### EDITORIAL ETCHINGS

They tell us that the bottom of the  
financial depression has been reached  
and passed. We certainly hope so.

There are 5,738 students now regis-  
tered in the University of Chicago.  
This is a gain of 266 over the attend-  
ance a year ago.

Dr. William Byron Forbush declares  
that the church boys' club has two  
sound foundations: Play in Religion  
and Religion in Play. Very well put.

Tennesseans have received 2,923  
diplomas from the Sunday School  
Board's department of Sunday  
School Education. There have been  
66,788 diplomas issued.

The American Bible Society, on its  
105th birthday recently, announced  
that it has issued 140 million copies  
of the Scriptures in 150 languages  
and dialects.

We are indebted to Prof. Lowell Q.  
Haynes for a copy of his attractive  
booklet, "The Boyhood and Youth of  
Jesus." It is well written, admirably  
arranged, and beautifully printed.

The fire loss in the United States  
for the five years from 1915 to 1919,  
inclusive, aggregates the enormous sum  
of \$1,416,375,845. Much of this was  
preventable. We are too careless with  
fire.

Immeasurable is our debt to the  
115 Baptist colleges, schools and sem-  
inaries in the South. And immeas-  
urable also is the power which ought  
to be developed from them in the  
mighty days that are upon us. Stand  
by our schools!

The Word and Way in a recent issue  
had a comprehensive and illuminating  
survey "Concerning our Sunday  
Schools," by Dr. E. P. Alldredge. Per-  
haps we can find room to copy it, for

it deserves wide and thoughtful read-  
ing.

The dire famine now affecting five  
great provinces in populous China is  
declared to be the worst in the world's  
history. American contributions are  
going forward by the hundreds of  
thousands, but undoubtedly there will  
be a great number of deaths before  
the next harvest.

You need not wait until Wednes-  
day, March 2, to pray for the contin-  
uance of the success of the 75-Million  
Campaign. Of course not! But be  
sure that you join your brethren in  
making that day a Day of Prayer by  
all our people throughout the South.

The European countries which are  
to be cultivated by Southern Baptists  
are Spain, Hungary, Roumania, Jugo-  
Slavia, the Ukraine and that part of  
Southern Russia lying east of the  
Ukraine, and Italy, where we have  
had missionaries for many years.  
There is no finer field for missionary  
work in the world.

Three of the fifty-three Interme-  
diate classes and seven of the 197 Se-  
nior-Adult classes registered by Mr.  
Harry Strickland in the Organized  
Class Department of our Sunday  
School Board during January, were  
from Tennessee. The total from our  
state is 66 Intermediates and 262 Se-  
nior-Adult classes. Not quite our  
quota, we should say.

We have been fearing that our Bap-  
tist cause in Mexico had been torn to  
pieces by the recent turbulent condi-  
tions in that country. However, it is  
stated that at the recent Baptist Con-  
vention at Torreon, Mexico, reports  
state that the membership of our  
churches in that country has increas-  
ed to 5,000, whereas, the number was  
only half that at the beginning of the  
revolution.

We shall welcome all the new tracts  
and other literature on the progress  
of the 75-Million Campaign to date,  
and the accomplishments of the var-  
ious general Boards with the larg-  
er funds that have been made avail-  
able to them. These will be ready for  
distribution in ample time for the ob-  
servance of Denominational Day in  
the Sunday Schools the last Sunday  
in March.

"Hard times is the cry of the cow-  
ard," said Bishop James Atkins, in  
addressing the members of the Edu-  
cation Commission of the M. E.  
Church, South, a few days ago. He  
further declared that "the pessimist  
is worse than a Hun." The good  
Bishop could have made the same  
point had he been addressing the  
brethren of other denominations. It  
is no time to look on the dark side.  
The future is full of hope—if we will  
only see it.

We have from Dr. H. B. Carre, Pres-  
ident of the Tennessee Anti-Saloon  
League, an announcement of the elec-  
tion of Rev. Parker Shields as Su-  
perintendent to take the place of Rev.  
J. D. McAllister, who resigned a few  
weeks ago on account of the health  
of his family, and accepted a pastora-  
te in Virginia. Mr. Shields comes  
from Springfield, Ill., where he served  
three years as Superintendent of the  
Central District of the Anti-Saloon  
League in that state. He comes high-

ly recommended and is expected to  
render effective service in the Volun-  
teer State.

Missionary W. W. Stout, of Hwang-  
hein, China, now on furlough in this  
country, and for the present in Scotts-  
boro, Ala., writes a stirring article on  
famine conditions in China. In burn-  
ing words he voices the cry of the  
poor, needy sufferers in that distress-  
ful land. The money we give for  
them through our Board at Richmond,  
will be sent by cable to China. Will  
not our people open their hearts,  
hands and purses to the famine suf-  
ferers in northern China?

Wednesday, March 2, has been set  
apart by the Conservation Commis-  
sion as a day for prayer in our church-  
es. We are to have a great general  
enlistment movement throughout our  
territory during March and April. We  
can not do our best unless we do it  
prayerfully. Very appropriately,  
therefore, this day of prayer has been  
designated. Let us observe it.

Of course, the world's armaments  
ought to be reduced. Everybody is  
in favor of it. The only question is,  
Who will begin it? And all the na-  
tions seem to be afraid to cut down  
their expenditures, since they may be  
exposed to hostile attacks some day.  
We earnestly hope that some steps  
may be soon taken that will look  
toward peace rather than toward war in  
the future. If such is not done, many  
a mother's babe, now tenderly nursed,  
will come to his death on the field of  
battle.

After a very delightful term of four  
and a half months as supply pastor of  
the First Baptist Church, Oxford,  
Miss., in the absence of Rev. R. Q.  
Leavell, who has just finished touring  
China, Dr. R. L. Motley, well known  
in Tennessee, is entering upon his  
pastorate of the First Baptist Church,  
Florence, Ala. Brother Leavell re-  
sumed his pastorate last Sunday. Dr.  
Motley begins his new work under  
the most favorable auspices. He  
says they have a fine house of wor-  
ship and "the handsomest parsonage  
I ever saw built for a pastor."

We are happy to see a statement  
that our Relief and Annuity Board at  
Dallas, has received some endowments  
from independent sources which will  
enable the Board hereafter to carry  
on its work without any deduction  
from receipts for overhead expenses.  
Dr. Wm. Lunsford, former pastor at  
Edgefield Church, this city, is Cor-  
responding Secretary of the Board,  
and is doing the very best work of  
his honored and useful life.

The great world Sunday School con-  
vention at Tokyo, Japan, seems not  
to have made a definite and powerful  
Christian impression upon the Sun-  
rise Kingdom. Indeed, there are  
many who believe that a great oppor-  
tunity was missed, and that the mem-  
bers of that body failed to proclaim  
Jesus Christ as the world's one and  
only Saviour. The Sunday School  
Times carried several articles setting  
forth this phase of the Convention.  
It is a pity, indeed, if such a magnif-  
icent conference of good Christian  
people did nothing more than to con-  
vey to the hospitable Japanese the  
idea that Christianity is on the same  
plane as Shintoism and Buddhism and  
other pagan cults.

Did you, brother superintendent, put down on your calendar February 27-28 and March 1 as a definite engagement to attend the State-wide Superintendents' Conference at the Immanuel Church, Nashville? A most attractive program has been prepared. You ought to attend, if possible. It is a day of conferences. And the church worker who falls to touch elbows and exchange ideas with his fellow-laborers will certainly arrive on a rumbling freight train if, indeed, he arrives at all.

We have received a copy of a letter said to have been written by Christ just after His crucifixion, signed by the Angel Gabriel ninety-nine years after the Saviour's birth, and declared to have been deposited by him under a stone at the foot of the cross. We have no hesitation in expressing our conviction that the letter is not only spurious, but also dangerous in the extreme. The revealed will of Christ is found in the Bible, and not in the archives of superstition. Our advice to all of our people is to let such supposed letters severely alone. We are certain that no consequent misfortune will follow, if they do their duty.

Of course, all of us read the comic strips in the daily papers. Often they "take off" many of our faults and follies. But of course, now and then they have their weak spots and criticisable points. For instance, they frequently get the wrong angle on prohibition and the alleged "blue laws" and the supposed Puritanism of good people. Occasionally it looks as if the minister, especially the Protestant minister, is a target. Seldom is a Catholic priest or Jewish Rabbi caricatured, as far as we have observed. We doubt not but that many a thrust is deserved by wayward ministers. But certainly a wrong impression should not be made to the detriment of the ministry in general.

Dr. Len G. Broughton recently preached in Grove Avenue Baptist Church, Richmond, Va., of which he is now pastor, a sermon on "The Irish Question from the Inside." It has been printed in pamphlet form and can be had from the office of Grove Avenue Church, for ten cents. Dr. Broughton was for several years pastor in London, and had ample opportunity to gather first-hand information concerning his subject. He believes that no other government has gone quite so far as England to aid her tenants. He regards the Sinn-Fein movement as purely German and Roman Catholic propaganda. He believes that America should keep hands off and that Ireland should be granted a well-established form of home rule such as is granted to the English colonies.

**Campaign at Loudon.**—We are in the midst of a great religious campaign here, the pastors of all the churches together; 112 conversions to date, Jan. 31, and still going; 25 gave their names for membership and baptism in the Baptist Church last night. Pray for us.—J. H. O. Clevenger, Loudon, Tenn.

**Fifth Sunday at Greenbrier.**—We had a good day fifth Sunday. Good Sunday School and B. Y. P. U. Pastor preached in the morning on baptism and in the evening on the Lord's Supper. The church made a contribution of two hundred dollars to the Near East Relief. Hope other country churches will follow example of these great and good folks. The work here is moving on splendidly.—T. P. Stanfield, Greenbrier, Tenn.

**Good Program at Gleason.**—The fifth Sunday meeting of Weakley County Association met with Gleason Baptist Church. We had a splendid program and all seemed to be benefited by the discussions. Bro. Preston, our B. Y. P. U. man, was present and aided us greatly. The outlook for Gleason Church is very bright. Bro. Ronny is the beloved pastor and he and his people showed their hospitality in the royal entertainment afforded us. We wish for them a great year of ingathering.—Joseph Connell, Missionary.

**Revival Near Decatur.**—On Jan 25, Rev. F. R. Sherrill and I closed a great revival two miles north of Decatur, Tenn., in Eastanallee Association. The Lord blessed us with wonderful weather the last week of the meeting, therefore the school building we were holding in would not hold near all the people that came to church. After the seating and standing room were all taken up the overflow stayed on the outside and looked in. The meeting

resulted in 52 conversions, community revived and Sunday school organized. Pray for them.—Chas. Wattenbarger, Missionary, Calhoun, Tenn.

**Revival at Washburn.**—Just closed a great revival meeting at Washburn Baptist Church in Grainger County, with 18 conversions and 22 additions to the church to date. There are others that will join later. We had the largest attendance at the morning services I have ever seen. I have never met a finer class of people anywhere. They are warm-hearted and generous. I am expecting a number of them to adopt tithing as their system of giving to the Lord's cause. Dr. Carr of Corryton is the much beloved pastor. Rev. J. T. Wolfenbarger's home is in Washburn.

Had one conversion and baptized two Jan. 20, 1921, at Grove City, Knoxville.—D. W. Lindsay, Pastor Grove City Baptist Church, Knoxville, Tenn.

**Pastor and Wife Made Glad.**—On Tuesday night, Jan. 18, a large delegation from Pleasant Hill Church, together with some of our other friends, marched into our home in Orlinda and demonstrated to us the meaning of love and appreciation. Did they come in empty handed? No, but every hand was laden with something good, such as flour, meal, meat, potatoes, lard, sugar, molasses and canned goods, and many other things good and useful. We have been with Pleasant Hill Church more than five years and we can say that this church knows how to be good to its pastor. Pleasant Hill has ordained four men out of its ranks to the ministry and now its present Sunday School superintendent, Bro. Robert Roark, has decided for the ministry, who we feel will make a great man of God.—W. W. Woodall, Pastor, Orlinda, Tenn.

A new Senior Union is being organized at Rutledge, Tenn.

**Double-up Campaign.**—On the first of this year our Sunday school put on the double-up campaign, and as a result we had to turn our pastorium into Sunday school rooms. The plan works beautifully. On Sunday, Jan. 23, we had 124 in school and our collection was \$110.50. Of course we put on a little special effort on that day, as our equipment for the new quarters had to be paid for. Our pastor, Paul R. Hodge, is an excellent young man, and is doing a great work here for the Master's kingdom. When he gets married and needs the pastor's home, then we are going to enlarge our church to take care of our growing Sunday school.

Permit just these few words in praise of our superintendent, Miss Estel Coffett. She is a live soul for the Master's cause, and let me suggest that if your school is not what you would like to have it, just elect a lady for your leader.—R. A. Hudson, South Pittsburg, Tenn.

**CLOSING HIS WORK AT CLARKSVILLE.**

After a pastorate of more than two years, Dr. Edward Stubblefield recently resigned the care of our First church at Clarksville, and the relation will be terminated the last of this month.

Coming in 1918 from Galveston, Texas, where his ministry had been crowned with remarkable results, he entered vigorously upon the duties of his new field, which is one of the most attractive and progressive of all our churches in Tennessee.

We are informed that the Clarksville congregation made important advances under Dr. Stubblefield's ministry. The net increase in membership his first year was much beyond that of the preceding year, and the second year registered an increase of about fifty per cent over the first year.

Moreover, the debt on the new church building, erected under the pastorate of Dr. Ryland Knight, and one of the handsomest and best equipped edifices in the state, or the South, was reduced from \$30,000 to \$3,000, unpledged during these two years. The church budget was more than raised each year, and Dr. Stubblefield's pastorate closes with a surplus in the treasury.

Of course Clarksville did her full share in the 75-Million Campaign. The church was asked to raise \$37,000, but the canvass resulted in an aggregate pledge of \$57,000.

Dr. Stubblefield's plans for the future are not announced. By courtesy of the Clarksville saints he is spending February in Florida. We take it that some good church will speedily lay hands upon him and claim his services. We wish and predict for him continued success in his ministry.

**LIEUTENANT REECE.**

We clip from the Watchman-Examiner the following item which will be interesting to a wide circle of our readers:

"Lieutenant Carroll Reece, Congressman-elect from the First District of Tennessee, is a Baptist. He is the grandson of Rev. L. L. Maples, who was a powerful country preacher. His father and his mother were both of Baptist stock. In the World War Lieutenant Reece won distinction, and was decorated by our Government

with the Distinguished Service Medal and the Distinguished Service Cross, and by the French Government with the Croix de Guerre with palm. Lieutenant Reece is a graduate of Watauga Academy, one of the chain of mountain schools fostered by the Home Mission Board of the Southern Baptist Convention, of Carson and Newman College at Jefferson City, Tennessee, and of New York University. When General Leonard Wood established the training school at Plattsburg Lieutenant Reece was professor of political economy in New York University. He resigned to enter the training school, and was commissioned second lieutenant. He went over with the Connecticut troops. Returning home he was nominated by the Republicans for Congress, and his district being overwhelmingly Republican he had no opposition. This district also has as many Baptists as all other denominations put together. Lieutenant Reece's membership is now in the Judson Memorial church, New York. He is thirty-three years old."

**EXCEPTIONAL BOOKS**

One of the greatest men, among the many men of mark in Texas, was the late W. T. Tardy. He was great in his sincere and untiring devotion to the Master's cause, in his physical suffering, and greatest of all, perhaps, in his patient endurance and resignation. Even amid the most excruciating bodily pain his mind was radiantly active and he sent forth a flood of rich and inspirational thoughts. During his illness he wrote a passingly helpful message, "Trials and Triumphs," and since his going home, Mrs. Tandy, assisted by Dr. J. B. Campbell, has compiled a volume of choice selections from his writings. Its title is "The Man and His Message." Every line is soul-stirring.

Both of these books will be on sale by Mrs. Tardy at the coming meeting of the Southern Baptist Convention in Chattanooga. They are interesting, instructive and full of inspiration. I trust they may have a wide circulation.

O. C. PEYTON,  
Jefferson City, Tenn.

**NEWS NOTES FROM HOLSTON**

The old Holston is making fine progress along evangelistic lines. Under

the leadership of Rev. R. E. Corum, our enlistment secretary, we made a thorough organization with the group system, appointing a leader and an assistant who will keep in touch with the churches and pastors in their respective groups and will help and encourage them in holding revivals during the year.

At a meeting of our executive committee on Feb. 1, reports were made showing 721 conversions and 510 baptisms since last association, six months ago. We hope for many more and will not be satisfied until every church and destitute place has been reached.

In addition to the above some of our pastors have held successful revivals outside our borders, which added to our own total more than a thousand by baptism and 278 by letter. Nearly all our churches now have a live, evangelistic pastor and we are planning to go over the top on our quota to the 75 million campaign. Our slogan is, "The Holston must lead."

My field has recently been enlarged and Jonesboro and Cherokee have elected Rev. James A. McCaleb assistant pastor. I hope that Boone's Creek and Union will also elect him so I can have his help in all my work. He is a young man of fine promise, preaches well and our people are greatly pleased with him. During the vacation period Brother McCaleb will assist me in evangelistic work. More of our strong churches ought to help and encourage our young preachers in this way.

W. N. ROSE,  
Moderator.

Jonesboro, Tenn.

**A YEAR IN NORTH CHATTANOOGA**

A little more than a year has passed since my pastorate with the First Church of North Chattanooga began. During that time substantial progress has been made along all lines. The Sunday School has well-nigh doubled in attendance. Instead of a Junior B. Y. P. U. we now have two good senior unions and a flourishing junior union. Our prayer meeting has become one of the most important phases of our work; the spiritual interest at our last meeting becoming so intense that one young man professed conversion.

In addition to this, a strong desire has developed among the membership for a new house of worship, the erection of which we hope to begin at an early date.

During the year we have had two revivals, in both of which we had the assistance of Rev. W. C. McPherson of the Home Board. During the two weeks of his presence in the last meeting there were twenty-five additions. After the close of the Home Board campaign the pastor and church continued the meeting, which resulted finally in thirty more accessions, making a total of fifty-five. In all eighty-eight members have been received during the year. Bro. McPherson's strong gospel preaching is a benediction to any church and community.

The pastor now has for his assistance a company of about thirty young converts who have organized themselves into a band of personal workers and are devoting their energies to the work of personal evangelism. Realizing the possibilities of the field and His abundant blessings during the past year we thank God and take courage.

W. B. RUTLEDGE, Pastor.  
Chattanooga, Tenn.

### THE PRESIDENCY OF THE CONVENTION

We have been assuming that Dr. J. B. Gambrell would be re-elected for the fifth time President of the Southern Baptist Convention at Chattanooga next May. He has served with eminent acceptability. He has held the gavel through an epochal era in our history. Last year at Washington he broke the three-year precedent set by his six predecessors in the chair. With Dr. Mullins he has just returned from an extended visit to our brethren in a score of European countries. He will be more than ever qualified to help us formulate and further the program upon which Southern Baptists are to enter in the new fields open to us in Southern Europe.

However, the Baptist Standard, evidently speaking for Dr. Gambrell, said in a recent issue that it would be pleasing to him if the brethren should relieve him of further presidential duties, though we take it that he would not turn a deaf ear to the unanimous and insistent call of the brethren any more than he has in the past. Still, his statement has opened the way for alternate suggestions from other quarters, particularly in the Central and Eastern States from which the next President will probably come. The Religious Herald, for example, suggests the name of Dr. Geo. W. McDaniel, the honored president of the Virginia General Association, as a most suitable man for the chair. He is a good parliamentarian, a popular pastor and denominational worker, and knows our brotherhood, East and West, as perhaps very few of us know it. Last week, Brother Fleetwood Ball, in his "Among the Brethren" notes in this paper, called attention to Dr. Gambrell's statement and referred also to the availability of Dr. McDaniel, but expressed his personal preference for Dr. John D. Mell, of Georgia. Certainly Dr. Mell, like his distinguished father, who was President of the Convention for fifteen years, is one of the most skilled parliamentarians in the Convention or on the continent. He has been vice-president a number of years and has shown his parliamentary ability.

Another distinguished denominational leader has been named prominently in connection with the Convention Presidency. We refer to Dr. W. W. Landrum, now of Bethel College at Russellville, Ky. He is one of the most trusted, accomplished and successful of all our Baptist leaders and pastors in the South. He is well known and highly esteemed in every part of our territory, and many regard him as worthy of the high honor and capable of the great service involved in the presidency of the Southern Baptist Convention.

Other brethren have also been named: President Mullins of our Seminary at Louisville; Dr. B. W. Spilman, who as President of the North Carolina Convention has shown himself one of the best parliamentarians in our ranks; Dr. Z. T. Cody, editor of the Baptist Courier, and for several years the efficient President of the South Carolina Convention; and perhaps others. We may add that Tennessee has in it some very fine presiding officers, though probably we shall not name any candidates at Chattanooga, since we are the host of the Convention this year.

So, if Dr. Gambrell should retire from the

chair next May, there will be other fine presidential timber at hand. May the fittest man among us be entrusted with the gavel at Chattanooga!

### CONSERVATION IN VIRGINIA

The Baptist State Mission Board of Virginia takes a full page in a recent issue of the Religious Herald to give a fine group of 75-Million Campaign conservation suggestions. We should like to pass them on to our workers in Tennessee.

There were three suggestions to pastors: Preach missionary sermons; push the Campaign in the homes; plan for victory in 1921.

There were three suggestions to the church organizer: Canvass the members still unpledged and seek to enlist for remainder of Campaign period; secure pledges promptly from all new members received during 1921; distribute pamphlets soon to be issued, on State, Home and Foreign Missions, Christian Education, Ministerial Relief, Orphanages and Baptist Hospitals.

To Sunday School superintendents these words are given: See that missionary lessons are properly presented; plan to carry out a special day program as furnished by the Sunday School Board; arrange to use four-minute speakers at least once a month on phases of denominational work.

These were the suggestions to B. Y. P. U.'s: Enlist every member in systematic giving; give serious attention to monthly missionary programs; provide four-minute speakers for Sunday School and church services in co-operation with pastor, Sunday School superintendent and church organizer.

To the W. M. U. and Y. W. A. these counsels are given: Distribute missionary literature; conduct mission study classes; make attractive monthly society programs.

And there were three suggestions to every subscriber to Campaign objects: Be prompt in meeting past due pledges; pay pledges for 1921 systematically; read the Religious Herald (which being interpreted in Tennessee means the Baptist and Reflector), Home and Foreign Fields, and pamphlet literature from Campaign headquarters.

Good suggestions, aren't they? Then carry them out!

### THE JONES-MILLER BILL

We have from the Committee of Reference and Counsel of the Foreign Mission Conference of North America a statement regarding the bill known as the Jones-Miller Bill, which has been introduced into the Senate and House of Representatives at Washington. The effect of this bill is to prohibit traffic in the raw materials of morphia, heroin and cocaine, except what the United States Health Service declares necessary for legitimate medical use. It will also prohibit the export and transit in bond of these drugs.

In favor of this bill, Dr. J. F. Love, of our Foreign Mission Board at Richmond, is quoted as saying: "It will undoubtedly prove a blessing to the people on the missionary fields as well as our people at home, and help Foreign Missions."

We hear that a number of missionaries in China report disastrous results from the sale of morphia and its products in China.

Interference with the traffic has so far been impossible because we were lacking in legislation on the subject in this country. The present bill, however, if passed, will prove effective. We hope, therefore, that it will be enacted without delay.

### SEMINARY STUDENTS NORTH AND SOUTH

The following item which we clipped from the Watchman-Examiner not only embodies some very interesting facts with which we ought to be acquainted, but also teaches some very valuable lessons which we would do well to learn. We quote: "There are ninety-six theological seminaries in the United States with 5,299 students. The Baptists of the North have nine seminaries with 482 students. The Baptists of the South have two seminaries with 808 students. In the Northern seminaries there are 105 students who are non-Baptists. In the Southern seminaries all but eight are Baptists. In the North there are seventy-four Baptist students in non-Baptist seminaries. In the South there are only thirteen Baptist students in non-Baptist seminaries."

### PIONEERING IN TEXAS

They tell us that Texas is a veritable Baptist empire. There are more than 400,000 white Baptists and more than 200,000 Negro Baptists in the Lone Star State.

We hear also that in some phases of our denominational work the Baptists of Texas are pioneering. Three illustrations are given us. The first is the annual mid-winter Training Camp of ten days for the general field men of the Board and the associational missionaries in particular. The camp is held at the Southwestern Theological Seminary, at Seminary Hill, near Fort Worth. The second is a Home Church Campaign, which involves the development of the local churches in their local work with a view to ultimate help in carrying out the general denominational program. Thus help is extended in the enlistment of the membership in systematic giving through an admirable system of local church records. The third is the Baptist Student Union, lately started, to develop the denominational and State institutions of learning, with a view to their spiritual welfare and the conservation of their activities in denominational work. The object of the Union as set forth in the constitution is "Winning of others to Christ and His church; the enlistment of Christians in Bible and mission study; the training of individuals in the practice of stewardship and service as taught in the New Testament; the calling out of the called for special service; and the utilizing of Christian workers in denominational activity."

Isn't Texas a great State? And the Baptists are doing their full share to make it greater still!

### LESSONS ON CITIZENSHIP

(Matt. 22:15-22, 24-40)

In the conflict between Christ and the ecclesiastics in the Temple on Tuesday of crucifixion week, He answered three captious questions designed to entrap Him and discount His teaching. Two of them we study today: the political question of paying tribute to Rome, and the theological question of differentiating divine commands.

#### I.

The duties of citizenship emerge from the discussion of the poll tax due to Cæsar, the Roman ruler of the Hebrew world.

The questioners were two conflicting parties: the Pharisees who chafed under the Roman yoke, and the Herodians who were truculent partisans of Rome—bad citizens, all of them. They united against Jesus. Their evident purpose was to entangle Him so as to get a charge sufficient to place Him in the hands of the Roman authorities.

The question breathed a wrong civic spirit. It opened with words designed as the baldest of flattery, rang with a condescending tone, and sought triumphantly to place Jesus in a political dilemma. He saw and scored their hypocrisy. But He did more.

The answer was a two-edged sword, one edge cleaving in twain the net that was spread, and the other cleaving open a knotty public problem. First, He made His inquisitors bring a Roman coin and confess that their currency bore the stamp of Cæsar. Having thus bared the vulnerable point, He thrust in the blade of truth, Pharisees and Herodians alike wincing under it. Render to Cæsar what belongs to him. Render to God what belongs to Him. That is, be a good citizen of your government, and be a good citizen of the Kingdom of Heaven. We ought to be loyal to both the commonwealth and the Kingdom. No bad citizen is a good Christian, and no good Christian is a bad citizen.

The victory of Jesus was complete. His amazed adversaries slunk away. And no wonder!

#### II.

The spirit of citizenship is stressed in the discussion of the great commandment in the Law of Moses.

The inquirer was well versed in both civil and theological law. He seems personally to have been sincere, for he observed that Jesus had answered former questions wisely and was commended by Jesus in this conversation. But his question was calculated to arouse antagonism against Jesus, particularly if He should set aside the oral law and thus invite rupture with the masses, or if He should magnify certain favorite commands and omit others equally as important. Instead of splitting ethical hairs and differentiating divine commands, Jesus based every duty upon love.

The first great commandment requires supreme love to God. It is a love from the whole heart, gathering into one all the strands of affection. It is a love dominating the entire soul as the seat of the will. It is a love absorbing the whole mind, bringing the rays of intelligence to a focus in burning love. And it is a love twining together every strand of our strength for the expression of that love in every way possible.

The second great commandment is built on the same basis. The love which reaches upward to God is sure to reach outward to man. And as love to God summarized the First Table of the Law (four commandments), so love to man summarizes the Second Table of the Law (six commandments).

Is there any other commandment greater than these? Jesus says there is not. And our own hearts tell us that He is right.

### STATE CONVENTION MINUTES

By Lloyd T. Wilson, Corresponding Secretary

The printers were late in getting out the minutes for 1920, but they are now going forward to the pastors of the State, postpaid. Since our mailing list is imperfect, I fear some mistakes are being made and I beg that pastors who fail to get their copy will advise me at once by card, that I may give the matter attention. I will be glad to furnish, postpaid, a copy of the minutes to any brother or sister in the State who desires one, and a postal card request will have prompt attention.

### SPECIAL NOTICE TO SUBSCRIBERS

Since taking over the Baptist and Reflector we have been greatly surprised to find that so many of the subscribers have suffered their subscriptions to remain long unpaid. The fact is, this condition is embarrassing to the Board of Directors and we feel that it is necessary for us to make an appeal to all who are in arrears to come to our rescue at once. If this appeal is heeded, it will make the way clear before us for the beginning of great things by the time we secure a good man as permanent editor and launch our spring campaign. By careful investigation we find that if all who are in arrears would pay up promptly and would keep their subscriptions paid up from now on, we could increase the size of the paper at once to 24 pages and use a much better grade of paper. At the same time, we could meet all the expenses of the paper without extra cost to the denomination above the receipts for subscriptions and advertisements.

We feel that this sort of notice should be addressed to the subscribers of the paper who are in arrears in order to acquaint them with the facts and induce them to rally to our support by prompt remittance and renewals in order that the above suggested improvements might be made at once. What say you, brethren and sisters? Remember the paper is now ours, and we must make it not only the best possible but one that shall accomplish the greatest results for the Kingdom. We are counting much upon the co-operation of all our subscribers. Please do not disappoint us. If the reader of this notice is behind on his subscription, please do us the kindness to remit at once. If he or she knows any brethren or sisters who are not taking the paper, why not become a missionary and urge them to subscribe at once? With the right sort of co-operation upon the part of all our people, there is no reason why we may not have 25,000 names on our mailing list by the close of the present State Convention year.

Cordially yours,

LLOYD T. WILSON,

### DEPARTMENT OF CHRISTIAN EDUCATION

By Harry Clark, Secretary

In taking up the new work as Educational Secretary, there are certain definite objectives in which the writer solicits your co-operation.

1. The sympathy and support of the public school system will be sought for our colleges, that high schools may be led to send their graduates to Tennessee College, Carson and Newman, Union University, and Hall-Moody in increasing numbers. Many of our high school principals have unfortunately become opposed to private and denominational education. This can and must be modified.

2. Our six academies must be laid on the hearts of our people. So long as our present social order continues, there will be a demand for private schools with boarding departments, and we must not think of these institutions as temporary expedients. There is a larger demand for boarding schools than the average reader can

realize, and it should be our ambition to equip and endow these academies so that when they have fulfilled their function as mountain schools, when the rural schools perhaps fifty years from now have become strong enough to take over some of the work these academies are now doing, they can be transformed into college preparatory schools. To this end, we must secure for them larger tracts of land, and we must build confidently modern structures. Self-made men from the mountains who have made their fortunes in the cities are increasingly sending their sons back into the mountains to be educated in the new private schools which are being erected there by far-seeing private headmasters, who believe enough in this new trend to put their money into what they call "Open Air Schools," "Mountain Camps," "Outdoor Schools." Some of these institutions are very expensive, have large acreages—even up to 1,000 acres—and the boys are brought there from the cities to study, hunt, fish, ride horseback, developing both mind and body far away from the distracting influences of the city. Let us think of our mountain schools as permanent institutions to be later expanded. Some of them should be enlarged into industrial schools similar to the two Berry schools at Rome, Ga. Our Methodist friends are following this policy in establishing Vashti Industrial Institute at Thomasville, Ga., and Brevard Institute at Brevard, N. C. We have abandoned enough of our academies to the state school system, making a present of them. Let us adopt a policy of enlargement, not one of discouragement.

3. Loan funds must be sought for worthy students. These funds would be loaned to young men and women, to be repaid with interest after they graduate. In other colleges, these funds have enabled hundreds of young people to be educated, and year by year a fund of this type grows by repayment of interest, being a blessing to ever increasing numbers. Laymen do not realize how many young people in our B. Y. P. U. long to enter the ministry and mission work, but are prevented by lack of funds. One Methodist layman of Tennessee gave a small sum which has now grown to \$7,000, blessing many ambitious boys, and immortalizing his name. Why not take out a life insurance policy in favor of one of our colleges? Your life work would go on after your death, winning you the gratitude of hundreds in the century to follow.

4. Our boys and girls must be stimulated to enter college. That denomination which educates its young people will furnish the leaders of the future, and that means that it will yield an influence out of proportion to its numbers. One small denomination of the United States has followed this wise policy.

5. More of our young people must be led to volunteer for the ministry and for missions.

6. Every effort must be put forth to help combat the present materialistic tendency in education. This is a menace to America just as Prussianism was to Germany. Thank God, we have in the United States what Germany did not have—more church colleges than state colleges. Let us strengthen them, endow them, equip them, so that they may uphold the religious ideals of their founders.

### STATE-WIDE SUPERINTENDENTS' CONFERENCE, FEB. 27, AND MARCH 1.

Several reports from schools got in too late for last issue of the paper, and we are making note of their attendance in this week's paper. The report must get to Tallahoma some time Monday if we get it for that week. It may be that we will have to run those reports a week behind in order to give all the schools a chance to get their reports in. If this is the case we will try to make it interesting anyway by comparison.

The school at Bolivar still brings results in awards. Several papers have come in lately.

If you want schools for your church let us have your request early, as we are being overrun with engagements, and must plan beforehand for all these schools.

We attended the fifth Sunday meeting at Coalfield last Saturday, but did not get to do any work on account of change in the program. We made an engagement for a training school later and will go back sometime in the spring.

The school at Oliver Springs was called off on account of the revival being conducted by Brother J. H. Sharp. The interest was such that it could not be closed without injury to the cause. The training school will be held later.

Mrs. Hattie Baker, Doyle, writes that she has several classes going in the school there now both in the S. S. and B. Y. P. U. Courses. They are also asking for a Workers' School in March.

Mrs. L. G. Lewis, Lonsdale, writes: "We accept the date for our school in May as you suggest and are looking forward to it with much pleasure."

We are expecting 200 superintendents at the conference at Nashville Feb. 27.

Don't forget the Superintendents' Conference Feb. 27, 28, and March 1. Plan to send your superintendent.

Mt. Carmel Baptist Church, in Robertson County, has recently organized a Sr. B. Y. P. U. Dr. T. W. Gayer of Orlinda taught a class in the Manual and organized the Union at the close of the school. Mr. Gayer told the young people that it was one of the strongest classes he has ever taught. Fifteen passed the examination.

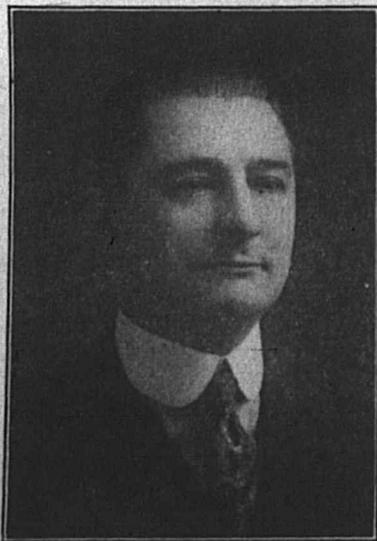

The program of the Chattanooga City Training School has just come to hand, and it looks like a winner. Mr. Lee and Mrs. Crawley will be present to assist the state forces in the work.

We are in Kingsport this week in one of the best schools of the season. Have about 75 enrolled in the Manual Class and all seem to be thoroughly enthused with the work. A complete census of the town has been taken this week and the returns have been graded and a complete organization will be put in operation next Sunday. Every department is being reorganized and a full corps of teachers elected with full departmental office force in each department. The building is also being overhauled for the new organization. This school has been one of the most responsive that it has been our pleasure to work in. We hope to see it on the Standard basis in a few months. Rev. S. B. Ogle is the pastor and T. R. Bandy the superintendent.

Rev. F. M. Dowell writes: "Our church at Grassy Creek is growing by leaps and bounds. Had 80 in Sunday school last Sunday, and will have more than 100 next Sunday. The church has gone to full time preaching, and bids fair to become one of the best in the country."

Rev. S. M. McCarter, Madisonville, writes: "My work starts off well here, and I am sure that I am going to enjoy it. We will want a Sunday School Institute here and at Vonore sometime in the summer or fall. Will also work up the Preacher School. Our S. S. is growing in numbers and interest."

Two Unions, a Senior and a Junior, were organized this past week at Gleason. Both are aiming to be A-1 during the next few months. Rev. W. S. Roney is the splendid pastor of this church.

REV. J. W. STORER,  
Paris, who delivers the keynote address of the Superintendent's Conference.

F. L. THOMPSON,  
Superintendent Sunday School of Second Church, Jackson, the only AA-1 School in the State.

**W. H. PRESTON****SUGGESTIONS FOR THE BIBLE READER.**

Our very efficient S. S. and B. Y. P. U. State Worker, Miss Lucy E. Cooper, has agreed to prepare a short article each week containing suggested questions on the week's readings and helps for the Bible Quiz Leader, and all those who are keeping up the Daily Readings. Miss Cooper taught the class for Bible Quiz Leaders in the Memphis City B. Y. P. U. Training School, and the young people of Nashville and Chattanooga eagerly await the classes in Bible Study to be conducted in their respective Training Schools by Miss Cooper.

**Questions on Bible Readings for Week of February 7-12.**

February 7—Ps. 38: To what does David compare his sins?

February 8—Ps. 42: What prompted the writing of this Psalm?

February 9—Ps. 46: What is said of God in relation to the heathen?

February 10—Ps. 51: What three promises does the psalmist make to Jehovah?

February 11—Ps. 61: To what heritage does the psalmist refer in verse 5?

February 12—Ps. 72: For what does David pray in this Psalm?

"And earthly power dost thou then show likest God's when mercy seasons justice."—Merchant of Venice.

The Memphis Juniors are working to have 500 present at their next City Jr. B. Y. P. U. meeting, to be held the first Sunday in February. They had 429 present at the December meeting.

Mr. C. F. Crist, President of the State Junior Leaders' League, writes from Memphis: "Our aim for 1921 is ten A-1 Junior Unions in Memphis. Our outlook for the year is very bright, and we are praying that we may really accomplish something for our Master. Our work has been largely organization so far, but now we have the field fairly well covered, and are going out for efficiency.

"We will have quite a number of Study Classes during March. We are planning a regular school for the Calvary Juniors."

Mr. Crist's address is 1015 Rayner street, Memphis, Tenn.

Don't forget the Superintendents' Conference Feb. 27, 28, and March 1.

Miss Lucy E. Cooper, our State Elementary and Junior B. Y. P. U. Worker, who will teach a class in Bible Study in the Chattanooga Training School, Feb. 13-18. Miss Cooper's work with a similar class in the Memphis Training School has resulted in a greatly increased interest in the Daily Bible Readings. The young people of Nashville are enjoying Miss Cooper's class this week.

This helpful letter from Rev. J. C. Dance of Union University:

Dear Brother Preston—Perhaps you would be interested to know about our B. Y. P. U. at Ararat church, which is eight miles northwest of Jackson. We organized the fourth Sunday night in September with thirteen charter members. Miss Bess Powell, one of Union University's 1920 graduates, was elected president. Under her able leadership, loyally supported by several other tireless workers, the Union has doubled its membership, and developed such a spirit of Bible study as I have seldom seen among young people. They have some original methods by which they attract visitors and have interested many of them in following the daily Bible readings. I say "they," because as far as I know the young people have worked these plans out entirely themselves.

The plan is this: The Union is divided into two groups. Each group has a captain and a quiz leader. There is a contest on all the time between the groups. Each member is given a card upon which is printed a scale of points.

Member present, 5; visitor brought, 1; each Bible question answered, 1; new member secured, 3; serve on program, 5; (without reading, 10); daily Bible reading, 10; (if read daily, and new verse memorized, 20). Contest lasts six weeks. The group making the highest number of points is entertained by the other group in a regular B. Y. P. U. social.

The quiz leader for the group not on program questions the group rendering the program. The quiz is made individually, and if a member fails to answer, the other group is given a chance to answer. If they answer correctly they score the point for the question answered.

As a result of this plan, 85 per cent of the members did the Bible readings for last quarter, and 50 per cent served

on program without reading their part.

We hope this will give a suggestion, an idea or an inspiration to someone to intensify his B. Y. P. U. course of training.

Several people have asked where they might order books for the Study Course Week. Books may be ordered from the Baptist Sunday School Board, Nashville, Tenn., or the B. Y. P. U. Department, Tullahoma, Tenn., or from your State Secretary at 205 Caswell street, Knoxville, Tenn. Find out how many books you will need for the week's work and order in plenty of time. Our aim is 1,000 awards during the week, March 13-18.

We now have a whole page for B. Y. P. U. work. This affords us the opportunity of making it tell for the work. To do this every Union should keep in touch with the State Department through your corresponding secretaries. Write a short account of what your Union is doing and send to your secretary at Tullahoma.

The Robertson County S. S. and B. Y. P. U. Convention will meet with the Mt. Carmel Baptist Church March 26-27. A good meeting is expected with lunch on the ground both days.

Williams Chapel B. Y. P. U. is making fine progress under the leadership of Pastor J. H. Padfield and President Wade House. The Union was organized last summer at the close of a meeting conducted by the pastor, assisted by T. W. Gayer. Since their organization fourteen of their members have taken the Manual under Dr. Gayer. The president has felt the call to preach and has already entered the Orinda High School to secure an education.

We greatly appreciate the liberal space given our department in our State paper. In order to show our appreciation and to reach every home with our denominational paper, we are suggesting that each Union put on a vigorous campaign for subscriptions. We advocate that in every Union an officer be designated to be in charge of this work—a Leader of Publications, we might call him. His duty will be to see that every home in the church has the Baptist and Reflector.

## Among the Brethren

By Fleetwood Ball,  
Lexington, Tenn.

Rev. A. R. McGehee has resigned his successful pastorate at McKenzie, Tenn., to accept the care of the church at Union City, Tenn., and is on the new field.

Rev. W. F. Boren of Darden, Tenn., has accepted the care of Judson Church, near Chesterfield, Tenn., it being the second or third tenure of service he has had with that church.

Union Academy Church, near McKenzie, Tenn., is fortunate in securing as pastor Rev. W. S. Roney of McKenzie, Tenn., to succeed Rev. J. G. Cooper, who lately resigned.

Dr. John E. White of Anderson, S. C., is to assist Dr. E. L. Grace of the First Baptist Church, Augusta, Ga., in a meeting beginning March 13th.

The entire force of Home Board evangelists will be engaged the first two weeks in April in a city-wide evangelistic campaign in Atlanta, Ga., and throughout the entire State in June, July and August.

Evangelist W. H. Head of Atlanta, Ga., is supply pastor of the First Church, Rochelle, Ga., during February. He preaches from the heart as well as the head.

Rev. John T. Bradfield of Darden, Tenn., has been called to the care of Mt. Ararat Church in which he was converted, licensed and ordained. He will accept.

Dr. J. M. Shelburne of Gadsden, Ala., leaves that fruitful field to accept a call to the First Church, Danville, Va.

It will interest his hundreds of friends in Tennessee to know that the First Church, Arcadia, Fla., has called its pastor, Dr. A. J. Holt, for life. This is as it should be.

The First Church, Hot Springs, Ark., loses Rev. S. W. Kendrick, who accepts a call to the First Church, Big Springs, Texas. He was once a State Evangelist in Tennessee.

Dr. Geo. A. Curlee of Pittsburg, Texas, has accepted a call to the First Church, Childress, Texas, and has moved on the field. He is a native of Henderson County, Tenn.

The College of Marshall, Marshall, Texas, has elected as its president Dr. M. E. Hudson of El Paso, Texas, but his decision has not been announced.

Evangelist Charles Forbes Taylor, well-known evangelist, is to assist Dr. J. M. Dawson and the First Church, Waco, Texas, in a revival beginning Feb. 27. His party consists of Mr. Taylor, his father and mother, and Dr. C. L. Everts. He has lately held a successful meeting in College-avenue Church, Fort Worth, Texas.

Rev. E. F. Adams of the First Church, Quanah, Texas, formerly pastor of the church at Gibson, Tenn., has been called to the First Church, Galveston, Texas.

Dr. W. W. Landrum of Russellville, Ky., is reported to have been wonderfully effective in an address at a Fifth Sunday meeting at Cumberland City, Tenn., on "Why I Am a Baptist." Four sermons were preached by Rev. Geo. Graber, aged 19, a student in Bethel College.

It is reliably reported that the Whiteville, Tenn., Mt. Moriah and Harmony Churches have called Rev. A. A. Weeks of Earle, Ark., and it is believed he will accept. He would be a valuable acquisition to the Tennessee forces.

Dr. J. W. Storer of the First church, Paris, Tenn., was fortunate in securing Dr. A. U. Boone of the First Church, Memphis, Tenn., for an address to his people last Thursday night in celebration of the fourth anniversary of Dr. Storer's eventful pastorate there.

Rev. H. G. Dyer of Lawrenceburg, Tenn., has been called to the church at Leoma, Tenn., for half time and will move on the field about March 1.

Concerning the purchase of the Baptist and Reflector by the Executive Board, Rev. H. Boyce Taylor in News and Truths says that \$15,000 is "some price to pay for a bankrupt concern," and adds, "There is not a man on that board that would have paid \$15,000 for what they got." Wrong, beloved! The only reason to have kept any man from paying \$15,000 for what was bought, especially on the terms agreed to, was a lack of the necessary wherewithal. "What they got" was well worth the price. In fact, it is the cheapest purchase of a denominational paper that has lately been negotiated.

Geo. W. Anderson, evangelistic singer under employ of the Baptist Convention of Oklahoma, has resigned because the winter weather is unfavorable to revivals and much of his time is idle.

Rev. W. P. Meroney of Marion, Ky., lately held a revival in which he had the assistance of J. A. Brown of Dallas, Texas, and his aeolian harp. There were 40 additions to the church.

## HOW DOCTORS TREAT COLDS AND THE FLU

**First Step in Treatment Is a Brisk Purgative With Calotabs, the Purified and Refined Calomel Tablets that are Nausea-less, Safe and Sure.**

Doctors have found by experience that no medicine for colds and influenza can be depended upon for full effectiveness until the liver is made thoroughly active. That is why the first step in the treatment is the new, nausea-less colomel tablets called Calotabs, which are free from the sickening and weakening effects of the old style calomel. Doctors also point out the fact that an active liver may go a long way towards preventing influenza and is one of the most important factors in enabling the patient to successfully withstand an attack and ward off pneumonia.

One Calotab on the tongue at bed time with a swallow of water—that's all. No salts, no nausea nor the slightest interference with your eating, pleasure or work. Next morning your cold has vanished, your liver is active, your system is purified, and you are feeling fine, with a hearty appetite for breakfast. Druggists sell Calotabs only in original sealed packages, price thirty-five cents. Your money will be cheerfully refunded if you do not find them delightful.—(Adv.)

## Now Gets 48 Eggs A Day Instead Of 3

**Mr. Vincent Cured His Hens of the Loafing Habit. Easily Done.**

"My egg supply has increased wonderfully. Early in January, I started using Don Sung. I had been getting about 3 eggs every other day from 70 hens. By the end of January I was getting 30 eggs a day. In two weeks more, I was getting 48 a day."

G. W. Vincent, South, Ky.

Mr. Vincent's results, in January, prove that you can get the eggs when eggs are high. It's no trouble and costs nothing to try.

Give your hens Don Sung and watch results for one month. If you don't find that it pays for itself and pays you a good profit besides, simply tell us and your money will be cheerfully refunded.

Don Sung (Chinese for egg-laying) is a scientific tonic and conditioner. It is easily given in the feed, improves the hen's health and makes her stronger and more active. It tones up the egg-laying organs, and gets the eggs, no matter how cold or wet the weather.

Don Sung can be obtained promptly from your druggist or poultry remedy dealer, or send \$1.04 (includes war tax) for a package by mail prepaid. Burrell-Dugger Co., 214 Columbia Bldg., Indianapolis, Ind.

### W. M. U. CONFERENCE.

The second one of our mid-winter conferences for W. M. U. Vice-Presidents, Corresponding Secretaries and Field Workers was held in Nashville January 25 through January 28. The conference held here a year ago was in every way worth while and most helpful, but the recent one seemed even more valuable.

The attendance was very good, most of the states having one or more representatives present. The first meeting was a joint session of the Executive Board, the Secretaries and Field Workers, and it was a preparation service for the conferences to follow. It was beautifully led by Mrs. George Eager of Kentucky, with Mrs. Maud McLure and Mrs. Janie Cree Bose also taking part. From that time through the next three days we had both joint and separate meetings.

Of course, our officers were present, with Mrs. W. C. James, the President, presiding. Miss Kathleen Mallory, Mrs. W. C. Lowndes, Mrs. H. M. Wharton and Miss Susan Tyler of Baltimore, were in attendance, and rendered excellent service. The Hermitage Hotel was the conference headquarters, and the whole company had lunch together two days. Surely no body of women was ever more admirably officered than the women of our W. M. U.

When the ten sessions of the conference were first proposed we could but wonder what we would ever find to confer about for such a length of time, but to the last moment we were busy, and the interest was sustained to the end. Most of us feel that a conference isn't the most entertaining thing in the world, but this one was a notable exception, as the time sped all too quickly.

Many things were discussed, in fact all phases of our work, with especial emphasis on the Loyalty Campaign we are planning for March and April. We are calling on our people to fast and pray on Wednesday, March 2. We hope every one of our organizations will follow the program in their churches on that day, which will be supplemented by the usual mid-week prayer-meeting in the evening, making it a day when men, women and children shall come together to pray that we may be spiritually quickened at this time to accomplish the task to which we have set our hands. The thing that we will earnestly pray for that day is that our churches may faithfully redeem their campaign pledges. This day comes in our March Week of Prayer, so let us make it a day of fasting and prayer.

It is impossible to mention the many interesting topics considered in our conference, but among them were plans for our annual meeting. This year we have the honor of being the hostess state. We know that Chattanooga will do every thing possible for the throng of delegates and visitors that will assemble there in May. May it be the greatest convention we have ever known!

We must not fail to mention the wonderful addresses that Dr. E. Y. Mullins and Dr. J. B. Gambrell gave us in the First Baptist Church on Wednesday evening, January 26. It was a blessed privilege to hear firsthand of their great experiences and impressions gained on their recent tour of Europe, when they personally visited the Baptists of most of the countries of that continent. Though we were having at that time the most disagreeable weather of the winter a large audience greeted these distinguished and beloved brethren. As we listened we could but wish every one of you might have heard their message.

I feel sure I have more than used the space allotted to me, but one does not know where to stop writing about this conference. But perhaps we shall have another some day, and then if I may I will continue where I leave off.

MRS. HIGHT C. MOORE.  
Nashville, Tenn.

### NOTES.

Saturday, Jan. 29, was given to the quarterly meeting of New Salem Associational Union, under the direction of Mrs. J. W. Vann, superintendent, with the Watertown church. Only an afternoon meeting, with three churches and four societies represented.

A Young People's leader for the Association was elected. Excellent papers were read by Mrs. Thomas of Hickman, on "Missionary Ideals." Mrs. Luck's topic was "Woman's Work, Kingdom Work"; Mrs. Cox, "Why I Believe in Foreign Missions." Mrs. Doak also read a splendid paper and a quartette and solo were enjoyed. Mrs. Roy Patton led the devotional. Your secretary tried to help on the program, speaking on our immediate needs and plans for future work.

It was a pleasure to be in the hospitable home of Mrs. C. C. Davis for lunch and the hours of waiting for my train. —M. B.

### March Week of Prayer.

Literature for this season will go out in a few days. With the usual programs and leaflets will go the morning program, provided by a committee appointed during the conference referred to in Mrs. Moore's article on this page, adopted by the conference for South-wide use. We trust each W. M. S. will at least use this program during the Week of Prayer on the day appointed, that there may be a uniform plan for all our churches. If you wish the special envelopes, write us and they will be sent. —M. B.

### White Cross Work.

It is gratifying the response of our women to this call. Send in your articles promptly, please. Send to headquarters, 161 Eighth Avenue, N., Nashville, for Mrs. John Gupton, chairman. —M. B.

### Quarterly Meeting of Knox County Association

The Knox County Association held its regular quarterly meeting with the First Baptist Church, Monday, Jan. 24. It was largely attended, 355 being present.

Mr. and Mrs. Snuggs, our missionaries to China, who are home on furlough, gave interesting and enjoyable talks on the conditions and prospects of the missionary work in their province.

Miss Mallory gave an inspirational address on the growth of the work, its prospects, and our own responsibility toward it here in the Southland.

A feeling of oneness and unanimity of purpose was felt throughout the meeting, and appreciated by all.

Those attending brought lunch, and the women of the church served coffee.

It was one of the most interesting and enjoyable meetings we have ever had.

MRS. H. E. CHRISTENBERRY,  
Secretary.

**Quarterly Institute**

The women of Central Association held their quarterly conference at Dyer, Tenn., Jan. 27, 1921. Meeting opened with the Woman's Hymn, after which Mrs. Parker of Dyer conducted the morning devotional from Psalm 24. Miss Virginia Hearn extended a most cordial welcome. The business session which followed was one of unusual interest because of the splendid reports, which indicated a marked progress in all lines of the work during the past quarter. Our Efficiency Pennant, with its five stars, was displayed at this meeting. Central Association W. M. U. has not failed to have its quarterly meetings regularly for the past six years. Mrs. L. R. Riley, of Trezevant, was appointed as Personal Service chairman of the association. Mrs. LeRoy Shackelford, of Trenton, our newly-elected stewardship chairman, spoke, outlining some plans for the work. Mrs. E. M. Hicks gave a most excellent discussion on the passage, "Whatsoever he saith unto you, do it." A helpful paper on "Soul Winning," prepared by Mrs. E. H. Duffy of Humboldt, was read in her absence by Mrs. Elizabeth Rose. Mrs. Robert Coley, Milan, gave a very practical discussion of the subject, "Helps and Hindrances to a Modern Missionary Society." Mrs. Chas. Thompson, Jackson, spoke on "Our Campaign Pledges."

The day's program was interspersed with the following musical numbers: Vocal solo, Miss Lena Mae DeMent; vocal duet, Misses Geneva Reese and Ethel Baird; piano solo, Miss Marie Vestal. Afternoon session closed with a consecration service which drew us closer to each other and to God. How beautiful it was to see Christian mothers dedicating their children and expressing a willingness and desire that He shall use them in His service for His glory. We were grateful for the lovely hospitality of the Dyer ladies, and the delightful lunch prepared for us.

Our next meeting will be at Spring Hill Church, April 28.

**New Method Makes Music Amazingly Easy to Learn**

**Learn to Play or Sing—Every Step Made Simple as ABC**  
**TRY IT ON APPROVAL**  
Entire Cost Only a Few Cents a Lesson—and Nothing Unless Satisfied.

How often have you wished that you knew how to play the violin or piano—or whatever your favorite instrument may be—or that you could take part in singing.

How many an evening's pleasure has been utterly spoiled and ruined by the admission, "I can't sing," or "No, I am sorry, but I can't play."

And now—at last—this pleasure and satisfaction that you have so often wished for can easily be added to your daily life.

No need to join a class. No need to pay a dollar or more per lesson to a private teacher. Neither the question of time nor expense is any longer a bar—every one of the obstacles that have been confining your enjoyment to mere listening have now been removed.

My method of teaching music—in your spare time at home, with no strangers around to embarrass you—makes it amazingly easy to learn to sing by note or to play any instrument.

You don't need to know the first thing about music to begin—don't need to know one note from another. My method takes out all the hard part—overcomes all the difficulties—makes your progress easy, rapid and sure.

Whether for an advanced pupil or a beginner, my method is a revolutionary improvement over the old methods used by private teachers. The lessons I send you explain every point and show every step in simple Print-and-Picture form that you can't go wrong on—every step is made as clear as A B C.

My method is as thorough as it is easy. I teach you the only right way—teach you to play or sing by note. So "trick" music, no "numbers," no makeshifts of any kind.

I call my method "new" simply because it is so radically different from the old and hard-to-understand ways of teaching music. But my method is thoroughly time-tried and proven. Over 250,000 successful pupils—from boys and girls of 7 and 8 to men and women of 70—are the proof.

Largely through the recommendations of satisfied pupils, I have built up the largest school of music in the world.

To prove what I say, you can take any course on trial—singing or any instrument you prefer—and judge entirely by your own progress. If for any reason you are not satisfied with the course or with what you learn from it, then it won't cost you a single penny. I guarantee satisfaction. On the other hand, if you are pleased with the course, the total cost amounts to only a few cents a lesson, with your music and everything included. When learning to play or sing is so easy, why continue to confine your enjoyment of music to mere listening? Why not at least let me send you my free book that tells you all about my methods? I know you will find this book absorbingly interesting, simply because it shows you how easy it is to turn your wish to play or sing into an actual fact. Just now I am making a special short-time offer that cuts the cost per lesson in two—send your name now before this special offer is withdrawn. No obligation—simply use the coupon or send your name and address in a letter or on a postcard. Instruments supplied when needed, cash or credit.

**TREMENDOUS VALUE FOR 1 c.**

Washington, D. C., Special.—In order to let people all over the country see for themselves how valuable the Pathfinder can be to them, the editor of that old-established national weekly offers to send his paper on trial 8 weeks for only 10 cents. The 10 cents does not begin to pay the cost but the editor says he is glad to invest in new friends. The Pathfinder has been going for 28 years. One family in every 65 in the entire United States now takes it. Thousands more would take it if they realized what they are missing. Only a dime sent to the Pathfinder, 121 Langdon Station, Washington, D. C., will keep your whole family informed, entertained, helped and inspired. Unusually good serial and short stories. No matter what other papers and magazines you may take, you will find the Pathfinder worth many times its cost.

## OUR BLESSED DEAD

Smith.—Death has again visited our community and taken from our midst our dear Sister Mollie Smith. She was born July 10, 1881; departed this life Aug. 14, 1920, and went home to God and angels to live with them and the redeemed of earth washed and made white in the blood of the Lamb. She professed faith in Christ when a young girl and joined the Shady Grove Baptist Church by experience and baptism, Dec. 1, 1895, and remained a member of said church until her death. She was a devoted church member, a great Sunday school worker and took a great interest in little folks. She is gone, but not forgotten. We hope to meet her glorified spirit in the city of God, where parting will be no more for ever. She will be greatly missed by her Sunday school and church to which she belonged. She leaves mother, one brother, two half brothers, two half sisters, a step-father and many friends and relatives to mourn their loss. Our loss will be, as we trust, her eternal gain, at God's right hand. Her funeral was conducted by Rev. G. H. Hinchey and Rev. Anderson Newman in the presence of a large assembly of neighbors and friends. Her remains were laid to rest in the Shady Grove Cemetery.

Resolved, That we bow in humble submission to God's will in this sad dispensation of His providence, who is too wise to make a mistake, and too good to do wrong to his creatures. We, your committee, extend our sincere sympathy to the bereaved family and relatives.—N. E. Manard and G. W. Bettis, Committee.

Brackett.—Rebecca Evaline Brackett, daughter of George Woodson and Kathrine Adderholt Sewell, combined in strength of character and grace of mind and body the inherited traits of French Huguenot, British and Scotch ancestry. Among her forbears were many prominent in the pioneer days of Franklin County, Ga., as well as old Virginia. She was a niece of the late Dr. Henry Adderholt and a sister of Drs. John and Abraham Sewell of Blooming Grove and McGregor, Texas. It was the gracious privilege of a daughter to visit with her her ancestral home near Laronia, only a few months before her death, which has been the "home of the Sewells" for over a century; the burying ground of which marks five generations, none having been buried in its confines for 38 years. She was born in Franklin County, Ga., Dec. 6, 1846; died Jan. 20, 1921, Nashville, Tenn. A member of the Baptist faith 58 years, being baptized by Rev. E. L. Sisk, noted pioneer preacher mentioned in the Centennial end of Index. Married W. M. Brackett of Toccoo, Ga., Dec. 17, 1861. Twelve children were born of this union, six of whom preceded her to the beyond. According to the example of both parents, every child confessed Christ in early life and not a child but whose life is being given in Christian service. Dr. Allen Fort conducted the funeral service, giving a beautiful and true picture of her life in Scripture and remarks. Portions of Ps. 46, John 14, 1 Cor. 15, Rev. 14, and Prov. 31, were read. Truly her children rise up to call her blessed,

and the heart of her husband safely trusted in her, and "her works do follow her." A beloved grandson, J. Mansfield Bailey, will soon go out a medical missionary to interior China. The fruit of her life and that of her loved companion of 59 years. Her devoted children were at her bedside when the summons came and her Saviour and those gone before greeted her glorified eyes when she reached the other side. Hers was the faith of a child, simple, trusting, accepting. Whittier's exquisite lines quoted by Dr. Fort expressed her trust in God and greatly comforted her loved and lonely ones.

"I know not what the future path  
Of marvel or surprise,  
Assured alone that life and death  
His mercy underlies.

"If my heart and flesh are weak  
To bear an untried pain;  
The bruised reed He will not break,  
But strengthen and sustain.

"No offering of my own I have,  
Nor works my faith to prove;  
I can but give the gifts He gave,  
And plead His love for love.

"And so beside the silent sea,  
I wait the muffled oar;  
No harm from His came to me  
On ocean or on shore.

"I know not where his islands lift  
Their fringed palms in air,  
I only know I cannot drift  
Beyond His love and care."

—Mrs. Toccoa Brackett-Bailey, Mrs. Kate Brackett-Williams, Mrs. Louise Brackett-Rankin, Mrs. Myrtle Brackett-Shelton, Mrs. Willie May Brackett-Hancock, Miss Emma Gould Brack-

1st. The total pledges given above indicate that about \$900,000.00 is due annually, and since we collected \$915,000.00 during the first year, of the Campaign this will leave us owing \$885,000.00 for the close of the second year.

2nd. Since our receipts up to January 31st on the second year's payment were \$305,091.61, we face the problem of raising, between now and April 30th, the sum of \$582,319.32 additional if we reach our goal for the year.

3rd. We cannot afford to fail in this important matter, therefore we must push collections, increase the number of pledges and get all the new money possible.

4th. Association officials and all pastors and organizers, as well as W. M. U. organizations and all others who love the Kingdom, should enlist for active service during the spring campaign.

5th. During the past eighteen months \$8,000.00 have come in from churches that did not subscribe during the Campaign. This fact ought to encourage the workers throughout the State to make an earnest effort to reach all the churches that were not enlisted during the original Campaign.

6th. Send all remittances promptly to 161 Eighth Avenue, North, Nashville, Tenn.

LLOYD T. WILSON, Corresponding Secretary.
