STEWARDSHIP RESOURCE PACKETS ENHANCE BUDGET PLANNING

The fulfillment of Southern Baptists' commitment to share the gospel with every person in the world by the year 2000 will depend on the development of more faithful Christian stewards.

SBC Stewardship Commission has produced in cooperation with state stewardship secretaries six budget programs to help lead your church to new heights of spiritual advance in the area of Christian giving.

Resource packets contain a copy of most materials that are needed for a particular program. They each include a current catalog, program instructions, sermon booklet, and other related materials.

The pastor and members of the stewardship committee will find these packets helpful in planning, reviewing, and ordering of necessary materials.

Clip and return the order form today for your resource packets!

MEMBERSHIP AND NUMBER OF CHURCHES
DISTRIBUTED BY SIZE CATEGORIES
1972-1982

In 1982, approximately one-fourth of the members are in churches having fewer than 300 members. These churches represent three-fifths of the churches in the SBC. Approximately eight percent of the churches (those have 1,000 or more members) have a third of the members. The movement over the ten year period (1972-82) has been toward fewer small churches and more members in larger churches.

*Includes Central America and West Indies.

**Includes the U.S.S.R. and other countries with established Marxist ideology. Religious adherence is difficult to estimate in these countries.

***Includes areas where persons have traditionally existed in several religions, as well as China (with an official Marxist establishment).

****Includes Australia and New Zealand as well as the South Pacific Islands.

*****Includes Coptic Christians, restricted in Egypt and in a precarious situation under the military junta in Ethiopia.

*****Includes "full members" (adults) rather than family members or baptized infants. Therefore, statistics are not comparable to the other religions or churches.

*****Includes many new sects and cults among African Christians.

*****The chief base of Islam is still ethnic, although some missionary work is now carried on in Europe and America (e.g., "Black Muslims"). Where Islam is established, minority religions are frequently persecuted, making statistics hard to obtain.

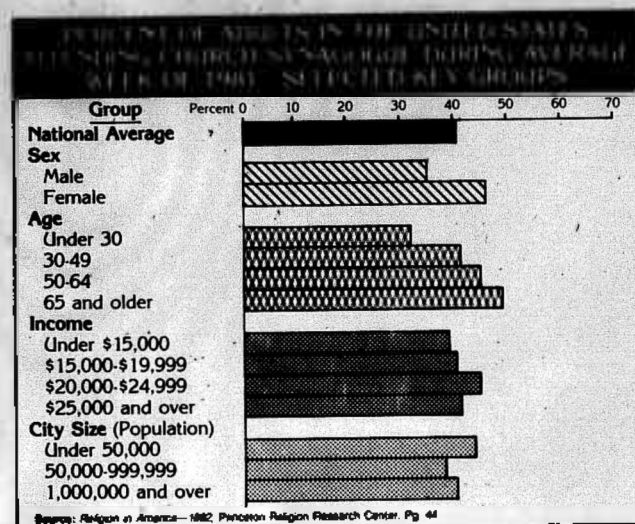

*****A Japanese ethnic religion which has declined since the Japanese emperor gave up his claim to divinity (1947). It does not survive well outside Japan.

*****Several modern spiritual movements have gained adherents in Europe and America and other areas not formerly ethnic. Headlines: It has made rapid gains in Asia recently and has shown greater staying power under persecution than Taoism or Confucianism; also transplants better.

*****Strength in India has been reduced by nationalistic movements of modern Hindus. Hinduism has won converts in Europe and America.

GROWING PLANS

Strategies to Increase Your Church's Membership
Of course, the best single approach to church growth is the old-fashioned system of personal visitation. Lyle E. Schaller points out. But, because every church cannot enlist enough volunteers with the gifts and commitment which visitation requires, Schaller outlines five other workable strategies. (Abingdon)
