levels of familial, social, and economic life. We feel it a function of Government to assure equalization far beyond the mere expenditure of equivalent funds for salaries and the like.

2. The education of Negroes in the South has reached the point at which there is increased demand for graduate and professional training. This group believes that this training should be made available equally for white and Negro eligible students in terms defined by the United States Supreme Court in the decision on the case of Gaines versus the University of Missouri.

3. Where it is established that States cannot sustain the added cost of equalization, Federal funds should be made available to overcome the differentials between white and Negro facilities and between southern and national standards.

4. It is the belief of this group that the special problems of Negro education make demands for intelligent and sympathetic representation of these problems on school boards by qualified persons of the Negro race.

5. The education of Negro youth can be measurably aided by the use of Negro enforcement officers of truancy and compulsory education laws.

Agriculture

"The South is the most rural section of the Nation, and Negroes, who constitute 33 per cent of its population, are responsible for an important share of the agricultural production on southern farms.

We recognize that the South is economically handicapped and that many of its disabilities are deeply rooted in agricultural maladjustments. To win the war, there is need for increased production of food, fibre and fats. In the present organization of agriculture, Negroes are a large part of the sharecropper and tenant group and a great majority of the rural Negro workers are in this class. Circumstances deny the Negro farmer sufficient opportunity to make his full contribution as a citizen. We suggest the following measures as means of increasing the production of the area, raising the status and spirits of Negro farmers, and of improving the region's contribution to the total war effort.

1. Establishment of sufficient safeguards in the system of tenancy to promote the development of land and home ownership and more security on the land, by:
   a. Written contracts
   b. Longer lease terms
   c. Higher farm wages for day laborers
   d. Balanced farm programs, including food and feed crops for present tenants and day laborers.
2. Adequate Federal assistance to Negro farmers should be provided on an equitable basis. The war effort can be materially aided if adequate provisions are made now for the interpretation of governmental policies to rural Negroes.
3. The equitable distribution of funds for teaching agriculture in the Negro land grant colleges to provide agricultural research and experimentation for Negro farmers.
4. The appointment of qualified Negroes to governmental planning and policy making bodies concerned with the common farmer, and the membership of Negro farmers in general farmers' organizations and economic cooperatives, to provide appropriate representation to secure maximum benefits to our common wealth.

Military Service

"We recognize and welcome the obligation of every citizen to share in the military defense of the nation and we seek, along with the privilege of offering our lives, the opportunity of other citizens of full participation in all branches of the military service, and of advancement in responsibility and rank according to ability.

Negro soldiers, in line of military duty and in training in the South, encounter particularly acute racial problems in transportation and in recreation and leave areas. They are frequently mistreated by the police. We regard these problems as unnecessary and destructive to morale.

Social Welfare and Health

"1. We believe that some of the more acute problems of Negro health, family and personal disorganization are a reflection of deficiencies in economic opportunity, but that social and health services for Negroes will continue to be necessary in considerable amounts even with improvement of their economic status. As a means of reducing the mortality and public contagion resulting from inadequacies of medical attention and health knowledge, this group believes that minimum health measures for Negroes would include the following:

   a. Mandatory provisions that a proportion of the facilities in all public hospitals be available for Negro patients;
   b. That Negro doctors be either included on the staff for services to Negro patients, according to their special qualifications, or permitted as practioners the same privilege and courtesy as other practioners in the public hospitals.
   c. That Negro public health nurses and social workers be more extensively used in both public and private organizations.

2. We advocate the extension of slum clearance and erection of low-cost housing as a general as well as special group advantage. The Federal government has set an excellent precedent here with results that offer much promise for the future.

It is a wicked notion that the struggle of the Negro for citizenship is a struggle against the best interests of the Nation. To urge such a doctrine, as many are doing, is to preach disunity and to deny the most elementary principles of American life and government.

The effect of the war has been to make the Negro, in a sense, the symbol and protagonist of every other minority in America and in the world at large. Local issues in the South, while admittedly holding many practical difficulties, must be met wisely and courageously if this Nation is to become a significant political entity in a new international world. The correction of these problems is not only a moral matter, but a practical necessity in winning the war and in winning the peace. Herein rests the chance to reveal our greatest weakness or our greatest strength."

II. The Atlanta Conference Proposals

STATEMENT OF CONFERENCE OF WHITE SOUTHERNERS ON RACE RELATIONS*

Atlanta, Georgia, April 8, 1943

In October, 1942, a representative group of Southern Negro leaders met in Durham, N. C., and issued a statement in which they addressed themselves "to the current problems of racial discrimination and neglect, and to ways in which we may cooperate in the advancement of programs aimed at the sound improvement of race relations, within the democratic framework."

Their statement is so frank and courageous, so free from any suggestion of threat and ultimatum, and at the same time shows such good will, that we gladly agree to cooperate.

We do not attempt to make here anything like a complete reply to the questions raised nor to offer solutions for all the vexing problems. We hope, however, to point the pathway for future cooperative efforts and to give assurance of our sincere good will and desire to cooperate in any sound program aimed at the improvement of race relations.

These Negro leaders rightly placed emphasis in their statement on discrimination in the administration of our laws on purely racial grounds. We are sensitive to this charge and admit that it is essentially just. From the Potomac to the Rio Grande there are some ten million Negroes. While all citizens are governed by the same laws, it is recognized that Negroes have little voice in the making and enforcement of the laws under which they must live. They are largely dependent upon the will of the majority group for the safety of life and property, education and health, and their general economic condition. This is a violation of the spirit of democracy. No Southerner can logically dispute the fact that the Negro, as an American citizen, is entitled to his civil rights and economic opportunities.

The race problem in any Southern community is complicated by our economic limitations. The factors which have kept the South a tributary section have also kept it poor and lacking in sufficient industry to develop and to provide enough jobs and enough public funds for every public need. Yet the only justification offered for those laws which have for their purpose the separation of the races is that they are intended to minister to the welfare and integrity of both races. There has been widespread and inexcusable discrimination in the administration of these laws. The white Southerner has an obligation to interest himself in the legitimate aspirations of the Negro. This means correcting the discrimination between the races in the allocation of school funds; in the number and quality of schools, and in the salaries of teachers. In public travel where the law demands a separation of the races, primary justice and a simple sense of fair play demand the facilities for safety, comfort and health should be equal. The distribution of public utilities and public benefits, such as sewers, water, housing, street and sidewalk paving, playgrounds, public health and hospital facilities should come to the Negro upon the basis of population and need.

It is recognized that there is often practical discrimination by some peace officers and in some courts in the treatment of Negro prisoners and in the abrogation of their civil rights. There is no such discrimination incorporated in the laws of any of the Southern states. False arrests, brutal beatings and other evils much be stopped.

*Conference of White Southerners on Race Relations, Atlanta, Georgia, April 8, 1943.

In the economic field, unquestionably procedures should be undertaken to establish fully the right to receive equal pay for equal work. To do otherwise works a wrong to our entire economic life and to our self respect. With so large a proportion of our wage-earning population belonging to the minority race, if we cannot plan for a well-trained, well-employed and prosperous Negro population, the economic future of the South is hopeless.

Most of the Negroes in the South are on farms and in rural communities. Failure to provide for them all the facilities for improving agricultural practices through schools, county agents, and supervision holds back all of the South. Fair wages, longer tenures of leases and increased opportunities for farm ownership are also necessary.

All men who believe in justice, who love peace and who believe in the meaning of this country are under the necessity of working together to draw off from the body of human society the poison of racial antagonism. This is one of the disruptive forces which unless checked will ultimately disturb and threaten the stability of the nation. Either to deny or to ignore the increased tension between the white and the colored races would be a gesture of insincerity.

That there are acute and intricate problems associated with two races living side by side in the South cannot be denied. But these problems can be solved and will ultimately disappear if they are brought out into an atmosphere of justice and good will. If we approach them with contempt in one group and with resentment in the other group, then we work on hopeless terms. The solution of these problems can be found only in men of both races who are known to be men of determined good will. The ultimate solution will be found in evolutionary methods and not in ill-founded revolutionary movements which promise immediate solutions.

We agree with the Durham Conference that it is "unfortunate that the simple efforts to correct obvious social and economic injustices continue, with such considerable popular support, to be interpreted as the predatory ambition of irresponsible Negroes to invade the privacy of family life." We agree also that "it is a wicked notion that the struggle by the Negro for citizenship is a struggle against the best interests of the nation. To urge such a doctrine, as many are doing, is to preach disunity and to deny the most elementary principles of American life and government.

It is futile to imagine or to assert that the problem will solve itself. The need is for a positive program arrived at in an atmosphere of understanding, cooperation and a mutual respect.

III. The Richmond Bi-Racial Conference Proposals

RESOLUTIONS OF THE COLLABORATION COMMITTEE OF NEGROES AND WHITES*

Richmond, Virginia, June 16, 1943

This is a day of great differences, strong feelings, and epochal conflicts throughout the world. Yet the world's greatest need and hope is to find common ground for universal action and balanced harmony among all peoples. Manifestly, such a goal must be reached through cooperative approximation to the largest measure of agreement in line with the largest number of values and the largest number of people.

We face, therefore, the double crisis of standing firm for the conservation and preservation of human rights; yet to seek these ends by the way of peace and planning rather than by conflict and revolution.

In America, and particularly in the South, we face the problem of readjustments to meet the demands of present and post-war conditions with reference to the Negro and the future development of a great region of the Nation. This, exclusive of the war, is the great crisis of the South and Nation.

This is the problem of two great peoples caught up in the midst of transition between the powerful heritage of the past and the mighty pull of the future. For here is the white South, a great people often doing little things and good people often doing bad things. And here is the Negro South, caught as always between the upper and nether millstones of conflicting forces and also paying the price of extraordinary transition from level to level of cultural achievement, and needing plenty of understanding and cooperation. And here is the white South inexorably conditioned by cultural complexes, suffering terribly, too, and needing sympathy and help as few peoples have ever needed in the annals of man. And, even more important, the two, white South and black South, are part and parcel of the Nation, whose people need scarcely less than the two regional peoples the sense of time and wisdom.

*Joint committee of representatives of the Durham and Atlanta Conferences.

The war has sharpened the issue of Negro-white relations in the United States, and particularly in the South. A result has been increased racial tensions, fears, and aggressions, and an opening up of the basic questions of racial segregation and discrimination, Negro minority rights, and democratic freedom, as they apply practically in Negro-white relations in the South. These issues are acute and threaten to become even more serious as they increasingly block, through the deeper fears aroused, common sense consideration for even elementary improvements in Negro status and the welfare of the country as a whole.

This is a rare challenge to the leadership of the South: to the white leadership to find new ways of cooperation and to justify increased confidence of the Negro leadership in the white South; to the Negro leadership, to sense the difficulties involved and to meet increasing demands, without slowing down their essential efforts.

As evidence of the promise of this leadership, two recent Southern conferences on race relations, one at Durham, under the auspices of Negro leadership, and one in Atlanta under the auspices of white leadership, have blazed new trails. As a follow-up of these and with the above problems and backgrounds in mind, we, a group of Southern whites and Negroes, representing both the Durham and Atlanta groups, meeting as a collaboration committee at Richmond, Virginia, June 16, 1943, and following the general trend of the Atlanta group, urge the general adaptation of the Durham statement entitled "A Basis for Interracial Cooperation and Development in the South," which has had extraordinary nation-wide endorsement.

The framers of this covenant, realizing that the situation calls for both candor and wisdom, have included adequate and searching analysis of the principal issues involved, duly interpreted in their proper perspective. The problems so featured include political and civil rights, industry and labor, service occupations, education, agriculture, military service, social welfare and health.

In the area of political and civil rights the essential problems featured were those of franchise and the ballot, jury service, personal security, services in public carriers, the elimination of violence, within and without the law, the elimination of lynching, and the employment of an increasingly larger number of Negroes in the public service.

In the area of work opportunities: the increased training for all skilled, semi-skilled, and unskilled labor, and opportunity for employment; the readaptation of labor union policies both for the best interests of Negroes and labor unions; the problems of dual standards of pay; support of, but guarding against discrimination in, local, state, and federal procedures; special problems of service workers and standards of living.

In the area of education: equalized opportunities in all aspects but especially including institutions of higher learning, professional training, and equal salaries.

In the area of agriculture: adequate opportunity for the Negro farmer, including a sound system of tenancy, adequate state and federal assistance, increased opportunity for farm ownership, fair farm wages, and the wider employment of Negro farm and home agents.

In the area of military service: along with the obligation to serve, the opportunity for full participation and advancement in the war activities and a continuing better adjustment of unsatisfactory situations.

In the area of social welfare and health: adequate provisions for safeguarding the public health, for training physicians and nurses, and for their employment. Also, the erection of low-cost housing and other facilities for improving community life.

We recognize now the importance of affirmative action, without which we shall fall far short of our hopes and possibilities. To this end, we direct that the continuing committee, as appointed by the two groups now consolidated in this larger collaboration committee, be charged with the responsibility for working out methods and practical means of approach. We urge especially that efforts be begun to prepare the post-war world for a wise and successful reception of our returning soldiers and to prepare both our soldiers and the people for attitudes and procedures adequate to carry the great load of post-

war needs. In all these, we urge the public to a new sense of the meaning of these needs as they accord with our professed principles of Christianity and democracy.

STUDENT WORK OF SOUTHERN BAPTISTS

DEPARTMENT OF STUDENT WORK

DR. FRANK LEAVELL

FRANK H. LEAVELL, Secretary
WILLIAM HALL PRESTON, Associate
CLAUDE U. BROACH, Associate
MARY NANCE DANIEL, Associate

Throughout the past year the work of the Student Department, along with that of the various campuses and states, has been fraught with difficulties, but despite the difficulties there has been progress. The difficulties have been sublimated and the progress gratefully recorded. We are thankful to God for his obvious favor upon the entire program.

The Department Personnel—The coming of Dr. Claude U. Broach from a Virginia pastorate as associate secretary has met an imperative need of the department. With culture and consecration he came on September 1st and entered enthusiastically into the responsibilities assigned to him. On November 1st Miss Marjorie Moore went from the department to the Foreign Mission Board at Richmond. To succeed her Miss Elizabeth Williams of Mississippi came from a bright background of B.S.U. experiance in college, from a brief period of teaching, and from the position of student secretary on a local campus. Her major responsibilities are those of associate editor of *The Baptist Student* and the creation of literature. Also, with pleasure we announce the coming of Miss Anna Maynard for stenographic work. Miss Nelle Arnold continues with the department with faithfulness and efficiency. Mr. William Hall Preston and Miss Mary Nance Daniel continue in the capacity of associate secretaries, devoting much of their time to field work, but carrying also the responsibility of the promotion of special phases of the department's activities.

War Emergencies—The nation's call to arms has had serious and deterring effects upon the work of the Student Department. First, a large number of our most faithful secretaries, from local campuses, from cities, and from statewide positions have left for the service. Second, the going of the men students from the campuses into military training and the service has greatly reduced the working force of the Baptist Student Union. On some campuses it has been necessary to temporarily suspend B.S.U. activities. This is tragic. In other cases it has been necessary for the entire leadership to be delegated to the girl students. They have responded heroically and many are working sacrificially. Every effort is being made to keep the structure of the organization

intact and mobile. In some colleges and universities the enrollment has decreased more than 50 per cent. Offsetting, or replacing this exodus from the campuses, is the coming of great groups of enlisted men as trainees. These incoming groups are under government, and therefore army, control, working on separate schedules and following a different curriculum. These trainees come in large groups, their schedule of activities is congested and their stay is of short duration. All in all it creates an extremely difficult situation for B.S.U. activity, especially on campuses where there is not a student secretary or other adult leadership.

Another trend in the war program of student religious work of the nation is toward inter-denominational and non-denominational direction. It is entirely possible that there will be more and more governmental control and direction of the campus forces. As yet, however, no chaplains have been sent by the government to local campuses. Because of these war conditions our difficulties are great but until now our work seems stable and our leadership is loyal. We forge on.

Work at Army Camps—We are remembering that students in uniform are still students—normal youth with youth problems accelerated and intensified by the tensions occasioned by the war. Our ministry to soldiers in camps must be through the commanding officers, usually chaplains in the camps. We are seeking to give them all possible help and encouragement, realizing that above all else they need what the Christian faith offers.

The above are but a few of the problems which have arisen and which will continue to arise throughout the duration of the war. It is the intense desire of the Student Department to meet every difficulty and serve in every possible way.

Definite Projects—As a part of our war time effort a special, beautiful letterhead entitled "For God and Country" has been released. It carries a dual message—first, one from the Student Department, and second, one from the local campus. It is then sent to the men and women in service wherever they are. Also, we have stressed the use of other literature published by the Sunday School Board and other denominational agencies. The service of the B.S.U. on campuses adjacent to camps has been offered through the chaplains. Personal and social work is stressed through the churches. *The Baptist Student* magazine has been sent to many.

Quadrennial and State Conventions—After exhausting every possibility of holding the Fifth Quadrennial All-Southern Baptist Student Conference, scheduled for Memphis, October 1942, it became necessary, unalterably so, to abandon for the duration this important meeting. Thereupon appeal was made to the leaders in the various states that *State* Student Conventions be held in the fall of 1942. Fourteen of the seventeen states held conventions. Lack of leadership, or other difficulties, precluded a meeting being held in three states, but in each state a substitute therefor was instituted. The keynote of the fourteen conventions was KEEP CHRIST PRE-EMINENT which proved timely and inspiring. Effort will be made to hold the full seventeen state conventions in the fall of 1943. Later developments will determine when and where will be held the next Quadrennial Conference.

Religious Focus Week—For the third year a Religious Focus Week has been promoted on Baptist school campuses, to wit: **Hardin-Simmons University, Blue Mountain College, Baylor University, Mercer University, Louisiana College,** and **Central College, Conway, Arkansas.** On all campuses this effort proved preeminently successful. The voluntary statement of one college president is fairly typical of the feeling of each. Says he, "It was brim full of overflowing blessings—The faculty and student body were deeply impressed and greatly benefited. It was not a revival meeting, and yet it was. It was not because there were no stated evangelistic sermons and no distinct effort to seek out the unsaved. It was because it was a positive toning up of the moral and spiritual life of the college; it did result in the salvation of lost students; it did bring about heart searching and a heart warming experience of practically every professing Christian on the campus." The Focus Week is a new but effective approach to a Baptist college campus with a program featuring **Maximum Christianity.** The effort takes the message of Christianity to every student, every faculty member, and every servant of the college family. Each is led to face frankly the status of his spiritual life and the possibilities for growth and

greater effectiveness. Invitations for return to the campuses visited, as well as to other campuses, afford convincing evidence of the success of this new movement. The Religious Focus Week is an effort on the part of the Student Department to render special, over and above, service to the Baptist colleges. The movement is not promoted on any other than Baptist schools.

Special Campaigns—The *On My Honor Campaign*, a ten year project in the interest of honesty and especially against cheating, has been stressed diligently.

The *My Covenant Series* of books, written for the spiritual deepening of college students, is proving popular and meeting an obvious need.

The stressing of the *Master's Minority Movement* and *Maximum Christianity* on all campuses is proving uplifting and stabilizing.

Visitation to the seminaries in the interest of B.S.U. and the promotion by the seminaries of a special course of training for prospective student secretaries is another gratifying feature of the year.

Definite progress has been seen in the work with the nurses training schools and business colleges to which fields Miss Mary Nance Daniel has devoted effectively considerable time. There is need for a special worker in this field.

Started by students in Mississippi in 1931 the Youth Revival offers an outlet for service to many. This movement has grown until now it often assumes the proportions of citywide campaigns, but not always under the direction of the Baptist Student Union.

Secretaries' Seminar—One of the most fruitful events of the year was the three day meeting in Nashville, in December 1942, of the full time student secretaries from throughout the South. The entire program for the year was planned. All phases of B.S.U. work were discussed. The distinct advantage of this meeting is the unification in effort, motives, plans, and purposes of the B.S.U. leadership of Southern Baptists. The meeting was attended by more than fifty secretaries and associates, with a few special students from positions of important leadership.

Student Retreat, Ridgecrest—This annual meeting was up to the high standard of former years. Due to war conditions the attendance was slightly but not seriously lessened. The registration revealed more than thirteen hundred in attendance. This was in contrast to something over sixteen hundred the previous year. The program was in every way successful and gratifying. Despite difficulties in transportation and an exodus of students from the campuses, and the many colleges now promoting summer school sessions, diligent effort is being put into planning of the program for 1943. Indications are that the attendance will be reduced but sufficiently large to guarantee success. The program is being planned to meet the particular problems occasioned by the war as well as to promote the work generally. Some of the nation's leading personalities have been engaged and special emphasis is being placed upon advertising and promotion.

The Perennial Program—The B.S.U. Calendar of Events is being stressed with all diligence. The B.S.U. program is now a fully planned year round program with activities planned for every day of the year. Students, student secretaries, faculty members, and denominational leaders so recognize the movement. During the past year the following special events have been promoted:

Join-the-Church Day in October
State Student Conventions in October and November
Student Night at Christmas in December
Vocational Emphasis Week in January
Student Evangelistic Week in February
Co-operative Mission Study in March
Volunteer Enlistment Week in April
Student Retreat at Ridgecrest in June

For each of these events special literature is prepared and circulated and the imperative need of each is duly stressed on every possible campus. These items are featured attractively and prominently on the *B.S.U. Calendar of Events* and advertised in *The Baptist Student* Magazine.

Summer Service by Students—Sustained emphasis is being placed upon voluntary work of the students in promoting the activities of the denomination in the local church, the district association, and the state. Thousands of students

are giving their time, in most cases gratis, for this heroic voluntary work. This work is in co-operation with the departments of the various state mission boards. The Vacation Bible School Department of the Sunday School Board gives grateful recognition of the assistance of the college students in that work. From four to five thousand college students assisted last year in the Vacation Bible schools of the South according to the report from the Department of the Vacation Bible School Work of the Sunday School Board.

International Aspects of the B.S.U.—The natural counterpart of any student religious movement in the United States has always been the vision and inspiration of worldwide missionary activity. Despite the chaos of the present war the international interest in B.S.U. has not suffered greatly. Returned missionaries from various fields, especially South America and the Orient, report the growth of the B.S.U. activity, with successful organizations in some sectors. An outstanding international feature of the B.S.U. for the year was the appointment by the Foreign Mission Board, and the arrival in Brazil, of Dr. and Mrs. Edgar Hallock as specially designated student workers. This significant forward step compliments impressively the pioneer work of 1939 of the secretary of the Student Department who visited South America in the interest of college students and other youth work.

Baptist Student Magazine—In the original instruction of the Southern Baptist Convention that student work should be begun, one feature specially mentioned was that there be a religious journal, or magazine. For twenty-one years this order has been faithfully carried forward. The last volume of *The Baptist Student* magazine has been up to the high standard of attractiveness and efficiency. Its circulation has not suffered despite the disturbed conditions on the campuses. In mid-year Miss Elizabeth Williams assumed responsibility as Assistant Editor and promoter. The magazine sustains its popularity in all sections of the South and beyond.

The Baptist Student Secretaries—While the corps of secretaries has been greatly reduced by men going into service, it is gratifying that quite a number of new secretaries have been installed and that as rapidly as possible substitutes have been found for the war-bound secretaries. The coming to the campuses of large groups of trainees for army service makes additional need for secretaries on many campuses. Sustained effort has been made toward the establishment of the department of student work by the various state conventions. Interest in this field has been intensified and several states have voted favorably upon this progress. A gratifying number of secretaries have been placed on local campuses. Interest in citywide secretaries and secretaries in nurses training schools has continued very gratifyingly. The great difficulty now is to find qualified secretaries, especially men.

Listed below are the secretaries in office, despite temporary vacancies at the time of this report, April 1943.

Baptist Student Centers—Despite the fact that governmental priorities preclude the building of houses now, interest grows in headquarters for the B.S.U. work on various campuses. Plans are being made for buildings on a number of campuses. In the meantime headquarters are being established in present buildings. In many centers churches are designating and donating rooms in the churches for headquarters for the B.S.U. work.

State Organizations—Herewith is a list of the presidents of the state organizations through which the work is promoted. To the students who, with

*Serving some other interest (Sunday school or Baptist Training Union) also.

already busy schedules, are serving as state officers, especially state presidents, we are greatly indebted. Unselfishly they give of their time and their energy without remuneration to this important work. Their work is in close co-operation with the state student secretaries.

State Presidents

Joe Bill Knowles	Howard College, Birmingham, Alabama
Daniel Grant (now in service)	Ouachita College, Arkadelphia, Arkansas
Lavoise Scurlock	George Washington Univ., Dist. of Columbia-Maryland
John Lewis	Stetson University, DeLand, Florida
Charles Clark	Mercer University, Macon, Georgia

James Humphries	University of Tennessee, Knoxville, Tennessee
Jim Behrman	Baylor Medical School, Dallas, Texas
Miss Eunice Parker (co-Pres.)	Texas State College for Women, Denton, Texas
Cadet Charlie Carey	Virginia Polytechnic Institute, Blacksburg, Virginia

First Magnitude Efficiency—The high efficiency of the work on some of the local campuses is indicated by reaching and maintaining the requirements of the Standard for First Magnitude recognition. On the larger campuses it is exceedingly difficult to reach and maintain the standard. The incompleted list of the Honor Roll for 1941-42 appearing in last year's report contained eighteen names. Those appearing in the following list attained First Magnitude recognition after that report was published.

William Jewell College, Liberty, Missouri—Russell Newport, B.S.U. President.
Mississippi State College for Women, Columbus, Mississippi—Miss Juanita Montgomery, B.S.U. President
Wayland College, Plainview, Texas—Buddy Jones, B.S.U President
Campbellsville College, Campbellsville, Kentucky—Dan F. Thomas, B.S.U. President
Limestone College, Gaffney, South Carolina—Miss Edith Brian, B.S.U. President
Brewton Parker Junior College, Mt. Vernon, Georgia—Alvin Brackett, B.S.U. President
Hannibal-LaGrange College, Hannibal, Missouri—Miss Iola McClellan, B.S.U. President
Clarke Memorial College, Newton, Mississippi—Buin Spain, B.S.U. President
Oklahoma Baptist University, Shawnee—Emit O. Ray, B.S.U. President
Texas Wesleyan College, Ft. Worth—Frank Bounds, B.S.U. President
Mississippi Southern College, Hattiesburg—Miss Mary Elizabeth Thurmond, B.S.U. President
Baylor University, Waco, Texas—Orba Lee Malone, B.S.U. President
Hardin-Simmons University, Abilene, Texas—Robert Foley, B.S.U. President
Baylor School of Nursing, Dallas, Texas—Miss Frances Hammett, B.S.U. President

The following have attained First Magnitude distinction for the year 1942-43 up to the time this report is written. A goodly number will be added to this list before the scholastic year ends.

Carson-Newman College, Jefferson City, Tennessee—Shields Webb, B.S.U. President
Tennessee College for Women, Murfreesboro—Miss Virginia Thompson, B.S.U. President
Blue Mountain College, Blue Mountain, Mississippi—Miss Ellen Edens, B.S.U. President
Murray State Teachers College, Murray, Kentucky—H. L. Hardy, B.S.U. President
Bessie Tift College, Forsyth, Georgia—Miss Vauda Burson, B.S.U. President

Mary Hardin-Baylor College, Belton, Texas—Miss Frances Henry, B.S.U. President
Louisiana State Normal College, Natchitoches—Jewell Watson, B.S.U. President
North Greenville Junior College, Tigerville, S. C.—Lloyd E. Batson, B.S.U. President
Mississippi State College for Women, Columbus—Miss Juanita Montgomery, B.S.U. President
Averett College, Danville, Virginia—Miss Betty Ann Snider, B.S.U. President
Limestone College, Gaffney, South Carolina—Miss Eleanor Gaines, B.S.U. President
Belhaven College, Jackson, Mississippi—Miss Martha Frances Jones, B.S.U. President
Ouachita College, Arkadelphia, Arkansas—Thomas Keys, B.S.U. President

The Year's Emphasis of the Baptist Student Union—Throughout the year, despite the distress and chaos of the campuses, the predominant emphasis of the Baptist Student Union has been upon **first**, expansion, **second** and foremost, upon the spiritual values. As if asked, "In what can we believe?" the B.S.U. would answer: In the eternal verities of God's Word—in the priority of the spiritual—in the just claim of the scripture for maximum Christianity—in the supreme loyalty of the students to the local church—in sustained faith in the work of the denomination—and in the international outlook of all Christians. The Master's Minority Movement has been the factor in this emphasis. This movement has encouraged small groups meeting daily for prayer, and prayer-mates (based upon Matthew 18:19) meeting for daily devotionals have been helpful in the promotion of the spiritual program. To encourage these activities prayer rooms have been maintained on many campuses while the pre-eminent year-round insistence has been upon Maximum Christianity.

For God's favor upon our entire program the department is truly grateful.

CHAPTER VIII

THE CHANGED AND CHALLENGING SUNDAY SCHOOL SITUATION

MR. J. P. EDMUNDS, Acting Secretary, Department of Sunday School Administration

Radical Population Changes

As I have pointed out repeatedly, the 1940 Census revealed some very radical changes in the population which we must understand and deal with in building our Sunday schools.

The percentage of the population in the elementary ages (birth to 12), for example, declined from 29.7 per cent to 21.4 per cent, from 1930 to 1940. The percentage of intermediate boys and girls (13-16) likewise declined from 8.2 to 7.3 per cent during the past decade. Also the percentage of young people in the population (17-24) declined from 15 per cent to 14.4 per cent. Whereas the percentage of the total adult population (25 years old and up) increased from 47.1 per cent to 56.8 per cent in the decade from 1930 to 1940.

This represents one of the most radical changes in the population that has come to pass in the history of our nation. And, although the war has already begun to overcome and blot out these changes, by a vast increase of marriages and the consequent increased birth rate, it will be necessary to place a greatly increased emphasis on work among adults for the next five years. For our own Southern Baptist Sunday schools now have only about 39.3 per cent adults; whereas the population is actually 56.8 per cent adult, and will likely remain at least 50 per cent adult for the next five to ten years. The adult work in our Sunday schools is therefore 17½ per cent below normal and must have immediate attention and greatly increased emphasis.

White Sunday School Possibilities, 1940

Total white population (1940)		35,603,078
Elementary children in the South	(21.44%)	7,633,300
Intermediates in the South	(7.32%)	2,606,145
Young people in the South	(14.44%)	5,141,085
Young adults in the South	(16.20%)	5,767,699
Older adults in the South	(40.60%)	14,454,850

This means that the Elementary Department of our Sunday school work here in the South is responsible for 21.44 per cent (7,633,300 souls) of all the white children of the South, as follows:

Cradle Roll	6. 0% —	2,136,185
Beginners	3.62% —	1,288,831
Primaries	4.86% —	1,730,310
Juniors	6.96% —	2,477,974

The Intermediate Department of our Sunday school work is responsible for 7.32 per cent (2,606,145) of the boys and girls (13-16).

But the Young People's and Adult Department of our Sunday school work, as it is now organized, must shoulder responsibility for and look after 71.24 per cent (25,363,634) of all the white people in the South, as follows:

Young People (17-24)	14.44% —	5,141,085
Young Adults (25-34)	16. 2% —	5,767,699
Older Adults (35 and up)	40. 6% —	14,454,850

Serious Losses in Sunday School Enrolment

A second great change has taken place during these three years of war—our young men and young women by the hundreds and thousands have gone into war service of one kind and another; and all our Sunday schools and Training Unions are showing up with losses in enrolment. Southern Baptists, with the best Sunday school work in the nation, reported a loss of almost 37,000 in enrolment in 1941 and 123,000 further loss in 1942—or approximately 160,000 loss in the two years; whereas the (united) Methodist Church reports 326,246 loss in those same two years.

But when we reflect upon the fact that Southern Baptists will have approximately 440,000 persons (from our homes and churches) in the armed forces of America by the end of 1943, we can easily understand how these great losses came about. And these losses came in spite of the fact, noted elsewhere, that for the past twelve years Southern Baptists have had a net gain of 4,066 new Sunday schools or an average of 339 new Sunday schools each year for the past twelve years. Moreover, there have been a net gain of 991 new Sunday schools among Southern Baptists during the past three years of our war period—an average of 330 new Sunday schools each year.

Nor have Southern Baptists anything like approached their goal for new Sunday schools. On the contrary, our statistics for 1942 show that we have 992 churches without a Sunday school of any kind or character; and our surveys indicate quite clearly that we have 1,000 to 1,200 mission Sunday schools, but should have and could have 20,000 more mission Sunday schools in the next twelve months—**if we would go out to the vast number of destitute communities around most all of our churches and start one or more of these desperately needed mission Sunday schools.**

Another far-reaching change has taken place in the Sunday school situation—particularly among the Sunday School Board workers, during the past year.

Dr. Bernard W. Spillman of Kinston, North Carolina, has retired after an unparalleled career of forty years as the statesman and pioneer of Southern Baptist Sunday School work.

Dr. Prince Emmanuel Burroughs retired to Gainesville, Georgia, in June 1943, after some thirty-three years as the outstanding leader and author of Southern Baptists in the field of religious education since 1910, when he came from the pastorate of Broadway Baptist Church of Fort Worth, Texas, to the Sunday School Board.

Then suddenly Mr. Harold E. Ingraham, perhaps the best trained, practical Sunday school leader in the South if not in the nation, was appointed Business Manager of the Sunday School Board, after serving with the Department of Sunday School Administration since 1922, and presiding over this department since July 1936.

Over against these great losses there have been some splendid gains in the field of Sunday school leadership. Dr. Jerome O. Williams, who has specialized in the study of religious education during the years, has taken up the work of Education and Promotion made vacant by the retirement of Dr. Prince Burroughs.

In the Young People's and Adult Department, presided over by Mr. William P. Phillips, Mr. A. V. Washburn has been made associate secretary for Adult work; while Mr. Phil Harris has been brought from Illinois to be associate secretary for Young People's work. Mr. Herman King continues his newly enlarged work as associate secretary in charge of Extension work.

The Intermediate Department, for the first time in its existence, has been given a complete staff of workers including the following:

Miss Mary Virginia Lee, Secretary
Miss Mary Alice Biby, Associate Secretary
Mr. Norman O'Neal, Office Secretary
Mrs. William Fort Shelton, Office Assistant
Miss Sarah Ann Strickland, Office Assistant

The Elementary Department, likewise, has been given a complete staff of workers for the first time in its existence. These workers are as follows:

Mr. Andrew Q. Allen, Secretary
Miss Clara McCart, Office Secretary and assistant editor of the Elementary Guide
Mrs. Harold R. Jones, Secretary of Cradle Roll
Miss Pauline Hargis, Secretary of Beginners
Miss Allene Bryan, Secretary of Primaries
Miss Blanche Linthicum, Secretary of Juniors

Then there are four office assistants as follows:

Mrs. James Nugent
Miss Mildred Dortch
Miss Bernice Owen
Mrs. Elizabeth Childress (resigned)

Those Millions of Unenrolled Church Members

As I have tried patiently to point out to Southern Baptists: **There is but one way we can overcome all the losses of our Sunday school work which the war has brought about—by going after the millions of unenrolled church members!**

Here are the corrected statistics:

Total enrolled in our Sunday schools	3,430,929
Non-church members in this enrolment	1,029,279
Church members in this enrolment (70%)	2,401,650
Total church members (1942)	5,367,129
Church members enrolled in Sunday School (44.8%)	2,401,650
Church members not enrolled (55.2%)	2,965,479
Total church members not enrolled (55.2%)	2,965,479
Non-resident and in the armed forces (33⅓%)	988,493
Resident members not enrolled	1,976,986
Lost to the armed forces by end of 1943	440,000
One-fourth of resident members not enrolled	494,246

In other words, if we should put on a campaign to bring in and enroll one-fourth of our resident members not now enrolled, it would add 50,000 more than all we have lost to the armed forces.

MR. W. P. PHILLIPS, Secretary of Young People's and Adult Sunday School Work

The "Inside Enlargement Campaign"

Now the Young People's and Adult Department of the Sunday School Board has launched a campaign to do something about this great, challenging need to enlist and enroll these vast hosts of unenrolled church members. In outlining this campaign, Mr. Wm. P. Phillips, head of this department, directs our attention to three features of the campaign, as follows:

I. Date of This Special Campaign

"The month of November has been designated by state and Southwide Sunday school forces as perhaps the ideal period of the year for a special effort to enrol all church members in Sunday school. This most needed campaign effort logically follows the Promotion Day and readjustment period of the Sunday school in October. However the program of the church would have to be considered and the nature of the campaign makes it adjustable to any time.

"Then the inauguration of this campaign should be really a vitalizing influence to all churches pursuing the Every-Member Canvass in December. It is a well-known fact that fully ninety-five per cent of all subscribers to a church budget are members of the Sunday school. The chief hope of enlistment of the great host of church members, not now enrolled in our Sunday schools, in giving anything to the church's financial program, hinges on their being enlisted in Bible study. It is the common complaint, largely from the unenrolled members, that the only appeal ever made to them is for money.

"The hope of real success in this undertaking rests definitely with the pastor and general superintendent. Both must be positively behind it, giving direction and support to all the plans for its promotion. Of course, the other workers will have to be enlisted. In the departmentized Sunday schools the department officers and the teachers will assist in the work. In schools that have only classes the leaders will work directly with the teachers and class officers."

II. Some Challenging Facts to Consider

"In considering an effort of such importance and magnitude some interesting facts are offered for our study.

"**1. Over Fifty-five Per Cent Not Enrolled in Our Sunday Schools.** We should face the arresting fact that 55.2 per cent of more than four million Southern Baptists are not enrolled in our Sunday schools. This percentage totals

more than two and a half million people. If a campaign were inaugurated in even one-half of our churches to enrol the unenlisted during November, Southern Baptists would gain fully one-half million members in their Sunday schools. During the past twenty years Southern Baptist Sunday schools have gained seventy-one per cent, or 1,947,189 in membership. But Southern Baptist churches are growing faster numerically than the Sunday schools are growing in membership. This year we have grown three times more in church membership than our Sunday schools have grown in enrolment. Our problem number one in this matter is our church members not enrolled in Sunday school.

"2. **Ninety-five Per Cent of These Unenrolled Members are Young People and Adults.** Of the enormous number of unenrolled church members in Sunday school, totaling approximately two million seven hundred and fifty thousand, fully ninety-five per cent are young people and adults, therefore, the burden of the campaign falls most heavily on the organization of the departments and classes ministering to these groups.

"3. **Other Departments Affected.** While the Young People's Adult, and Extension departments are those most vitally affected, workers in all other departments should be seriously concerned also. They should realize, as doubtless they all too well do, that parents who are church members and who fail to attend Sunday school often hinder their children from being enrolled or regular attendants. The situation of literally thousands of worthy and deserving boys and girls not in Sunday school in homes of Baptists is due to the unfortunate example of parents. Many of these boys and girls are not saved, therefore, there is a tremendous responsibility on the leaders of all departments.

"4. **More Working Units Needed.** Very few Young People's or Adult Bible classes are going to grow beyond their present enrolment. These classes may give out numbers of their enlisted and developed members who regularly are needed for service elsewhere. However, this process will not make enough room for normal growth. Thus with an already overcrowded and overloaded situation the solution is more new classes of proper age grouping for these young people and adult church members, and the organizing or revitalizing of the Extension department. Many of these unenrolled church members can never be reached unless an active Extension department is provided to minister to approximately 15 per cent **who cannot attend** the Sunday school.

III. Suggested Procedure to Follow

"It will do no good for either general or department superintendents to agree that a campaign to enrol all church members in Sunday school would be a fine thing, announce it and "express the hope that all may do it." This procedure on the part of these leaders will leave the matter marking time right where it is.

"1. **Check Church and Sunday School Rolls.** If we are to succeed we must have information and organization and prepare for a campaign. The pastor, general superintendent, general secretary, superintendents of Young People's, Adult, and Extension departments, together with the custodian of the church roll should have a conference and determine the necessary procedure. The church and Sunday school rolls should be carefully checked against each other. All church members not enrolled in Sunday school as members, officers, or teachers should be listed.

"2. **Make a Card for Church Members Not Enrolled.** The next step should be that of indicating ages and correct addresses of all unenrolled church members. Ages of individual members may be approximated for practical purposes. An individual card such as used in a religious census may be used indicating name, address, age, sex, and in case of the women, whether or not each is married or single. With this operation complete the aggregate number of cards indicate the total number of church members not enrolled in Sunday school.

"3. **Assort and Classify Cards.** The completed cards should be properly assorted and classified. The first step would be to separate the resident church members from the non-resident members. The cards of resident church members should be assorted according to department age groups: Juniors 9-12, Intermediates 13-16, Young People 17-24, Adults 25 and above, and those who cannot attend, for the Extension department. The sexes should be separated. All cards for men should be placed in the indicated department group together and those for the women together. The cards thus arranged are now ready to be delivered to the respective department superintendents where the school is

thus departmentized. These departments are responsible for the enlistment of these church members in Sunday school.

"4. **Arouse a Church Consciousness.** The success of the campaign is measurably dependent upon the co-operation and support given by the church to the project. Therefore, with the above information before them, before proceeding further, the pastor and other officers of the school should take the necessary steps to arouse the consciousness of the church as to the situation. A tactful, but forceful manner of presenting the facts discovered will help create an earnest desire to conduct the campaign, to give full support to it, and to continue until the last one is reached. It would be well for the pastor to preach from a text applicable to the campaign. It really should be a church campaign and not merely a project of a few departments of its Bible school. There should be wholesome publicity given before the campaign is launched that will lead to an understanding of what is being undertaken, and that will help to open the way for the enlistment forces, and produce hearty co-operation.

"5. **Provide New Classes.** With most classes already large enough and some too large the best and most practical solution where at all possible is to provide new classes.

"In our large churches this new responsibility for reaching this enormous group may necessitate not only new classes, but new departments. In these churches an additional Young People's or Adult department may be organized.

"In such procedure lists of names of unenrolled church members should be grouped as prospects by classes according to ages; teachers of courage, faith, and determination must be secured and meeting places provided. Thus with all names assigned the departments are ready for the campaign which should never end until every church member is enrolled in the Sunday school.

"**In Sunday schools conducted on the class basis** it will be necessary to form one or more new classes if the large number of unenrolled church members are reached. Lack of classes of proper type and age grouping in these schools is oftentimes one of the reasons why many church members are not in Sunday school.

"6. **Utilize the Extension Department.** If necessary, reorganize or revitalize the Extension department to reach this 15 per cent who would otherwise be unreachable. An Extension department may be started with only one worker and the organization can be enlarged as needed allowing one worker for every fifteen possibilities. The territory should be divided into districts with one or more visitors assigned to each. Request the Free Offer material with which to start your department from the Baptist Sunday School Board.

"7. **Make Definite Assignment of Names to Proper Classes.** Each department superintendent has definitely before him the total number of church members of each sex not enrolled in Sunday school. A conference should now be held with pastor, general superintendent, department and associate department superintendent, secretary, and teachers in the department. The general and department superintendents should be in position to propose how the responsibility for reaching those church members should be divided and located.

"Such procedure may require the redefining of the constituencies of classes in the department. In conference with the teachers this may be determined. Some of the classes may be small enough to accept the responsibility of a quota of names of persons for enlistment; or it may be necessary to start new classes from a list of names of the unenrolled.

"8. **Plan Definite Visitation.** The general superintendent in making assignment of all names should have typewritten copies of the lists for himself, the department superintendent, the associate department superintndent, and the teacher. In a careful study of these lists, the names of those who are definitely prospects for the Extension department should be given to the superintendent of that department.

"Now, the department officers, teachers, Extension department visitors, and class officers are ready for a determined and persistent visitation, not one visit only, but just as many as are necessary for success. Much is to be gained if those who are to make the visits are given some definite instructions and specific training for these visits. In many cases the most difficult people to visit will be found in this group. The visitors need to be prepared to meet any situation that may arise. A week's study in the art of visiting may be planned, or each week at the Weekly Officers and Teachers' Meeting a definite period may be given to the study. In some campaigns, those who met with difficulties reported

these to the superintendent who had a mimeographed sheet made each week of the problems met and their solution to give to each worker. Demonstrations on how to visit to enlist will prove helpful in many instances. Only prepared visitors should attempt the visiting and they should be adequately equipped for the task. See leaflets: "Ringing Door Bells," "Vitalizing Sunday School Visitation."

"**9. Make Reports.** If the school has one, in the Weekly Officers and Teachers' Meeting, or in a special meeting for the purpose, reports should be made of visits and progress. As new members are enrolled, lists of prospects will be reduced accordingly. The number of church members not enrolled in Sunday school assigned each teacher or class should be posted on the blackboard opposite the class enrolment. As progress is made in enlistment the figures should be changed. It should be remembered that this is not a contest, but a campaign that is to be pursued until every church member is enrolled in the school. It cannot be expected to succeed except by personal persistent visitation and a regular checking of reports each week.

"Make your plans now for the inauguration of this vital campaign to bring every Baptist under the influence and teaching of the Word of God."

DEPARTMENT OF VACATION BIBLE SCHOOL WORK

HOMER L. GRICE, Secretary
SIBLEY C. BURNETT, Associate
MISS EUGENIA WARING, Associate

(Nineteenth Annual Report)

Growth.—Notwithstanding the war, the Department had another increase in the number of Vacation Bible schools, though there was a slight decrease in the total number enrolled. The schools increased from 7,077 in 1941 to 7,112 in 1942. The comparative figures for the two years are:

	Schools	Enrolment: Pupils	Enrolment: Faculty	Enrolment: Total	Average Attendance	Cost	Mission Offerings	Conversions
1942	7,112	496,895	86,719	583,114	423,721	$146,360	$27,798	12,692
1941	7,077	512,929	88,475	617,404	448,038	129,955	30,416	11,979

Following the schedule of the textbooks.—Increasingly the schools are following the suggested schedule for the use of the textbooks. In 1940, the schools reporting on this item numbered 4,306; in 1941, 4,601; in 1942, 4,991. Of these, the percentage who followed the schedule were as follows: in 1940, 70 per cent; in 1941, 73 per cent; in 1942, 87 per cent. Each passing year, the wisdom of this schedule is being more fully revealed—in economy both to the schools and the Board, in simplicity, and in the effectiveness of the schools.

Reports.—Of the 7,112 schools, 5,926 sent in more or less complete reports, of which 301 were too late to be tabulated; and 1,182 did not send in a report, although each one of them was requested to do so, and an addressed and stamped envelope sent them along with a report blank. Seemingly, it is difficult for many principals to realize how valuable these reports are for helping to get more and better schools. In 1941, 1,378 of the 7,077 schools did not send in a report. With the promotional efforts being made yearly, it is believed that we may expect a larger percentage of reports from year to year, and also more complete reports.

Various items.—The schools of 1942 had an average enrolment of 82.9 in comparison with 87.2 the preceding year, or a decrease of 4.3 to the school, due primarily to transportation difficulties.

Of the enrolment, the average daily attendance to the school was 63.2 in comparison with 66.1 in 1941. The percentage of the enrolment present daily was 76.3, a slight increase over the 75.8 per cent present in 1941.

The schools averaged 7.9 days in length, and a daily session of 2 hours and 45 minutes. There was an average of 3.6 departments to the school, an average that has varied but little from year to year.

Of the 5,626 reporting schools, 4,197 schools reported mission offerings totaling $27,798, an average of $6.62 to the school. By far the larger part of this was for the Co-operative Program, and was based upon the daily mission programs given in the Junior and Intermediate departments.

Of the 5,626 schools, 3,830 reported on conversions. A good many of these schools wrote in a zero, but the total of 12,692 made an average of 3.3 conversions for the 3,830 schools.

When the reports were sent in, 3,271 churches had reported a total of 4,821 baptisms. No doubt, many others were baptized after the reports were sent in.

The size of the schools.—Only 11 of the 5,626 reporting schools failed to give their enrolment. That of the other 5,615 schools was as follows:

Enrolment	Number of Schools
Less than 50	1,762
50- 99	2,094
100-149	1,008
150-199	474
200-249	172
250-299	56
300-349	28
350-399	15
400 and over	6

Where the schools were held.—As compared with the schools of 1941, there was a possible decrease of schools held elsewhere than in the city, but this is probably to be explained by the fact that in 1941 the location of practically all non-reporting schools was determined, whereas in 1942 the figures are of only the 5,626 reporting schools.

Location	Number of Schools
Open Country	1,581 or 28.1 per cent
Village (less than 500)	922 or 16.4 per cent
Town (500 to 1,000)	633 or 11.3 per cent
Town (1,000 to 10,000)	1,284 or 22.8 per cent
City (10,000 and more)	1,169 or 20.8 per cent
No information given	37 or .6 per cent

When the schools were held.—Many people like to know when the schools are held. The following figures show in what months the schools began. Of the 5,626 reporting schools, 511 failed to give the time.

Month in Which Schools Began	Number of Schools
January-March	12
April	39
May	512 or 10 per cent
June	2,931 or 57 per cent
July	1,155 or 23 per cent
August	448 or 9 per cent
September-December	18
No information given	511

TRAINING UNION WORK OF SOUTHERN BAPTISTS

THE BAPTIST TRAINING UNION DEPARTMENT

MR. J. E. LAMBDIN, Secretary and Editor-in-Chief

JOE DAVIS HEACOCK, Director of Associational Work
CLAY I. HUDSON, Director of Adult Work
WINSTON CRAWLEY, Acting Director of Young People's Work
HENRY C. ROGERS, Director of Intermediate Work
MARGARET GRIFFIN, Acting Director of Junior Work
THELMA ARNOTE, Director of Story Hour Work
MRS. J. E. LAMBDIN, Junior and Intermediate Editor

This report covers the calendar year of 1942, our first full war year. Statistically, we have suffered some losses. Spiritually, we have made many gains. The difficulties have been great. Literally hundreds of our finest Training Union leaders among the young men and young women are now wearing the uniform of their country. Most of our churches and associations are responding nobly to the challenge of these difficulties, and, despite losses in enrolment and leadership, are maintaining the work and in many cases are making progress.

A brief survey of our work is presented in this report.

The Theme for 1943—Our Living Faith

No more appropriate theme for this terrible year of war could have been selected than "Our Living Faith." The selection of this central theme for our lesson courses and our Training Union promotion for 1943 was made nearly two years ago. This was before Pearl Harbor. We are sure that God was guiding us in the choices made.

The great declarations of "Our Living Faith" which constitute the units of study and the monthly approaches to the central theme are as follows: "Our Trust Is in the Living God," "We Follow the Living Christ," "We Believe in the Holy Spirit," "We Believe the Bible," "We Believe in the Sanctity of the Home," "We Believe in Our Churches," "We Believe in Religious and Civil Liberty," "We Believe in Proclaiming the Gospel of Christ," "We Believe in the Worth of Every Human Soul," "We Believe in Our Baptist People," "We Believe in the Practice of Christian Stewardship," "We Believe the Promises of God."

The monthly emphases of our Southern Baptist Denominational Calendar are interwoven with our Training Union themes.

This program constitutes a challenge to all our Baptist people in all of our churches to take advantage of the Training Union studies and program of training.

Editorial Work

The editorial staff which plans and edits all Training Union literature and books is a part of the Training Union Department force. Since this is true, the Training Union editorial work and field program are kept perfectly correlated and unified in the great task of producing materials for a program of training in church membership for all our churches and setting up that program in the churches.

Mrs. J. E. Hart and Miss Charlotte Tedder serve capably as editorial assistants. Miss Frances Whitworth is associate editor of *The Baptist Training Union Magazine*. The directors of our department work are on the staff of *The Baptist Training Union Magazine*. Mrs. Agnes Kennedy Holmes edits *The Story Hour Leader*.

Field Program

It is impossible to overemphasize the importance of the Training Union field program for the continued development and expansion of our Training Union work. A brief analysis of our Training Union field program is presented here. It shows how this program is related to the other functions of our Training Union Department and to the Training Union forces in the various states.

I. Objectives of the Field Program

1. To help every district association in the South set up and maintain a functioning Training Union associational organization.
2. To help every Baptist church in the South set up and maintain a functioning Training Union.
3. The ultimate objective is to train and enlist in kingdom service in his church and denomination every member of every Baptist church.

II. What We Offer to Our People in the Field Program

1. The complete courses for training in church membership published in the Training Union periodicals.
2. A completely graded textbook study course presenting a wide range of subjects on the Christian life, church life, and denominational life. The design of this popular study course is to raise the level of intelligence of all church members, regardless of rank or official position.
3. A workable plan for Christian training as presented in our methods literature.

III. The Working Forces Who Operate the Field Program

1. All the workers in our Baptist Training Union Department of the Sunday School Board.
2. All the workers in the state Baptist Training Union departments, including the qualified and approved workers.
3. All the associational Training Union organizations. This year's report shows 857 of our district associations organized for Training Union work, with more than 12,000 volunteer workers serving as officers. These associational officers are volunteer workers within their own associations. A very large part of the work which we now have in the churches was established through these workers.
4. Groups of volunteer workers in the churches which have Training Unions. These workers also work through the associational organization.

IV. Rallying Points for the Field Program

The great rallying points for marshaling the forces for our field program are our denominational meetings. The most strategic of these are listed here.

1. Ridgecrest Assembly. More than 4,000 people from all the states in the South attended the two weeks of the Southwide Training Union Assembly at Ridgecrest last summer. Conferences of the state workers were also held there. This Assembly will have two weeks again in 1943. July 21-27 and July 28-August 3.
2. The state Baptist Training Union conventions and assemblies. Our department works with all the states in these meetings. The general state Baptist convention, with their reports on Training Union work, are also rallying points.
3. Associational meetings.
   (1) The one-day meetings of the Four Year Program. (An analysis of the progress of the Four Year Program is presented below.)
   (2) The regular associational meetings.
   (3) Associational simultaneous enlargement campaigns and study courses.
   (4) Central associational leadership training schools.

Third Year of the Four Year Program

With the tour of the state of Tennessee during the last week in April, we finish the one day associational meetings of the third year of the Four Year Program. All the resources of literature, office promotion, and field promotion, including all the assemblies and conventions are used to promote the Four Year Program. The major means of promotion of all our work is the associational organization.

Joe Davis Heacock, for five and one-half years educational director of Olivet Baptist Church, Oklahoma City, came to us on January 1, as director of associational work to succeed Chester Quarles. He has entered enthusiastically and efficiently into his new duties.

I am happy to present herewith Mr. Heacock's statement concerning our associational promotion:

"The associational Training Union now faces its greatest opportunities for service and the more than twelve thousand associational officers are accepting the challenge.

"We entered the third year of the Four Year Program of Training Union promotion during the fear and confusion of the institution of gasoline rationing, but it has been interesting to notice that as the people became adjusted to these restrictions, the response to the one-day associational meetings has become greater. Even under the further restriction to one and one-half gallons of gasoline per week on the Atlantic seaboard, some of the states have made their greatest achievements. Georgia, Louisiana, South Carolina, and Virginia have each averaged their highest attendance of the three years. (See statistical table on page 56 in this report.)

"We are deeply grateful that our report can reveal an increase in the number of churches with Training Union work and in organized associations. The associational officers have set themselves to the task of reaching even more churches for Training Union work and encouraging every church with one or more unions to provide at least one study course during the year. It is the desire of the state and Southwide forces to complete the organization of the remaining forty-three associations.

"Baptists have always thrived under difficulties, so with the loyal support of pastors and people already so evident, this emergency should find no exception."

Development of Our Work by Departments

For several years we have been striving to develop a force of department specialists for the promotion of the Training Union. At the present time we have either a full time director or an acting director for the work of each department.

We are happy to present herewith as a part of this report statements concerning their work by these department workers.

Adult Department

Dr. Clay I. Hudson, director of Adult work, reports as follows:

"The Adults have taken their rightful place as leaders in Training Union work. They led all the departments in the number of awards received in

1942, with 68,342. There are now 10,018 Adult unions, which is a gain of 46 over 1942. The statistical table will show a slight loss in enrolment, but this is due probably to the fact that so many Adults were drafted as leaders in other departments.

"We are depending upon our Adults for replacements suffered because of the loss of Young People in the Training Unions everywhere. Because of our Adults, we feel that our Training Unions will survive the difficulties of wartime and be prepared for the greatest advance in our history following the war."

Young People's Department

Dr. Allen Graves, our director of Young People's work for the past two years, makes the following statement:

"Significant progress is being made in the Young People's work in the improvement and enrichment of program materials. In addition to the regular program materials there have been offered alternate programs to challenge the more advanced unions. The material in the Young People's section of *The Baptist Training Union Magazine* has been particularly designed to promote effective work in the Young People's unions.

"Special features of the Young People's work deserving emphasis in every church are the Better Speakers' Tournament and Youth Week. Last year there were representatives from sixteen states and the District of Columbia participating in the Southwide Better Speakers' Tournament at Ridgecrest. We urge each church to promote this among its own young people and ask each association to conduct a Better Speakers' Tournament in which representatives from the various churches may participate.

"Great numbers of our churches observe Youth Week as a regular feature of their annual programs. The week recommended this year was April 4-11, but it can be conducted any week in the year. This program has been successful and exceedingly profitable to the whole church in the smallest rural churches as well as in the largest city churches.

"Great hosts of our young people are attending the Southwide Training Union Assembly at Ridgecrest each year. It has proven to be a great leadership training opportunity and spiritual strength for our young people all over the South.

"In study course work, in the Standard organizations, in enthusiasm, zeal, and vision the young people are going on notwithstanding the many difficulties."

Intermediate Department

The most strategic age group, perhaps, is found in the Intermediate department. They are our high school young people. The alarming increase in juvenile delinquency in our country has been mainly in this group. Thousands of them will be going soon into the armed services. They are facing heavier burdens in their church life, in their homes, and everywhere because their older brothers and sisters are already in the armed services and in war work. Many of the older Intermediates are taking jobs. They are faced with the prospect of having to help win the war before they can think of going to college.

Because of all these factors our Intermediates must face life with a more serious attitude than ever before. We must do our best for them in our churches.

Henry C. Rogers, our director of Intermediate work, presents the following statement:

"Our Intermediate work has made a profound impression upon Southern Baptist churches during the past year. This impression has been made through the periodicals, by the marvelous attendance of Intermediates and their leaders at Ridgecrest last summer, attendance at state conventions and assemblies, and the associational meetings of the Four Year Program.

"In 1942 we made gains in Standard Intermediate unions and departments. This is proof of the efficient manner in which our Intermediates are being led and their response to higher ideals.

"We should make progress this year in our Intermediate work. **We can go forward** because we have adequate literature, organization, and program. **We must go forward** because the work of our Master in the days ahead depends upon our leadership of this dynamic group now.

"We are launching now a special emphasis for the promotion of Intermediate work in our churches. We must do all we can to conserve and train this group of young church members. They deserve the very best leadership our churches can afford. They are beset by many dangers in a world at war. We must not fail."

Junior Department

Miss Margaret Griffin, who is doing graduate work at Peabody College, has been working during the past year on a part time basis in our office as acting director of Junior work. I am happy to present here a brief statement by Miss Griffin concerning this most important department of our work:

"Junior Training Union work has gone forward in 1942. Regardless of other challenging factors, our aim—training in church membership—would be sufficient to inspire any leader. That there is a recognized need of more training is reflected in the increase of Junior study course awards. That the leaders are making greater preparation for their opportunities and responsibilities is shown by the circulation of *The Junior Leader*. That our work continues even at a sacrifice is evidenced by the attendance of Junior workers at special meetings.

"But there is much yet to be done. Our enrolment must be increased until all Junior church members are enroled in Training Union. New unions must be organized until the most remote rural church is reached. Leaders must be enlisted and trained until every union has at least two Adult workers. Soul-winning must continue in our unions until every unsaved Junior is won to Christ. Our church doctrines, our denominational program, and our Training Union activities must be presented until every saved Junior becomes an efficient church member and an effective witness. Junior Training Union work must go forward in 1943."

Story Hour Department

The Story Hour work is a vital department in Training Union. It is just as essential for the building of a great church training program as any other department.

I am happy to present the following statement concerning our Story Hour work by Miss Thelma Arnote, our director of Story Hour work:

"During 1942, as in no previous year, the children's Story Hour has been recognized as a vital and necessary unit of the Training Union.

"Churches which have had no Story Hour heretofore have organized a mixed age group at the same time they organized Adult unions. Other churches have graded their one unit of Story Hour work into a Story Hour department with provision for two or three age groups. Along with this development, a more thoughtful consideration has been given to the selection of leadership. In many instances the most intelligent, capable adults in the church have been challenged and enlisted to lead or direct in the Story Hour.

"The associational Training Unions have encouraged and promoted the Story Hour. In simultaneous enlargement campaigns and in study courses, a separate class for Story Hour leaders has been available. Likewise, in the associational one day meetings, provision was made for a separate Story Hour leadership conference.

"The state Training Union conventions have emphasized the value of Story Hour. Two more states have selected approved Story Hour workers—thus bringing the total number to twelve. In state conventions and assemblies Story Hour work has been presented through conferences, demonstrations, and addresses. One state has published a Story Hour bulletin. Others have featured Story Hour in the state papers.

"The Training Union Department of the Sunday School Board has promoted Story Hour work extensively. A series of free helps for Story Hour workers has been published. A promotional page, "You With Yours," has been added to *The Story Hour Leader*. There were separate and complete conferences for Story Hour workers at Ridgecrest.

"For the future, it is our desire that every church provide, through the Story Hour, an adequate, educationally sound, spiritual program for its children on Sunday evening."

Office Promotion

Emmett Golden is our efficient office secretary, and directs the work of our office force. Miss Edith McMillan is assistant office secretary. Thousands of tracts, Standards of Excellence, general letters concerning our one-day meetings and Southwide meetings, and other promotional materials go out to the

churches in a constant stream from our office. Through our office promotion we are able now to serve our churches in a more vital way than ever before. Travel restrictions are very severe, but we are able to maintain contact with every part of the field through our office in many cases in which we cannot go in person.

Gains and Losses in Personnel

We have suffered severe losses in personnel during the year. On the first of October, Rev. Chester Quarles left our department to become the pastor of the First Baptist Church of Leland, Mississippi. Chester had worked for more than two years as director of our associational work.

Dr. Allen Graves has gone recently to become the pastor of the First Baptist Church of Fort Pierce, Florida. For more than two years he has been our director of Young People's work. Recently he has had a growing feeling that he should yield to God's call to serve as a pastor and preacher of the gospel. Dr. Graves has rendered valuable assistance in the Training Union Department, and we regret to lose him. Our prayers and best wishes go him to his new work.

In November of 1942, Miss Elaine Coleman, our director of Intermediate work, was married to Dr. Glen Pearson, of West Point, Mississippi. They are making their home now in Texon, Texas. Miss Coleman rendered signal service as director of Intermediate work. We suffered a great loss in giving her up.

While we have suffered losses we have also made significant gains in personnel.

Joe Davis Heacock, graduate of Howard College, Birmingham, Alabama, and of the School of Religion of Southwestern Baptist Theological Seminary, came to us on January 1, to serve as director of associational work. He came from the Olivet Baptist Church, of Oklahoma City, where for the past five and one-half years he had served as educational director. Mr. Heacock is a trained and thoroughly efficient Training Union worker.

On January 1, the Board elected Henry C. Rogers, who for more than seven years had served as Training Union secretary of Tennessee, to be our new director of Intermediate work. Mr. Rogers is a graduate of Howard College, Birmingham, Alabama, and a former state worker in that state. He has already been received with a hearty welcome by our Intermediate workers, pastors, and Training Union forces all over the South. We predict for him a great future in the leadership of this most important age group.

Another addition to our force as a part time worker is Miss Margaret Griffin, who is doing graduate work at Peabody College. She is a very fine Junior worker and is serving as acting director of Junior work in the Training Union Department.

Another splendid worker who has come into the Training Union Department to serve as an assistant in the editorial staff of the Training Union is Miss Charlotte Tedder. She was transferred recently from the Book Editorial Department. She is skilled in all phases of Training Union work, and will devote most of her time to helping with the editorial work.

Statistical Gains and Losses

Herewith will be found a digest of our statistical gains and losses in 1942, and in another place a table showing the standings by states.

DIGEST OF GAINS AND LOSSES IN ORGANIZATIONS

	1942	1943	Gain or Loss
Churches	25,603	25,696	93
Churches with one or more unions and Story Hours	14,367	14,435	68

Total Enrolment	950,997	798,510	152,487—
Total Number Unions and Story Hours	54,798	50,567	4,231—

In the digest most of the items are marked with a minus sign, which indicates a loss. There are, however, four figures which indicate significant gains. These are, a gain of 68 churches having one or more unions and Story Hours, a gain of 7 new associational Training Unions, a gain of 46 new Adult unions, and a gain of 452 churches with a general Training Union organization, with at least a director. We should be greatly encouraged by these gains, for they indicate a healthy condition. They indicate that we are expanding our organization and getting ready for greater things in the days to come. The graded Training Union, which is a church membership program, is here to stay. By the grace of God we have lost nothing which we cannot gain back quickly following the war and much of it even during the war as we proceed in the great business of making the proper replacements in our leadership.

Gains and Losses in Circulation of Training Union Literature

The circulation of our Training Union literature is the best index of gains and losses. The average per issue circulation of Training Union periodicals in 1942 was 854,255. This shows a loss of only 16,957 for our first war year. (See page 53 for statistical table.)

Study Course Gains and Losses

These statistics show that in 1942 we issued 58,708 Junior awards; 60,981 Intermediate awards; 55,691 Young People's awards; 68,343 Adult awards; and 12,373 Administration awards. The total was 256,096. A total of 826 associations requested awards. Eight hundred and thirty-six associations requested awards in 1941. (See statistical table on page 54.)

In view of war-time conditions this is a remarkable record for 1942.

We Must Go On

I. Our Achievements Challenge Us To Go On

The very fact that we have made gains encourages us and assures us that we can make further gains.

II. Unclaimed Areas Make It Imperative that We Go On

1. Approximately 11,000 Baptist churches in the Southern Baptist Convention still have no Training Union work. We shall not be satisfied until every one of these is reached.
2. Approximately one-fifth of Southern Baptist church members are enrolled in our Training Unions. The unenlisted ones constitute perennial challenges to us to set up more Training Unions, add more units of organization, and press on aggressively in the greatest program of enlistment and development that we have ever known.
3. The conditions which prevail in war-time and the task of rebuilding the world in post-war days constitute the greatest challenge that Training Union forces have faced in all our history. We must be prepared to make a vital contribution through our Training Union to the rebuilding of the world according to the pattern of Christ.

III. Our Living Faith Lights the Road to the Future

We have a deep conviction that we are on the right track. We also have a firm determination to continue to improve our literature, our methods of work, and our spiritual devotion to the task which Christ has given to us. Our trust is in the living God. This faith lights the road to the future.

Does Church Union Solve the Problems?

It will be noted that, with in the past ten years, there has been a decided increase in religious denominations in the United States—an increase from 204 denominations in 1932 to 256 in 1942. And this has come to pass in spite of the union of several rather large denominations, and great agitation for further church union.

Here is an outstanding example of the way church union works:

In 1939 the total membership of the Methodist Church (uniting Southern Methodists, Protestant Methodists and Methodist Episcopal branches) was 7,948,373. In 1942, the total membership of this united church had fallen to 7,813,891, showing a net loss of 134,482 for the three years.

Compare this record with that of Southern Baptists for the same three-year period and you will find net gains of 417,955, as follows:

Southern Baptist church membership in 1939	4,949,174
Southern Baptist church membership in 1942	5,367,129
Net gain for the three years	417,955

In other words, Southern Baptists, going on attending to their own business, have had a nuet gain of 417,955 in the three years of the great global war; while our Methodist brethren, with all the supposed advantages of church union, have suffered a loss of 134,482 members in the same period. Think it over!

SOUTH AMERICA AS A GREAT NEEDY MISSION FIELD

South America, like North America, is a very great and a very needy mission field. The simple facts in the case give one a conclusive answer.

1. According to Roman Catholics themselves, South America is a very great and a very needy mission field. Here are the statistics for the South American countries published in the **Catholic World Atlas** (1929, see Table XXXV): This table shows less than 72 per cent of the people in South America affiliated with Roman Catholics, as compared to something over 28 per cent which are either non-Catholics or unreached by any church.

The Real Church Situation in South America

Unhappily these Roman Catholic statistics are greatly exaggerated, both for the Catholics and for the non-Catholics as well. It will be noted, for example, that non-Catholics are here listed as having 2,506,071 members and "adherents" in South America! But non-Catholics had only 251,621 communicants or actual church members in 1925 and only 438,682 in all South America in 1940. And if there are 2,000,000 non-Catholic "adherents" in South America there are 2,000,000 reasons for more mission work in South America.

But what percent of the 66,301,908 nominal Roman Catholics in South America are really "practicing" Roman Catholics, and what per cent are without any understanding of the Roman Catholic Church or any concern for its welfare, and are lost in indifferentism and paganism?

If more than 60 per cent of the 66,301,908 nominal Roman Catholics in South America are "practicing" Catholics at this time there is not a scintilla of evidence of it, anywhere. This would indicate the following general religious situation in South America today:

Total population (1940)	92,471,281
Practicing Roman Catholics	39,781,145
Nominal non-practicing Catholics	26,520,763
Wholly unreached persons	23,663,302
Non-Catholic "adherents"	2,067,389
Non-Cahtolic church members	438,682

Can any sane person who is a Christian at all fail to see in this situation the challenge of a very great and a very needy mission field in South America?

POPULATION OF 25 LARGEST SOUTHERN CITIES

1910—1920—1930—1940

Correcting Some Misinformation: Some two or three years ago, the president of the Northern Baptist Convention, became greatly alarmed over what he claimed were the serious losses of Southern Baptists in the cities of the South. Just where he found such misinformation, and why he felt called upon to rush out to the public to spread it abroad, I have never been able to learn. Perhaps it was because he had discovered that the Northern Baptist Convention territory where he lived at that time (the Pacific Northwest) had one Baptist to every 60 persons in the population; whereas the Southeastern states in Southern Baptist Convention territory had one Baptist to every 4.4 persons in the population. At any rate, we are giving our readers herewith the Census figures of the growth of the total population of the twenty-five main cities of the South, together with the growth of the white Baptists in these same Southern cities, covering the past twenty years. As will be seen from these tabulations, the white Baptists who live in our Southern cities, have been growing over four times (400%) faster than the population.

THE GREAT FOREIGN MISSIONS ENTERPRISE

Few people realize how great is the work of foreign missions, that is the movement to Christianize the heathen people of the earth, as carried on by the various Christian denominations, Catholics and non-Catholics.

The International Missionary Council, 156 Fifth Avenue, New York, in 1938, published **The Interpretative Statistical Survey** of world missions (price $5.00) which presents the following astounding summary:

Countries or Islands occupied	92
Missionaries at work	27,577
Native pastors, teachers, physicians and nurses	203,468
Christian schools maintained, all types	56,891
Pupils under instruction	2,925,134

ONWARD MARCH OF CHRISTIANITY

The following figures, furnished by "Christian Herald," are perhaps the most nearly accurate of all the various estimates of the march of Christianity down the centuries.

"We have never seen any estimate claiming to be accurate, showing the aggregate number of Christians in the first century A.D. From that little gathering of 120 souls in Jerusalem (mentioned in Acts 1), the numbers must have increased rapidly, especially when we taken into consideration the activities of the disciples, not only in home but in foreign missionary work. Greece, Italy, and what a now Asia Minor or Anatolia, were visited, and the gospel

preached with most encouraging results. There is a tradition that the king of Edessa with all his people accepted Christianity in one day. Many of the larger cities had doubtless a considerable Christian following. Besides these, the gospel spread, during the first century, to the southern shores of the Mediterranean and the islands of that sea. We give below the figures of the growth during the following centuries and the total throughout the world today. It should not be forgotten, however, that there are extensive territories in Asia (including Tibet) and in Central Africa, and part of South America still unreached to say nothing of the Arctic lands. At the close of Jesus' earthly ministry, thousands were brought into the kingdom and at the end of the first century A.D., the little group in the 'upper room' had augmented to half a million, according to the best estimates of experienced writers. In one of his sermons, Doctor Talmage quotes Sharon Turner, an eminent English jurist and historian, and recognized as a man of unusual accuracy, who gives these surprising statistics in regard to the growth of Christianity:

PART V—DIRECTORIES AND REGISTERS

BAPTIST WORLD ALLIANCE

Headquarters: London, England

Includes Baptists from every country in the world where there are Baptists. The organization holds its meetings once in five years. Purely advisory in its relations to churches; has no authority over its members. Purpose is to discuss the great themes which are of common interest to all Baptists.

Organized in London, England, July 11-19, 1905, with Dr. Alexander Maclaren, London, presiding. Alliance formed July 17, 1905; Dr. John Clifford, London, elected President.

Second meeting, June 19-25, 1911, Baptist Temple, Philadelphia, Pa., Dr. Robert Stuart MacArthur, New York, elected President.

Third meeting was postponed on account of World War until July 21-27, 1923, when it was held in Stockholm, Sweden, Dr. E. Y. Mullins, Louisville, Ky., elected President.

Fourth meeting held in Toronto, Canada, June 23-29, 1928, Rev. John MacNeill, Toronto, Canada, elected President.

Fifth meeting held in Berlin, Germany, August 4-10, 1934, Dr. George W. Truett, Dallas, Texas, elected President.

Sixth meeting held Atlanta, Georgia, July 22, 1939, Dr. J. H. Rushbrooke, London, England, elected President.

Seventh meeting: Time and place to be decided.

ROSTER OF ORDAINED MINISTERS

We are presenting herewith the full list of our Southern Baptist ministers, with all corrections to August 1, 1943, which have come to our attention in any way. We will thank our editors in particular if they will have the kindness to note, in their columns, all ministerial changes from week to week; and we will likewise take it as a great favor if all our ministers will notify us by postcard when they change their field of labor and particularly when they change their post office address or even their street address.

CLASSIFICATION OF ORDAINED MINISTERS

In the roster of ordained ministers among Southern Baptists we are attempting to observe the following classification:

P. stands for Pastors or Assistant Pastors
E. stands for Evangelists
